

Saint Luke's Nursing Assistant Academy

Become a nursing assistant through our six-week, paid training program

Nursing assistants help patients with daily living tasks. Becoming a nursing assistant is an excellent way to start a rewarding career full of opportunities.

Senior high school students interested in health care careers can apply for Saint Luke's Nursing Assistant Academy. Classroom work and hands-on training will prepare you to become a nursing assistant at Saint Luke's.

Six-Week, Paid Training

Once accepted into the Academy, you will train for six weeks, Monday – Friday, 12:30 – 4 p.m.

**The spring semester begins
March 11, 2024.**

- **Weeks 1 – 3:** In-class instruction, simulation, and hands-on content at Saint Luke's System Offices (I-435 and Holmes in South KC)
- **Weeks 4 – 6:** Training in a hospital patient unit with an experienced health care professional at Saint Luke's East Hospital (Lee's Summit)
- Work at least two 12-hour shifts, can be completed after high school graduation

*You must work at least 20 hours per week to participate in Saint Luke's benefit programs.
This program will prepare you for jobs within Saint Luke's that do not require certification.
Certification is required for nursing assistants at residential living facilities and regional hospitals.*

The Start of a Career

Learn how to provide excellent care while meeting patients' needs, in addition to:

- Assisting patients with daily living tasks such as feeding, bathing, and moving around
- Collaborating with other health care team members to provide exceptional patient care
- Responding to family members' needs

A Job at Saint Luke's

Once your training is complete, you will have a job as a nursing assistant at Saint Luke's East Hospital and will be able to work evening, overnight, or weekend shifts. Benefits of working for Saint Luke's include:

- Earning \$17.50 per hour
- Having generous health, dental, and vision benefits
- Receiving continuing education tuition reimbursement
- Having discounted tuition rates through Rockhurst University
- Working at an organization that values kindness; diversity, equity, inclusion, and belonging; excellence; and career growth
