# **Reclassification Request - Translators**

The Personnel Commission office received a reclassification request from Translators, Norma Zarate Cruz and Argelia Alvarado Zarate in May 2021. The staff met with incumbents and the supervisor of this position in June 2021 to begin the job analysis process. The study was placed on hold at that time because of the comprehensive classification and compensation study being conducted by Educational Management Solutions (EMS). District Administration has recently requested to move forward with the reclassification study.

The only cause for a reclassification is a gradual accretion of duties outside of the current classification description and class concept over a period of two (2) years or more. Based on the job analysis performed, it can be confirmed that the Translator incumbents have gradually accreted new duties which are outside of the scope of the current classification.

As a result, a new job description is being proposed for the incumbents under the classification of Interpreter/Community Support Liaison – Trilingual (Mixteco, Spanish, English). We are recommending salary range 24 (\$25.62/hour - \$31.14/hour) for this new job description.

If approved, Ms. Zarate Cruz and Ms. Alvarado Zarate will be reclassified under the classification of Translator/Community Support Liaison – Trilingual (Mixteco, Spanish, English).

# **RECOMMENDATION:**

Staff recommends that the Personnel Commission take action to approve the reclassification request submitted by Ms. Norma Zarate Cruz and Ms. Argelia Alvarado Zarate effective May 13, 2022.

Staff also recommends that the Personnel Commission take action to approve the new classification of Interpreter/Community Support Liaison – Trilingual (Mixteco, Spanish, English) at range 24 of the Classified salary schedule.

To: Dr. Karling Aguilera-Fort, Superintendent of Schools From: Shristie N. Torres, Director of Classified Human Resources Date: April 7, 2022 Re: Reclassification Request Recommendation

#### **Background**

On May 18, 2021 a reclassification request via Position Classification Questionnaire (PCQ) form was received by Classified Human Resources from two Translators: Norma Zarate Cruz and Argelia Alvarado Zarate. The Position Classification Questionnaire forms reflected comments made by Teresa Ruvalcaba, Manager of Equity, Family and Community Engagement. This request was made in accordance with Personnel Commission Rules & Regulations 30.300.1.

The staff met with incumbents and the supervisor in June 2021 to begin the job analysis process. The study was placed on hold at that time because of the comprehensive classification and compensation study being conducted by Educational Management Solutions (EMS). District Administration has recently requested to move forward with the reclassification study.

The reclassification study was activated again effective February 10, 2022. In order to propose a reclassification, an employee must have gradually accreted new duties which are outside of the scope of current classification over a course of two or more years.

#### Summary of Findings

Norma Zarate Cruz and Argelia Alvarado Zarate have both been working as Translators for the Oxnard School District. They support the Mixteco community in providing translation services in three languages: Mixteco (verbal only), Spanish and English.

During the job analysis, it was also identified that Ms. Zarate Cruz and Ms. Alvarado Zarate also serve as a community support liaison for the Mixteco community. As part of their frequent duties, Ms. Zarate Cruz and Ms. Alvarado Zarate support the Mixteco community and serve as a liaison between the District staff and Mixteco families.

Based on the job analysis performed, it can be confirmed that the Translator incumbents have gradually accreted new duties which are outside of the scope of the current classification over a course of two or more years. As a result, a new job description is being proposed for the employees under the classification of Interpreter/Community Support Liaison – Trilingual (Mixteco, Spanish, English).

It is recommended that, effective the next Personnel Commission meeting (dependent on meeting date at which this recommendation is submitted to the Personnel Commission and approved):

#### Comments:

Interpret for ELPAC for the enrollment center. We schedule and remind parents about their appointments and we also interpret the letters that are mailed home with the testing results. Provide Zoom information for the families for the ELPAC testing and walk them through the log in process. (this is done every time a new student is enrolled.

The ways we support parents with iPad insurance is through phone calls, pictures, text messages and in person support. We provide this support to all families regardless of their primary language.

#### Comments:

When we get an email, phone call, or message from the teacher or any staff we call the families until they are reached. If we are not able to reach them after several days or attempts we do home visits depending on how urgent the message is. Then we reply to the teachers or staff and we follow up with the families as needed.

14. Aside from the "new" or added duties listed above, in what others ways do you believe your job has changed?

Our position was meant for Mixteco to English Interpretation only, but we also use Spanish everyday because Spanish speaking parents ask us to help them and we can't deny them our help if we are able to assist them. Everything mentioned above is new to our position because all the families that we work with need the supports. We started by only interpreting, but as we saw all the needs that our District families had we began supporting them as much as we could in different areas. Many of the duties that we do are not mentioned in our job description because it was a new position and no one knew how much support is needed for the Mixteco community.

