Summer Days

The Heat of the Moment

What is the best time of the year? Summer vacation of course! After a long, grueling school year there is finally time to loaf around with your friends or visit interesting places.

Keeping your feet firmly planted on the ground, you might have noticed Humboldt students flying around. Just when you thought it was safe to fly! Speaking of flying HHS students turned up in some great places world wide, like Mexico, Florida, and their cabins.

If you just couldn't stand being away from school there was plenty to do. Night Moves was a popular place for basketball players and volleyball players, and the band went on a summer trip to Cedar Point Amusement Park in Sundusky, Ohio. Some students went to Art Camp at Gustavus Adolphus, Business Camp at St. Olaf, and our dedicated yearbook staff attended camp at St. Scholastica in Duluth.

Whether beach or mountains, parties or talking on the phone, summer vacation had fun and freedom written all over it. It's the ultimate stress relief.

Trying to Earn a Buck

What did you do over the summer? Some students were hard at work at places like McDonalds, Dairy Queen, Taco Bell, Target, Menards, Pannekoeken & even Fanny Farmer. They're great places to earn extra money and a good experience that teaches responsibility. So, if your parents are constantly complaining about having to pay for everything. You now have a solution, get a job!

Community mourns...

Pedro (Pete) Castillo, a dedicated community activist and Humboldt graduate, died of a heart attack on Thursday, July 7. Castillo was a board member of the West Side Citizens Organization (WSCO) and spent many years working with troubled youth for the Neighborhood House against gang violence. His devotion was well noted among Humboldt students. Paula Warren, a senior, said "Everybody looked up to him and respected him greatly. He will be missed." Pictured left is his son, Daniel who is wearing a t-shirt in memory of his father.

Ecology art...

Our community now has a giant mural that features ethnic themes. It is located on the building that houses WSCO. The artist of the mural, Armando Gutierrez and Teens Networking Together (TNT) were there to officially dedicate it on Sept. 17, West Side Pride Day.

The first week of school seemed, as always, very long. Trying to get back into the swing of things was not easy. It was the beginning of a year to say goodbye to the Class of 1995, and wish them luck to find their life long dreams, and to welcome the new Class of 2000.

Coronation
Remember the Royalty

Homecoming King Mike Sontoa and Queen Leti Fuentes were crowned in front of a cheering student body at the annual coronation on Monday September 19.

The King and Queen were chosen out of a court including: Jason Matters, Ricardo Tototzintle, Joe Silva, Dara Savandy, Illiana Cantu, Sara Lozano, Lisa Sontoa, and Angelica Ruiz.

The crowing of homecoming King and Queen is traditionally the beginning of the spirited week festivities. Spirit could definately be heard by King Mike Sontoa, who said to the crowd, "Let's get all hyped up this year."

Spirit Week

The Spirits in Motion

Homecoming week at Humboldt is traditionally an exciting and eventful time for students; this year was no exception. Students spent the week getting hyped up for the game against the Como Park Cougars on Thursday. The Pep Rally was a riot for the seniors, who all became royalty wearing Burger King crowns. The rally ended with a very competitive year cheer and a crowd of rowdy students ready for the big game. The week ended with an action packed game. The team played hard but ended up with Como winning 18-6.

Band

Spirit Plays On

It's not unusual to see the Humboldt High School Band marching through the parking lot or around the football field, and to hear various songs, ranging from "Tequila" to "Phantom of the Opera", echoing through the halls. The band members worked hard all year to make sure that they stayed at their peak performance.

This year the band began drilling during the summer heat knowing that the long hours and sweat would pay off. The band had a year's worth of successful experience under their belt such as many concerts and performances. The student musicians made the concert season what it was through their hard work and dedication to music. The '94-'95 Band did an excellent job that everyone should be proud of.

Football
*Thru the Uprights*

Twenty-nine men started working together opening week, and those same men were still together for their final game. The Varsity team finished the season 1-7, and the J.V. finished 2-6. The team showed improvement each week and never gave up. Team togetherness and a positive attitude were the key aspects of the '94 Hawks. Thanks to the players, coaches, and cheerleaders for an exciting season.

