Parent Request for Exemption from OSAS Science and/or the English Language Proficiency Assessment

Under Oregon Administrative Rule 581-022-1910, parents may request that their student be exempted from taking the Oregon State Assessment System (OSAS) Science and/or the English Language Proficiency Assessment (ELPA) to accommodate a student’s disability or religious beliefs. To best support school planning, please submit this form to the school’s office prior to the school’s testing window. A request for exemption is valid for only one school year. Scores for students who begin an assessment student and then request an exemption will not be invalidated.
