

Our Donors MAKE A DIFFERENCE

2022-2023 Annual Donor Report

Dear Howard Friends and Family,

Beginning with Marian Howard's vision in 1950, our school is a place of trailblazers. In terms of teaching children who learn differently, The Howard School was the first such place in the southeast; Howard was one of the first schools in the nation to have a high school for children who learn differently, and our school was the first LD school to earn membership in the Southern Association for College Admission Counseling (SACAC).

Last year, thanks to you all, we achieved another milestone: **Howard had the highest rate of family and community giving in the history of our school.** Just like our students, we are a strong community that acknowledges hurdles and hardships and then gets to work sorting out how to work around and through those complexities. Your partnership with us as you stepped up to help us achieve the Howard

Fund goal gives us the energy, enthusiasm and capacity to continue to blast through obstacles and hurdles so that we always do what is best for our students. With every donation, you reinforce Marion Howard's dream and empower us to ensure that our capable, bright students have the setting and resources they deserve to flourish and find their path.

With sincere thanks,

A handwritten signature in black ink that reads "Anna Moore". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

MISSION STATEMENT

The Howard School empowers students with language-based learning differences by addressing individual needs and leveraging strengths to develop a lifelong understanding of and advocacy for their own learning process.

Dear Howard School Community,

This marks my family's 20th year of association with the School. As a proud parent of a 2013 alum, I can personally attest to the transformative impact that a Howard education has had on my son and on our family as a whole.

I extend my heartfelt gratitude to each of you for your invaluable contributions to The Howard School and its mission-driven initiatives. **The school's remarkable 73-year legacy could not be possible without the unwavering support of our donors.** This is a sentiment that is deeply acknowledged and appreciated not only by me but also by our esteemed board, dedicated faculty, and staff. Thank you for championing the vital transformative work that our students need and deserve.

Building Community: New Howard School families gathered in the Hawk's Nest to meet one another and share their journeys.

The Howard Fund Kickoff Event and Silent Auction

MAKING A DIFFERENCE: **PARENTS & GRANDPARENTS**

The second annual Howard Fund Kickoff was an outstanding success, bringing our community together to celebrate The Howard School and have a great time while supporting our mission. **This fun and casual event raised over \$18,000, which was channeled directly into the 2023-2024 Annual Fund.** Director of Advancement, Jason St. Amand, expressed his enthusiasm, stating, "It's a wonderful opportunity to unite our community, celebrate The Howard School, and raise much-needed funds for the School."

We extend our heartfelt thanks to all the parents and grandparents who attended, those who participated in the silent auction, and everyone who generously donated. **Each dollar raised for The Howard Fund directly contributes to the daily operations and supports every child on our campus.** Your participation has a profound impact on teaching and learning, making a positive difference in the lives of our students. We are truly grateful for your commitment and support.

Why We Give

When we chose The Howard School, our aim was to place Gabriel in an environment that not only recognizes his potential but also nurtures his awareness of it. The fact that he spends his school days with teachers and specialists who comprehend his challenges and celebrate his achievements has truly made all the difference.

The Louis H. Beck Foundation has made a significant difference at The Howard School through three generous grants. These grants have enabled the school to establish fantastic meeting spaces on the second floor of the high school and acquire new, child-friendly furniture and books for the library. The furniture includes chairs that swivel and rock, as well as cushioned stools that can be easily rearranged to accommodate various activities such as class visits and mystery reader sessions.

Earlier this year, representatives from the Beck Foundation visited the school campus and the newly relocated library on the first floor, adjacent to the black box. The library used to be situated on the third floor of the same building, which, while offering beautiful views over The Howard School's rooftops, presented accessibility challenges, especially for lower school students who had to climb three flights of stairs for every visit. The new library location on the first floor not only provides more space but also ensures convenient access for all students, including those in the lower school.

Why We Give

Our journey with our son, Wyatt, has been both challenging and rewarding. Over his six years at The Howard School, we've witnessed the dedication of educators and staff who understand his unique needs and tailor their approach for his growth.

The school's commitment to a nurturing environment has transformed Wyatt's learning journey, and we're forever grateful for his progress.

Asher Family Lobby Dedication

MAKING A DIFFERENCE AT HOWARD

On a beautiful autumn evening, members past and present of The Howard School community proudly showed their gratitude and love to the Asher Family at the dedication of The Tom Asher Family Lobby on October 26, 2023.

The Asher Family's profound connection with The Howard School traces back to its very inception in 1950. The School's origin story is a tale of dedication and unwavering commitment of three trailblazing entrepreneurs, Marian Howard, Dr. Hermon F. Martin, and Joe Asher. Together they sowed the seeds for the School's growth and success.

Joe Asher's devotion was steadfast, extending through the next three generations of the Asher Family. Joe's son, Tom, took up the mantle of his father's commitment, serving as trustee for the School. Tom dedicated a full decade to The Howard School, from 1992 to 2002.

In a tribute to his father, Tom's son, Hugh, shared a story that illuminated the depths of Tom's love for The Howard School. "Let me tell you why my dad loved The Howard School so much. When he was growing up,

it was not uncommon for him to hear on the playground, 'Hey, T-T-T-Tommy.' My dad had a terrible stutter when he was little. He grew out of it, but not everyone does, and it was that experience growing up with a stutter that made my Dad always support those who have speech and language developmental differences."

This unshakable love and support for The Howard School continued to flourish long after Tom's trusteeship had concluded. In a remarkable testament to this enduring connection, three of Tom's grandchildren proudly bear the title of Howard School alumni.

“The dedication of The Tom Asher Family Lobby is just one small way we hold sacred the story of your family, your love, and your many gifts to this community. Thank you.”

Why We Give

Our son Truman joined The Howard School in February of his 7th grade year. He left his old school on a Friday and walked into Howard on a Monday. I will never forget his comment on that Monday night after his first day. He said to us "I loved it. I understood everything they were teaching." This was such a profound moment for us as a family because we saw that he would be happy and be able to thrive at Howard. Truman is now a Senior! It has gone by so quickly and **we continue to be grateful for the kindness, care, encouragement, and vision for not only Truman, but for every student and family that walks through the doors at Howard.** We have become better humans and parents because of The Howard School. We look at things in a more inclusive and healthy way. It is so true "A Different Approach Makes All the Difference."

Taxpayers to the State of Georgia can play a vital role in improving access to a Howard School education. Through the **Georgia Education Expense Credit Program**, participants can redirect a portion of their income tax dollars to support need-based financial aid for Howard School students. To participate in the 2023 program, which is now open, simply go to goalscholarship.org for more information and to sign up.

WANT TO MAKE A DIFFERENCE AT THE HOWARD SCHOOL?

Here are just many of different ways you can make a difference in the lives of students at The Howard School.

THE HOWARD FUND

The School's most important yearly initiative that financially supports all aspects of our program schoolwide. **Since tuition alone does not cover all yearly expenses, The Howard Fund helps ensure funding for the exceptional programs that make The Howard School a unique educational experience.** Gifts to the Howard Fund make an immediate impact on the educational experience and represent an investment in the mission of the school.

ENDOWMENT

The Endowment at The Howard School is a critical asset that supports the long-term mission of the school. **Supporting this fund ensures that The Howard School education will continue to make an impact for generations to come.**

PLEASE CONSIDER DONATING TODAY.