Girls Swimming
Making Waves

The girls swim team stroked through troubled waters this season. The swimmers this year were young and unexperienced, but their dedication, skill, and team unity made the Humboldt swim team a constant contender. This factor brought encouragement to the whole team, and next year they will be back with more speed.

Girls Tennis

Cross Country
Run the Extra Mile

Dedication and endless running were the keys to Cross Country success. They ran one of their best seasons ever developing speed and stamina through rigorous training. The idea of cross country being an individual sport was proven wrong, as in practice, runners helped each other out with constructive advice to improve and change their techniques.

Boys Soccer

Go......al!

The boys varsity soccer team worked hard this year. Scoring, defense, but mostly improvement is what they strived for. The team learned valuable lessons within the conference, while playing more experienced teams.

With the help of their new coach, the '94 team has laid the foundation for a successful boys soccer program in the future.

*Making History*

This year's girls' soccer team improved greatly, they learned how to work together and communicate on the field. The beginning of the season was filled with disappointment, but the team pulled together, and came up with the first girl's soccer win in Humboldt history. They then went on to win their first conference playoff game against Highland 1-0, but were removed from playoffs after their loss against Cretin-Derham Hall. Congratulations on a great season!

Adapted Soccer

We are the champions!

The adapted soccer team had a fine season of growth and skill development. The Junior Varsity team competed both interscholastically with other Junior Varsity adapted soccer athletes, and in the State Special Olympics Soccer Tournament. The Varsity team worked hard, ending the season undefeated (5-1-0), and winning the St. Paul Championship against North Suburban. All-conference awards were given to Mike Munoz, Chuck Rossetter, LueAnn Leo, and Ray Belland for their outstanding play efforts and excellent sportsmanship. Congratulations to all of the players, and thank you for your extraordinary Humboldt spirit.

1994 Adapted State Champions Award
The Junior and Senior Executive Boards led a very productive and exciting year, making many changes and getting a lot done.

The Seniors were mainly in charge of organizing and preparing for graduation. They were in charge of fund-raising for a gift from the Class of '95, caps and gowns, announcements, and many other things.

The main goal for the Junior Board was to prepare the 1995 Prom, a farewell gift from them to the graduating class. The board was a new organization this year, and made many changes in the way the event was organized.
JROTC
In the Army Now

Something new has come to Humboldt this year. JROTC. An army class that teaches us leadership, discipline, self-confidence and achievement. The class is run by Colonel Kriesel and Sergeant Henderson, with the help of Coleman McDonough. Uniforms are worn on Wednesdays, and during inspection, formal gatherings, and promotion ceremonies. The four companies are named Alpha, Bravo, Charlie, and Delta. The students in JROTC have the opportunity to participate in interesting activities, such as a trip to camp Ripley, Holman airfield, or even ride in a fighter plane. This program has brought a new attitude of respect, honor, and a change for the future at Humboldt.

Fall Play
Acting Up

The fall play, led by new director Dawn Reed was a stage success at Humboldt. The play was titled, "Night Of January 16th", and was a good time for both cast and crew members.

Many hard working hours were devoted to the production of this murder mystery trial written by Ayn Rand. Wacky characters ranging from tough gangsters to rich old men came to life in the Humboldt auditorium. Actors and actresses enjoyed the challenge of making their characters real. Those who were not on stage for production helped with directing, lights, technical work, and scenery. Many rookie Drama Club members gained experience and knowledge with the play, and said they couldn't wait to be in future productions.

Congrats, Drama!

Math Teams
A Bunch of Squares

Junior and Senior High teams worked hard this year, preparing one or more times a week for the crucial meets. They practiced problems that they knew would be similar to ones in their events, and had a good time solving math problems.

Meets were an experience to be remembered,

You never could tell what would happen. Sr. High coach Diane Schroepfer said, "I think we surprised the world when we came in second at the 1st math meet, I know we surprised the other St. Paul schools. It was truly exciting." Win or lose the Math Team added up to something great.

Student Council

Behind the Scenes

This year, Student Council was everywhere. The Junior and Senior High groups worked hard to help other students and the school.

In the Senior High, members were busy. As well as selling candy and supplies in the bookstore, they were in charge of organizing Sno Daze and Homecoming. They helped their community by organizing a canned food drive in the fall, and were members of the student organization SADD.

