

# AGCS Culminating Portfolio

## Community Service Documentation Form

### General Information:

Avon Grove Charter School is committed to the concept that service extends beyond our school walls and that makes a positive impact on the surrounding community.

A core component to the AGCS Culminating Portfolio is the completion of a work-based learning experience. Students choosing Pathway Two: Job Shadowing/Community Service must complete 20 hours of documented community service in addition to the job shadowing assignments.

Students may ***not*** be compensated for this service and it may not be court adjudicated service requirements.
