HAWK PRIDE

Helping students to Achieve With Knowledge, Participation, and Responsibility, In a Dignity supported Environment.

Hawk Pride begins with student participation in many activities at Humboldt, some of them are shown here; to the right is Mr. Gonzalez's 5th period gym class enjoying a game of volleyball.

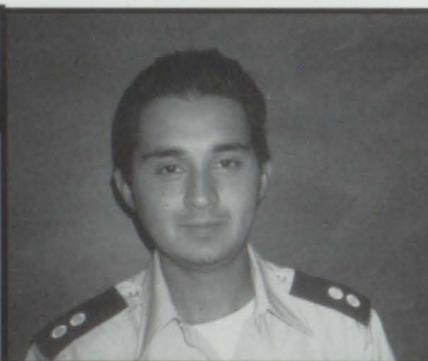

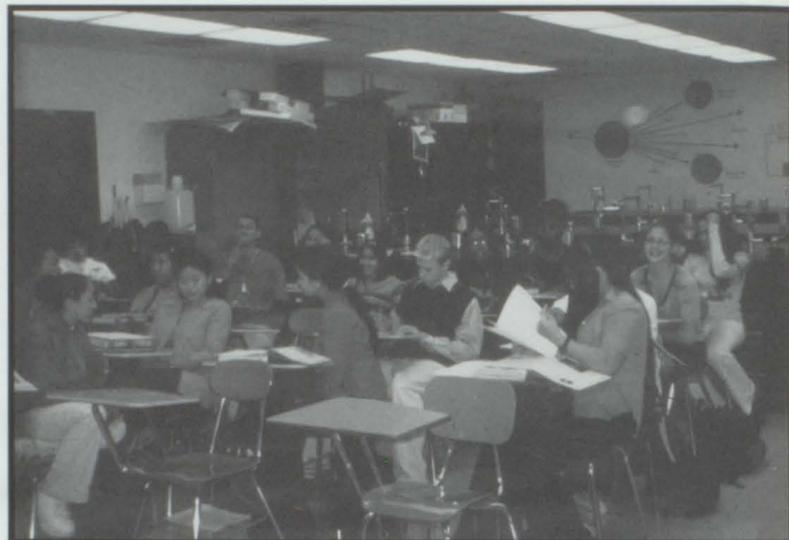

To the far right is Mrs. Schroepfer's 6th period Chemistry class taking on the world of science.

JROTC Color Guard

Band Practice

There are many places where cultures come together at Humboldt High School. One of the best places is the lunch room. During the three split lunch students of all ethnic groups can get together, visit and make new friends.

There are many different things students can eat. At the snack bar juice, chips, and donuts are offered. The other choices offered may include, pizza, hamburgers, chicken patties, meatloaf, and taco salad.

Even though lunch is a short period of the students day, students can get reenergized and be ready to tackle the rest of their day.

Go Look

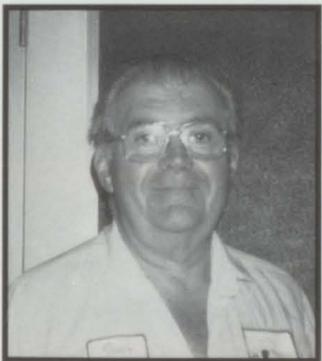

Humboldt Friendship Club showed their great community spirit by going and being involved in the Harriet Island 35 Flags of Nations, which is pictured far left. Over 60 students and staff members went to the demonstration to show their Hawk Pride. Introduced by the Channel Five news anchors,

Cale Ramaker and Harris Faulkner, were our JROTC Honor Guard Flag carriers, and members of the Friendship Club.

Shown left, Christina Delgado, one of the seniors that participated in the flag event said, "I will always remember this because it represents

Humboldt and all of the different people in our school. I'm proud to know that we are rich in races, I would not have it any other way." Below, students Armando, John & Steve working in the TV production room.

Iver Jackson

On Wednesday, September 20, 2000 a chemical spill happened in the pool area at Humboldt. Iver Jackson, custodian, played an important role in the safe and timely evacuation of the school. Iver was interviewed about his heroic act. His thoughts about the kids at Humboldt in how they acted toward the chemical spill were, "They were real good and aware of the problem that was taking place. I think they should be awarded for their alertness." Many people feel that you are a hero. How does it feel to be a hero? "I don't know if I'm a hero, I was just doing my job." Thanks Iver!

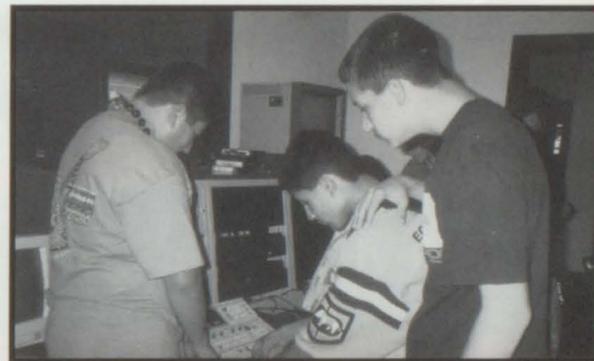

Janice Sanford

Janice is one of the food service staff members. She serves the kids at Humboldt during the three split lunch. Yearbook interviewed Janice and other food staff workers, on what they would like to cook someday for the many students and staff at Humboldt. If you and the lunch staff were able to make a lunch from any culture, what would you like it to be? "Egg Foo Yung." How do you like serving the students at Humboldt? "I like it. It's a good start and end to my day, and the staff that I work with makes it even better."

Sara Lozano

Once a Humboldt student and now returning back as a special education teacher, Sara Lozano was interviewed on why she thought it would be a good idea to come back and work at Humboldt. How do you like being a special ed. teacher at Humboldt? "Being a former Humboldt student I wanted to give back to my school." Why did you choose Humboldt? "When I was a student I always wanted to interact with the students as if I were a teacher. Since I'm back I'm glad I get to help better other peoples education."

Homecoming

The Humboldt Homecoming Coronation was held on Monday, September 25, in the gymnasium. Kendra Stampley and Arnulfo Flores (pictured right) were crowned our Homecoming King and Queen in this year's coronation. All the candidates were beautifully dressed and made this year's decision on who to vote for a difficult one. Student Council set the stage, everyone dressed up in their best and the orange carpet was rolled out for our royalty. Lauren Elizondo and Luis Flores, both from Cherokee Heights Elementary and pictured above, proceeded candidates down the aisle, later handing Arnulfo his royal scepter and Kendra her bouquet.

Going To Get Pepped Up!

This year's Pep Fest took place on Friday, September 29. Led by rousing cheerleaders, music performed by our band and class pride contributed by everyone, it turned out to be a great success. Student Council brought out our annual tug of war rope contest and let the classes fight it out. It turned out to be an underclassmen year as freshmen and sophomores defeated junior and senior classes. The freshmen then won the chance to go at it with the staff, who eventually defeated the students. Great enthusiasm and spirit helped make it an exciting activity.

Tooting her horn, Cristina leads the band.

Cheerleaders yell "Knock Out The Knights!" as our team makes it's entrance at the Homecoming Game.

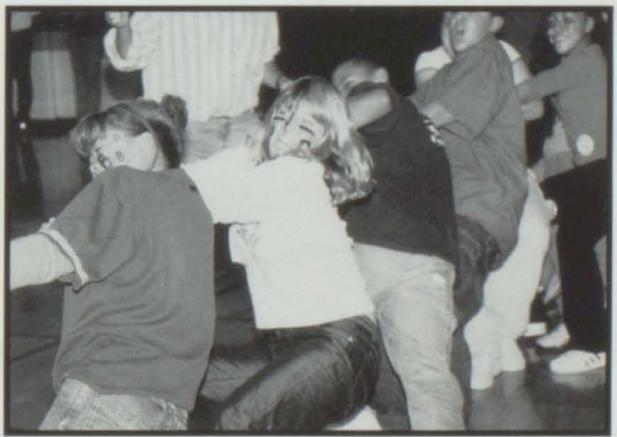

Homecoming, full of fun and silly days, brings out the best in Humboldt students, urging them to get involved with school and peers, through extra curricular activities or supporting those involved in them. Monday was

Dress Up Day, coronation was held that morning. Tuesday was Twin Day, the one day it's okay to show up in the same outfit as your friends. Wednesday was Hick Day, and the

hillbillies turned out in droves. Thursday was Hat and Shades Day. Friday was Spirit Day and the Prep Fest was that afternoon. Each class was decked out in orange and black, faces were covered with paint and decorated crowns adorned seniors.

Humboldt Seniors

A Good Thing Going

Some of our seniors have been here for a year, some for four, and some for six starting back in seventh grade. However long, their time at Humboldt is now ending. As they fill out college applications, get measured for caps and gowns, and say good-bye to those they're leaving, Harley, shown right, pauses to reflect on the memories he's made: "Do you remember our first Pep Fest, how at first we didn't catch onto the cheers?" "Now we are the ones running out into the gym yelling for our class." "Ugh, remember the first day of school, everyone just drifting through school, trying not to get lost?" "Now we know all the shortcuts." "Remember watching all the classes ahead of us graduate, how each year we'd say good-bye to more and more people?" "Now we're leaving."

GOING ... GOING ... GONE!
A final senior entrance at this year's PepFest.

