Simon Chiu
Vice President of Advancement

In November, we hosted the President's Reception and Ribbon Cutting Ceremony for our newly remodeled library and Student Life Enhancement Project. Amidst the excitement of the evening, I took a moment to reflect on the impact of the work we had done to raise the funds to renovate this space for student learning.

With the support of hundreds of donors, which included parents, alumni, foundations and other friends of the school, we were able to reclaim underutilized space in the former library, create two new classrooms to accommodate our growing student enrollment and build a new study space for students that is now used at capacity throughout the day. I am grateful for everyone who supported this project and seeing our students use that space daily should affirm for all of us the continued importance of our work in renovating and remodeling the spaces across our campus.

Our work on the next phase of the Student Life Enhancement Project continues this summer as we repave our parking lot, make concrete repairs on the gym promenade, make improvements in our cafeteria and install new scoreboards and scorer's table in our gym. I hope you will continue to support our work with your contributions as we work to create the best student experience for our students.

We are blessed to have amazing supporters such as yourself. Thank you for believing in this school community and in our work with our students. Your support, whether for capital projects or tuition assistance, allows our Catholic, Marianist education to be accessible for so many young people.

Go Crusaders!

STUDENT LIFE ENHANCEMENT PROJECT

Over the past eight years, Archbishop Riordan has been transformed in fundamental ways. We have invested more than \$15.5 million into all areas of the Crusader Experience on campus.

Riordan has reinvigorated every part of our school facility, from rebuilding our athletic facilities and classrooms to new bathrooms and hallways to a remodeled library and student courtyard.

During the 2023–24 school year, Riordan celebrates our school’s 75th anniversary while boasting a student enrollment of 1,150 students, an all-time high. At the start of the school year, Riordan unveiled the latest project– a new \$3.5 million Student Learning Center & Library containing a state-of-the-art classroom and multimedia and digital design classroom with a recording sound room. The project also included a renovation of the main courtyard to accommodate the ever-changing social and academic needs of students.

The Student Learning Center features stadium seating that provides study space with outlets and USB ports, as well as space for presentations when the overhead screen comes down from the ceiling. There is also rest and relaxation space that features couches and a gas fireplace.

RIBBON CUTTING: STUDENT LEARNING CENTER

President Tim Reardon was joined on November 9, 2023 by Board of Trustees Chairman Brian Spiers '75 and donors as they celebrated the official opening of our new academic wing, library, and courtyard.

The ceremony opened with remarks from Vice President of Advancement, Simon Chiu, whose team reached the fund-raising goal of \$3.5M that helped to make this project possible. He shared a heartfelt thanks to our incredible community for making this moment a reality.

"The support of our Crusader Community, be it through a financial contribution, volunteer wisdom and guidance or our incredible school staff's work helped to make this project a success," Chui said.

The night showcased our commitment to providing an outstanding educational environment for all Crusaders.

"This feels in many ways like it's a new campus," President Tim Reardon said. "We cherish our traditions and we love our school and what it has meant over the years, but with the Marianist tradition of innovation and change, it's almost a mandate that we have to keep moving and trying new things. It's an exciting time to be at Riordan."

Student Parliament leader William Parker '24, shared a student's perspective, saying, "I find myself genuinely looking forward to writing my college essays in this welcoming environment to work in."

"It is only with continued support of our community that such transformative projects can happen," Parker said. "Please take a moment to appreciate the concrete impact of your generous contributions, helping to take Riordan into the 21st century."

Together, we've not only transformed these spaces but also strengthened our school's foundation, ensuring it remains a place for student growth and success.

In the world of philanthropy, there are generous donors, and then there are visionaries who leave an indelible mark on institutions and communities.

Phillip Cazahous '70 belongs in the latter category. He is a benevolent soul with a passion for education and a deep love for his alma mater. His extraordinary commitment to Archbishop Riordan High School has transformed the landscape of the institution's athletic program. With a generous initial donation to build a state-of-the-art athletic field and a remarkable multi-million dollar legacy gift to maintain the complex in perpetuity, Cazahous has secured his place as a true champion of Riordan.

A self-made man and devoted alumnus of the school, Cazahous has always carried a profound sense of gratitude for the education he received at Riordan. Growing up in San Francisco, he experienced firsthand the transformative power of a Catholic education. Cazahous's teachers and coaches had a lasting impact on him. The school's emphasis on academic excellence, Catholic values, and a strong sense of community gave him the foundational qualities to become the man he is today. And his experiences on the track team—finishing 2nd in the half-mile at the WCAL championship meet in his senior year—taught him the value of hard work and perseverance. To this day, Cazahous remains proud of the friends he made and the lessons he learned training and competing on Riordan's track.

