8th Grade Parent Night and Elective Fair
AP Informational Meeting

January 11, 2024

RRHS counselors will meet with MCMS students to deliver information about high school credits, graduation requirements, and elective choices.

January 16, 2023

RRHS Counselors will visit MCMS to receive elective sheets and advise students on elective choices. Students turn in elective form and choose electives with an RRHS counselor.

Early February 2024

Students will be placed in their core classes for next year by the staff at RRHS for Math, Science, Social Studies, and English (Special Education students included). Placements are made based on student data and current placements. Invitations for AP Human Geography or AP Biology will be sent to students and families in February.

March 2024

Students receive course request verification to review their course requests for next year.

July 2024

A form will be available for students to request a change to their original course requests.
