

Dear Cardinal Newman Parents and Guardians,

We want to share with you that, in line with the goals of our Strategic Plan, we are continuing our inclusive tuition model for the 2024-2025 school year and beyond. **Registration, student activities, retreats, testing, participation in athletics, graduation, yearbook, parking, and all costs related to classrooms and academics are included in tuition, streamlining the enrollment and re-enrollment process for your family. Costs that are not included in tuition are uniforms, athletic spirit packs, food service, textbooks, dance costumes, special field trips, and miscellaneous optional student activities.**

The tuition for the 2024-2025 school year will be \$21,800. This allows us to provide competitive compensation for our talented teachers and staff, ensuring Cardinal Newman's continued academic and spiritual excellence. We are proud to maintain, still, lower tuition than most regional Catholic and other private high schools.

We acknowledge that when families invest in a Cardinal Newman education, it can mean a financial sacrifice. It is an investment that provides an exemplary Catholic education to each student that, as our mission proclaims, helps them become a person of faith, leadership, and service. Each one of our teachers, staff, and Board of Trustees honors the importance of that responsibility. Our dedication to your child is our mission and our ministry.

Our commitment to access and affordability means that we provide tuition assistance to students with demonstrated financial need — 30 to 40% of our students receive tuition assistance. This year the amount awarded was over \$1.4 million. If you have questions about whether your family might qualify for financial support, we invite you to explore our Tuition Assistance application. Please see our website for links to apply: [www.cardinalnewman.org/admissions/tuition-fees/tuition-assistance](http://www.cardinalnewman.org/admissions/tuition-fees/tuition-assistance).

Please direct any specific questions or comments regarding tuition and tuition assistance to our CFO, Anne Devlin, at [finance@cardinalnewman.org](mailto:finance@cardinalnewman.org). Thank you for entrusting us with your children and the opportunity to make a difference in your child's life!

God bless you and your family,  
Dr. Linda Norman, President
