Local Control and Accountability Plan

LCAP Forum: You're Invited on 1/30/24

Morgan Hill Unified School District is hosting a series of community forums to get input from parents, students, and other educational partners that will help guide the development of the Local Control and Accountability Plan (LCAP) and determine how funding is used.

The next upcoming community forum is January 30, 6-8pm in the Sobrato High School Gym. We invite you to join us!

The forums provide an opportunity to learn more about LCAP goals and data, highlight successes, and share areas identified for growth. Following a brief presentation, attendees will participate in a guided yet collaborative discussion where they can provide input to help develop the district's future academic goals and identify potential challenges to academic success.
