Student Attendance

We continue to track daily student attendance averages. Our goal is **95%**. These are our trends for the last four months.

August 96%

September 93%

October 90%

November 91%

Some students' absences are quickly accumulating. According to the the Illinois State Board of Education, a student is "Chronically Absent" if they missed 10% or more of the school year regardless of excuse.

Levels of Absences:

Satisfactory: Less than 9 absences a year

Chronic Absence: 18 or more days

Do you know how many absences and tardies your children have accumulated so far?

And as a reminder, school starts at **8:55**.
