Entrepreneurship started the year off with a lemonade stand project that The Donald Trump Show The Apprentice emulated on its premier. The students traveled to Duluth, produced dill dip, salsa mix and onion dip, developed a pumpkin pie kit sold in hand painted recipe boxes and experimented making a cocoa mix.

Child Development explored the developmental stages from conception through age 5. Second term students plan and run the preschool. This year we had 8 active preschoolers. Observing and participating great insights into human development.

Being a teen mother in high school has made me a better person. These little angel faces and the man I love makes me a great person to get this far where I am today.

I would like to thank God, Mom and Dad for bringing me into this world.

I love You Mom

Wonderful news for Ulysses Izaola & Humboldt High School. Ulysses has been selected to represent Region 3AA in the Academics, Arts & Athletic Award (Triple 'A' Award). The Award started in 1988 and Ulysses is the first Humboldt student to represent our Region. There are 17 schools in Region 3AA, Eagan, Crellin, Hastings, Henry Sibley, Park, Roseville, St Thomas, Simley, South St. Paul, Woodbury and all The St. Paul Schools. The award is sponsored by the Minnesota State High School League. The Triple 'A' Award recipients are selected by a multi-level process involving League Members and Administrative Regions. League officials will announce a female and male recipient for both class 'A' and 'AA' at a special banquet at the Marriott City Center in Minneapolis on Saturday, March 27th. Each recipient will receive a four-year $1000 scholarship.

Good Luck and Congratulations Ulysses! From the Humboldt Athletic Department!

And this is Robert Elizondo's Two Cents.

High School is over it's time to learn about the world, the real world. Simple, become more active in everyday political life. The conservative right is calling the shots in DC, but they aren't the majority of the Republican party or the American People.

How do they do this? Simple: They vote. They're vocal and they're organized!

Impact the world and Vote! Promote Peace.
