THE AMERICAN SCHOOL IN ENGLAND

SUMMER PROGRAM COURSE OFFERINGS

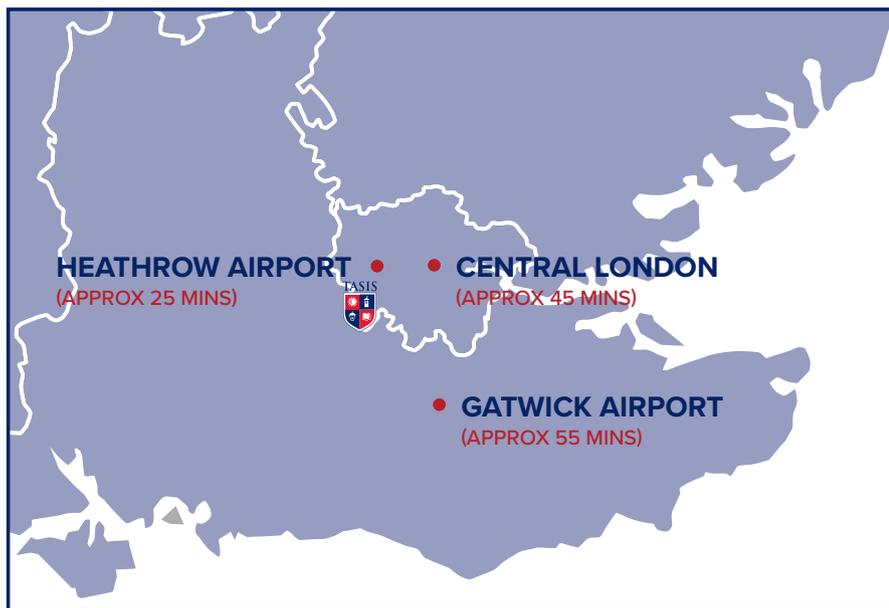

MISSION

TASIS ENGLAND NURTURES INTELLECTUAL CURIOSITY
AND EMBOLDENS EACH LEARNER TO FLOURISH AS A
PRINCIPLED, OPEN-MINDED, AND COMPASSIONATE
MEMBER OF A GLOBAL COMMUNITY.

WELCOME TO TASIS ENGLAND THE ULTIMATE SUMMER STUDENT EXPERIENCE!

THIS IS YOUR PROGRAM: WHERE FUN, LEARNING, AND ADVENTURE MERGE!

The TASIS England Summer Program is the place where students want to be! Why? We offer the perfect balance of highly academic courses and engaging, interactive activities all within our multicultural and community-centered boarding program. Students also experience England at its best through exciting weekend excursions. At TASIS England, students embrace diversity and use their differences as the foundation for a rich experience and meaningful friendships.

YOUR SUMMER OF ADVENTURE

Located in the quiet village of Thorpe, Surrey, our spacious and secure campus features a charming mixture of old and new buildings with modernized interiors. Best of all, TASIS England is close to international airports, London and all its cultural highlights, adventure parks, and sports arenas.

The TASIS England Summer Program is attended by a vibrant and varied international body of students, each year attracting young people from over 35 nations. Our program is designed to create a friendly, community-centered atmosphere in which every student will learn, grow, and have fun.

CAMPUS HIGHLIGHTS

- 46 acres of historic buildings and grounds
- Wireless Internet access
- 3 Technology Centers
- Innovation Center
- Library
- 320-seat Theatre
- Student Café
- 2 Gyms with Basketball Courts
- Fully equipped Fitness Center
- 6 Athletic Fields
- 4 Tennis Courts

CLOSE TO CAMPUS

- Horse Riding
- London and West End Theatres
- Windsor Castle

DAY TRIP TO OXFORD

**“IN GRAPHIC DESIGN, I GET
TO EXPRESS MYSELF.”**

YOUR SUMMER OF DISCOVERY – ENRICHMENT COURSES

ARCHITECTURE & 3D DESIGN Sessions 1 & 2, ages 13-17

We all experience architecture without even thinking about it. The space that surrounds us, our homes, our schools, and our cities are shaped in some way by architectural design. Let's challenge our ideas, explore, and design an inhabitable

space through this hands-on course that cultivates creativity, critical analysis, and ideas development. You will be introduced to the qualities of architectural space, form, function, and materiality through drawing, experimentation, and specialist workshop

demonstrations. Each student will have the chance to design their own liveable space using a range of techniques including sketching, collage, technical drawing, paper folding, and 3D modeling in a variety of media and scales.

