January 15 NO School
Martin Luther King Jr
Day

January 26
Half day

Good afternoon Eagle Families -

I hope you all had a great Winter break. Our first week back here was awesome! It was good to get all of our students back in the classroom and in a routine.

As you know, we have Monday off to celebrate Dr. MARTin Luther King Jr. We had a presentation yesterday at school to discuss Dr. King's legacy. The students were interested and had some really great discussions.

If you are interested in talking to them more about Dr. King, I have included some prompts that relate to a video we saw yesterday.

- 1) What are some things about you that make you amazing?
- 2) What can we do to make the world awesome for others?
- 3) The video mentioned choices we can make to make the world a better place. What choices could we make daily to help the world be a kinder place?

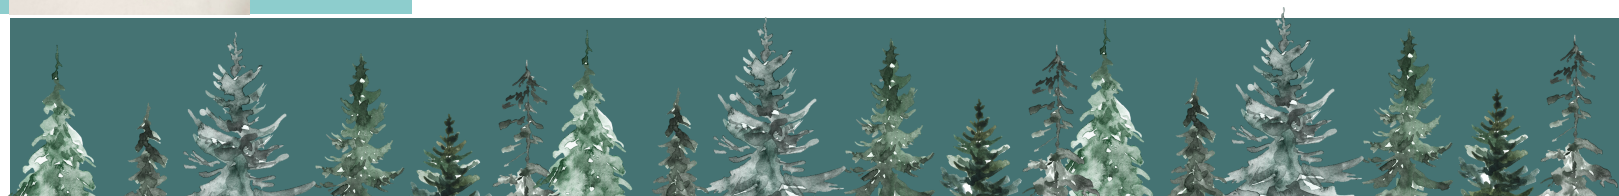

The video also gave us 3 "magic words" to use that helps others feel good the words are:

Thank You, I'm sorry, You Rock

I hope you all had a good week. Remember to stay warm, get some rest, and do a little reading.

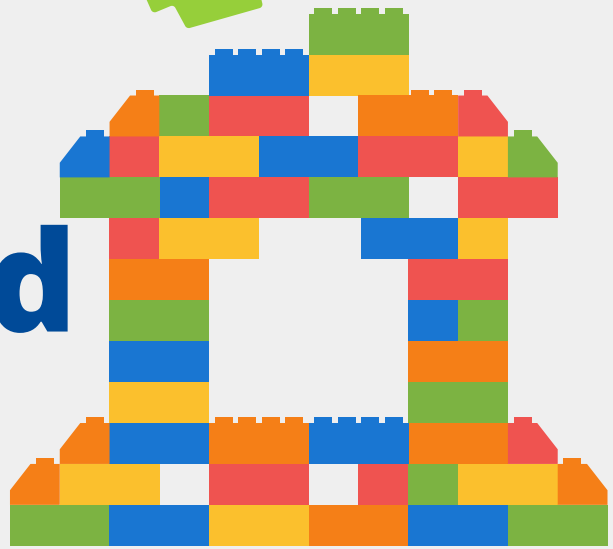

Have a great weekend Eagles. See you next week.

- Mr. Miller

Let's Build

Building Club

Tuesdays
January 16,
23, 30
& February 6

2:30-3:30 p.m.

Students need to be
picked up at 3:30
there is no bus
transportation for this
activity