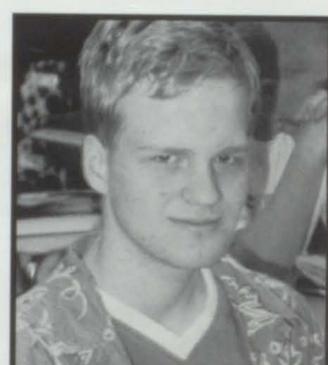

A quick stop at the locker to shove another twenty-five pound book in your bag, then it's time to stagger quickly to class.

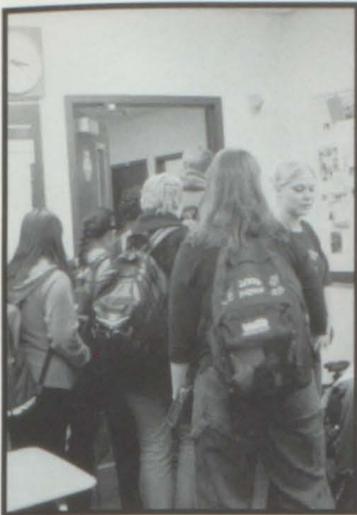

Blia Moua takes a quick stop to pose for a picture before heading to class. She is involved in the University of Minnesota English class, and doesn't want to miss a minute of the rigorous program.

After school Nateira Carlson grabs her school work, then off to rehearsal for the drama production of 'Grease.' If, by chance, she doesn't have rehearsal, she takes a quick break before heading off to work. It's a full day every day, and after that there's homework

Adam Bjornson is a talented artist, lending a hand in many creative projects around school. After graduating, he'd like to continue encouraging his muse by attending college to pursue a degree in art before deciding on a career. Look for Adam's art around campus and, in the future, around the globe.

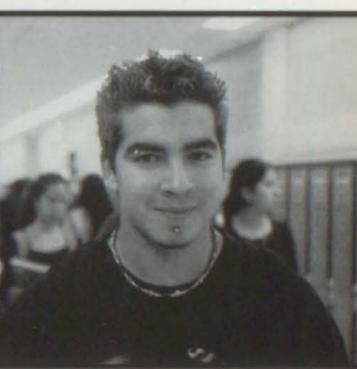

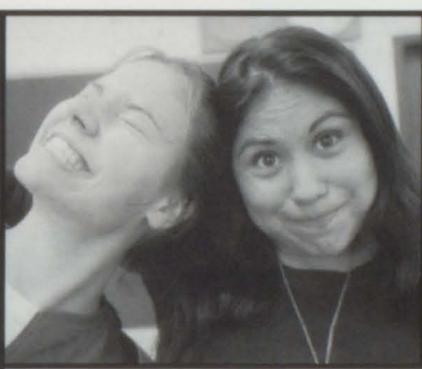

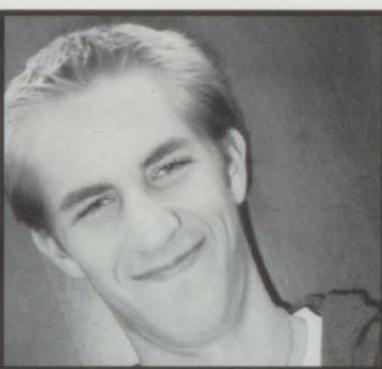

Out of class, onto the next one, counting the days before the last.

After clambering onto the bus, students settle in for the ride home.

Go Places

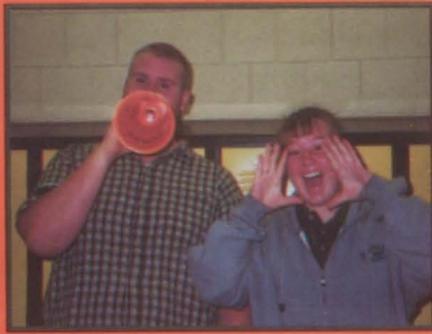

Left, a group of seniors lend a hand going out and participating in the Friendship Clubs activities. Below, seniors on the run, Caitlin goes for the ball.

Seniors are getting ready to go off to college. Minority Enrichment Program students are shown left, touring the University of Wisconsin, River Falls, college campus.

UNDERCLASS

A Good Thing Going

Lost & Found

Getting lost and finally being found is one of the many things kids at Humboldt deal with. Starting as a freshmen, everything seems so scary. Either you cannot find your classes, or you are realizing that lockers are all on the first floor. By the time you get to your sophomore year, you start finding out the tricks and adjusting to the teachers. Then it comes time for your junior year, when you know where everything is and you know how to get out of not having your homework. You're just at that stage when you can almost kick up your heels and have fun, but not too much fun because you still have one more year left.

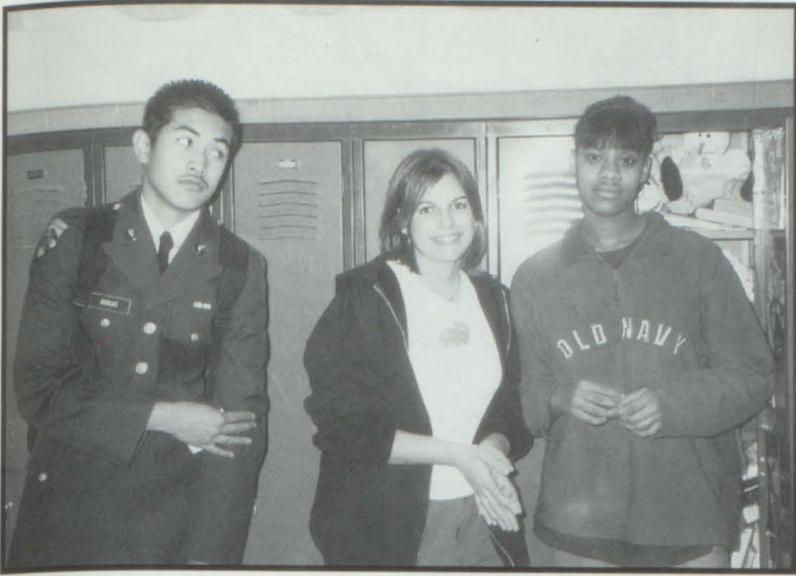

Those Who Know Are First In Line

While students are waiting for lunch to be served, they get the chance to talk and hang out. Some students go right away and get their lunch, while others choose to wait until the lines get smaller.

Students shown right, in the picture are waiting to be served first. As they wait they enjoy a conversation with Mr. Warren, who is the Attendance Liaison at Humboldt.

Lost & Found

Tarl Johnson

In National Honor Society you were given an essay on how you would try to improve Humboldt. What were some of the ways you chose? "One thing I would improve at Humboldt is the school spirit, having more assemblies that are fun and also reward the kids for doing good."

Amy Reed

Site Based Council is something that gives the students an opportunity to give their input on things that take place at Humboldt. What are some kinds of things that the group has discussed? "I've worked on the dress code, air temperature problems, spirit and pride issues for Humboldt."

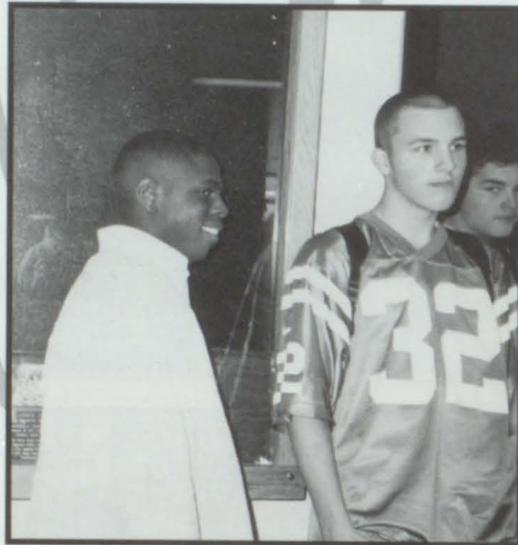

Crystal Esparza

Being your first year on Student Council what do you think of the activities that Student Council are involved in? "I think it's fun because you get to do a lot of things and meet new people. One activity is the variety show because it gives the students time to just have fun and act silly."

Juniors

Seng Ngen on Junior Life

When you're a junior the teachers expect more out of you, and for you to be a role model to the rest of the underclassman. Word of advice do your homework on time and come to school on time. One of the advantages is that by your junior year you have made many bonds with most of the teachers and administration, so you know how to work your way around the system. One of my most memorable times this year is everything because the teachers and my friends have always been there when I needed them. Mainly though when you are a junior you start to just have fun. I mean you might be going home with more homework then

you wanted, but you are also just enjoying the fact that you're almost done with your high school life. So I just say do your work, make new friends, and don't give your teachers such a hard time.

Dazed And Confused And Lost In An Unfamiliar Place!

Tell Us What We're Doing Here?

Freshmen

Alex Mason On Freshmen Life!!

My life as a freshmen at Humboldt has been gravy. As soon as I walked in the door on the first day I thought that I wouldn't know anyone. As the day went on I saw a lot more of my friends like Joe Mitchell and Mike McCambell. Some good things happened to me here, such as, I am starting point guard for freshmen basketball, and I average 15 points a game. I also helped in leading my team to victory against Edison and New Life Academy, and we have a lot of stars on our team. That is why we will be 27-0!

Many Clubs A Good Thing Going

While some students join athletic teams, others prefer something different. Here at Humboldt there are plenty of fun and interesting clubs to become involved in. Whether it's the Salsa Dance Club, Math Team or Student Council, there's something to interest everyone. Some clubs even help plan events for the whole school to participate in. The Asian Club sponsored a Sadie Hawkins Dance in November, where students danced the night away and even got hitched. Mr. McMillan served as judge for the couples, adding laughter to the all-in-fun ceremony.