FASHION & TEXTILE DESIGN Sessions 1 & 2, ages 13-17

This combined study of fashion and textile design offers a unique opportunity to learn and master various textile design

techniques including printing, painting, weaving, felting, and sewing. You will also learn how to create garments, patterns,

and 2- or 3-dimensional installations using different methods, materials, and hands-on techniques.

FASHION & TEXTILE DESIGN CLASS

ENRICHMENT COURSES CONTINUED

LONDON THROUGH A LENS: DIGITAL PHOTOGRAPHY Sessions 1 & 2, ages 13-17

Discover London and the surrounding countryside through a camera lens as you capture images of life using the latest digital technologies. Students are encouraged to

develop their ideas and refine techniques as they prepare three portfolios during the course. The study of photographers and their own personal style is at the forefront

of each lesson. Lesson topics include studio photography, outdoor action, and still photography.

ENTREPRENEUR INC. Sessions 1 & 2, ages 13-17

Do you dream of starting a successful business in the future? What are the secrets of successful entrepreneurs? In this three-week course, we will look at some of the most famous entrepreneurs

throughout history to better understand the important skills, habits, and actions needed to be successful. You will also learn the fundamentals of good business, including strategy, marketing, management,

and finances. Our study will culminate in a hands-on project where you will develop a unique concept and build your very own business proposal to “pitch” to investors (your classmates).

STEM Sessions 1 & 2, ages 13-17

The STEM (Science, Technology, Engineering, and Math) class integrates concepts that are usually taught as separate subjects in different classes. Students will

examine different components that shape their past, present, and future lives in topics such as Electronics & Embedded Systems, Coding & Programming, 3D Modeling,

and 3D Design. This course emphasizes practical learning through project-based lessons and units.

STEM JUNIOR Sessions 1 & 2, ages 11-13

This STEM (Science, Technology, Engineering, and Math) course is designed to introduce key concepts usually taught as separate subjects for students, and

align them with everyday life. This is an opportunity for younger students to gain an insight into important topics related to STEM fields. The course will keep students

engaged using simulations and hands-on activities. A major part of the course will be allocated to an ongoing project.

PUBLIC SPEAKING AND DEBATE Sessions 1 & 2, ages 13-17

Do you want to be more at ease when speaking in front of an audience? This course will give you confidence in your ability to speak in public. During this

course you will be taught techniques such as clear organization of ideas and counterarguments, tone of speech, body language, and eye contact which

will enable you to improve your oral skills and become more effective debaters.

"I WAS ABLE TO GO
TO SOME MUSICALS
IN LONDON."

ENRICHMENT COURSES CONTINUED

ENGINEERING AND PRODUCT DESIGN Sessions 1 & 2, ages 14-17

Are you passionate about turning ideas into tangible, functional products? Our Engineering and Product Design course, featuring a strong focus on Onshape, technical drawing, and hands-on projects, will nurture your creativity and engineering skills. In this dynamic course, students will

delve into the world of product design, mastering the use of Onshape, a powerful cloud-based 3D CAD software, to bring their ideas to life. The heart of this course lies in project-based learning. Students will embark on a series of real-world design projects, applying their knowledge of

