PLEDGE OF ALLEGIANCE

NON-INFORMATIONAL ITEMS AND REPORTS

1. **Review of Minutes from February 6, 2023 Meeting**
   The minutes were reviewed. No changes were suggested.

2. **Local Control Accountability Plan (LCAP)**
   Dr. Willenberg stated that he needs to vet the draft LCAP with various community groups. The district has hosted two stakeholder meetings this year. Separate survey were sent to students, parents/guardians, staff and community. Input from the meetings and surveys was used to update the LCAP. Our graduation rate is up to 87.9% overall. The College and Career indicator was not reported in 2022. Our Chronic Absenteeism rate is up to 45.2%. The state average is 33%. We are looking to add resources to address truancy as well as tightening our drop process. 129 students took the AP exam. The test results will come back during the summer. Our facilities are in good shape with a FIT score of 87.25%. We should be over 90% next year with things that are being updated during the summer. 100% of our teachers have appropriate credentials and 100% of our instructional materials are aligned to state standards. We are always looking to increase parent engagement. Our newsletter are viewed by an average of 5000 people. The attendance rate for the district is 85.23%: LPHS – 88.08%, OHS – 86.62%, and PHS – 64.62%. We had 42 total dropouts: LPHS – 16, OHS – 10 and PHS – 15. We have fully implemented the English common core standards. Our ELPAC sores, which measures proficiency for English Learners, show 40.4% of students testing at proficient and 26% of students were reclassified (no longer considered EL). We are continuing to implement PBIS. The DOJ would like to see more restorative practices being done next year. The suspension rate increased 0.1% from 20/21 to 5.5%. We had 191 suspensions and six expulsion in 21/22. So far this year, we've had 228 suspensions, 18 expulsion and 12 referrals to law enforcement. We had 14% of students meet UC/CSU requirements (7.5% American Indian, 27.5% Asian, 5.6% African American, 14% Hispanic, 11.2% White, 11.8% Socio-Economically Disadvantaged), 4.8% EL's and 4.2% Homeless), which is down from previous years. We are expanding our CTE pathways next year. The Early Assessment Program (EAP) results show 47.06% of students scoring at met or exceeded the standards in English, 33% in math and 29% in science. New expenses include an athletic trainer for both schools and, a School Resource Deputy at LPHS. We are also working to improve student bathrooms.

   Overview of Recent DOJ Visit
   Dr. Willenberg reported that the DOJ visited on April 20th and 21st. They noticed that the culture on campus has changed a lot. They would like us to focus on restorative circles, having more Tier 2 and 3 interventions, continuing to post monthly data, updating board policies and administrative regulations, and posting social contracts and expectations in all classrooms and in common spaces.

Overview of Recent DOJ Monitor Visit
Dr. Willenberg reported that Dr. Rubalcaba thinks we are doing a great job. There are two years left in the stipulated agreement.

Questions/Concerns
Mr. Devine stated that he meets with parents and can share that info with the district. He also attends tribal events to talk to parents.
