

Eighth Grade Registration Form

2024-2025 School Year

Osseo Middle School

Welcome to the 2024-2025 course registration process at Osseo Middle School! We look forward to helping your student register for their 2024-2025 school year. Registration is very important as we hire teachers based on elective choices made by students and families during the registration process.

Students are required to take the following courses: English/Language Arts, Math (Linear Algebra, Non-Linear Algebra, or Geometry), Physical Science, Global Studies, Advisory, Physical Education, and two Fine Arts courses. If you have questions about and/or would like to learn more about our courses, please view the Middle School Registration Guide on our website at <https://oms.district279.org/>.

AVID (Advancement Via Individual Determination) is a course for students to develop organizational, note-taking, and self-advocacy skills. It is also a college preparatory program that accelerates learning for all with rigorous, relevant instruction. The AVID curriculum focuses on writing, inquiry, collaboration, and reading. AVID is an exciting opportunity for your student to consider when they are registering for the 2024-2025 school year.

Unified Advisory is a course that combines students with and without disabilities. It provides a welcoming environment for all students to empower them to reach their full potential while also fostering an inclusive and accepting school environment. If your student is interested in participating in Unified Advisory for the 2024-2025 school year, please contact the counseling office.

Please review and choose ONE of the five registration options on the back of this form. Your student will register for their 2024-2025 courses at school during their Science class on Tuesday, January 23rd. Students and families should review registration information, complete the registration form together at home (including parent/guardian signature), and have your student bring the completed form to school on their registration day.

Below are some examples of 8th grade student schedules. If you have any questions, please contact:

- Meghan Brawford & Jenna Johnson, School Counselors
- Brian Chance, Principal & Jenny Tollefson, Assistant Principal
