

MASON MIDDLE SCHOOL IMMUNIZATION CHECKLIST

Mason Middle School registration is not complete until your child has completed the required examinations, immunizations, and health screenings.

7th and 8th grade students need:

- Proof of Ohio Department of Health required immunizations. Reference form MCS-227 for vaccine schedule and required spacing of vaccines to ensure immunity.

DPT (Diphtheria, Pertussis, Tetanus)	4 doses
OPV/IPV (Polio vaccine)	3-4 doses If any combination of IPV and OPV was received, four doses of either vaccine are required. Only trivalent OPV (tOPV) counts toward the U.S. vaccination requirements. Doses of OPV administered before April 1, 2026, should be counted (unless specifically noted as administered during a campaign). Doses of OPV administered on or after April 1, 2016, should not be counted.
MMR	2 doses
Varicella	2 doses or proof of disease
Hepatitis B	3 doses
Meningococcal	1 dose required before entering 7th grade (Given within the past 5 years)
Tdap (Tetanus Booster)	1 dose required before entering 7th grade (Given within the past 5 years)

- TB Questionnaire: Some types of travel may indicate a need for a TB test.

Take care of these required health examinations, immunizations, and screenings:

- Your child's primary care physician
- The Warren County Health Department: 513.695.1228
- The Little Clinic or Urgent Cares that perform physicals