The Junior High student council had its share of work, too. Organizing fun activities for younger Humboldt students, like Hol-i-grams at the Holidays and a book drive. These activities helped to prepare students for a future in the Senior High Council.

The Yearbook Staff came together at the beginning of the school year in a flurry of activity. Photographs needed to be taken; team, student, action and candid pictures needed to be arranged. Designing layouts to be transferred to the computer took time and talent.

Meeting deadlines, one after another, yearbook staff puts in many hours getting the job done. The delivery of the finished book is greatly anticipated by all anxious to open up the history of 1995. The Yearbook Staff enjoyed working together through teamwork and cooperation, they gave Humboldt a new look and a book to be proud of.

Life by the clock

Time Flies When You're Having Fun

un-der-class (un' der klas), n.l. freshmen, sophomores, or juniors in a secondary school or college.

Sometimes life can seem like one long line, everyone waiting their turn. School days are filled with waiting for things to happen: getting books, handing in papers, uniform fittings, seating charts, practice and more practice. When will it end? Juniors wait to be seniors, and everybody else is looking forward to the next year when they can advance another grade.

One sound underclassmen especially like is the ring of the bell at the end of the school day when they can head out the door. But wait--what about that crazy alarm clock waiting to ring for them tomorrow morning, beginning the school day all over again.
"We no longer have to worry about biology and there are a lot of different teachers. I can't wait to graduate."

- Kevin Tunison

"Classes are a lot harder this year. We're all worried about next year, there will be a lot of difficult stuff to do: Applying for colleges and scholarships, and preparing for graduation."

Zuniga, Marty
We've walked so far together. We've grown so very close. But yesterday became today and we are on the verge of tomorrow, Where we must go alone to find the dreams we all dreamed off--together.
senior (sen'yer), adj. 4. (in American schools, colleges, and universities) of or pertaining to students in their final year or to their class.

The senior year of high school brings about many important changes and decisions for students. Several activities need to be planned in order to prepare for graduation. One thing that seniors look forward to is having their senior portrait taken. Shown above is student Jennifer Lynch. She was one of the many to schedule an appointment at the official Humboldt photography studio, Dellarsons. She admits that it was an eventful moment. "I was pretty excited," she said. "It's something that you look forward to during all of high school. You see others' senior pictures as an underclassman and it makes you really eager for you time as a senior."

Remember the Beginning

in-di-vid-u-al-i-ty (in'de vij' oo al' i te'), n.l. the particular character, or aggregate of qualities, which distinguishes one person or thing from others.

LET'S TALK BABY TALK, BUT NOT FOREVER!
No two of us come into this world alike.
Our thumbprints like our individual personalities are like no others.
We develop and mature into the special people who we are.
We come together during our years in school sharing common bonds which in this process brings us together to make up the Senior Class of 1995.
Now it is time for our joined paths to separate as we go off into the future.

LET'S TAKE A MOMENT TO LOOK BACK TO WHERE WE ALL BEGAN.

junior high school, n. 2. either of two schools, one (junior high school) corresponding to the upper grades or grade of the ordinary grammar school together with one or more years of the ordinary high school.

Sound confusing or out of the ordinary? That's life in junior high school. Junior high students feel like they are stuck in the middle between elementary and high school, and sometimes life feels like it's on hold. Seventh graders can pick from a variety of courses, and change rooms for classes for the first time.

Eighth graders start to get anxious to move on and the Senior High begins to look more familiar to them. They can often be found hanging out in the newer part of the building with their older friends.

Catch the bus, get to class, pick stuff up at your locker, get back to class, and catch the bus.
Next in Line

"What's different about this year? Not much; I don't really feel any different. We're not in 7th grade anymore."

-Mike Sierra

"There are different teachers, different classes. It's a lot more fun. Plus, you get to look down on the 7th graders!"

"People don't care how much you know, until they know how much you care."
Humboldt faculty, like a family, see their students grow, learn, change, and then graduate into the world on their own. They hope that each student achieves their life long dreams. Our faculty come together each day to work for student success and expand their educational horizons. Although seldom shown, the students at Humboldt appreciate their hard work.

