The best parts about my time here was meeting PT, RK, AH, MD, KJ, CR, CC, MM, NC, CY, ER, LW, etc. Hanging out after school. Laughing at stupid jokes (Chalern's stupid jokes).

Angeleah Remackel

My most favorite memory of my whole entire 3 years would be being in Mr. McCloud's drama class and learning how to move and going to see the plays at the theater. Another memory I have of Humboldt is all the homecoming games and dances in general. I will miss Humboldt, my friends, and my really closest friends Erik Gibertson, Lizzy Simmons, Melissa Simmons and Haily Spears. I love you guys.

Tiffany Ford

One memory I have of Humboldt is meeting new people. Plus getting into mischief with my best friend Jasmine Beverley :) JB, JD, BB, EA, PM, TV, BS, RF, DM, YB, and Mr. Hudalla.

Wow senior year, I never thought I would get this far. I'll never forget about JROTC. Especially when my color guard took first place in the Urban Challenge. I'm really gonna miss Hojo, first sgt. Shearer, and Ms. Orme.

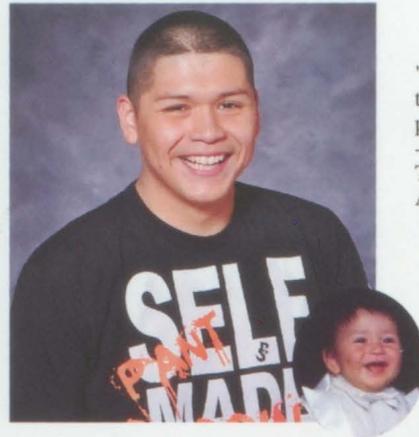

Amanda Heiple

"The purpose of life is to live it, to take experience to the utmost, to reach out eagerly and without fear for newer and richer experience" -Eleanor Roosevelt High School was great. Lots of hard stuff to get through, but it was worth it and I wouldn't change anything. I'll miss my FFA chapter "swtch!", "Coco Loops", and all my friends, I hope I remember all of our inside jokes and remind you of them 30 years from now. Remember, 2011 Just like Heaven!!!

Coming into highschool freshman year I was shy, quiet, a little intimidated. I didn't talk much and didn't make that many friends. Although freshman year was quite scary, I am glad to have stayed at Humboldt. I had a bunch of reasons to stay here, and come senior year, I had a new one to stay.

My memories are meeting new friends and teachers in this school. Playing adapted sports like soccer, floor hockey, softball and bowling. My favorite memory is when I got picked for all tournament twice when I was a freshman and when I was a junior. I also got a medal and made our school a champion for bowling last year. But one important thing is when I was a freshman through a senior was having fun all the time in school and outside of school.

When the SENIORS won tug-o-war at the pep fest!! Doing work in the Future Center. When my football team won our first playoff game since the 1900s. Recieving help from teachers and staff. When all the seniors work hard in the Future Center to finish their college applications. Making the Future Center our second home. Getting the lead role in Steel Magnolias and getting kicked out of the Homecoming game and dance for having too much school spirit in the parking lot!! Hanging out with Rosca, Twiz, and Ibarra in yearbook, and of course my girlfriend, Jazzy. Writing on Aeilt's truck!! When Micayla Dodd fell down the bleachers. "Chocolate makes everything better" -Mrs. Jackie. I liked piano class, writing, and reading. I made so many friends here and they will be there for me for a long time. Freshman year was the best!! We got second place twice in soccer. My first band rehearsal with pep band and marching in the Cinco de Mayo parade. Choir and the soccer team. I made a good choice in coming to Humboldt! Asian Cinema class "You're Beautiful"! Meeting new friends and LW and other teachers. Playing soccer and meeting new friends from different countries and different races. Getting dismissed my senior year during Homecoming for having SCHOOL SPIRIT with my two partners in crime. Staying after school and goofing around with friends, good times! Staying after school, laughing at jokes and goofing around with friends. Getting on CHENG'S Wall of Acceptance!!

Having fun with friends and Humboldt is a cool school. Going out in the community with my class and going bowling with my friends, too. Making a lot of new friends and having fun with the people I know. Being given the opportunity of being a part of National Honor Society and meeting Anisia Bailey and Michelle Lewis. Playing piano in the auditorium and having concerts. When the girls basketball team won the City Conference our junior year. Making new friends and meeting new teachers. Walking in through the doors as a 7th grader and walking out as a senior. Meeting all the girls and winning Biggest Flirt! Going to Sadie Hawkins Night. When I met my friends for life. Winning Homecoming Queen. When the basketball team went to Cloquet for a tournament and we all had fun and we got 1st place in the tournament. Putting our names on the Wall of College Acceptance. Meeting my friend Dante Banks and scoring 1000 points in my high school basketball career. Going to Friendship Club and working with senior citizens and little kids. Second place in section 4A soccer. Working on this yearbook for everyone to love! Wearing the crazy pep band costumes in the Saint Paul parade. Can't beat junior prom! Getting involved in the school plays. Winning Homecoming King for 2010. When I met my boyfriend CA. Counting down the days until graduation!
