Information for parent or guardian:

California law provides that after a child has been lawfully admitted to a kindergarten and has attended for a year, the child shall be promoted to first grade unless the school district and the child's parent/guardian agree to have the child continue to attend kindergarten for not longer than one (1) additional year. The rule applies whether a child begins kindergarten at the beginning of a school year or at some later date. Because kindergarten-age children often do not develop at a steady or predictable rates, California Department of Education recommends that approval for a child to continue not be given until near the anniversary of a child's admittance to kindergarten.

I agree to have my child [named above] continue in kindergarten until June 2026 (may not be more than one year beyond anniversary date)