Students at School
Making the Grade

Whether we love school or hate it, we've got to make the most of our time. To prepare for our future, to work towards graduation, or to just have fun, students engage in a number of activities at Humboldt - from Automotive to Social Studies and from Child and Parenting to Montessori.

So what do we do?...

▶ Topsy Turvy
Student Brian Lowrey enjoys his time in Child and Parenting class

▶ Time Out
The Montessori classroom is a new edition to the Junior High

▶ Work It Out
Peer Mediation is a new activity for students at Humboldt

▶ Helping Out

West Side Current Events

Community Celebrates
The annual celebration of West Side Pride Day was held on Saturday, September 17th. Humboldt Students and West Side Citizens gathered to celebrate, participating in activities like the traditional parade, parties, and activities for children, as well as watching the Humboldt football team play Highland Park at the Humboldt field. The parade was a festive event, with organizations prominent on the West Side marching along to the sounds of Mexican bands and cheering people. Wendy Quesada, a junior at Humboldt, was chosen as the 1994 Fiesta Queen. She and other Pride Day royalty are pictured at left, waving to the crowds on a float in the parade. All in all, West Side Pride day was another success. Whether you were a city council elect or a regular resident of the community, you were sure to have a good time.

Sno-Daze
A Majestic Moment

"Love was Alive" at Humboldt during the annual Sno-Daze celebration this year. The court was chosen out of 4-5 nominated students from each grade which included Lord Jose Ruiz & Lady Lina Calkins, Duke Russel Martinez & Duchess Tania Galaviz, Prince Jesse Tejeda & Princess Wendy Quesada, & King Dridge Johnson with Queen Melissa Sierra.

With a number of romantic theme songs, the coronation was an exciting event. Those not involved in the ceremony cheered on their friends and captured the memories on film. It was a majestic moment to remember.

Through sleet or snow, blizzard or ice storm, Humboldt students were able to survive the harsh Minnesota months without losing their pride, spirit, or spontaneity.

The annual Sno-Daze celebration was the height of pep during the dark months, and with the Sno-Daze coordinators (A.K.A. Student Council) to help them along, student body and faculty dressed themselves up and down, danced the night away, laughed, and had a good time.

The week was kicked off with Hippie Day (although more students looked like Disco Machines than Flower Children), and ended with the students' favorite events—the coronation and the dance.

A good time was had by all.

Twice as Nice On the Ice

Dedication was the main factor in the success of the '95 Hawks hockey team. Although the season was a rough one due to a small amount of players, the guys gave it their all, playing short, hard shifts without time to rest. Returning players also brought experience and encouragement to the ice.

Spirit was seen at games in the cheerleaders and fans, who look forward to another great season next year.

Never Say Die

The Three C's were the girls basketball teams' way of life. They had the courage to start all over, the compassion for the game that kept them going through the tough times, and the commitment to keep coming to the hard practices and hustling in games until the last whistle blew.

Three great new coaches, completely new plays, and a new way of thinking made for a great season.

Goals of Their Own

Thirty-eight girls from six Saint Paul schools were involved in one of the first girls Hockey teams in the nation. Coach Jill Gebeke, varsity player Kati Shapland, and Junior Varsity player Krista Garvie took advantage of this opportunity and gave Humboldt something to be proud of.

Jr. High Girls Basketball

Through the Hoops

Fifteen girls participated in the Humboldt Junior High Girls Basketball Team this year and each one of those players displayed tremendous effort and concentration on and off the court. The team played hard, working together and giving it their all. They gave parents, coaches, and fans a season full of excitement.

The junior high girls had a season to be proud of, a season to grow and prepare.

"We had a great season. Coach Rhines and I were pleased with the team."

Adapted Floor Hockey

They Shoot! They Score!

It was an exciting year for all adapted floor hockey teams, a year of hard work and many changes. Participating students practiced their shooting and defense skills after school, preparing themselves for the season and for some great games.

It was the Hawks' first year of playing in the P.O.H.I. Maroon Division. Although young and inexperienced, the four-man coaching team, the parents, the fans, and the players themselves are proud to say that their new team had a great, action-packed year.

