Math

The bulletin board is titled "Calendar Math" and is decorated with a blue background and orange polka-dot border. It features several math-related activities:

- Days in School:** A grid showing the number of days in school for each month. The current month is February, with 10 days in school. The grid shows: January (10), February (10), March (10), April (10), May (10), June (10), July (10), August (10), September (10), October (10), November (10), December (10).
- Pick-A-Problem:** A small book titled "Pick-A-Problem" with a question: "Are there more boys or girls in your class?"
- Estimation Jar:** A clear plastic jar containing small objects, with a label "Estimation Jar".
- Make-A-Pattern:** A white jar with the pattern "ABAB" written on it.
- Calendar:** A calendar for February 2017, showing the days of the week and the date "Monday, February 6, 2017".
- Counting Sticks:** A set of counting sticks with numbers 1, 2, 3, 4, 5, 6.
- Days in School:** A grid showing the number of days in school for each month. The current month is February, with 10 days in school. The grid shows: January (10), February (10), March (10), April (10), May (10), June (10), July (10), August (10), September (10), October (10), November (10), December (10).

I can find more than a number.

1. Pick a number.
2. Add a number you pick.
3. Find the number you get.

January
February
March
April
May
June
July
August
September
October
