ROBERTSON COUNTY SCHOOLS
CORE BELIEFS

Purpose: We believe there is no profession with a greater purpose than ours. We understand our responsibilities are complex. We develop minds and character. We inspire those in our care to think, to question, and to imagine a life better than the present. We recognize there is a ripple effect within our work: well-rounded, educated students lead to improved communities, a stronger nation, and an informed society.

Trust: We believe that trust is the foundation from which all other core beliefs develop. Trust is essential if an organization is to thrive and succeed. We recognize trust is multifaceted – it involves competence, character, and contractual obligations. It is developed and earned over time through our words and our actions. We acknowledge that trust generates commitment, fosters teamwork, and promotes progress.

Communication: We believe effective communication determines whether we fall short or succeed as an organization. At a basic level, efficient communication provides guidance for our daily work. In voicing our expectations, we must be intentional and consistent. At a deeper level, our communication practices value the ideas and opinions of all involved. These practices are open, honest and purpose driven.

Collaboration: We believe collaboration creates a culture of continuous improvement. We know effective collaboration is driven by a common mission. It occurs within a context of trust and respect. Through collaboration, we support innovation, solve problems and provide for high levels of student learning. We recognize our work is too important to attempt in isolation.

There is also an awards day called ACT Counts where all 12th grade students meeting 3 of the 4 benchmarks will be invited to attend the celebration.

If I am having a conflict with a teacher, coach, or administrator:	Anytime you have a conflict with an adult, you should first speak directly to that individual in a respectful manner. Do not argue but talk in an adult manner and try to resolve your differences. The Guidance Department is trained to help with situations like these. If you are unable to reach a resolution, speak to an assistant principal or the athletic director if it involves a sports issue. Also, speak to your parents and ask them to call and speak to the teacher or coach on your behalf. If those options do not work, speak with the principal for further guidance.

Attendance Policies and Procedures

Attendance Regulations

Being absent from school is like being absent from a place of employment. Each credit is based upon a certain number of days attendance and work required in preparation for class.

Students that accumulate unexcused tardies/early dismissals may be required to attend an attendance advisory session during Byrn Time. Students will also serve ISS after their 5th unexcused tardy and/or unexcused dismissal. Students will also serve ISS after the 10th and 15th. If a student reaches 20, the student will receive OSS at 20 and for each additional 5. This will start over at the beginning of every semester.

All missed class work or tests may be made up. A reasonable effort must be made, and ample opportunities must be provided by school personnel. Grades may reflect less than full credit. (Exceptions include pre-announced tests and term assignments that will be due upon return.) School work and tests missed for suspensions may be required to be made up. Students may be denied the privilege of making up work missed as a result of an unexcused absence or suspension. It is the responsibility of each student to initiate the desire to make up the work on the day he or she returns to class.

Excused absences include illness, death in the family, seasonal work in a family business, court appearance, medical examinations, religious holidays, college visits and driver's examinations. Students participating in school-sponsored activities whether on or off campus shall not be counted absent. To qualify as a school sponsored, the activity must be school-planned, school-directed, teacher supervised, or a program for out of school credit.

Any student with 5 or more unexcused absences will be considered truant and treated accordingly.

- An attendance letter will be mailed home after 5 unexcused absences. A second letter will be mailed home after 7 unexcused absences and a parent meeting will be scheduled.
- After 10 unexcused absences, the student/parent will be referred to the Robertson County Juvenile Court for truancy.
- **Robertson County Attendance Policy:**
 - **Students in grades K-8 will be allowed 5 parent notes a semester. No more than 10 a year.**
 - **Students in grades 9-12 will be allowed 3 parent notes a semester. No more than 6 a year.**

Robertson County School Board Policy: An accumulation of 8 unexcused early dismissals and/or unexcused early checkouts will be considered a one-day unexcused absence.

Absentee Policy / Absence Information

- Students must report to the front lobby if they have missed the previous day or any part of the previous day to receive an attendance note.
- A note from a parent, guardian, or doctor should be presented. The note should be complete with dates, reason for absence(s), signature, and phone number for verification.