Both the Varsity and Junior Varsity adapted teams had an up and down season, but admit that the 1995 season was expected to be a time for rebuilding and sharpening their playing skills for seasons to come. Much improvement was seen throughout the year, though, and we are sure that their goal was met.

Good luck next year, Hawks!

"We worked hard and co-operatively, and together, we learned to play the Hawks brand of hockey!"

-Coach Todd Jakober

Notable...

Our very own Mike Munoz was given the honor of being the St. Paul Pioneer Press Prep Athlete of the Week in mid-February. The star player said of the prestigious award "I feel fortunate that I have been able to play the sports that I love."

Way to go, Mike! We're proud of you.
Chorus

Do Re Mi Fa Sol La

This year, the Humboldt Choir warmed their voices to sing and make harmonious and pleasant music under the direction of the new chorus teacher Ms. Jennifer Tesch. Many concerts were held throughout the year and a wide variety of songs were sung. They performed excellently. Ms. Tesch said she loved directing the choir and that her first year will always be very special to her.

Making a Difference

The Humboldt chapter of National Honor Society was a proud group this year, leading students in community based fund-raisers and helping out the people of the West Side in any way that they could. They donated money to the Neighborhood House, helped out at major school events, and tutored students during and after school, among other things.

President Yadira Garcia was heard saying, "I really enjoy NHS-It's very rewarding."

Debate & Speech

Can't Shut 'Em Up

Self-confident, outspoken, and educated were what people in the Speech and Debate Teams became through the help of each other and Advisor Mr. Steve Egyhazi. The teams took time out of their personal schedules to travel all over the state for tournaments and matches in which they did very well, winning awards and recognition from other schools.

Mr. Egyhazi said of the successful teams, "They had a good time and learned a lot, all we need are some more good members!"

Underclassmen, that means you! Go get 'em!

Ethnic Clubs

Unity Within Diversity

In a school with a diverse and multicultural student body such as ours, ethnic clubs add to the experience and quality of learning for many students. Whether learning more about a foreign language or strengthening the bonds of our heritage on the West Side, ethnic clubs are an important addition to the Humboldt community.

The French and Spanish Clubs both increased their activities this year. Involvement in various fund-raising events helped them to plan field trips and even trips abroad for students in foreign languages.

The Humboldt Asian American Club, through enthusiasm and hard work, planned dances, fund-raisers, and activities for all students at Humboldt. The African American Club had similar objectives, organizing their annual Kwanzaa Dance and other things. The Latino Club was slightly different, doing performances of their beautiful latin dances at various Twin Cities schools, colleges, and community events.

Humboldt is certainly one school with many traditions.

Share & Care

Lovin' Every Minute

The Humboldt Share & Care - Special Friends Pro-
gram was outstanding this year, participating in events
and activities that made a difference in many lives.
Students in the organization missed no school or classes. They received no grades, credit, or money. They prac-
ticed their leadership skills, learned, had fun, made some
new friends and demon-
strated the "give-back" theory of being connected to the larger community. They represented themselves, Humboldt High, and posi-
tive teens making a differ-
ence.

Students At Play
You've Gotta Live A Little

It's a fact. Sometimes, we have to put down our pencils and relax. It's good for us, it reduces stress, and it's a whole lot more appealing than conjugating French verbs.

So how do we relax? Whether they are watching T.V. or playing basketball, Humboldt students found a way to spend their play time.

West Side Current Events

Community Gathers...
The Pangea sponsored Mall of Discovery was a smashing success again this year. The event, held here at Humboldt, is designed to provide a link between the four schools in the Pangea magnet (Riverview, Roosevelt, Cherokee Heights, and Humboldt), as well as to provide a fun place for the community to have fun together and create a common bond.

Each school was represented in an "Avenue" that they comprised of projects and things that students had done that they were particularly proud of (Humboldt Avenue is shown at left).

For entertainment, students and community members sang and danced. The senior high gym was filled with games for children and adults. Delicious refreshments were provided by Humboldt clubs and organizations, and displays of all kinds decorated the halls.

A wonderful time was had by all.

Baseball
Who's On First?

With a great group of players and a lot of team work, the '95 Humboldt Hawks ended up with a great season.