I hereby certify that the statements made above are my own and that to my knowledge they are complete and correct.

#### Comments:

Interpret for ELPAC for the enrollment center. We schedule and remind parents about their appointments and we also interpret the letters that are mailed home with the testing results. Provide Zoom information for the families for the ELPAC testing and walk them through the log in process. (this is done every time a new student is enrolled.

The ways we support parents with iPad insurance is through phone calls, pictures, text messages and in person support. We provide this support to all families regardless of their primary language.

#### Comments:

D = Daily

When we get an email, phone call, or message from the teacher or any staff we call the families until they are reached. If we are not able to reach them after several days or attempts we do home visits depending on how urgent the message is. Then we reply to the teachers or staff and we follow up with the families as needed.

14. Aside from the "new" or added duties listed above, in what others ways do you believe your job has changed?

Our position was meant for Mixteco to English Interpretation only, but we also use Spanish everyday because Spanish speaking parents ask us to help them and we can't deny them our help if we are able to assist them. Everything mentioned above is new to our position because all the families that we work with need the supports. We started by only interpreting, but as we saw all the needs that our District families had we began supporting them as much as we could in different areas. Many of the duties that we do are not mentioned in our job description because it was a new position and no one knew how much support is needed for the Mixteco community.

I hereby certify that the statements made above are my own and that to my knowledge they are complete and correct.

Name of Contributor: Shristie N. Torres

Date of Meeting: May 12, 2022

Agenda Section: Section C: Action Items

## Classification Revision and Salary Placement - Executive Assistant to the Superintendent

The Superintendent has requested the Personnel Commission to reinstate the Executive Assistant to the Superintendent position as a management classification. This position was removed from the Classified Management salary schedule in April 2020 and established as a confidential position instead. As a management position, the Executive Assistant to the Superintendent will be able to manage the front office staff assigned to the Superintendent's office and make supervisory decisions. A slight revision has also been made to the job description to add "represents Superintendent in meetings as needed".

When the classification was removed from the management salary schedule in April 2020, the salary was at \$75,423 - \$89,607 yearly. With the 1.5% increase that was Board approved in August 2021, the classification will be reinstated at \$76,555 - \$90,952 yearly in order to keep parity within the salary schedule.

## **RECOMMENDATION:**

Staff recommends that the Personnel Commission take action to approve the revisions for the Executive Assistant to the Superintendent classification and place the classification on the Classified Management salary schedule at \$76,555 - \$90,952 yearly.

# 2022-2023 Personnel Commission/Classified Human Resources Budget Justification

| Classified Salaries            | All staff are budgeted at their current salary. It is understood any wage increases will be added to Commission staff as it is negotiated and approved.   |
|--------------------------------|---|
|                                | Any money allocated in this area which is not currently going<br>towards actual salaries is expected to be returned to the<br>District's general fund at the end of the fiscal year and not used<br>in other areas. Exception may of course be made for extreme or<br>emergency circumstances.  |
| 2300: Administrative Personnel | The Director, Classified Human Resources is paid out of this<br>account and is tasked with overseeing all Personnel Commission<br>and Classified Human Resources activities and supervising<br>Classified Human Resources staff.  |
|                                | Additionally, the wages for the Personnel Commissioners are<br>paid out of this line. An amount consistent with past budgets has<br>been adopted for the pay of the Personnel Commissioners. It is<br>expected that the actual total may be slightly less, but a buffer<br>has been built in to account for unforeseen special meetings and<br>disciplinary appeal hearings.  |
| 2400: Clerical & Other Office  | All non-management staff is paid out of this line. Current staff consists of:   |
|                                | 2 Human Resources Analyst<br>The Human Resources Analysts perform tasks related to<br>overseeing the recruitment and testing functions,<br>performing classification and compensation studies and<br>overseeing the Classified Human Resources transactions<br>and activities including reports.  |
|                                | 3 Human Resources Technicians<br>The Human Resources Technicians perform tasks related<br>primarily to the Human Resources functions of the<br>department and manage the high volume workflow of<br>employee evaluations, records, assignments, and<br>staffing including transfers which related to both<br>classified and exempt employees. Positions in this<br>classification are also expected to assist with<br>Commission functions regarding test proctoring as and<br>application screening as needed. |
|                                | The total amount for staff salaries at their current rate is \$314,035.   |
|                                | \$9,058 has been added to this line for overtime hours as needed for the upcoming year. 40 hours/year has been budgeted for   |