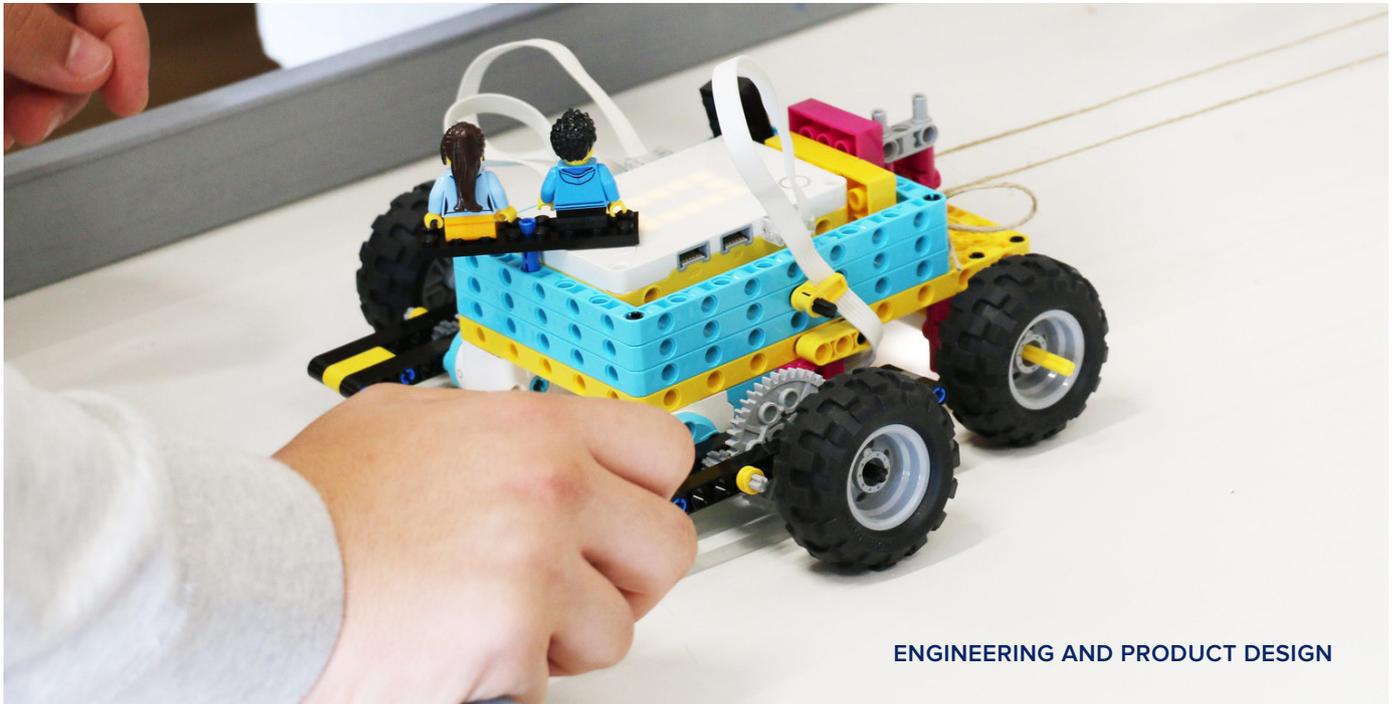

Onshape and technical drawing to create an innovative, functional prototype. Throughout the course, they'll work with a dedicated and experienced teacher who will guide them through each step of the design and engineering process.

LEADERSHIP ACADEMY Sessions 1 & 2, ages 13-17

Over a three week leadership course, students will learn and live the elements of what makes a strong team, as well as develop activities and initiatives on campus to lead their peers. Furthermore, they will be given the opportunity to connect,

collaborate, and create together while building their own school community. This experiential learning will help the students foster skills necessary for becoming tomorrow's leaders. The students will work together through various age-specific

strategies focusing on public speaking, peer to peer communication, social emotional learning, mindfulness, and the responsibility of embracing the leader within themselves.

ENGINEERING AND PRODUCT DESIGN

ENRICHMENT COURSES CONTINUED

CARTOONING AND ANIME Sessions 1 & 2, ages 11-13

Discover a world of imagination that knows no bounds! The "Cartooning and Anime" course is an exciting exploration into the realms of visual storytelling, inviting students to unlock their creativity through the

dynamic art forms of traditional cartooning and the vibrant world of anime. This course is tailor-made for budding artists and storytellers eager to bring their characters to life and weave captivating narratives.

COLLEGE PREP Sessions 1 & 2, ages 15-17

The Scholastic Aptitude Test (SAT) is a test of university-bound students' abilities in Critical Reading, Writing, and Mathematics. Most US universities require prospective students to take the SAT, and test scores are

an important part of students' applications for admissions. This course uses the most up-to-date resources available to prepare you to do your best on test day. You will review the knowledge the SAT requires,

learn test-taking strategies, and practice those skills in order to build familiarity and confidence.