The varsity team won their first conference game in two years, and the "B-Squad Bombers" highlighted the season with a 5-3 defeat over the Highland Park Scots. The 9th grade team cut down on physical and mental mistakes and learned how to work together.

Humboldt softball teams got the bats going for the 1995 season, making for great improvement and competitive games. Varsity Coach Green was especially proud of her players; their dedication helped them to an unexpected victory over Highland Park. J.V. Coach Olson boasted about his team's improvement as defensive players, and C-Squad Coach Hanson was equally proud of her small but eager team.

Golf
Up to Par

The stereotype of golf being a boring sport was not one held by the '95 boys and girls golf team members. Though often thought of as simplistic, golf isn't as easy as non-players would like to think. Humboldt golfers spent the season working on their stroke, stance, and overall game. While they did not intimidate any of their opponents on the course, they did enjoy playing the game. Way to go, golf team members. A golf clap to you!

Great improvement was shown throughout the 1995 Track and Field season. The amount of first places and team points showed a higher increase than any team recorded in the past six years - they more than doubled!

Tennis

Is it Love?

"We had a great group of young tennis players who showed steady improvement each week. I was very proud," said tennis coach Gary Ales. And why wouldn't he be proud? The Humboldt tennis team finished fourth in the conference, and had an All Conference player, Jao Yang, to give it excellent play and leadership.

The team has a season to be proud of as well as a promising future.

Badminton
Watch the Birdie

Badminton may look like a simple sport, but in reality, it was a spectacular challenge for the Hawks '95 team. With a small but dependable group, players had to work hard, but ended up with a great year for improvement. With experienced seniors helping the rookie birdie-pushers to improvement, it's no wonder the team has a season to be proud of, as well as better underclassmen for next year.

WHAT'S THE SCORE
Humboldt Drama made a glorious comeback once again under the new directing team of Jennifer Tesch and Linda Helisek. The successful spring musical was a hilarious spoof titled Phantom of the Soap Opera, and starred many talented actors.

The entire cast and crew had a great time. Seniors Yaritzy Aviles, Paul Brown, Shawn Longen, and Mariana Velasco call this their Humboldt finale, while the rest of the Drama Club looks forward to many more successful productions.

Top Ten Seniors

Notable Thinkers

As the literary genius and hero of our generation, Dr. Seuss, once said, "Oh, the places you'll go! You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose."

Never has this been more true than with the Class of 1995. Featured are the top ten seniors, young men and women who have worked their pencils to a stubble to earn the respect and honor that their position allows them. They should be commended for their efforts and for their achievements.

Give yourselves a pat on the back, top ten!

Prom '95
"Candy Rain"

Quite a few changes were made in the planning of the 1995 prom. The Junior Class Executive Board organized the event, scheduling the date, renting the hall and decorating.

The dance was held on May 13 at Galtier Plaza.

The location and the ambiance were very elegant, and made all participants feel especially romantic.

Tickets started at $30 a couple, and came with garters and champagne glasses. Everybody had a great time.
Graduation '95

Congratulations Seniors

This year's commencement ceremony was held on Thursday, June 8 at the St. Paul Civic Center. The band opened the program with "Pomp & Circumstance" and student speakers presented the Hall of Fame Award to Humboldt Alumni Mr. Ronald Gourley from the Class of 1936. The Choir Sang "I'll Carry You In My Heart," and the Diplomas were conferred by School Board Member, Ms. Montgomery. Best Wishes Class of 1995.

Off the Beaten Path

What did you do this spring? Learn new things, go to new places, meet new people? Many of Humboldt's students were making their rounds through the state, nation, and the world.

For those of you who just sat around and watched TV, life's too short, get off the beaten path and go somewhere.

West Side Current Events

MEXICAN DINNER & FIESTA was held in celebration of Cinco de Mayo. The dinner and play presentation were held on May 4-5 at Humboldt High School. Teachers in charge of the program were Mr. Perez and Ms. Trevino. The dinner was of traditional foods, barbacoa and mole, rice, beans, and tamales.

The play was, "Gritas de Guerra" The show presented a typical Mexican party, with dancing, popular music, jokes, and the real meaning of "5 de Mayo."

Shown is Teresa Garcia and Antonio Oroostieta doing a typical Mexican dance. The cast for the play had over 35 people.
