CHEW ON THIS

VOLUME 12, ISSUE 5
JANUARY 12, 2024

Second semester is under way! We are excited to spend the next few months with our students and watch them grow.

See this [link](#) for the January specials rotation.

Download the Parent Square App to receive both alerts (seen in email and app) and posts (seen only in the app.)

Please help your child come to school prepared with outerwear and footwear appropriate for the weather as we move into the winter season. We will attempt to be outdoors for recess as often as possible.

Of note for 5th grade parents: 5th grade classes will have Bodywise instruction with an Akron Children's nurse during the last week of February. A letter with further information and district nurse contact information for questions will be shared at the beginning of February. The schedule of day and time for each classroom's instruction will be printed in the February newsletter.

Of note for 6th grade parents: 6th grade classes will be going on a field trip to the Cleveland Art Museum on assigned days beginning February 23.

More information from the Art teachers will be coming home in Friday Folders.

Please email or call us if we can ever be of assistance or answer any questions.

Please . . . and Thank you!

Please remember to call the office or send a note in with your child(ren) if you will be picking them up early from school or if they will be arriving late. This will help us help you by having your child(ren) ready for pick up in a timely manner. Thank you.

Please remind your children that cell phones, while allowed at school, should not be seen or heard during the school day. Phones should be on silent and stored in a safe place. Thank you.

Please follow your child's specials schedule and help make sure he/she wears proper footwear for physical education class. For safe participation, tennis shoes/sneakers are required. Crocs, boots and sandals impede safe participation in the gym.

Happy New Year Choir Families!

Please enjoy a few more weeks of later mornings. **Choir rehearsals will resume the week of January 29th** with 6th grade choir on Monday and Wednesday and 5th grade choir on Tuesday and Thursday!

I can't wait to have our singers back in action! ~~ Mrs. Oberschlake

GROWING GREATNESS

Congratulations to the teams who have earned the **Physical Education Spike's Sportsmanship** award thus far this school year.

Thank you for demonstrating positive behavior, respect and hard work!

We look forward to seeing which teams are recognized in the coming months. We do not have teams to share this month as our publication is being shared very close to the return from break and the start of the new semester, but stay tuned for more recognitions in February.

SAFETY FIRST: REMINDERS

Parents should drive AROUND the building (following the designated car lane) to drop students and pick students up in the afternoons at EXIT 2 ONLY.

All car-riders will be dismissed at Exit 2 in the afternoons and are expected to be dropped off there as well.

ALL morning drop off should happen at EXIT 2, using the car lane and driving all the way around the building. This includes choir, band and orchestra.

Students should never be let out of vehicles in the parking lot containing school bus traffic.

Crossing guards will be available to assist walkers.

Please remember that the bus and car lanes designated by identifying marks on the pavement, cones and a sign are to be observed during the hours of 7:50am-8:40am and 3:00-3:40pm for the safety of our students and staff.

There is parking available behind the gym at the back of the building if you need to enter the building during these times. Follow the car lane for this parking.

Library News

Happy New Year from the Lakeview Library! We have a great graphic novel collection here at Lakeview, but I've also been challenging our students to branch out and try different genres of chapter books as well. Hopefully you have seen your child bring home books checked out from our Lakeview Library. Students are often reminded that the library provides a diverse selection to meet the needs of all our many student reading levels, maturity levels and interests, but they should always be checking in with parents/guardians for pleasure reading permission. Never hesitate to reach out to me directly if you are curious about any book in our collection, st_worcester@smfcsd.org. May you enjoy the coming cold evenings wrapped up in a warm blanket and a good book.

January Counselors' Corner
Mrs. DiEugenio (5th) and Mrs. Smith (6th) - Grade Counselors

Welcome back and Happy New Year! We are excited for the second half of the school year and eager to get back into the classrooms. In January, 5th graders will be looking ahead to new goals and exploring what kind of person they want to be. 6th- graders will be creating a digital vision board of long and short term goals.

We are also bringing Greenleaf Family Center into our building/6th grade classrooms as part of the SAVE Act to speak with our students on emotional health. Please feel free to call the guidance office with any questions.

K-Kids met on January 9th and worked on creating Valentine's Day cards for our service men and women.

Greatness on the Daily

At Lakeview, we encourage students to demonstrate personal and community greatness by following our PAWS expectations. Students of team 541 were asked to share examples of "Greatness" they have demonstrated or witnessed this school year among their classmates.

Colter and Alexys show me that the shape in math has a depth of 5 cubic units.
 - Jackson

What I've witnessed on team 541 was when Zach spilled his art box, Ryan helped him pick it up.

"In 541 I feel like we help each other with school in math. Josh helps me with math and I help him." - Lincoln

One thing I witnessed this year was people congratulating the other team because they won in castle ball.

When my friend spilled his supplies I helped him clean it up.

One way to show greatness is helping someone!!!! I helped my friend up when she fell and she did the same thing when I fell.

I witnessed kindness when Annika invited me to sit with her at lunch when I had no friends.

Us helping each other with math homework and other assignments on fractions, giving support to each other, nobody being rude or not being kind and most of us are always finishing up our classwork. Also, if anyone needs help I'll try to help them when I can, we all give mental support like Jojo and Caden can cheer me up, and I try to give them mental support.

This Year I Have Witnessed Lots Of Things. There Is One Thing What Really Stands Out From The Rest. I Really Like How Ryan Always Has Something To Say And Is Always There.

People helped me like Nico, Joey, Caden, and Aiden by making many things easier for me. - joshua

When someone in class was crying, a lot of people started comforting them. -Kendall Millirons.

The class has had some conflict recently and some people including me were not in it. Instead we just ignored it and went on with our day :]
 - Lavinia

I noticed that we have been making progress in becoming more mature. One example is that we are quieter and don't talk as much as we used to.

"Help people understand a Social Studies question. Give people suggestions on studying." -Alexa

GREATNESS for Team 541! When I look around the classroom, I see manners, kindness, quiet, and respectfulness. I am impressed by all my classmates for setting such a great example for our team! Thank you for all your hard work, Team 541, and all reading this passage. Just remember, 'You're on your path to greatness if you don't show any hatefulness!' Special thanks to Emmalin H. (541), Aiden M.(541), Alexys H.(541), Brooklyn B.(541), Madison M.(5, Addyson H.(5, and both my teachers, Mrs M. Slattery and Mrs. R. Baumann. I really appreciate all of my classmates and people reading this. Thank you! -Mook, Annika age 10

I saw greatness when Emily helped Katie carry some of her stuff in when she couldn't carry all her stuff with her clarinet.

Team 541 is

Great
Real
Extra fun
Amazing
Too awesome
Nice
Energetic
Silly
So cool

Joey and Nate are always kind to me everywhere. Jojo is always nice and makes me laugh. Reid is also always nice and makes me laugh.

I witnessed people show greatness in this class by improving on: Helping one another, sharing their own thinking, and most importantly they have been more organized. Like when someone was having a hard time with an assignment in math, I helped them start to understand. -Brooklyn

I showed greatness by showing kindness to my classmates, and I witnessed greatness when Annika helped me when I needed help because I was confused.

I showed greatness by helping with bulldog bags and helping somebody carry their things. I witnessed greatness when somebody helped me with my work. -Unknown

I witnessed greatness when Caden helped me do my work on Finish Up Friday.
