Here's the Deal . . .
**Humboldt High's Top Ten**

10. **Top worst things about the first day of school**
   
1. Filling out those dang manilla cards.
2. Waking up early in the morning.
3. Waiting for your PIN.
4. Waiting for a schedule change.
5. Getting homework.
6. Finding out that you have Saturday school from last year.
7. Having the candy machine take your money.
8. Finding your way to a new class.
10. Getting your hair caught in your locker.
When the road was long,
We walked it together;
When the road was difficult,
We helped each other;
When the road was joyful,
We remebered it forever;
When the road is ours alone,
We will go in love;
When the road opens before us,
We will begin separate lives.

Staying in the Game

We are as great as the dreams we dream, as great as the love we bear, as great as the values we redeem and the happiness we share. We are as great as the truth we speak, as great as the help we give, as great as the destiny we seek, and as great as the life we live.

Mr. Larry Lucio is the new principal of Humboldt Senior High School Complex. He’s replacing Mr. John Ettlinger who retired last spring after serving 40 years in the Saint Paul Public Schools. Mr. Lucio is a former Humboldt graduate. He has served as a counselor and administrator in the past at Humboldt. He recently worked as a middle school principal in Minneapolis.

One of Mr. Lucio’s visions is to change the junior high into a middle school model with grades six through eight. These changes and other improvements at Humboldt could happen by next fall.

Welcome Mr. Lucio from all the staff and students at Humboldt Senior High School.

CALLING FOR THE BEST
School spirit comes out during the weeks of Homecoming and Sno-Daze. Activities on various days range from athletic events to comic dress-up days. Students participate in tricycle races, baby bottle, whipped cream pie eating contests, to Hat Day, 80's Day, Pajama Day, and Spirit Day. The dances and coronations top it all off at the end of the week. These activities make student life just a little more fun & exciting.
Maul The Minute Men!
Humboldt High School's Homecoming was an exciting week. "Most school spirit I've experienced in my four years here at Humboldt."-senior Tyler Diaz. Student Council organized a week of fun events leading up to a wild and crazy pep fest on Friday, October 6. That evening, the dance and coronation were held with the crowning of King, Chris Foss and Queen, Liz Smith. Saturday Humboldt's football team went out to Maul the Minute Men' from Central High School. They played hard with no regrets!

FRIENDS TEAM UP
Sno-Daze

There wasn’t any snow falling outside but Sno-Daze was a big success inside. The week’s festivities started off with the all popular pajama day. Many interesting pj’s, robes, and slippers were a common sight. Tuesday was a party at the beach. Despite the Arctic weather outside, students pulled out all those summer clothes and dared to wear them. Eventually though the sun went down, on Wednesday students sported their sports uniforms and jerseys. Thursday was a trip down memory lane with 50’s day. Those “Happy Days” returned with poodle skirts and leather jackets. To top off the week students showed off their school spirit and seniors were easily found wearing the classic “I’m a senior, worship me” t-shirts followed by the annual pep assembly. The coronation and dance was held Friday night to bring an end to an exciting week.

WILDCARDS

FOR A WINNING HAND
This year, an exciting event was put on by the Student Council, it was called “Ghost Out”. It was a week that dealt with drinking and driving issues to help make students aware of the dangers and casualties involved with drinking. The hard work by the Student Council made it a meaningful week. Besides serious issues like MAAD, Humboldt’s many clubs also contribute fun activities for students. Humboldt’s associations and clubs offer students a wide variety of enrichment activities.

The Junior Reserve Officer Training Corps program at Humboldt High School is led by Col. Kreisel with the assistance of MSG Worthey and SFC Hurd. This is the second year for Humboldt’s JROTC.

Featured are some of the activities outside of school that students participate in. Above and left; students at Camp Ripley are going through an obstacle course and arriving at the camp. Shown right; students at Holman Field where students learn about helicopter flying in class and then can experience flying in one of the Army helicopters.

SHARE AND CARE

Share and Care Special Friends is a community service program where students volunteer their time and friendship to different age groups and different needs. They bring flowers, candy, singing, dancing, and friendship to whoever they serve. They do not receive any grades, credits, money, and do not miss any school. They just practice the art of giving and that giving is gaining.

Shown are the many places they visit. Above and left are students at Greening the Great River Park project, to the right is Riverview and Roosevelt Elementary Schools where they delivered holiday gifts, clothes, and toys, and students at Wilder Residency. Other places not shown are Little Sisters, Dunedin High Rise, St. Kates, Hoika House, and much, much more. Thanks for all the work everyone has done and to advisor Gary Ales.

TIME OUT!
In Memory of Mr. John Ettlinger

Mr. John Ettlinger, a teacher, assistant principal and principal of Humboldt High School for more than 38 years, died December 30, 1995 at age 65.

Mr. Ettlinger, who retired in June, had a lifelong interest in sports, particularly hockey. He played goaltender in high school and college, and coached hockey at Humboldt until he became an administrator. He officiated for years at hockey, baseball, football, and volleyball.

He was not only known for his interest in sports but for being a big booster for Humboldt. "He was proud of the kids on the West Side and did everything he could to enhance the school and students' self worth," said his wife.

We are very thankful for all the work he's done for Humboldt and will miss him greatly.

You Made A Difference-
Thanks!
Mr. Olson, Health/
Physical Education

He reminded everyone continuously to "tell me if you see something that needs to be improved, tell the world about the good things." Mr. Ettlinger devoted himself to Humboldt students and the Humboldt community by always promoting what was good at Humboldt and working to improve.

Looking Forward to Next Year!
We’ve known each other for so long,
While others have come and gone
It’s hard to believe the end is near,

But soon it will be very clear
Everyone’s off on their own way,
With only the memories of today.

Congratulations
We entered Humboldt as shy, quiet freshmen, trying to find out who we were. The more that we became involved in school and activities, the more confidence we gained in ourselves and our abilities. As time progressed, we learned to balance and succeed in all aspects of our lives. The size and closeness of our school have enabled us to work together and achieve our respectable status. As seniors, we have become individuals within our group. We've overcome our faults to become models of success.

“The men and women who got to the top were those who did the jobs they had in hand, with everything they had of energy and enthusiasm and hard work.”

- Harry S. Truman

Graduates!

This year's Variety Show once again was a night of comedy, talent, and enjoyment. The show featured 14 acts ranging from singing and dancing, to acting. The seniors went back into time dancing to the oldies, and even the teachers had their night of fame. As pictured on this page, there were solos done by Eve Tugwell, Amanda Peterson, and Mena Solima; duets by Mari Tototzintle and Tina Castillo, Mai Lee and Mao Lo; and skits done by Indira Addington, Virginia Holland, and Jolene Danner.

A Word From the Editors

Jody Napier
Computer Editor

This year has been filled with many activities keeping my days very busy. Working on the yearbook staff as one of the editors, has helped me learn how to manage my time. With such a small staff deadlines are sometimes hard to make. I would like to thank all of the students who helped us meet the deadlines this year, for their hard work and dedication. If you like to take pictures, draw, or write, join the 1997 yearbook staff and put your input into next year’s yearbook. It’s a fun experience and a great way to get involved.

Strategy Pays Off!

Editor-In-Chief

Working on the yearbook has been a fun, rewarding, challenging, and busy time. Through meeting deadlines, taking pictures, creating layouts, arranging team pictures, and spending some times 2 hours a day. Seeing the final version at the end of the year is definitely worth everything that we put in. I would like to thank Jody for all of the time and dedication she put in, and all of the other students who contributed to the book. We couldn’t have done it without you! I urge everyone to join the yearbook staff next year, it’s exciting and full of memories.