Tell Me More, Tell Me More!

This fall marked the opening of Humboldt's first theater show in almost four years. A cast and crew of students, from freshmen to seniors, performed "Back To The Fifties: A

Tribute To Grease" on November 30th, December 1st and 2nd. Social Studies teacher Ms. Truda directed the play, with the help of Mr. Schultz and Mr. Schlukebier in lighting and sound. The show featured songs from the original play "Grease" with music

performed by Ms. Moore on the piano. Shaughn McCurdy and Lanny Flaherty on guitar and bass, and band members during the prom scene. Special guest appearances featured Mr. Ekblad in the role of Frenchie's Guardian Angel.

Erin Moore

Grease would be a pretty quiet play without music. Fortunately, the cast had the opportunity to work with Ms. Moore, student teacher here at Humboldt. Her notes on the piano can be heard throughout the play and guided actors through their numbers without a hitch.

Carolyn Almquist

As a supporting player, I found working on "Grease" to be a blast. It was fun and helped everyone to build a lot of great memories. The best part was being backstage, watching the play progress, from the beginning to the dress rehearsals.

Christina Delgado

Playing Sandy was definitely a fun experience. I got to work with a group of new people and be part of something that will leave a lasting memory in my mind, as with everyone. The costumes, makeup & music bring everyone back to the 50's.

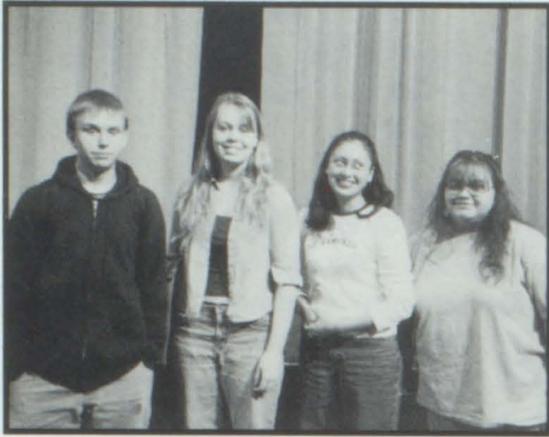

Go Grease Lighting!

 You're off to Great Places!
 You're off and away!
 You have brains in your head.
 You have feet in your shoes.
 You can steer yourself
 any direction you choose.
 You're on your own.
 And you know what you know.
 And you are the one
 who'll decide where to go.

With a talented cast and crew the production of "Back To The Fifties: A tribute to the musical "Grease" was a smashing success. Audiences were treated to many songs featured in the musical "Grease" from well known "Summer Nights" reminisces to unknown folks left "Alone at the Drive In." More than 500 students, parents, teachers and community members attended the show, proving not only could our Theater Department put on a great show, but also make a profit toward the next one.

Directing the musical was Humboldt's own Ms. Truda, light and sound was managed by Mr. Schlukebier, performances were stage managed by Mr. Schulze and music was performed by Ms. Moore. To give the show it's final polish, Jan Casey, Jackie Flaherty, Deb and Donna Shepard all donated time and effort to put together the casts' costumes, makeup, publicity and catering.

Friendship Club 1964-2001, 36 years of teaching Leadership, Learning and Service to the Community. We connect the classroom and the community. We promote friendship and racial and religious unity. We accept people of all ages, abilities, races, faiths, schools, and boys and girls. We miss no school or class time. We offer no money, credit or grades. We reject none. We put Sharing and Caring into action.

Over Thanksgiving the Friendship Club visited Wilder Health East Nursing Homes. They shared flowers, cards and candy. They sang and danced and greeted the elderly and a joyous time was had by everyone.

During the 3rd period of the day students attend a 20 minute class where they spend time reading and discussing various social problems in the world today. Being a part of Hawk Connections involves contests, surveys, and time to finish the 25 book quota that every student must complete.

One of the exciting activities that took place during the Hawk Connection period was a door decoration contest. Students and teachers worked hard at putting up decorations that gave an important message about responsible attitudes. It was exciting to see all the great decorated classroom doors around school.

And The Winner Is?

A contest was presented to each Hawk Connection room where the students were to decorate their door according to the theme. Ms. Behnke's homeroom, pictured above, won the contest and a pizza party was given to them by the Culinary Arts Department.

The 5th Annual Variety Show was held on December 8, 2000. The show consisted of students reenacting previews of *Charlie's Angels*, *The Grinch*, *The Bodyguard 2*, and *The Matrix 2*. During the show, information on winter holidays was read out loud in order to recognize each ethnic background. The main performance by Mr. McGinnis, and Ms. Bellows, was a combination of student's writing and skit by Rowan Atkinson (*Mr. Bean*). The Variety Show, directed by Colleen Hageman, earned over \$600 and an abundance of toys. The earnings were donated to needy children for Christmas.

The Food Drive was also put on during the winter season. The Student Council supplied each homeroom with a grocery bag and encouraged the students to bring in food. The class with the most food, calculated by weight and number of students, received a donut party. This year's Food Drive was a great success. The Neighborhood House was given over 500 lbs of food to add to their food shelf.

The Variety Show and Food Drive are just a few of the many things Student Council is involved with. They plan dances, pep rallies, host Blood Drives, and run the school bookstore. Student Council is an important part of Humboldt and is proud to serve the student body.

Humboldt Faculty A Good Thing Going

Humboldt Pride is teaching it and sharing it. That's what these people do nine months out of the year. The faculty and staff working here at Humboldt work their hardest to teach the students all they'll need to know out in the real world. They get involved with the students during extra curricular activities and pitch in to help clean up afterward. The staff does everything from show you what Newton's third law is, to serve you lunch in the middle of the day, all of which makes life a little easier here at school.

One member of the staff that works hard at Humboldt is Counselor Ms. Garcia, shown right. She has worked at Humboldt for 22 years. She began her career at Humboldt as an ESL teacher in the Junior High, but then was transferred out in 1986. But luckily for Humboldt, Ms. Garcia soon came back as a Guidance Counselor. She is the only Spanish-speaking counselor in the St. Paul school district. Humboldt is fortunate to have someone as special as Ms. Garcia.

**Homecoming Hillbillies

Keith Richie

When asked how long he has been at Humboldt and what he likes best about it, Keith Richie, Head Custodian, replied, "I have been at Humboldt for 13 years and my favorite things about Humboldt are all the good people that work here, the excellent students and the fantastic staff. It's a homey place."

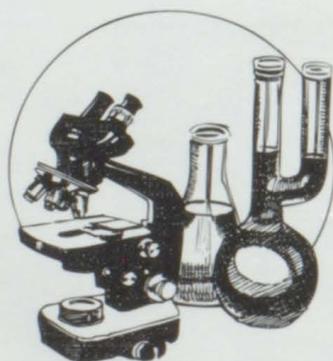

Bev Koltes

Ms. Koltes is the Supervisor of Food Service. She has worked here 5 years. When asked what do you like best about your job, she replied, "I like working with the kids" We also asked what she liked best about Humboldt Students? "They are polite and friendly and they say hi when they recognize you out of school."

Officer Bravo

Officer Bravo has been at Humboldt only a short time but he still recognizes a lot of faces from when he was a DARE Officer. He enjoys working at Humboldt and he had this to say about the school, "Humboldt is a great school and its students are the bright stars for our future."

Many Athletics A Good Thing Going

Sports Action

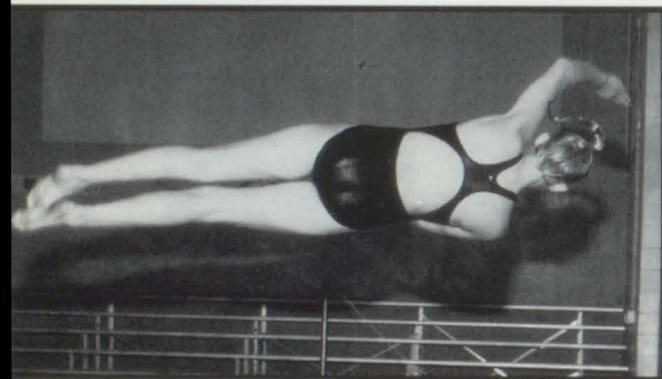

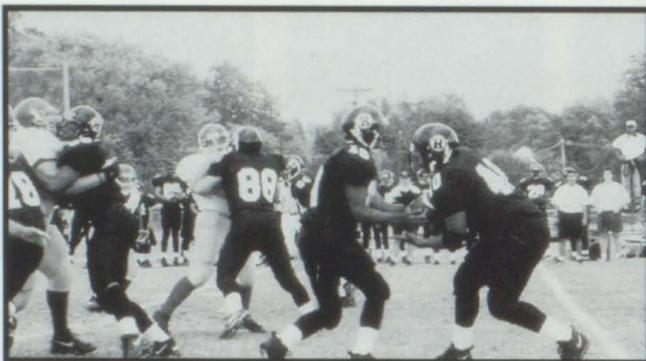

Many different sports are offered at Humboldt. Students have opportunities to participate in Fall, Winter or Spring sports. The Fall season is kicked off with football action, shown below a quick hand off brings the team yards closer to a touchdown. Students get into action with before game warm ups, shown right, Seng stretches out. There is never a dull moment with all the sports action at Humboldt.