And in a moment that would forever change the course of Riordan's athletic facilities, Cazahous teamed up with Steven Herrera '76, Michael '71 and Steven Mayer '72, the Carl Gellert and Celia Berta Gellert Foundation, and a host of other generous supporters to turn the dream of a new athletic field into a reality. Riordan's largest classroom, a combined football-baseball-soccer-lacrosse field on the west side of campus, has become one of the primary symbols of Riordan's renaissance.

Some members of the Riordan community have credited the co-ed transition as the source of Riordan's incredible enrollment increases in recent years; however, without the field, the move to coeducation could not have reached its full success. In truth, neither the co-ed transition nor the field project alone could have inspired such a high demand for the school. But the combination of the two has proven to be a winning enterprise.

Cazahous's amazing contribution did not stop at his support for the building of the field. Recognizing the importance of ongoing maintenance and development, he has made an unprecedented multi-million dollar Legacy Gift. This endowment ensures that the field will be maintained and replaced in perpetuity, assuring its longevity for generations of students to come.

As an accomplished accountant, a member of Riordan's Board of Trustees, and a former chair of the school's Finance Committee, Cazahous understands the importance of sound financial stewardship. The structure of his gift is a reflection of that pragmatism. Consequently, the impact of this legacy gift is immeasurable. Not only does it guarantee the upkeep of the field, but it also paves the way for additional programs and opportunities for Riordan students. The field will continue to be a source of unity, upholding a tradition of athletic excellence and providing a space for the community to gather with a sense of pride—the same kind of pride that Phillip felt as a student and that he has felt since returning to the community in such a positive way.

About 10 years ago, a group of Riordan students made room for Cazahous to find a seat on the streetcar at West Portal Station. In his speech to the student body upon receiving the Chaminade Award in 2019, Phillip said the following about his interaction with the students.

"At this moment, I realized that it was time for me to come back to Riordan. The values from fifty years ago have not changed. A number of Chaminade Award recipients from decades ago when I was here at Riordan instilled in me the value of respecting my fellow man."

Cazahous's extraordinary generosity has made a lasting mark on Riordan, transforming its athletic program and creating a legacy of excellence and community. His commitment to education, athletics, and the betterment of society serves as an inspiration to all. Cazahous's legacy is not just a gift to one institution but a testament to the enduring impact that dedicated philanthropy can have on the lives of countless individuals and the communities they call home.

It was an incredible pleasure hosting the largest-ever Golden Graduate Luncheon crowd on August 30 at Lake Merced.

The Class of 1953 were our special guests as we celebrated their 70th anniversary as the first four-year class to graduate from Riordan. Having them with us and hearing their stories was a blessing.

More than 125 alumni gathered to reminisce about old times and create new memories. These are the moments Crusaders cherish, as the bonds of old brotherhood remain unbreakable.

Save the date for next year's Golden Graduate Lunch at Lake Merced Golf Course on Wednesday, August 28, 2024!

Witnessing Living History

In a delightful surprise during the Golden Grad lunch, Judge Ray Arata '53, and John Bracco '52, who were responsible for the first pass and catch in Riordan football history during the 1951 season against Marin Catholic, recreated the iconic moment with a twist. Instead of a football, they used a dinner roll, leaving everyone in awe.

Arata, the quarterback of that historic play, reflected on the impromptu recreation, saying, "I can't believe we pulled it off. My arm has been frozen for a while, but I just let it go, and it worked out." The surprise throw and catch left alumni and attendees amazed at the accuracy of the throw, even with a dinner roll.

Bracco, the tight end during that memorable pass, shared his sentiments, "It was really something—it landed right in my arm. I'm glad we could make it happen." The room filled with laughter and applause as the two Riordan legends effortlessly recreated their historic accomplishment.

This surprise remake served as a reminder of the strong bonds and cherished memories that Riordan alumni share. It was a heartwarming tribute to the school's football legacy, and it brought back the spirit of *Crusaders for Life* that has defined Riordan throughout our history. The recreated pass and catch will undoubtedly become a treasured memory for all those who witnessed this unique moment.

ANNUAL ALUMNI GOLF TOURNAMENT

We thank our Alumni & Friends of Riordan for being a part of the incredible success of the 2023 Alumni Golf Tournament. Your presence, enthusiasm, and support truly made this event the biggest ever raising \$45,000.

We were thrilled to welcome both familiar faces and new friends to the tournament. The event sold out in just 48 hours, a testament to the excitement and anticipation that surrounds this annual event.

We are especially proud of the significant alumni presence at the tournament, with half the field of 150 golfers being graduates, as well as the strong representation from the Riordan parent community. It was heartwarming to see alumni and friends travel from all corners of the country to be with us. From Idaho to Chicago, from Wisconsin to all across California, your dedication to this event and your alma mater is truly inspiring.

This year also marked a special moment as we welcomed the first-ever girls golf team to the tournament. Their presence added an exciting dynamic, and we extend our warmest welcome to them as part of our golfing community.
