

# Grade 4

## E-learning Activities #1

Select **one** activity from **each letter** in STORM for each day of learning.

Mark the box that was selected when the activity is completed. Please return this (and any work) no later than 3 days after the e-learning day.

<h1>S</h1> <b>Something Special</b>	<h1>T</h1> <b>Teamwork</b>	<h1>O</h1> <b>Observation</b>	<h1>R</h1> <b>Reading</b>	<h1>M</h1> <b>Math</b>
<p>Create a lunch menu with at least 5 items on it. Tell who you would invite to lunch and why.</p>	<p>Play a board game or card game with someone.</p>	<p>Draw a picture and describe what the weather is like today.</p>	<p>Independently read or listen to reading for 30 minutes.</p>	<p>Go on a shape/angle hunt! Take pictures if you can. How many shapes/angles can you find? Make a list!</p>
<p>Draw and color a picture that shows a bright, sunny day. Include an activity you like to do on days like this!</p>	<p>Set a timer and see how quickly you and a partner can complete a task. Clean a room, fold the laundry, wash the dishes or ??</p>	<p>Collect some random items from around you - like rocks, old toys, kitchen items. What questions do you have? Can you use a book or website to figure out more about them?</p>	<p>Read a book to a pet, stuffed animal, or sibling. Be sure to practice reading with expression!</p>	<p>Practice your +, -, x, / facts by using flash cards. If you don't have any, make some. Other ways to practice include card games such as multiplication/addition war, or spiral multiplication.</p>
<p>Imagine today is YES day! Write a list of 10 things you would do on this special day!</p>	<p>Play a game of tag/hide and seek with siblings or parents.</p>	<p>Build a tower. How tall is it? How wide is it? How strong is it? What can you change to make it stronger?</p>	<p>Write a letter to someone that you are not with. Share a happy story or memory!</p>	<p>Create 5 long division problems and complete them. If you get stuck, watch a video online to help you. Bring in your work to share!</p>
<p>Do something special for someone! Ideas include - clean your room, play with a sibling, shovel snow for a neighbor, or do a chore without being asked.</p>	<p>Invent a new way to communicate with someone. Use paper or your hands or whatever you can to get your message through in a new way!</p>	<p>Create something using recycled materials. Notice how many items you were able to repurpose.</p>	<p>Create a book of your choosing! It could be poetry, a cookbook, non-fiction or something else. Be sure to include illustrations.</p>	<p>Create a bar graph to show information. It could be your family's favorite foods, colors, or times they drink water in one day...use your math brain and be creative!</p>