WRITING ENHANCEMENT Sessions 1 & 2, ages 14-17

This course requires a deeper understanding of the English language and is designed for students who already have the ability to write in English. By working on high school level material, you can

take your English writing to another level and refine your skills through vocabulary, grammar, spelling, and sentence structure development. You will practice these skills by writing reflections, essays, and creative

writing pieces. Instruction throughout the course will emphasize the use of metaphors, similes, and new vocabulary to strengthen written compilations.

SPORTS MEDICINE Sessions 1 & 2, ages 13-17

If you are interested in the combination of health, science, and athletics, you will want to enroll in "Sports Medicine." This course offers students a comprehensive exploration into the dynamic field where

medicine meets sports. Designed for aspiring healthcare professionals, athletes, and enthusiasts alike, this course provides a deep dive into the principles

of sports medicine, injury prevention, and performance optimization.

PERFORMING ARTS Sessions 1 & 2, ages 13-17

In the "Take a Bow" performing arts course theatre, dance and music converge to inspire and engage students to tap into their most creative self. This is a perfect way to express yourself and share your point of view with the world. This course

aims to develop your acting technique and confidence on stage using the tools of the acting process. You will be encouraged to explore your expressive abilities as you work on voice, body work, character development, improvisation, and scene

design. It's a highly collaborative and creative process calling on the imaginative participation of each member of the cast. Come and join us for a summer of fun on the stage!

INTERNATIONAL RELATIONS & LAW Sessions 1 & 2, ages 14-17

Welcome to the world of international relations and international law! In an age of global interconnectedness and unprecedented challenges, understanding how countries interact on the international stage is more critical than ever. We invite curious and ambitious learners to embark

on an exciting journey of discovery, debate, and diplomacy through our "Introduction to International Relations and Law" summer course. In this unique program, we will unravel the complex web of international affairs, exploring the rules, norms, and dynamics that govern interactions between

nations. Whether you're dreaming of becoming a diplomat, a lawyer, or a journalist, or you're simply eager to broaden your horizons and engage with the world in a more meaningful way, this course is designed to provide you with valuable insights and skills.

"I PRACTICED MY ENGLISH AND
I MADE LOTS OF FRIENDS."

YOUR SUMMER OF DEVELOPMENT – ACADEMIC COURSES

GEOMETRY – A six-week course, ages 14-17

This course provides a thorough foundation in plane Euclidean geometry with an emphasis on the formal nature of definition and the structure of knowledge, as well as inductive and deductive reasoning.

An introduction to trigonometry through similar triangles and to analytic geometry through the coordinate plane is included.

YOUR SUMMER OF LEARNING AND GROWTH – ENGLISH LANGUAGE COURSES

AGES 11-17

TASIS English Language courses will help you make rapid progress in your English fluency. Living in an English-speaking environment and sharing the campus with native English speakers means that you will

practice your language skills throughout the day. Weekdays include structured and intensive classroom instruction, fun elective classes, sports, and evening activities. Weekends are devoted to travel to London

and throughout Great Britain. Through everyday life, sports, travel, study, and new friendships, you will be part of an intense immersion experience and make excellent progress with your language skills.

Accredited by the

for the teaching
of English in the UK

The British Council inspected and accredited TASIS The American School in England in July 2018. The Accreditation Scheme assesses the standards of management, resources and premises, teaching, welfare, and safeguarding of under 18s and accredits organizations which meet the overall standard in each area inspected (see www.britishcouncil.org/education/accreditation for details).

"This private boarding and day school offers residential vacation courses in general English for under 18s.

Strengths were noted in the areas of student administration, premises and facilities, care of students, accommodation, and leisure opportunities. The inspection report stated that the organization met the standards of the Scheme."

YOUR SUMMER OF LEARNING AND GROWTH – ENGLISH LANGUAGE COURSES CONTINUED

ENGLISH LANGUAGE: LEVELS 1 THROUGH 6 Sessions 1 & 2, ages 11-17

Overview

- 3-week courses (Sessions 1 or 2)
- 6-week courses (Sessions 1 & 2)
- Students are grouped by age
- Average: 12 students per class
- Maximum: 14 students per class

Objective

To help each student make rapid and substantial progress in language skills. To ensure this, all levels are taught using a modern dynamic communicative approach in which students are able to use English actively while studying topics of interest to young people. Students are divided by English level and age.