- If a student has missed 3 consecutive days due to illness, a doctor's note may be required.
- In the event of excessive absences, the school reserves the right to request a doctor's note at its discretion.
- To leave campus after he/she has arrived, a student must give the office a written notice by a parent and the student must sign out in the main office. **There will be no phone check-outs. All parent notes sent by email will be verified by phone call.**
- **SENIOR SKIP DAY IS RECOGNIZED AS AN UNEXCUSED ABSENCE as this is not a school sponsored event.**

Absence Procedures

- An attendance note will be issued to the student. The student must present this attendance note to each teacher of the class or classes missed the previous day. The teacher will mark in his/her gradebook whether the absence was unexcused or excused.
- **Students who do not get an attendance note in the morning on a day after an absence will automatically be counted as unexcused in all classes.**
- Students will need to turn in the attendance note to the teacher of the student's last class of the day, which will be turned into the office and filed in the student's attendance folder.

Check-Out Procedure

- Any student leaving campus for any reason after he or she has arrived at school must sign out through the main office.
- Students who require an early check-out should turn in a note to the main office with date, time of check-out, reason, signature of parent or guardian, and phone number for verification upon arrival to school. **If verification cannot be obtained, the student will not be allowed to check out.**
- Students checking out early should report to the main office at the appropriate time and sign out before leaving the building. Students must leave the school grounds after signing out.
- **Students who need to check out should remain in the classroom until called and requested to report to the main office. Student drivers may come to the main office at the time listed on the early checkout list.**
- **When picking up a student for early dismissal, the individual must come in to sign the student out and must be on the student's data sheet. ID will be required.**

Robertson County Schools Board Policy 6.230

3. When dental and medical appointments cannot be scheduled outside school hours, a parent or legal guardian must send a signed, written request for dismissal or call for the student **in person**. Schools may require an official verification of the appointment prior to excusing the absence.

Early Dismissals

- Students must sign out with parental note or be accompanied by a parent who signs them out. There will be NO phone check-outs. All parent notes sent by email will be verified by a phone call.
- Students must leave the building immediately once signing out and are not permitted to remain on school property.
- Any student who leaves school without permission and/or without signing out in the office after arriving on school property will be subject to ISS or suspension. Driving privileges may also be revoked. Parent conferences will be required for students who skip.

Late Arrivals

Students reporting to school after 8:00 should report to the main office to sign in. These students will be issued an admit slip to class. The student's name and time of arrival will be recorded.

Student Responsibility Concerning Attendance

- All missed class work or tests may be made up.
- Reasonable effort must be made, and ample opportunities must be provided by school personnel. Grades may reflect less than full credit. (Exceptions include pre-announced tests and term assignments that will be due upon return.)
- School work and tests missed for suspensions may be required to be made up.
- Students may be denied the privilege of making up work missed as a result of an unexcused absence or suspension.
- It is the responsibility of each student to initiate the desire to make up the work on the day he or she returns to class.

Parent or Guardian Responsibility Concerning Attendance

- It is the responsibility of the parent or guardian to provide, in writing, a note for any absence, tardy to school, or early dismissal; in addition, a phone number must be provided. In case of emergencies, the parent must sign the student out in the main office. **There will be NO phone check-outs. All notes sent by email will be verified by a phone call.**
- Parents, not the school, are ultimately responsible for their child's attendance according to Tennessee Code Annotated (TCA) 55-50-321 and TCA 49-6-3017. Parents may be subject to legal fines and/or imprisonment if charges are filed.

Discipline Procedures

Tardies

Students are classified as tardy when they are not inside the classroom when the tardy bell rings, and they do not have an excuse note from another staff member. No student will be admitted to class after the tardy bell rings. **Any student still in the hallway after the tardy bell rings should report immediately to the main office for a tardy slip.**

Students should be mindful of tardies as tardies influence truancy. Concerning truancy, 8 unexcused tardies = 1 unexcused absence. Students that accumulate unexcused tardies/early dismissals may be required to attend an

attendance advisory session during Byrn Time. Students will also serve ISS after their 5th unexcused tardy and/or unexcused dismissal. Students will also serve ISS after the 10th and 15th. If a student reaches 20, the student will receive OSS at 20 and for each additional 5. This will start over at the beginning of every semester.

