for student success**

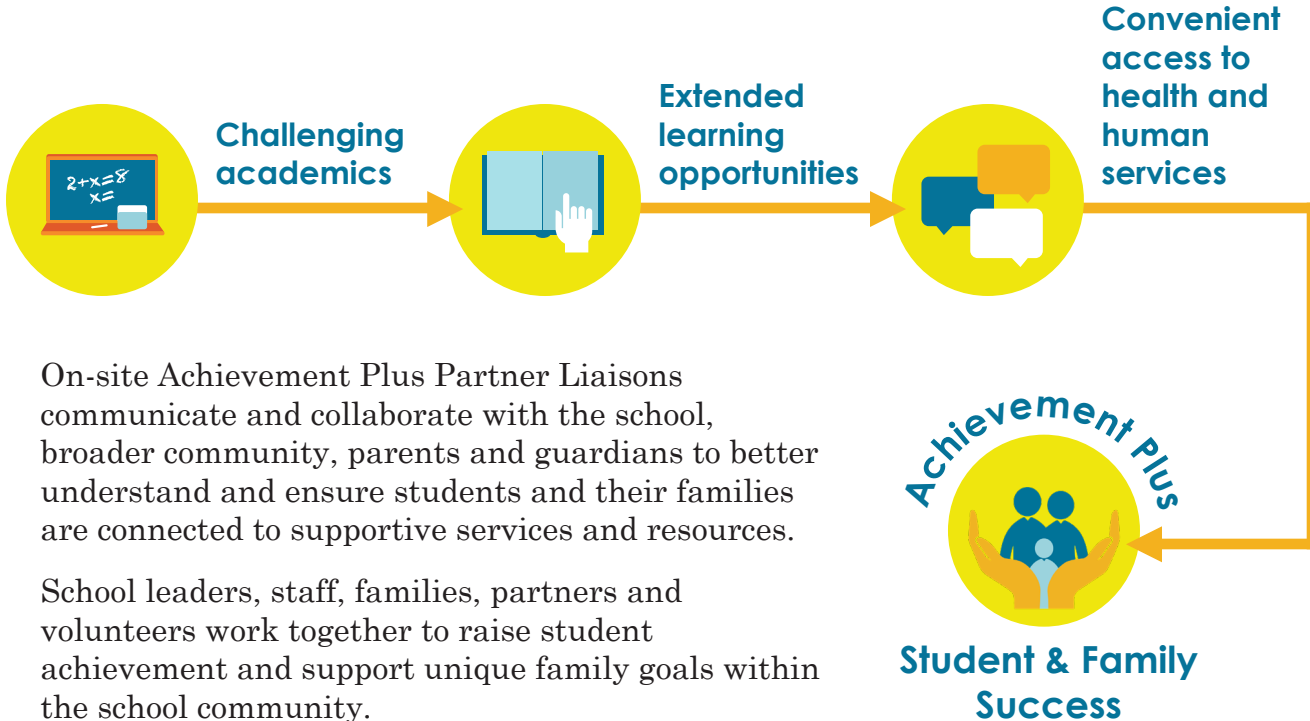

“ IT'S A TREMENDOUS BENEFIT FOR
CHILDREN AND THE FAMILIES BECAUSE
OF THE WRAPAROUND SERVICES.
- COMMUNITY PARTNER ”

For over 20 years, Saint Paul Public Schools and the Wilder Foundation have collaborated with educators, partners and supporters to provide Achievement Plus full-service community schools where students and their families thrive.

Achievement Plus is a whole-community approach to public education that supports student and family success. Designed as “neighborhood hubs,” Achievement Plus schools provide:

On-site Achievement Plus Partner Liaisons communicate and collaborate with the school, broader community, parents and guardians to better understand and ensure students and their families are connected to supportive services and resources.

School leaders, staff, families, partners and volunteers work together to raise student achievement and support unique family goals within the school community.