Steve Elizondo

Since 1982, I've overseen a number of different sports as a Humboldt Coach, Boys and Girls Basketball, Football and Track & Field. Coaching allows me to get to know students outside a classroom setting, keep busy and stay involved in sports I've enjoyed since I was a student.

Kris Schowes

As Adapted Athletic Director, I consider myself lucky to help provide athletic opportunities to our students with disabilities. We have two divisions and four sports sponsored by the MN State High School League. Humboldt is home to many State Championship Adapted Teams.

David Mergens

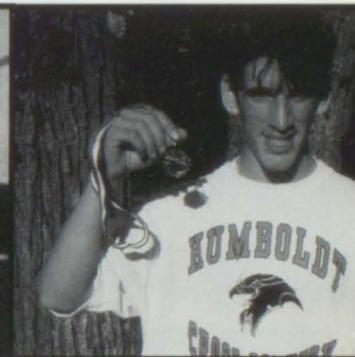

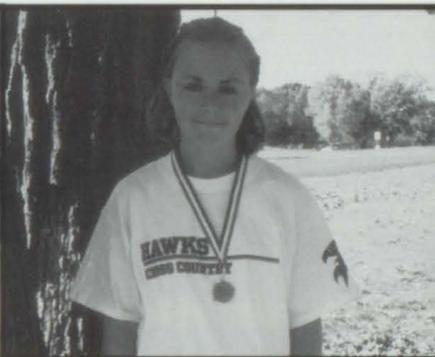

As Humboldt's Athletic Director, I believe all high school athletics are not just extra curricular activities, but are truly extensions of the classroom. I am very proud of all our student/athletes and coaches, for all we have experienced and learned.

Go Play

Mr. Lindberg Principal, shown left, holds up the Adapted Championship Award during a rousing pep fest for the winning teams and their captains. Everyone is proud of the many sports and opportunities offered at

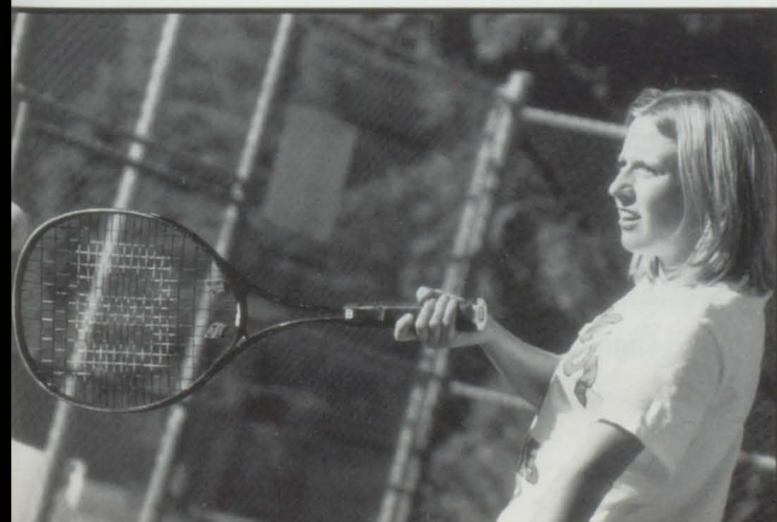

Humboldt. In Fall there is Football, Volleyball, Soccer, Tennis, and Cross Country. Winter we have Basketball, Wrestling and Hockey. Finally in Spring Golf, Track & Field, Softball and Baseball. Cheerleaders pep up the teams during the first two

seasons, and many students participate in the Adapted Soccer, Floor Hockey and Softball teams. Long hours, hard work and dedicated athletes, coaches, and volunteers help make our school events full of spirit and pride. *Go Hawks!*

A Good Thing Going

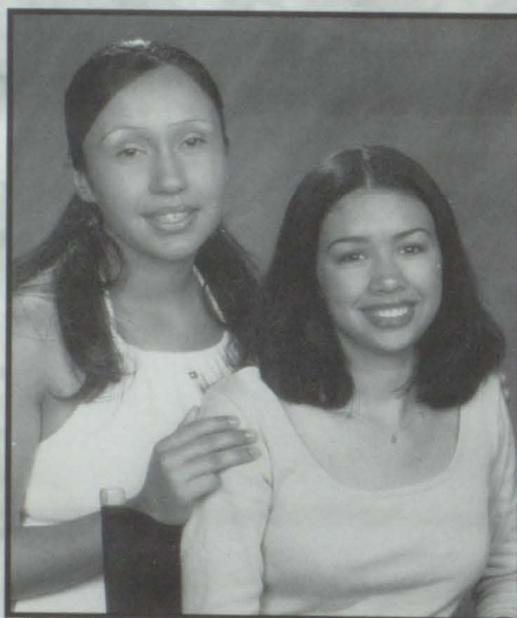

Hodan Yussuf, Assistant Editor

Working on this year's 2001 yearbook has been a lot of fun as well as educational. I learned many things I wouldn't have if I hadn't engaged in this program. I really enjoyed working on the pages and taking lots of photos. The yearbook crew has done an exceptional job and the book turned out really well. I just wanna thank the editors, Mrs. Atkinson, and the rest of the staff and for all their help and genius.

Kainani Bye, Editor In Chief

Being the Editor of this year's yearbook has been a wonderful experience. Jenny, Jessica and Hodan, you were all so much fun to work with. Kim you did a wonderful job, best of luck next year! Thank you to all of the yearbook staff for all of your help. Mrs. Atkinson, none of this would be possible without you. You taught me so much, thank you for everything. To all who played a part in this project, we did it! c/o 2001!

Jenny Elizondo, Assistant Editor

Working on the 2000-2001 Yearbook has been one of the most rewarding experiences I've had here at Humboldt. Putting together a book people will cherish forever is laboring, but so fulfilling when it becomes a reality. The students and faculty are great for giving us themselves and their memories. Kainani, Jess, Hoden and Mrs. Atkinson, working with you has been a treasured experience. c/o 2001!

“
It's no secret to me, that the students at Humboldt have 'A Good Thing Going.' I've had a great group of students working on this year's yearbook, also many thanks to everyone who helped make this a great yearbook.
Mrs. Atkinson Advisor
”

