## Meal Charge Policy for Lamoille North Supervisory Union

- I. **Purpose** - The purpose of this policy is to establish consistent procedures for the Lamoille North Supervisory Union to provide meals to students who have insufficient funds in their school meal accounts and the collection of unpaid meal debt.

### General Statement of Policy/Procedure –

*Our School Food Authority (SFA) will be offering meals at no charge to all students using the Community Eligibility Provision (CEP) and Provision 2. The State of Vermont will provide a Universal Meals Supplement to cover the cost of any "paid" student meals. This meal charge policy will remain in effect for a la carte items and second meals, and adult meals.*

- A. The Lamoille North Supervisory Union recognizes proper nutrition is essential for adequate learning to occur and to establish lifelong, healthy eating habits while also working to maintain the financial integrity of the school food service program.
- B. It is the policy of Lamoille North Supervisory Union to offer high quality, healthy breakfasts and lunches that meet the federal guidelines to all students at a reasonable cost to ensure no child goes hungry.
- C. Payments to student accounts can be made in the following manner:
  - 1) Visiting any school's website and creating an account on Titan (<https://family.titank12.com>)
  - 2) Bringing payment to your student's school office.
  - 3) Sending your child with cash or check to their schools cafeteria.  
**(Checks are preferred over cash.)**
- D. Families may apply for free and reduced-price meals at any time during the school year. Free and Reduced applications are distributed to households by mail prior to the first day of school, as well as sent home with students on the first day of school. Parents are encouraged to complete and return the applications as soon as possible. In addition, applications are available at the school office during regular business hours and online at [www.LNSU.org](http://www.LNSU.org). If household size changes or income changes, families may re-apply for meal benefits any time during the school year.
  - 1) Households who apply for free and reduced-price meal benefits are responsible for payment of all school meals and accumulated charges until approval is granted. Federal guidelines allow a maximum of 10 days to approve a new application. No child is allowed a free or reduced price meal without an approved application or direct certification information on file. Parents will receive a notification letter of the student's eligibility showing the effective date. If a notification letter is not received within 10 days, the parent should check with the approving official at the school to see if the application has been received.

- 2) Households who are receiving 3SquaresVT or Reach-Up benefits will receive a notification of eligibility letter based on Direct Certification from the State.
- 3) Students who are eligible for free and reduced-price meals may receive a breakfast and lunch each day at no charge.

### **Meal Charge Policy/Procedure –**

- A. If the student account has insufficient funds to pay for breakfast and/or lunch meals:
  - Students in grades Pre K - 12 will be allowed to charge up to \$15.00.
  - Students will always be provided a meal.
  - All negative balances must be paid prior to the end of the school year. Any remaining balances will be carried over to the next school year.
- B. Students who are eligible for free and reduced-price meals will always be provided a meal regardless of unpaid student accounts.
- C. Students who are eligible for paid meals and have 'cash in hand' at the time of meal service will be provided a meal regardless of unpaid student accounts. The 'cash in hand' will not be applied to past due accounts.
- D. Students with an overdrawn account are not allowed to charge a la carte items.
- E. Students with overdrawn accounts, who are subsequently found to be eligible for free and reduced meals, may have their charges retroactively corrected accordingly.
