

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that Parents, Students, and Teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Kemp Primary School developed this school parent compact for achievement.

Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Meetings were held Spring of 2023 and Fall of 2023.

Parents are welcome to contribute comments at any time.

If you would like to participate, please contact:

Rondah Pittman, Parent Liaison, at
rondah.pittman@clayton.k12.ga.us or 678-610-4300, ext.
138128, 470-296-1836

- Parent Resource Center/Family Workshops
- Volunteering/PTA/School Council (virtually/ in person)
- Curriculum Nights
- Parent Teacher Conferences

Communication about Student Learning

Kemp Primary is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Weekly Thursday Take Home Folder
- Updates on the school website
- Bi-Weekly Email Blasts
- Phone calls
- Updates on Infinite Campus, Class Dojo, and CANVAS
- Provide frequent reports to parents on their child's academic progress
- Provide reasonable access to staff, opportunities to volunteer, participate in their child's class, and observation of the classroom.
- Parent- teacher conferences
- Class Dojo, and CANVAS
- School marquee
- Social and Emotional Learning Skills
- Extended Learning Beyond the Classroom in a virtual environment
- CANVAS Instruction

DISTRICT GOALS

From 2021- 2026, Clayton County Public Schools and every school will demonstrate eight percentage points growth each school year for students scoring at the proficient and distinguished levels as evidenced by state, national, and international assessments.

School Goals

Kemp Primary students will increase their academic performance with 85% of students' performance at or above benchmark on Amira and Map Growth assessments by end of 2023.

As a school we will...

Kemp Primary teachers will provide the necessary technological resources and teaching skills to support teaching, learning and communication.

Teachers desire is to ensure that students are engaged in the learning process, increasing technological integration, literacy and numeration with proficiency. In addition, through authentic partnerships with parents, our teachers will:

- Send home weekly homework
- Teachers will provide decodable booklets and leveled text books to increase oral reading fluency and comprehension
- Host family fun nights/curriculum nights, virtually & in-person
- Provide free subscriptions for web-based programs, virtually
- Communicate with parents in a timely manner through classdojo.com, parent-friendly language to enhance parents' understanding of homework and communication.
- Teachers and parents will exhibit mutual support and respect to one another as partners in education.
- Teachers will invite parents to visit, volunteer and partner in their children's learning.
- Teachers will provide Social & Emotional Learning for students in- person
- Provide instruction in-person

As parents we will...

Kemp Primary parents joined staff to develop ideas about how families can support student's success in Reading, Math and Writing. Families may offer additional ideas to this list:

- Parents will read a book to their child each day and ask them questions to assess their comprehension.
- Parents will attend Curriculum Night with their child.
- Parents will provide opportunities for their child to visit the public library each week and access the websites to assist with reading comprehension.
- Parents will make sure students are utilizing websites and resources to increase math and reading achievement.
- Check CANVAS, Infinite Campus and Class Dojo.

As Students we will...

Kemp Primary students collaborated with staff and parents to develop ideas about how they can succeed at school. Students thought of the following ideas to make connections between learning at home and school:

- I will bring home books to read each day and then read the book twice to understand the story.
- I will remind my parents about Family Fun/Curriculum nights that will help me with Reading and Math.
- I will bring home all flyers and notices about Family Fun/Curriculum Nights.
- I will use the websites that teachers share to assist me with Reading Comprehension and Math.
- I will check CANVAS for announcements and my assignments
- I will do my best to be successful.
- I will follow the school rules and policies.
