Welcome Back

Welcome back from Winter Break! Our focus this week is to remind our students that we all are still in "Otter Space". Your child's teacher will be reteaching and reminding students of the expectations at schools. This includes interactions with peers in the classroom, on the playground and on the bus. Please remind your student the bus is a privilege and we expect appropriate behaviors at all times. We will continue to review these expectations throughout the year.

Cell Phones at School

Many of our students may have received a new cell phone over the break. I wanted to make sure I reminded families that, per district policy, cell phones must remain off and away during the school day. Any messages to students should be sent through the main office. If a child needs to call home, they may do so from the classroom phone with teacher's permission or through the front office. Cell phones that are on and out during the day will be taken to the office safe until the end of the day. Repeat offenders will have the phone stored in the office safe until a parent can come to retrieve it.

Inclement Weather

Winter is here! We are already experiencing the chilly weather. Please remind your child to dress warmly and in layers as recess will be outside. If your child is in need of a warm coat, please reach out to our main office and we will help secure one.

Thank you for your ongoing efforts in supporting student attendance.