|             | each of the 5 staff members. This can used for attendance at the PC meetings, attending job fairs outside of regular hours, high onboarding seasons, etc. |
|-------------|---|
| 2900: Other | This code is not used for Classified HR positions and not being budgeted for.   |

| Employee Benefits               | Associated with department employees and Personnel<br>Commissioners. All increases in the 3000 accounts are due to<br>increases in insurance and related rates. |
|---------------------------------|---|
| 3200: PERS                      | Associated with department employees and Personnel Commissioners.   |
| 3300: OASDI/Medicare            | Associated with department employees and Personnel Commissioners.   |
| 3400: Health & Welfare Benefits | Associated with department employees and Personnel Commissioners.   |
| 3500: SUI                       | Associated with department employees and Personnel Commissioners.   |
| 3600: Worker's Compensation     | Associated with department employees and Personnel Commissioners.   |
| 3900: Other Benefits            | Associated with department employees and Personnel Commissioners.   |

| 4300: Materials & Supplies      | This account provides funding for all office supplies necessary<br>for the regular office duties of the Commission/Classified<br>Human Resources department.  |
|---------------------------------|---|
|                                 | This is also the account that provides for the cost of lunches for interview panel members, which can vary depending on the number of interview panels held over the course of the year.<br>Lastly, the budgeted amount covers expenses of a recurring nature for copier charges and publications recharges.<br>This account is being increased by \$1,000 in "Printing & Forms" since over the past year the department used a lot in printing services for advertising and creating on-boarding packets for the number of new hires that needed to be hired for the District. |
|                                 |   |
| 4400: Non-Capitalized Equipment | An amount equivalent to approximately two computers has<br>been built into the budget for the 2022-23 year. It is expected<br>that the department will need to replace two computers every<br>year which would put our computers on approximately a 3 year<br>replacement cycle.  |
|                                 | This account shows no changes.  |

| 5200: Travel & Conference              | Personnel Commissioners and staff typically attend a few<br>conferences and meetings per year. One conference typically<br>attended in the CSPCA Annual Conference which is typically a<br>three or four day conference with an associated cost of<br>approximately \$799 per individual plus room & board (varies).<br>The locations of these conferences are to be determined, as is<br>the actual cost. The CSPCA conference for the last year totaled<br>about \$8,500 with reimbursement for travel and expenses. |
|--|--|
|  | This account also covers all mileage reimbursement expenses<br>for Commission employees and allows for mileage<br>reimbursement to interview panel members/raters from<br>outside districts/agencies.  |
|  | This account is being increased by \$2300 to account for the increase in costs for conferences and attendance.   |
| 5300: Dues & Memberships               | The department has three ongoing memberships which require<br>annual dues: California School Personnel Commissioners<br>Association (CSPCA) at \$1,100, Personnel Commissioners<br>Association of Southern California (PCASC) at \$100, and \$120<br>for membership to the Personnel Testing Council of Southern<br>California (PTC-SC) for three staff members at \$40/membership.  |
|  | This account shows no changes.   |
| 5600: Rentals, Leases & Repairs        | The department has one ongoing maintenance agreement with<br>Apperson for the exam answer sheet scanning machine (similar<br>to Scantron). A small amount for repairs has been budgeted in<br>case any are needed on current equipment.  |
|  | This account shows no changes.   |
| 5800: Professional/Consulting Services | This account is used for advertising and other recruitment<br>expenses. The Commission only uses these services for<br>recruitments which are inherently difficult, such as those for<br>CBO or School Occupational Therapist. This account is also used<br>to attend job fairs and advertise in various places due to the<br>increased need to hire and recruit. This account is being<br>increased to \$3,000.   |
|  | An amount of \$2,000 is in place for contingencies where a conflict of interest is declared between the District and the Commission. In these instances the Commission would need to retain its own legal services. It is hoped and anticipated that these funds will not be used and will be returned to the District's general fund at the close of the fiscal year. This account is being increased to \$5,000 due to the increase in costs and usage in the past year.   |

| An amount of \$19,041 is included in the budget for the NeoGov<br>Insight Applicant and Test Management System and \$2,500 for<br>Cooperative Organization for the Development of Employee<br>Selection Procedures (CODESP) for a total of \$21,541. This<br>reflects an increase of \$1,155 over the previous cost due to<br>price increase for NeoGov. |
|--|
| An amount of \$2,000 has been added to the account for any other contracted services need that may come up in the next year.   |
