### SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

## DISTRICT STATEMENTS

### MISSION STATEMENT

The Mission of the Cupertino Union School District is to provide a child-centered environment that cultivates character, fosters academic excellence, and embraces diversity. District families, communities, and staff join as partners to develop creative, exemplary learners with the skills and enthusiasm to contribute to a constantly changing global society.

### OUR FOCUS

- We will prepare students for future success - in high school, college, career, and in life - in this rapidly changing world
- We will provide personalized and challenging learning experiences, designed to help each child stretch towards their "just right" next learning step
- We will develop the whole child - social, emotional, intellectual, mental and physical well-being
- We will support student success and family engagement by building partnerships with parents and community organizations

### OUR COMMITMENT AND PROMISE

- Provide Meaningful, Creative, and Innovative Curriculum and Instruction that supports student engagement and deepen student learning experiences
- Design Dynamic Learning Environments to meet the needs of all students while challenging each to develop existing skills, interests and understandings, as well as building new ones
- Attract, retain and support high quality staff who are seen as leaders and learners empowered to inspire our students
- Engage Family and Community as partners to actively support and improve the academic achievement, social and behavioral development, and health of our students
- Ensure District Communication systems are in place in order to connect our schools to our families and community, celebrate the successes of our students, staff and alumni while attracting and welcoming new families to the District
- Develop and maintain a District culture and infrastructure that ensures fiscal responsibility and places highest value on student learning
- Students will be provided and engage in learning experiences that are relevant and rigorous, personalized, and focused on the development of the whole child

### OUR BELIEFS

- All children will progress, learn and thrive when provided engaging learning experiences and environments
- One size does not fit all - students learn at different paces and in different ways
- Academics are a portion of what matters to a child's success in school and in life
- When families, communities and schools work together, students are more successful and the entire community benefits

### SCHOOL PROFILE

The Cupertino Union School District is the largest elementary school district in northern California. The District serves over 14,000 students in 17 elementary schools, one K-8 school, and five middle schools throughout the city of Cupertino and parts of the cities of Sunnyvale, San Jose, Saratoga, Los Altos, and Santa Clara.

### SCHOOL MISSION STATEMENT

The mission of Christa McAuliffe is to develop well-rounded students who are academically prepared, intellectually curious, adept at critical thinking, successful at building and maintaining relationships, and in possession of problem-solving skills. Our students graduate from McAuliffe well-prepared for high school and for the greater world.

### A PARENT PARTICIPATION SCHOOL

The regular and structured participation of parents help to make our program possible. Parents are trained to work in classrooms to facilitate effective small group instruction and to support students' social-emotional growth. The time and talents of our parents also make possible the integration of additional curriculum, such as cooking, ceramics, gardening, and monthly field trips, that provide each child with exposure to a great variety of hands-on work.

### SCHOOL PHILOSOPHY

- Our philosophy is based on a developmental educational philosophy, believing a basic education must address the needs of the whole child.
- Holds the academic, social, emotional, physical and creative growth of each child as equal in value and importance.
- Values the concept of children developing lifelong learning skills with the emphasis on critical thinking and problem-solving skills.
- Values the inter-relationship and equal importance of all the disciplines: language arts, mathematics, science, social studies, visual and performing arts, and physical education.

### ENROLLMENT BY GRADE

## CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

#### INSTRUCTIONAL MATERIALS

Cupertino Union School held a Public Hearing on September 21, 2023, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

**TEXTBOOKS**

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

McAuliffe is blessed with a beautiful campus and facilities that include adequate classroom space for each class, a fully equipped library that functions as the learning center of the school, a science lab, two kitchens, a Performing Arts Center, music room, Stegel room, and two large spaces for parents and teachers to work with students in small groups. Our space clearly supports our program and philosophy, and was designed with our unique program in mind. The school continues to make facility improvements to the learning spaces available to students including upgrades to outdoor learning spaces, lawn reseeding and HVAC thermostat upgrades.

**Campus Supervision & Safety**

The Cupertino Union School District, all schools, and staff are dedicated to ensuring the safety of all students when attending school. During recess and lunch, students are monitored by parents and staff. During school hours, all visitors must sign in at the front office, show photo identification, and wear identification badges while on campus.

**Cleaning Process**

The Principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. Custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Cupertino Union School District to ensure that all classrooms and facilities are maintained to a degree of adequacy.

**Maintenance and Repair**

District maintenance staff ensure that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

**FACILITY INSPECTION RESULTS**

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

#### PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

#### CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

#### ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

**OTHER OUTCOMES**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):  
 - Pupil outcomes in the subject area of physical education

**PHYSICAL FITNESS ASSESSMENT**

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility. The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

#### PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

#### CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2022-23	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

#### PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### PARENT INVOLVEMENT

Parents play an important role in the classroom as assistants to the teacher by releasing the teacher from aspects of the classroom operation, working with small groups of students, providing each child with more individual attention when needed, helping with special projects, and offering their own particular talents in cooperation with the teacher. For additional information about organized opportunities for parent involvement at McAuliffe (Christa) Elementary, please contact the school office at (408) 253-4696.

**SCHOOL CLIMATE**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**SUSPENSIONS AND EXPULSIONS**

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

#### SCHOOL SAFETY

Safety of students and staff is a primary concern of the Cupertino Union School District. Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, assigned staff supervise students and school grounds, including the cafeteria and recreation area, to ensure a safe and orderly environment.

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Fire drills are conducted on a monthly basis throughout the school year and intruder/lock-down drills are held annually.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The last review was in August 2023. An updated copy of the plan is available to the public at the school office.