Jessica Vallez, Assistant Editor

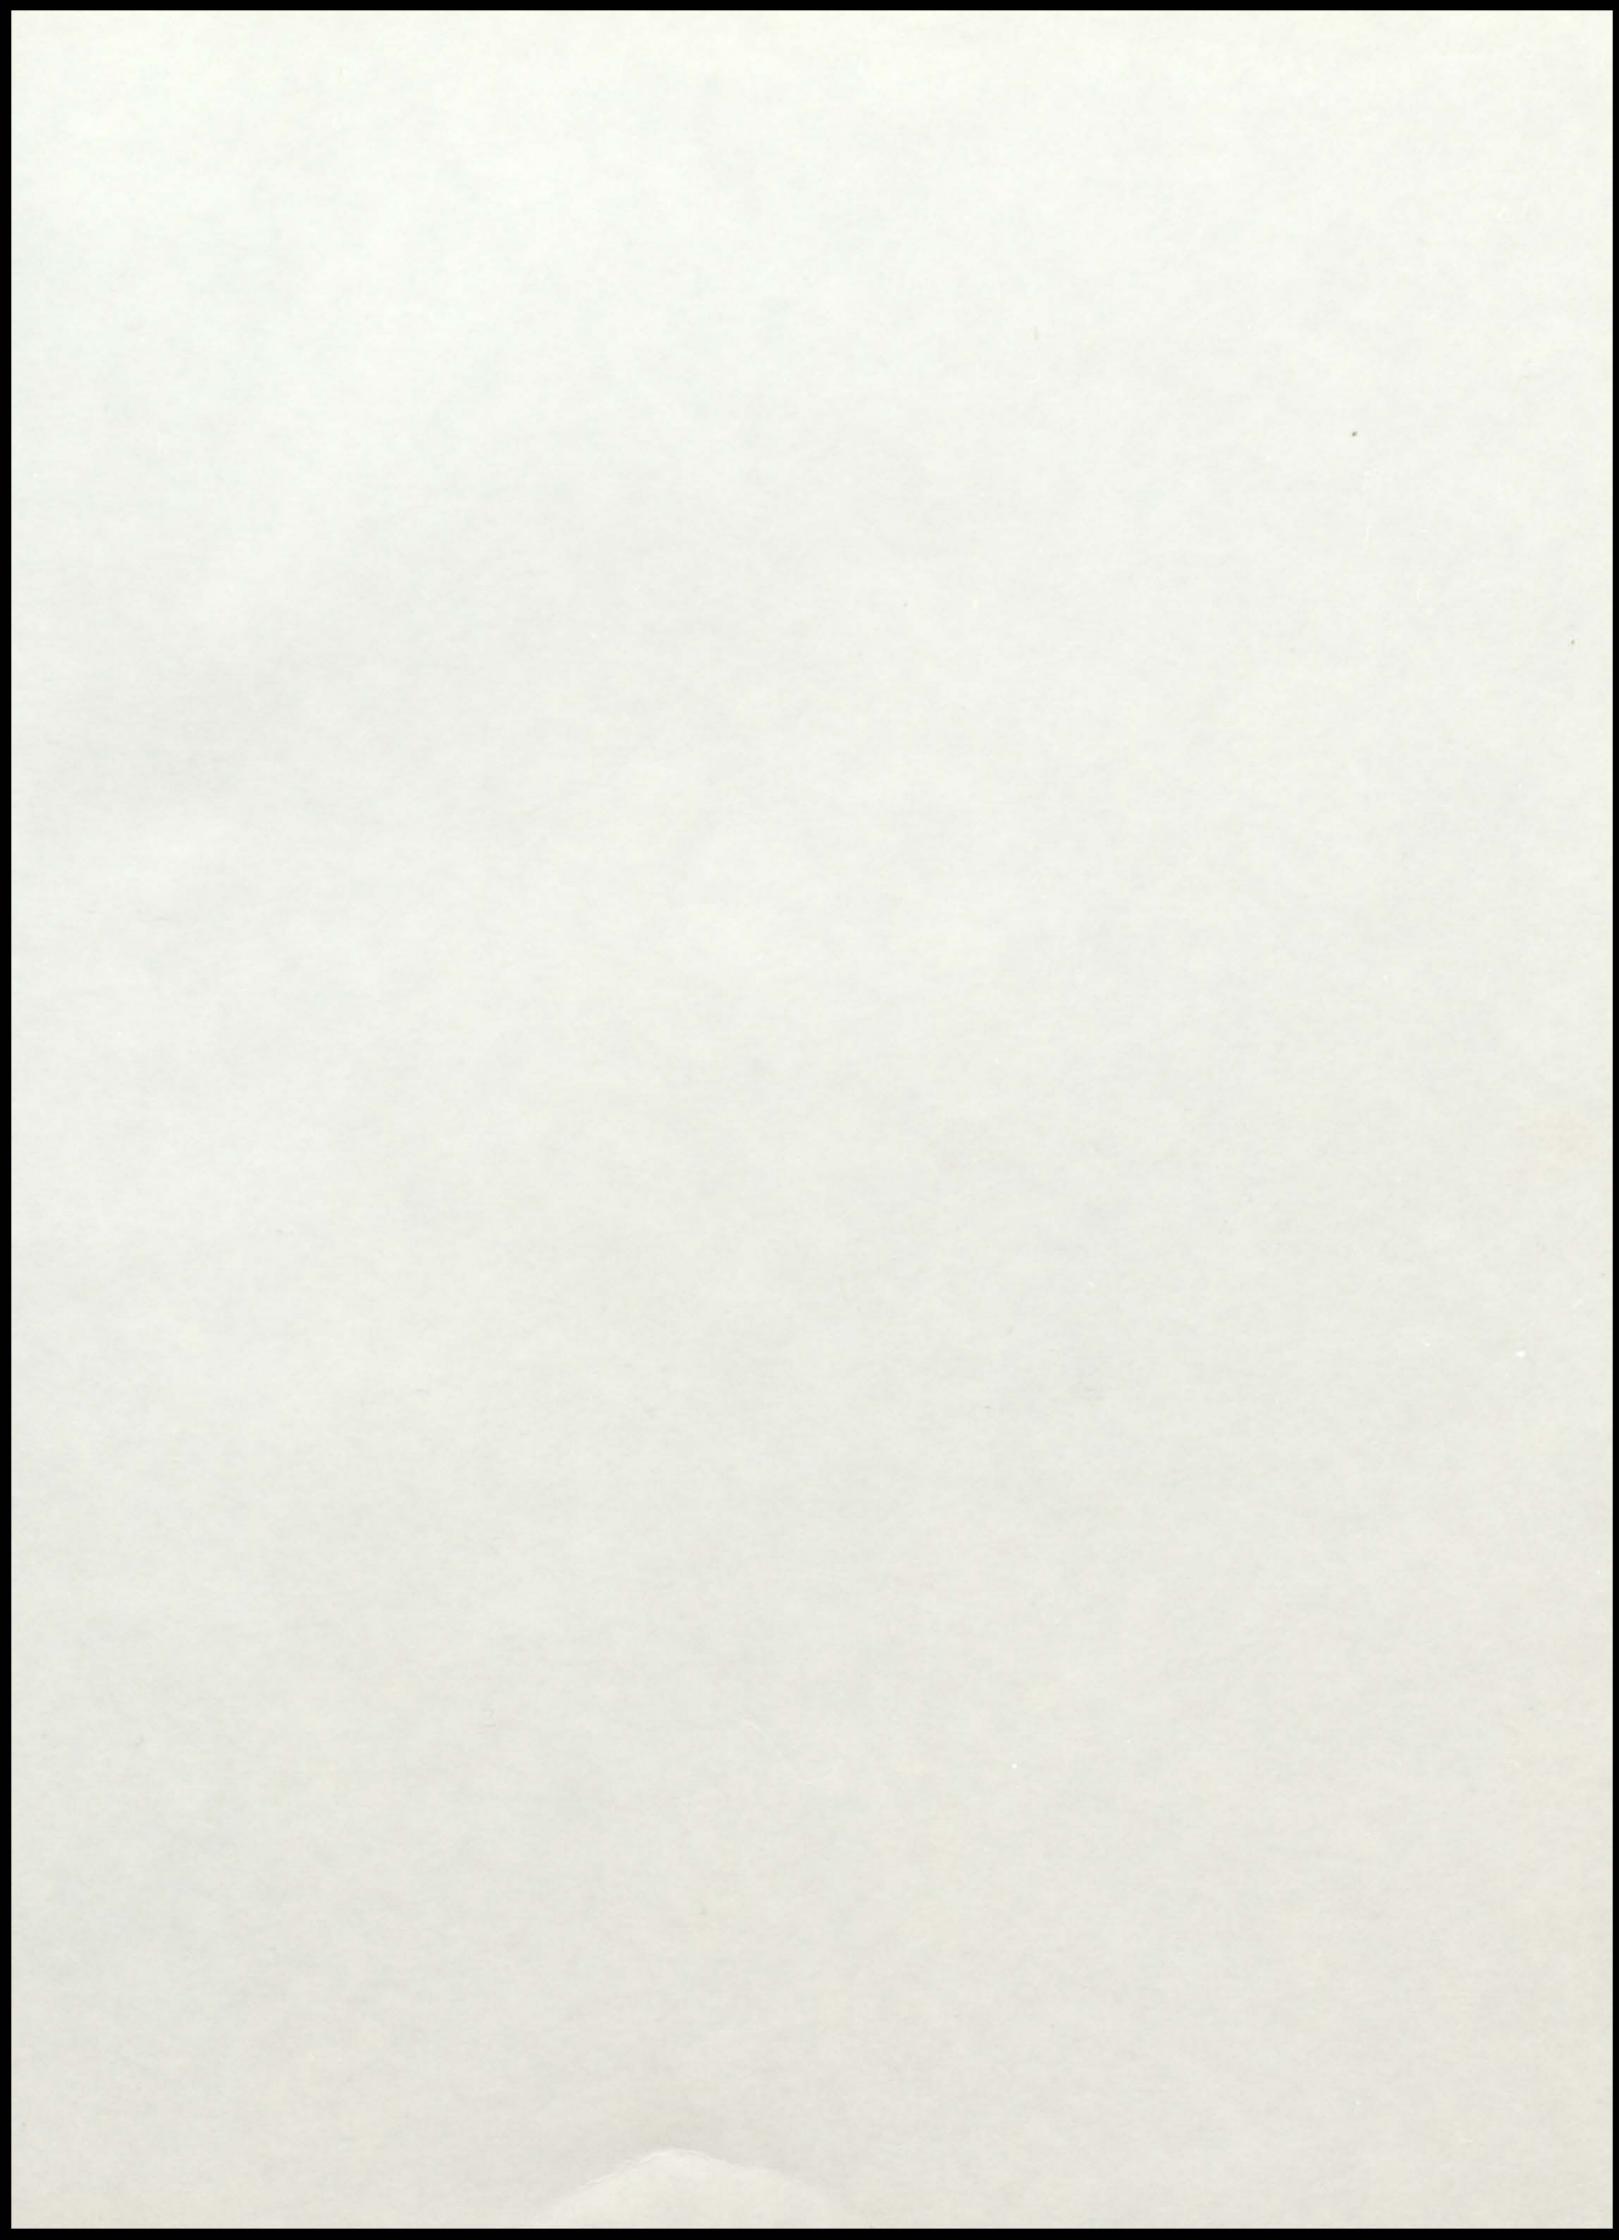

It has been a lot of fun working on the yearbook staff this year and there are a lot of people to thank for it's huge success. Mrs. Atkinson, thank you for everything you've taught me. Kainani, Hodan, and Jenny, we did it! It's been a blast! A huge thanks to Kim, good luck next year. To the rest of the yearbook staff, thank you for all your hard work and dedication.