In-School/Out-of-School Suspension

ISS may be assigned to students for skipping classes, disrupting the classroom environment, disrupting the normal progression of the school day, or failing to follow school policies and procedures. OSS may be assigned to students for more severe behaviors as outlined in the county handbook.

- **If a student is checked out of school when he/she is serving ISS, he/she must complete the remainder of the ISS time on the day he/she returns.**
- **Upon accumulating 10 days of ISS, a student may receive one day of out-of-school suspension (OSS). Further infractions may earn the student an additional day of OSS.**
- **If a student is suspended out of school for a cumulative total of 10 days over the course of the school year, a referral may be made to the DHA, and administration may recommend that the student be placed in an alternative setting.**

Hallway Procedures

- No student is allowed outside of the classroom without a hall pass. Any student found outside of the classroom without a hall pass could be seen as skipping and is subject to being placed in ISS.

- Parents picking up high school students after school will pick them up in the circle in the front of the big gym.
- Notes are required from both sets of parents for students to go home with each other. A note will also be required if the student is going to ride a different bus or get off the bus at a different location. **Notes must be turned in to the front office before 8:00.** If there is no note, the student will be placed on his/her regular bus.
- All students should be out of the building by 3:10 unless participating in extracurricular activities.

Lunch Period Procedures

- **Students are not to remain in classrooms to heat up lunches.**
- **Students are not permitted to leave school for lunch.**
- **Students are not allowed to eat in a teacher's classroom.**

Computer Lab Policies

- Students using computer labs with their classroom teachers must adhere to all Robertson County School Board policies regarding computer lab and technology usage. The following are general rules and policies that must be followed.
 - **No food and drink will be allowed at any time in the computer labs.**
 - **Students must have an Internet license in order to use the internet.**
 - **Students will be held liable for any inappropriate use of the computer labs.**

Medication Policy

No school official/teacher will routinely dispense medication to students except in unique situations in which a child's health is dependent upon medical aid. If under exceptional circumstances, a child is required to take oral medication during school hours and the parent cannot be present, only the principal/designee will administer the medication in compliance with the following regulations.

All medications must be:

- Stored in the nurse's office
- Brought to school by a responsible adult in a properly labeled pharmacy container (prescription drugs), or unopened bottle (over the counter medications)
- Accompanied by written permission from the parent/guardian
- All medications require a physician's order demonstrating the necessity for such medication and the need to administer such medication, at school, during school hours (8:00 a.m. to 3:00 p.m.). Medications to be given at school do not include medications taken daily or twice daily as these medications can be administered at home. Medications taken three or more times each day will be considered.
- This does not include, as needed or PRN medications such as albuterol multi-dose inhalers or epi-pens which a student, with a physician's order, may carry on their person.
- Emergency Medication: Epi-pens and inhalers may be kept with the student. Students carrying epi-pens or inhalers must have a physician's order stating they are capable of using the epi-pen/inhalers without

supervision. This physician's order must be accompanied by written permission from the parent or guardian.

Over the Counter (OTC) Medicines:

- Must be brought to school in a NEW, UNOPENED container and LABELED with student's name and a physician's order or letter from the parent or guardian detailing the necessity that such medication is needed.
- OTC medications shall be administered according to the manufacturer's recommendations, unless accompanied by a physician's order demonstrating his order for a different dosage to be administered.
- Aspirin/aspirin containing products, herbals and vitamins will not be administered without a physician's orders.

Physician's Orders and Parental/Guardian Consent to Treat:

Jo Byrns High School has a full-time Registered Nurse (RN) on duty. A copy of all required orders and consent forms may be obtained from the school clinic. In most cases School Health Services can assist in obtaining physician's orders. It is advisable that each parent or guardian, of a student who requires medications at school, first speak with the RN on duty to ensure such medications are both appropriate to be dispensed at school and to ensure the required order(s) and consent form(s) are obtained.