Teaching techniques

- Discussion
- Working in groups and pairs
- Oral presentations
- Listening exercises
- Songs
- Dialogues
- Role-play
- Communication games
- Dictation
- Daily journals
- Structured writing assignments

Skill areas

- Grammar
- Speaking
- Writing
- Reading

Topics include:

- Traditional English Fare
- Current Affairs
- Fashion
- International Education Systems
- Wonders of the Sea
- Climate and Weather

Materials

- Online resources
- Websites
- British and American textbooks
- Graded readers
- A modern and fully equipped language laboratory offers the latest in language learning software

“THIS IS MY SECOND YEAR AT TASIS.
I EXPLORE MY PASSIONS AND I GET
TO TRY NEW COURSES.”

YOUR SUMMER OF SUCCESS – ENGLISH LANGUAGE EXAM PREPARATION

IELTS PREPARATION – Session 2, ages 15-17

Are you thinking of attending a British university? This intensive course is designed to prepare you for the academic version of the International English Language Testing System (IELTS) exam. This British/Australian exam is used by universities and institutions

worldwide to assess a student's level of English for admissions purposes, and it has become increasingly accepted by American universities. You will work on all sections of the exam: Writing, Speaking, Listening, and Reading, and you will become familiar

with strategies to improve your IELTS scores. A placement test is conducted upon arrival to ensure students meet the course requirements.

YOUR SUMMER OF EXPLORATION – ELECTIVE COURSES

**DISCOVER NEW SUBJECTS YOU HAVE ALWAYS WANTED TO TRY, OR PRACTICE ACTIVITIES YOU ALREADY ENJOY!
ELECTIVES MEET FOR 50 MINUTES EACH DAY, MONDAY THROUGH FRIDAY, AND STUDENTS CHOOSE ONE ELECTIVE
PER SESSION.**

CREATIVE ART: AN ADVENTURE FOR BUDDING ARTISTS

Explore and discover fundamental drawing, sketching, and painting techniques. You will learn the nature of line, space, color, composition, and form using a variety of mediums including charcoal, pen, ink, pastels, and paint. This elective features studio work and outdoor sketching across TASIS England's sprawling private campus.

GRAPHIC DESIGN: THE ILLUSTRATOR WITHIN

Bring your art into the digital world! In this class you will develop the knowledge and skills necessary to use computer technology to design and manipulate drawings, photographic media, and other graphic projects. The course will provide an introduction to the principles and techniques of graphic design using the latest computer technology and software. Topics covered will include page layout design, logos, vector-based illustration, and photographic manipulation. Programs used will include Adobe Photoshop.

INTRO TO BLOGS AND VLOGS

Blogging, Vlogging, and Influencing, Oh My! Whether to share your passion or sell a product, the ability to create a blog or vlog can put you ahead of your peers as you look to bring your ideas to the masses. In this "How To" course, students will be introduced to blogging and vlogging as a social media platform, business resource, and writing outlet. Topics covered will include introduction to blogs/vlogs, page layout, creative and investigative writing, SEO with Google Analytics, link usage, and online marketing and market research.

YOUR SUMMER OF EXPLORATION – ELECTIVE COURSES CONTINUED

INTRODUCTION TO ROBOTICS

Discover robotics - the study of the design, construction, operation, and application of robots. You will learn about robotic vision, motion planning, mobile mechanisms, kinematics, and sensors. Projects will feature the construction of robots driven by a microcontroller, and each project will reinforce the basic principles developed in class.

LIGHTS, CAMERA, ACTION: FILM PRODUCTION

This introduction to film-making will provide you with the opportunity to write, direct, produce, and edit your own short films. The course is designed to expose you to the three phases of film production:

1. Development/Pre-production
2. Production
3. Post-production

You will work collaboratively in front of and behind the camera to express your ideas and bring your film to the big screen!

LET'S DANCE!

Collaborate with other dance enthusiasts to create an original dance piece. With the guidance of your teacher, you choose the music, develop the choreography, perfect the dance, and perform it at the end-of-session Talent Show.

MUSIC PRODUCTION

Become a music producer! You will create, combine, enhance, and mix your music using digital software to create an original music composition.