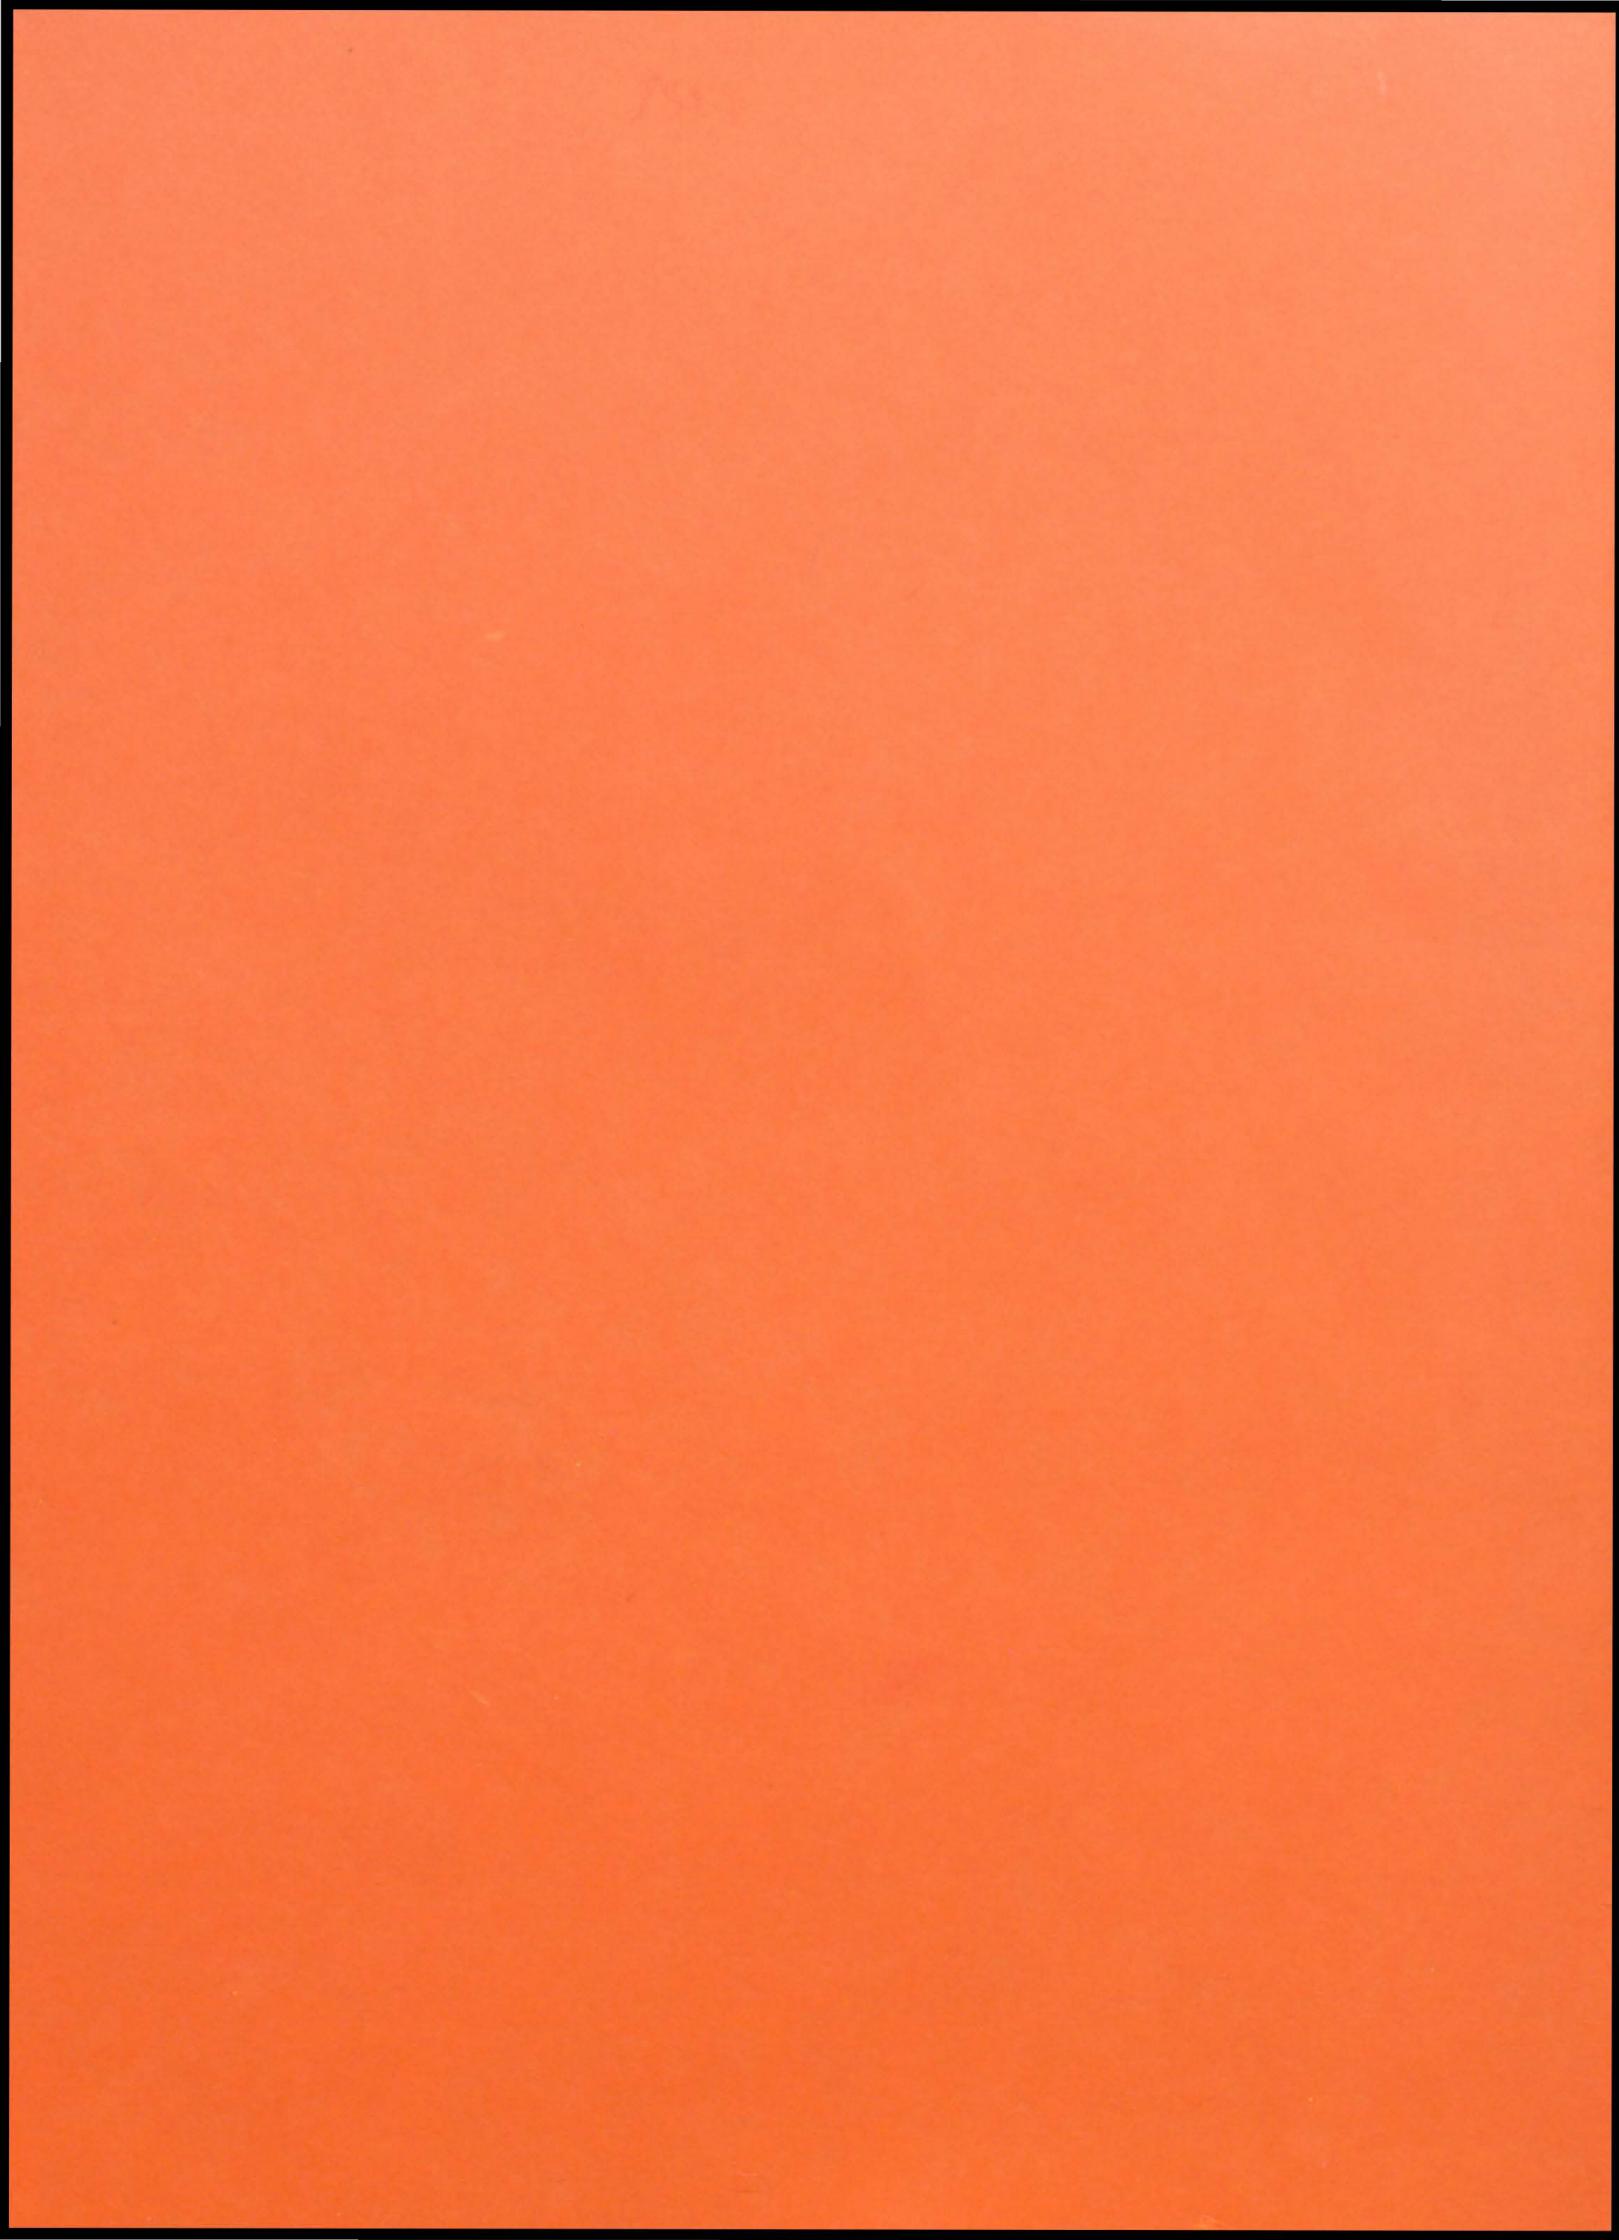

“

Being one of the yearbook staff has been a very good experience for me this year. Even though making deadlines were hard I did it and enjoyed every part of it. I now know how hard and long it is to make a yearbook and I am happy I was part of making this one. Hopefully I will be part of next years too. Mainly I just hope everyone likes and appreciates it.

Senior Honors Night

The 2001 Senior Honors Night recognized many students who have worked hard over the years. Different departments handed out Excellence Awards to a great number of students. There were also scholarship awards and special presentations, ranging from scholastic to athletic achievements. One of the more special moments was when Mr. Ales recognized the Friendship Club. The recipients handed out candy and carnations to audience members while everyone thanked Mr. Ales for all his hard work and dedication to Humboldt.

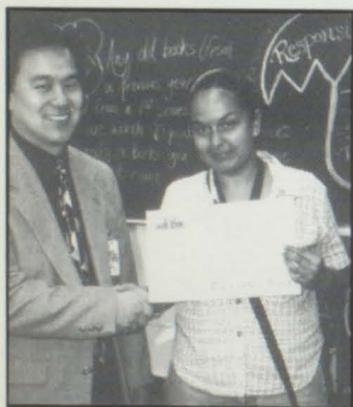

Dena thanks Mr. Aeilts for her award.

All the students who recieved an award on Honors Night.

Future artists recieving their awards from Ms. Jobe & Mr. Elizondo.

Congratulations Jessica Vallez on her \$1,000 Papa John's scholarship. She was chosen out of many applicants because of her hard work and the excellent essay she wrote. Go Jessica!

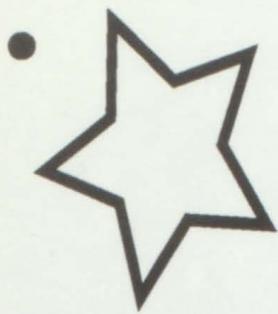

Sandra gets her business award from Mr. Aeilts.

Arnesha gets her certificate from Mr. Lindberg.

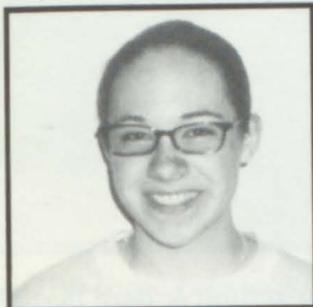

Mrs. Bellows congratulates Liz & Emily.

Shining Bright

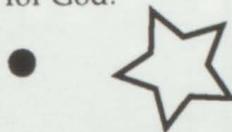

Jessica M. Schilling
The only people I've know my whole life are my parents. I think they're great role models because they're hard working and care about others. I try to do the same.

Brenda J. Danner
Willy Wonka has got to be the coolest guy ever! Everlasting Gobstoppers, who'd of thought it possible? You can't beat a room where everything is satisfying and delicious.

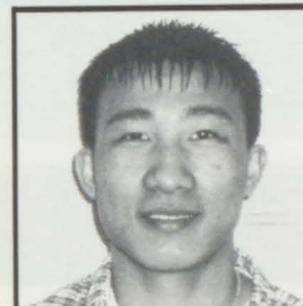

Elizabeth J. McNamara
My parents have done so much for me. They have demonstrated their love to me and their love for God.

Ashley P. Booker
I think the thing that has influenced me most is my family. They are the ones that taught me right from wrong, and really helped me develop into the person I am today.

