

STUDENT DRESS: 3224P

The student and parent may determine the student's personal dress and grooming standards, provided that the student's dress and grooming shall comply with the guidelines found in policy 3224 and the dress code adopted by the school or alternative program that they attend. If the student's dress or grooming is objectionable under these provisions, the principal shall request the student to make appropriate corrections. If the student refuses, the principal shall notify the parent and request that person to make the necessary correction. If both the student and parent refuse, the principal shall take appropriate corrective action. Students may be suspended, if circumstances so warrant.

The principal, in connection with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity if the principal reasonably believes that the student's dress or grooming:

- A. Creates a hazard to the student's safety or to the safety of others
- B. Shall prevent, interfere with, or adversely affect the purpose, direction, or effort required for the activity to achieve its goals

Students who violate provisions of the dress code relating to extracurricular activities may be removed or excluded from the extracurricular activity for such period as the principal may determine. All students shall be accorded due process.