YOUR SUMMER OF EXPLORATION – SPORTS

WE OFFER A WIDE RANGE OF SPORTS AND ACTIVITIES ON OUR BEAUTIFUL CAMPUS, WITH EXCELLENT FACILITIES AND THE GUIDANCE AND MENTORSHIP OF AN ENTHUSIASTIC GROUP OF PROFESSIONAL SPORTS COACHES.

ARCHERY*

Learn the techniques and posture behind how to accurately perform archery, hone your skills in this sport, and take on a number of accuracy challenges with target practice. Put your skills to the test with Archery Tag; padded arrow tips allow you to challenge others!

KICKBOXING

Kickboxing is a great full-body workout for those wanting to improve their martial arts skills, using techniques from Boxing, Muay Thai, Karate, and Tae Kwon-Do.

Within the kickboxing classes, you will work on technique, agility, strength, coordination, and flexibility! Our classes always start with a warm-up and stretch, then move into learning various techniques using focus pads and kick shields as well as defense application drills and games.

BASKETBALL

Build your sports skills and master the quick thinking necessary to excel in this sport both as a player and as part of a team.

HORSE RIDING*

Berkshire Riding Centre (just a short distance from TASIS England) offers everyone the chance to take part in Horse Riding. Whether you are an absolute beginner or have dreams of becoming an Olympic champion, come and enjoy horse riding in a highly commended British Horse Society approved riding school.

FITNESS CENTER

Our fully equipped gym comes with great spacing, all kinds of quality equipment, and the facility to complete any manner of workout. Always a popular choice at TASIS England, learn from our fitness team who

will support with workouts, give training advice, or lead those who prefer guidance. Due to the nature of the sport and facility, students must be over 14 to use the gym.

SOCCER

Step on the pitch with others from around the world and get a true taste for why soccer is an international game.

TENNIS

We have a proud history of tennis at TASIS England. Students are able to play with each other at all levels, learn how to improve on techniques, and enjoy this game!

* Archery and Horse Riding are an additional cost

VOLLEYBALL

Another popular sport! Learn to apply the techniques of volleyball in order to play the game effectively. Teamwork is important within this game; build your social skills and communication to win over your opponents!

YOGA

Focused relaxation is a completely different way to spend your sports time. Conditioning exercises build up your core stability and strength. Balance and flexibility are developed through movement patterns. Breathing techniques help with mental well-being.

AEROBIC DANCE

Have fun expressing yourself to music and enjoy learning the moves.

Aerobic dance is a choreographed, repetitive movement routine set to music. A typical aerobics program begins with 5 to 10 minutes of warm-ups and stretching, peaks with 20 to 30 minutes of target heart range dance, can include 20 minutes of a muscle stretching floor program known as body sculpting, and ends with 5 to 10 minutes of cool down and more stretching.

West

YOUR SUMMER OF EXPLORATION – TRAVEL

WEEKENDS ARE A TIME TO CHOOSE YOUR ADVENTURE. WHETHER YOU EXPERIENCE THE ANCIENT MYSTERIES OF STONEHENGE, RIDE A ROLLER COASTER, GO PAINTBALLING, OR DISCOVER LONDON, THE CHOICE WILL BE YOURS. TEACHERS AND COUNSELORS WILL ACCOMPANY THE GROUPS TO ENSURE THAT ALL TRIPS AND ACTIVITIES ARE BOTH FUN AND SAFE.

TRIPS & EXCURSIONS

The list below represents trips and excursions typically offered. Destinations may change, depending on availability and interest.

Weekend Excursions

- Afternoon Tea at Great Fosters Hotel
- British Museum
- Buckingham Palace
- Cambridge
- Chelsea Stadium Tour
- Chessington World of Adventures
- Cinema
- Covent Garden
- Emirates Cup
- Go Ape Ropes Course
- Guildford Spectrum
- Knightsbridge & Harrods
- London Eye
- Madame Tussauds Wax Museum
- Oxford
- Paintball
- Thorpe Park
- Tower of London
- Warner Studios: Harry Potter Tour
- Windsor

Shopping Excursions

- Bicester Outlets, Oxford
- Gunwharf Quay, Portsmouth
- Oxford Street, London
- Westfield Mall, West London