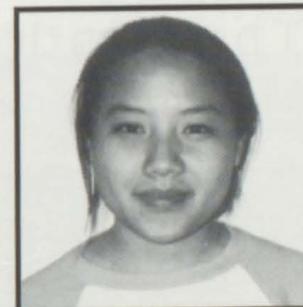

Emily E. Shepard
My role model is Homer Simpson because at his school reunion, he received the award for "Most Improved Smell". Also, he likes sweet, sweet candy and doesn't take anything from George Bush.

Kao Lee
I don't really have a role model. I just take bits and pieces of everyone's good traits and try to model my self accordingly.

Fong Moua
My parents have shown me that anything is possible if you put your heart to it. They have proven this to me by being where they are today and with that I intend to achieve as much as I can.

Vickie Lee
My parents have always been prime role models in my life. They are hard working people who care for the better of everyone. They have truly effected my life choices in many ways.

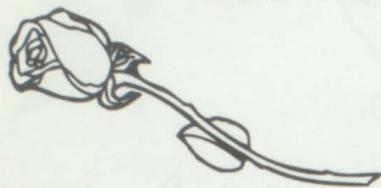

Daniel J. Krause
My parents have always encouraged me to do my best. Whenever I doubted myself, they always reaffirmed me with words of kindness.

Jennifer A. Elizondo
My mother has always been a source of strength, grace and inspiration. She's a definite role model as a hardworking, generous person who has been infinitely patient in teaching me about life.

Save The Last Dance

The Humboldt Junior-Senior Prom "Save The Last Dance" was held on May 12, 2001, at the Radison Hotel in St. Paul. Organized by the Jr. Class Council. Couples began arriving at 7:30 to get ready for the 8:00 Grand March. Decorations of red and white added a magic touch to the rooms as students danced the night away. Included with the ticket prices were soft drinks, invitations and memorial photo albums, along with a great time among friends. Crowned Prom King & Queen were Arnesha Glasper & Eric Young, a great royalty couple.

French Cooking

"A friend of Madame Hopen's, Madame Choffrut, from Northfield, MN who is currently teaching English at a French cooking school, in the south of France accompanied by one of her chefs, Madame Richebe, did a French cooking demonstration for Culinary Arts and French students in April. The focus of their demonstration was using fresh vegetables and fruits to prepare colorful and flavorful appetizers and desserts." Shown Right

