MISSION STATEMENT

Pleasant Valley Elementary School will focus on student centered learning and promoting the education of the **WHOLE** child! We will **ALL** work together in a collaborative manner to promote student success.

A MESSAGE FROM THE PRINCIPALS

Happy New Year! We hope everyone had a happy and healthy winter break. We are so excited to kick off 2024. Our students grew so much during the first half of the year. They raised funds for the PTO, collected food and toys for families in need, learned about technology with high school students, honored our Veterans, set individual and classroom goals, and participated in many other activities and events. We cannot wait to see what they do in 2024. We want our students to love school and will always strive to provide an enriching, fun, environment.

Please be sure to dress your child for the colder weather. Students will need coats for recess. Hats, scarves, and gloves are also helpful.

A NOTE FROM THE NURSES

The nursing office is wishing everyone a very healthy and happy new year!!

Many winter illnesses are going around (Flu, Covid, GI bug, Pink Eye, Strep). Please keep your student home for 24 hours following any fever, vomiting or diarrhea. Eye drops must be given for 24 hours prior to the student returning if diagnosed with pink eye.

Accidents happen, please send in an extra pair of clothing for your student. The nursing office has exhausted all our clothing supply.

Please send student with warm winter coat, hat and gloves for recess!

Mandatory screenings are underway. Students will be screened for vision and hearing.

Please send all updated physical, dentals and immunization records.

Looking forward to a great year!

COUNSELORS' CORNER

January is a great time to kick-start a new self-care routine! With so many things that keep us busy throughout the year, it is important to be mindful of how we take care of ourselves. Try to implement some of these ideas as the new year begins, and take time to reflect on the positive changes that follow!