Theatre Trips

- Mamma Mia
- Phantom of the Opera
- Wicked
- Lion King

Example of On-Campus Activities

- Capture the Flag
- Silent Disco
- Dodge Ball
- Faculty vs. Student Basketball and Soccer
- Fun on the Lawn: Team Games
- Laser Tag
- Make Your Own Pizza Night
- Open Mic Night
- Performing Arts Talent Show
- Shakespeare Performance
- Speed Friending
- Trivia Night
- Visual Arts Exhibition
- Volleyball

The highlight of each summer session is the final awards banquet followed by a memorable riverboat disco cruise along the Thames. The historic buildings of London are illuminated in the background as the riverboat winds its way through the evening journey.

YOUR SUMMER OF FRIENDSHIPS – LIVING IN A COMMUNITY

EXPECTATIONS

Most students who attend the TASIS England Summer Program are boarders, and life in a residential school is different from life in a day school. In order for everyone to live together happily and safely, specific expectations for behavior are set forth formally in writing and informally, as dictated by common sense.

These expectations are based on the need for community members to conduct themselves in a way that builds mutual trust and respect. Examples of informal expectations for behavior include: arriving to class and activities on time, treating fellow students and teachers politely

and respectfully, and using appropriate language. Formal expectations for behavior include, but are not limited to, prohibitions against drugs, smoking, drinking, and stealing. Breaking these rules will result in more serious consequences.

The vast majority of students who attend our summer programs come to learn, have fun, and make new friends, and there are rarely serious infractions of major rules.

In keeping with our School's Mission, we encourage our summer program students to be principled, open-minded, and compassionate. TASIS England

reserves the right to dismiss a student who has demonstrated that they are an unsatisfactory member of the school community. If, in the School's judgment, a student's conduct on or away from campus indicates that they are consistently out of sympathy with the mission, commitments, outcomes (ideals and objectives), and program of the School, the student could be suspended or permanently excluded from the School, even though there may have been no infraction of a specific rule.

DORM LIFE

Living in a dorm is fun and enjoyable. Students find that, in addition to making new friends, living in a community atmosphere helps them to develop independence, maturity, and confidence. Boys and girls are strictly segregated, and

it is TESIS England's policy to mix nationalities and languages within individual rooms. Because of this, TESIS England does not accept special roommate requests. The number of students in each dormitory depends on the size of the facility and the

age of the students, as students of similar ages are grouped together. Students are encouraged to keep rooms clean and tidy, and counselors and teachers oversee daily life in the dormitory.

MEDICAL INFORMATION

A qualified and registered nurse is on campus at all times and is available to attend to students' health needs as and when required. If a student requires the

attention of a physician during their stay, the nursing staff will take care of all arrangements, and parents will be notified immediately.

YOUR SUMMER – YOUR TEACHERS AND AN OVERVIEW OF COURSES

FACULTY MEMBERS IN THE TASIS ENGLAND SUMMER PROGRAM ARE EXPERIENCED, PROFESSIONAL EDUCATORS. IN THE ENGLISH LANGUAGE PROGRAM, TEACHERS USUALLY HOLD RECOGNIZED BRITISH OR AMERICAN TEACHING QUALIFICATIONS. OUR TEACHERS ARE CAREFULLY CHOSEN FOR THE QUALITY OF THEIR DEGREES OR THEIR RELEVANT WORK EXPERIENCE AS WELL AS FOR THEIR ENERGY AND ENTHUSIASM FOR WORKING WITH YOUNG PEOPLE.

Small classes provide personalized instruction and individual attention for each student. The friendly interaction of staff and students greatly enriches the experience and creates an environment of mutual respect.

- Average faculty to student ratio: 1:7
- Maximum class size: 14

CREDIT COURSE

For a course eligible for credit, TASIS England provides qualifying students with a Certificate of Credit, which indicates that the amount and quality of the work done is deemed credit-worthy by TASIS England. However, credit is awarded by the student's school, and students must confirm all credit arrangements with the academic office at their own school prior to enrollment.

GRADE REPORTS

Grade reports and a summary of the work covered will be sent at the end of each session. Six-week academic students will receive their reports at the end of the first three-week period, and the final grade will be sent after the second session.

