Good afternoon, Wausau School District Families:

We hope you're staying warm on this cold Monday!

Here at the Wausau School District, we recognize that, in addition to our schools, non-profit community organizations offer engaging and enriching programs, activities, and events to students. To ensure you know about these programs, we have an ['E-Flyers' page available on our website](#), at all times, that lists them.

This list, which includes upcoming athletic camps, expos, as well as programs (including one that offers dental cleanings to students within our schools) is updated as new flyers come in.

We'll be sure to send reminder emails about this available information around the 1st and 15th of each month.

In the meantime, thank you and stay warm!