Blood Drive

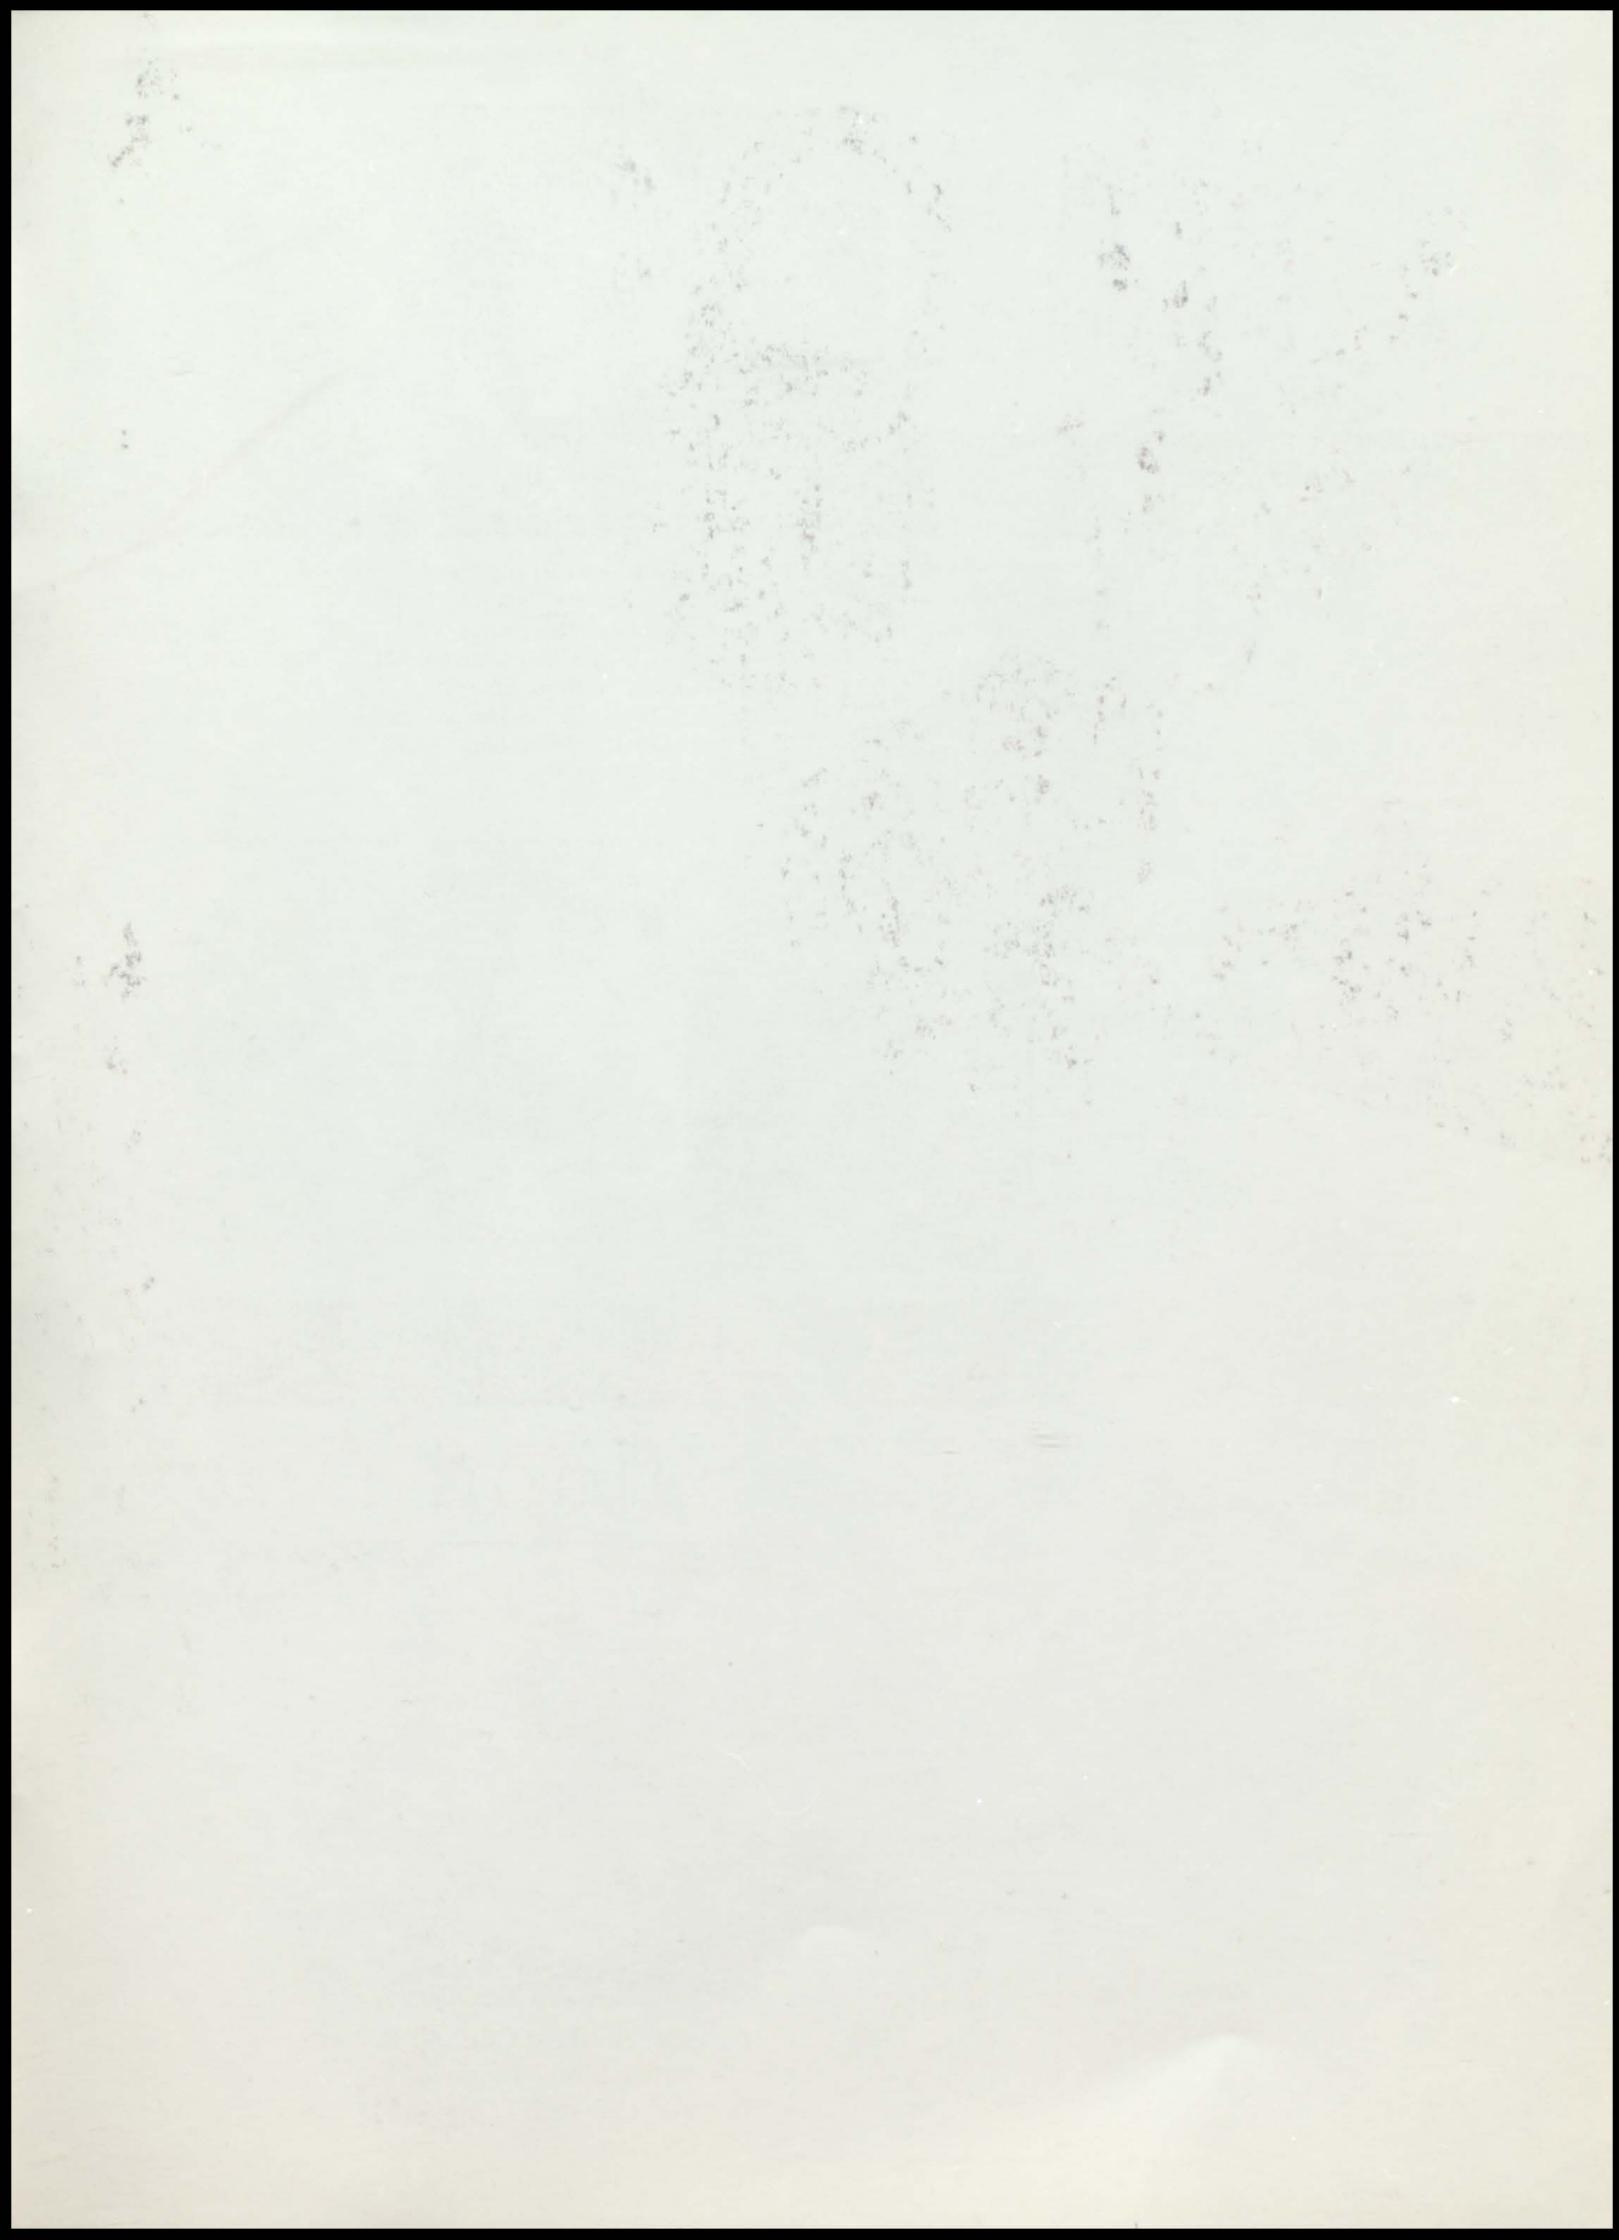

55 Pints!! Student Council Blood Drive

This year's Blood Drive was a big success. Over 50 students and staff came and donated their blood to help the Red Cross.

A special thanks to
ECOLAB for sponsoring
this year's supplement.
