

# Install Mobile App for Smartphone or Tablet

## Step 1

Download and install Oracle HCM Cloud mobile app.

Available on the App Store or Google Play.

On Android devices, you have to download and manually install the mobile app.

## Step 2

Accept the end license user agreement (EULA).

## Step 3

Add the HCM Cloud application URL on the Getting Started page.

AIU3's HCM Cloud URL is:  
<https://einj.fa.us6.oraclecloud.com>

Then click, **Let's get started!**