Note: Medications will NOT be dispensed without a signed physician order and/or parental or guardian consent has been obtained. There will be no exceptions to this requirement. It is incumbent upon the parent or guardian to ensure that required physician orders and parent/guardian permission and required forms are completed in order for the timely administration of required medications(s) at school. In lieu of this, parent/guardian may come to school and provide their child medications(s) without restriction. However, if such medications (as with narcotics) impair the students normal function such that the school nurse or other medical professional determines that the student is unsafe or may suffer physical harm, the school reserves the right to obtain the level of medical intervention to include emergency medical assistance and/or treatment deemed appropriate under the circumstances. In all cases the parent/guardian will be notified, if possible, prior to any intervention.

Robertson County Schools' Bullying and Harassment Procedure

The Robertson County Schools' Bullying and Harassment Procedure will be disseminated annually to all school staff, students, and parents via the Robertson County Handbook and website. This policy is in effect while students are on school property, at any school sponsored activity, on school provided equipment or transportation, or at any official school bus stop. If the act takes place off school property or outside of a school sponsored activity, this policy is in effect if the conduct is directed specifically at a student or students and has the effect of creating a hostile educational environment or otherwise creating a substantial disruption to the education environment or learning process. These acts may also take place through electronic means. ("Cyber-bullying" is bullying undertaken through the use of electronic devices. Electronic devices include, but are not limited to telephones, cellular phones or other wireless telecommunication devices, text messaging, emails, social networking sites, instant messaging, videos, websites, or fake profiles.)

Bullying is conduct that meets one or more of the following criteria:

1. Is an act directed at one or more students that is intended to harm or embarrass;
2. Is repeated over time; and
3. Involves an imbalance of physical, emotional or social power.

Bullying can be conducted verbally or in writing (teasing, name calling, taunting, threatening to cause harm) socially/relationally (hurting someone's reputation or relationship), or physically (hurting someone or their possessions).

“Bullying” can be conducted verbally and in writing (teasing, name calling, taunting, threatening to cause harm) socially/relationally (hurting someone’s reputation or relationship), or physically (hurting someone or their possessions).

Other acts of violent behavior may include:

Hazing is any intentional or reckless act, on or off any property owned by Robertson County Schools, by one student acting alone or with others that is directed against any other student, that endangers the mental or physical health or safety of that student or that induces or coerces a student to endanger that student’s mental or physical health or safety. Hazing does not include customary athletic events or similar contests or competitions and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization.

Reporting and Investigations

The policy requires the principal and /or principal’s designee, at each school to be responsible for investigating and resolving complaints alleging violation of this policy. They are responsible for determining whether an alleged act constitutes a violation of this policy. They shall conduct a prompt, thorough, and complete investigation of each alleged incident. Once determined as the result of an investigation that the policy has been violated, within the parameters of the Federal Family Educational Rights, and Privacy Act (FERPA) at 20 U.S.C. § 1232g, a written report on the investigation will be delivered to the parents of the complainant and accused student(s) and to the Director of Schools. Documentation of all alleged violations of the bullying policy will be kept for historic reference.

All school employees are required to report alleged violations of this policy to the principal and/or principal’s designee. All other members of the school community including students, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. Reports may be made anonymously; however, such complaints may affect the school’s ability to issue formal disciplinary action.

Preventions and Intervention Response

Consequences and appropriate remedial actions (correct the problem behavior, prevent other occurrences of the behavior; and protect the victim of the act) for anyone who commits one or more acts of harassment, bullying, or other acts of violent behavior may range from positive incentives up to and including suspension or expulsion, as set forth in the Robertson County Board of Education’s approved code of conduct.

School administrators shall consider the nature and circumstances of the incident, the age and maturity of the student, the degree of harm, previous incidences or pattern of behavior, or any other factors, as appropriate to properly respond to each situation. Consequences for a student who commits an act of harassment, bullying or other act of violent behavior shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student’s history of problem behaviors and performance, and must be consistent with the Board of Education’s approved code of student conduct.

Reprisal, Retaliation, and False Accusations

The Robertson County Board of Education prohibits reprisal or retaliation against any person who reports or assists in any investigation of an act alleged in this policy. It prohibits any person from falsely accusing another of having committed an act of harassment or bullying as means of reprisal or retaliation. The consequences of appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the administrator after consideration of the nature, severity, and circumstances of the act.
