2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Welcome to Duncan Russell Community Day School! Home of the Foxes!

Duncan Russell Community Day School offers students a smaller teacher-to-student ratio (20:1), allowing for individualized and small group instruction. Students enrolled in Duncan Russell Community Day School may come with deficiencies in their basic skills or need of systematic, intensive instruction to be successful in school. The curriculum we use stresses acquisition of basic skills in reading, language arts and mathematics. Additionally, we have added curriculum specifically addressing strategies for academic success and restorative practices to address social-emotional and prosocial behavior.

The curriculum aligns with District Grade Level Standards of Achievement and required district courses. While acquiring remedial skills, instruction integrates subject areas, such as social studies, science and health. To deliver curriculum ensuring students' opportunities to master grade-level content, creative and hands-on methodologies are used thus creating a foundation by which they can be successful upon returning to comprehensive traditional schools.

Thank you for visiting the Duncan Russell Community Day School SARC.

Traci L Mitchell,
Principal

School Mission Statement

Duncan Russell Community Day School is an innovative, individualized and technologically progressive school site. We provide a blended model of direct instruction and online curriculum in a positive and safe learning environment. We emphasize communication and use of technology. We provide an opportunity for all students to overcome barriers through GRIT, to be productive in meeting tomorrow's challenges.

School Vision Statement

Duncan-Russell's students learn and perform to their fullest potential, respect themselves and others, and become responsible contributors to society.

2023-24 School Description and Mission Statement

District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2022. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and select-ing instructional materials for science in grades K-12.

School Facility Conditions and Planned Improvements

General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility-survey instrument developed by the State of California Office of Public-School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is specific information on the condition of Duncan-Russell Community Day School for the 2022-23 school year and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

Age of School/Buildings

Duncan-Russell Community Day School is on the Alternative Education School Campus in Tracy. The Alternative Education campus is host to Stein High School, Independent Study, Tracy Young Adult Program and Child Abuse Prevention Community Day Care.

Duncan Russell Community Day School is separated from the other programs on campus as per state education code. It has three classrooms, a library/lunchroom and administration building. This school is located on the main campus, which was built in 1960.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are welcomed at Duncan Russell Community Day School and invited to participate through a variety of experiences.

Parents are encouraged to participate in our school activities, such as School Site Council, English Learner Advisory Committee and student awards events, participation in Alt Ed Parent Workshops and Parent Café. Parents are on campus for conferences and meetings with their student's teachers.

Parents take part in student intake and orientation meetings on campus. At the orientation meeting, the school counselor and administrator emphasize the importance of parental involvement and support while their student is attending Duncan Russell Community Day School.

Parents are encouraged to contact their student's teachers via email, call to request a face-to-face meeting or a return phone call.

Parents are notified when their student is marked absent or tardy. Academic progress reports are sent home weekly for parents to review.

The teacher contacts parents whenever any issue arises that may affect their student's success at Duncan Russell Community Day School.

For more information on how to become involved at the school, please contact Traci L. Mitchell, Principal, at (209) 830-3395.

2023-24 School Safety Plan

Duncan Russell has a comprehensive school emergency-response plan that includes annual training, fire drills, shelter-in-place, lockdown, earthquake procedures, student evacuation, emergency student release, and emergency communication and response.

Efforts to provide a safe school focuses on five key elements by:

1. Maintaining a safe school environment through campus supervision before and after school and during nutrition breaks; operating a closed campus; sustaining close contact with Tracy Probation, Tracy Resource Officers and with the district truancy officer.
2. Promoting teacher awareness of the disaster-preparedness plan, enforcing child-abuse reporting, in-servicing on sexual-harassment policies and blood-borne pathogens, sharing suspension and transfer information with staff notification upon enrollment of a student with a dangerous background.
3. Holding new-student orientations; providing flexible scheduling and student recognition assemblies, suicide prevention presentations and drug and alcohol education.
4. Inviting parents to Parent/Teacher Conference Day. Personal phone calls about a child's absence, tardy or lack of progress. Analyzing parent's responses to school surveys.

Professional Development

School

For new teachers to the district, the Tracy Unified School District requires new teachers to participate in the Tracy Teacher Induction Program (TTIP). This involves six full days of pre-service and four days of follow-up during the year. At this time, teachers are introduced to the district and their site and receive training on classroom management, content organization and lesson design.

All activities are based on the California Standards for the Teaching Profession (CSTP). Throughout the year in TTIP, teachers are additionally supported in the classroom on a regular basis by a staff development specialist. New teachers who qualify for the Beginning Teacher Support and Assessment (BTSA) program to clear their preliminary credentials will be assigned a BTSA Support Provider and will work through the modules of the Formative Assessment of California Teachers (FACT).

The district offers professional development opportunities for all staff members throughout the school year. Two full days are provided before the school year starts.

LEA

Tracy Unified School District requires new teachers to Tracy Unified to participate in the Tracy Teacher Induction Program (TTIP). This professional learning involves six full days of pre-service and three follow-up days during the year. At this time, teachers are introduced to the district departments, their site administrators, and receive professional learning that highlights the California Standards for the Teaching Profession. Teachers experience strategies that support classroom management, curriculum supports, and universal lesson design components. Throughout the year in TTIP, teachers are also able to contact Curriculum Specialists for just-in-time support.

New teachers who come to Tracy Unified with their Preliminary credentials qualify for the California Commission on Teaching Credentialing accredited Teacher Induction Program with Tracy Unified. This program supports new teachers in growing through the California Standards for the Teaching Profession (CSTPs) and clearing their preliminary credentials. During this process an Induction mentor will be assigned to the new teacher to facilitate their learning through the Individualized Learning Plan and growth in the CSTPs.

The district offers professional-development opportunities for all staff members throughout the school year. Four full days are provided before the school year starts. Every Monday, students are released early from school to allow teachers to participate in professional development opportunities. These sessions are divided throughout the year to allow teachers to participate in site staff development, district staff development and teacher collaboration time.

The district office is helping to fund professional development for our teachers and administration, both through sending teachers to Professional Learning Community (PLC) conferences, STEM conferences, and through work with the International Center for Leadership in Education (ICLE). The work with ICLE focuses on building Relationships, Rigor, Relevance, and Engagement in the classroom.
