

# Wednesday Family Update

## February 17th, 2021

### Coming Up and Going On

## Admin Corner

### Dear Harding High School Families:

Quarter 3 conferences (virtual) will happen on **Thursday, February 25, 2021 from 4 to 7 PM**. All Harding teachers are setting up a conference schedule on an APP called Calendly. Complete details about how to access teachers' calendars and sign up for a conference slot is below.

Students should attend the virtual conference with parents and should assist parents to sign up using their iPads and Schoology accounts. Teachers will post their conference calendars in the 'Updates' section of each of their classes on Schoology.

When you sign up, please include your name and your student's name so teachers can prepare for you. A small number of Harding teachers may have conflicts on one of those evenings will be providing alternate conference dates and times. Please check the specific date for the specific teacher you want to see. Most will be on the 25th.

All teacher calendars will be accessible by 8:00 a.m. on Monday, February 22, 2021. Some are already posted. Here are detailed instructions. They are also available on the Harding's website.

### Welcome to the HHS Virtual Parent/Teacher Conferences!

**Who:** Students are expected to work together with their parents to sign up for conferences.

**What:** Parents and students select a 10 minute conference time in calendar link-Calendly.

**Where:** Calendly link will be on each teacher Schoology page (updates section).

**When:** February 25, 2021 from 4 to 7pm

**How:** First time users: Watch the brief tutorial video below to sign up in Calendly. Decide what teachers you want to see for conferences. Students and parents together go to the individual teacher Schoology page to sign up. Sign in with student name and email, or with parent name and email AND include student name in message box. Since conferences are a scheduled time, teachers will help to monitor the time so they can get to the next conference appointment.

**Do you need an interpreter to attend the conference?** Interpreters are available in Hmong, Spanish, Karen, and Somali. Let the teacher know if another language is needed. Write this request in the Calendly invite. Students may also directly ask their teachers to request an interpreter.

Dear Students and Families,

First, I want to thank the families who attended last night's informational meeting on Harding I-PASS. There were many great questions posed and I hope you all received the information you needed to make a decision that is right for your family. I will be working on following up with the families who reached out specifically to me on the issues that were brought to my attention.

If you did not have the opportunity to attend this meeting, the slides from the meeting will be posted on our website later today and I will include the link to the answers to the questions the families asked.

I realized after our meeting that there needs to be a couple of corrections to the information given:  
ACT Testing: Open to all 11th graders, March 2nd Time to Be Determined, Transportation will be provided  
Video: In the video you saw a brief moment of staff taking student temperatures, to clarify, staff will not be taking student temperatures. We will only provide passive health screening of all students. Here is a [link](#) to more information on Passive Screening from the district. Copies of the [health screening checklist](#) are provided to staff and are posted at school sites and can be found in the last page of the newsletter and on [Harding's website](#).

We are so excited to see some of our students back on February 22. If there are any questions, please feel free to reach out to your child's teachers, counselors, or anyone on our admin team.

Thank you,

Be Vang, Principal

## Happening in Japanese Class

Please join me in congratulating Tina L.! Her Japanese New Year's card design won 3rd place in the comical category of the National Nengajo Contest out of over 450 submissions nationwide. Her "year of the ox" is enjoying Japanese traditional food at a cozy "kotatsu" heated floor table.

If you know Tina, please make sure to congratulate her.

## Happening in FACS

The Family and Consumer Science (FCS) department is hosting weekly Virtual Career Panels (Tuesdays 12-1pm) to introduce students and families to a variety of careers that are represented by the FCS department. Last week we heard from Culinary professionals, this week was Early Childhood educators. Please plan on joining us for the upcoming Virtual Career Panels. **Google Code: FCScareers 12-1pm**

Feb 23: Design: Interiors and Fashion

Mar 2: Food Systems and Production

Mar 9: Personal Finance

Culinary Career Panel from Feb. 9th

## ACCESS for ELLs Testing Taking Place March 1 - April 1

ACCESS for ELLs is a standardized test that measures students' academic English growth and proficiency in listening, reading, speaking and writing. If your child is currently identified as an EL student, he/she is required to take this test. This test provides important information for your child and Harding High School. The results of this assessment help Harding staff make sure that your student is receiving the language support he/she needs and placed in classes that are appropriate for him/her. This test also determines if your student is ready to exit the EL program.

Please note: the ACCESS test must be completed in person. This means your child will need to report to Harding on the dates we share with you to take the test. The test will take two afternoons to complete.

You have the right to refuse ACCESS testing for your student. ***If you do not want your child to take the ACCESS test this year, please contact one of the EL teachers below by email, text or phone call. Please include your child's name, grade, and their student ID number in the message.*** If you have already filled out and returned the letter that was sent to your home from the district, your response has already been recorded and you do not need to submit it again.

If you have any questions or concerns, please contact Ms. Parvi or Ms. Xiong.