SAFEGUARDING

TASIS England is committed to providing a safe learning environment that promotes the welfare of children and young people. Our faculty and staff uphold these values and serve as strong role models. The School's caring and respectful community is based upon excellent relationships between staff and students, as well as between the students themselves.

“I WILL REMEMBER THE PEOPLE OF TASIS.”

YOUR SUMMER – YOUR CHOICES

TASIS
ENGLAND

TASIS SCHOOLS

THE AMERICAN SCHOOL IN SWITZERLAND (TASIS), FOUNDED BY MRS. M. CRIST FLEMING IN 1956, IS THE OLDEST AMERICAN BOARDING SCHOOL IN EUROPE. TASIS THE AMERICAN SCHOOL IN ENGLAND WAS FOUNDED IN 1976. BOTH TASIS SCHOOLS ARE ACCREDITED BY THE NEW ENGLAND ASSOCIATION OF SCHOOLS AND COLLEGES (NEASC) AND THE COUNCIL OF INTERNATIONAL SCHOOLS (CIS).

Thinking of TASIS for the Academic Year? TASIS England welcomes students, for either one semester or one year, to study in our Academic Year program. Our Admissions Office will work with you to tailor your study experience at our School, depending on your desired length of study and how your time with us fits within your overall future plans.

TASIS THE AMERICAN SCHOOL IN ENGLAND

TASIS England is an American international school with 650 day and boarding students from more than 60 countries. We believe that we can nurture every learner's innate curiosity into the gift of life-long learning. TASIS England provides small classes, English-as-an-Additional Language support, and multiple pathways for learning, including the IB Diploma Programme and a broad-based American curriculum with Advanced Placement courses. The balance of support and challenge encourages students to be creative, reflective, and resilient owners of their learning. The School promotes participation in its comprehensive programs of arts, athletics, activities, and service leadership. Our students develop the ability and confidence to flourish as part of our vibrant community of principled, open-minded, and compassionate individuals. With success in examinations and one-to-one university counseling, our confident graduates gain acceptance to excellent universities in the UK, the US, and worldwide. Contact us to explore the academic year at TASIS England.

www.tasisengland.org

THE AMERICAN SCHOOL IN SWITZERLAND (TASIS)

TASIS The American School in Switzerland offers a challenging college-preparatory program during the Academic Year for day students in grades Pre-Kindergarten to 13 (postgraduate) and boarding students in Grades 7–13. With a student body comprising 60 nationalities, TASIS offers a truly global educational experience, taking advantage of its location in the heart of Europe to provide an outstanding program with an unparalleled international dimension. Along with an American college-preparatory program, TASIS offers International Baccalaureate, Advanced Placement, and English-as-an-Additional Language programs. Highlights include two weeks of Academic Travel each year and a pioneering Global Service Program.

www.tasis.ch

TASIS DORADO

TASIS Dorado is a coeducational day school in Puerto Rico with English as its language of instruction in Grades Pre-Kindergarten through 12. It offers a top-quality, innovative academic program within modern facilities and attractive natural surroundings. The School offers excellent programs in music, drama, and art and encourages enthusiasm for learning and individual growth within a purposeful community.

www.dorado.tasis.com

TASIS PORTUGAL

TASIS Portugal is the fourth and most recent addition to the TASIS Schools. Located in beautiful Sintra, this day school for Pre-Kindergarten through Grade 10 welcomed its first students in September 2020.

www.tasisportugal.org

ADDITIONAL TASIS SUMMER PROGRAMS

TASIS SWITZERLAND

Summer Programs are offered in Lugano, Switzerland, for children aged 4–17. Each summer, students from more than 50 nations come to the picturesque TASIS campus - perched on a hillside with commanding views of palm trees, Lake Lugano, and the Swiss Alps - to enjoy intensive language programs in English, French, and Italian; robust offerings in visual and performing arts (including the production of three original musicals each session); a wide variety of outdoor adventures in the region's mountains, lakes, and rivers; and convenient access to many of Europe's most beautiful locations. Visit www.tasis.ch/summer to learn more.

LES TAPIES ARTS AND ARCHITECTURE PROGRAM

(Ages 13-18) offers plein air painting, studio art, photography, and architecture courses in the South of France.
