School Goals

RHS is working to increase inclusivity and foster an environment that promotes respect for all members of the learning community by utilizing PD time, student advisory, and parent meetings to build upon responsive practices that put people first. Our aim is to provide an environment where staff, students, and parents thrive both academically and emotionally. This environment will provide the ability for students to be resilient, persistent, and take academic risks.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

RHS We continue to use the following safety procedures: a multi agency threat assessment team, routine lockdown and lockout drills, safety tip lines, connecting students with mental health services, staff training in safety strategies, and we partnership with our community resource officers. To create a welcoming environment for all we employ a DEI coordinator, staff equity committees, and have increased DEI content throughout our curriculum. We have in-house mental health support provided by the JORY Mental Health Collective.

About Our School

ADVANCED COURSEWORK

RHS offers dual-enrollment courses with Western Oregon University & Portland State University. The 49 graduates of the class of 2023 earned 596 college credits while enrolled at RHS, not including any credits that may be awarded by their colleges for their AP results. We offer the opportunity for students to take AP Exams at their request. In 2023 we had 40 students take a total of 54 AP exams, and 32 of those scored a 3 or better on the exam. Students may engage in an Honors contract and earn Honors credit in every core class and most electives. Students are encouraged to complete a Riverdale diploma, requiring 4 more credits than the Oregon Diploma.

CAREER & TECHNICAL EDUCATION
