

Grade 3 eLearning Activities

Today will be an e-Learning Day! Your child should select **one** activity from **each letter** in STORM. Then your child should mark the box that was selected when the activity is completed.

Please have your child return this sheet to school no later than 3 days after the no school day with your signature. This is so the school can mark your student as having attended that day.

Thank you!

<h1>S</h1> <p>Something Special</p>	<h1>T</h1> <p>Teamwork</p>	<h1>O</h1> <p>Observation</p>	<h1>R</h1> <p>Reading</p>	<h1>M</h1> <p>Math</p>
<p>Illustrate something from a book you have read.</p>	<p>Play a board game or card game with someone.</p>	<p>Create your own constellation and write a paragraph to explain the story behind it.</p>	<p>Read a favorite book. Draw a picture of your favorite character in the book.. Write at least 5 character traits around him/her.</p>	<p>Design a poster to show different ways to solve the equation: $3 \times 7 = 21$. Use an array, pictures, and a number line to show how you get the answer.</p>
<p>Write a journal entry about your day.</p>	<p>Help your family make or plan a meal.</p>	<p>Ask your family if they know the family history of where your ancestors immigrated from.</p>	<p>Choose a nonfiction text on a topic of interest and write the main idea and 3 supporting details.</p>	<p>Be the teacher! Pick a math concept you have learned throughout the year (addition, subtraction, fractions, division, multiplication) and teach it to a family member.</p>
<p>Using materials around the house, build a tower. See how high you can make it!</p>	<p>Play a game of toilet tag or sardines.</p>	<p>Design the perfect habitat for an animal that you have created with your imagination. Draw and label the habitat.</p>	<p>Retell a story that you have read but change the ending so the story has a new ending.</p>	<p>Practice your multiplication facts. You can use flash cards, create flash cards, or go to Xtramath.org (free).</p>
<p>Act out a scene from a book you have read recently. Perform it for someone.</p>	<p>Write a letter to someone special.</p>	<p>Create a timeline of important events in your life from birth to now.</p>	<p>Create a comic strip retelling a story you just read. Be sure to include the characters, important events, conflict, and resolution.</p>	<p>Teach a family member a math game that you have learned at school (addition/ subtraction top it, farkle, SKUNK.) and play it.</p>
