HUMBOLDT

RECYCLE
YOUR MEMORIES

As We Move On

Growing, going to higher levels of self.
Moving on, building on what you have
learned. Going forward without forgetting
the past. Humboldt is the source from which
we all evolve. This source makes the stream
soon becoming the river, emptying into a
great lake of accomplishment. Each of us has
a different goal or path. We choose which stream to
follow until we get closer and closer to our destination.
The farther we go, the more we will remember Humboldt and
carry its pride with us. College, career, work, life, and moving on.

WEST SIDE PRIDE DAY

A DAY DEDICATED TO HARMONY

The festivities took place on Saturday October 2, 1993. The day started out with a parade that ended at Humboldt where other activities such as dancing, food, face painting, and music took place. Then came the dedication of our new athletic field which included baseball, softball, football, and soccer fields plus two additional tennis courts and an electric scoreboard, underground sprinkler system and a concession and storage building were also added. Next was the Homecoming game, the first game played on our new field, against the Como Park Cougars.

1. Ms. Hoover is shown with the Humboldt Hawk. 2. St. Paul Mayor Jim Schiebel helped to dedicate the new field. 3. The hawk is jammin' with the band. 4. Our wild and crazy cheerleaders. 5. Humboldt goes for a touchdown.

Let's remember our past, with the good memories of us together, and realize it's all gone too fast, just like a soft white feather, that has floated away. And when we look back at the past may we smile, laugh, and even shed some tears, so that when we look towards the future, may we respond, and act in the best way we can, for we may never pass or look back this way again.

HOMECOMING

The week of Homecoming was an exciting time for all the candidates and a chance for the whole student body to show their school pride. Monday was pajama day, the only day where you could come to school as you are, Tuesday was dress up day, a day to actually be caught out in public in a dress, Wednesday was hat, shorts, and shades day, a day to dare to wear shorts even though it's freezing out, Thursday was hippie day, where people came to school with some really original outfits even grotesque bell bottoms, and Friday was spirit day, where you can really show your spirit! With the game on Saturday here at our own field followed by the dance later that night.

Around The World

FIESTA DANCERS

The Fiesta Dancers, advised by Ms. Moran, have performed at various schools in St. Paul and Minneapolis. The group has also danced in many community presentations, such as the Cinco Mayo celebration and at the National Youth Convention. The Dancers use funds from presentations for costume accessories and an end of the year banquet.

AFRICAN AMERICAN CLUB

The African American Club attended the African American Educational Conference at the University of Minnesota on September 16, 1993. They are also involved with the Martin Luther King Day and Black History Month celebrations, have marched in the West Side Pride Day parade, and have attended theater events. The African American Club is advised by Mr. McMillan.

ASIAN CLUB

The Asian Club gives an assembly in April to share the Asian cultures with the students at Humboldt. The club participates in community services such as Share and Care and also plans social events throughout the year, including a Halloween Get Together and a Winter Dance. The Asian Club is advised by Ms. Skauge. A year-end banquet is planned for spring.

SPANISH CLUB

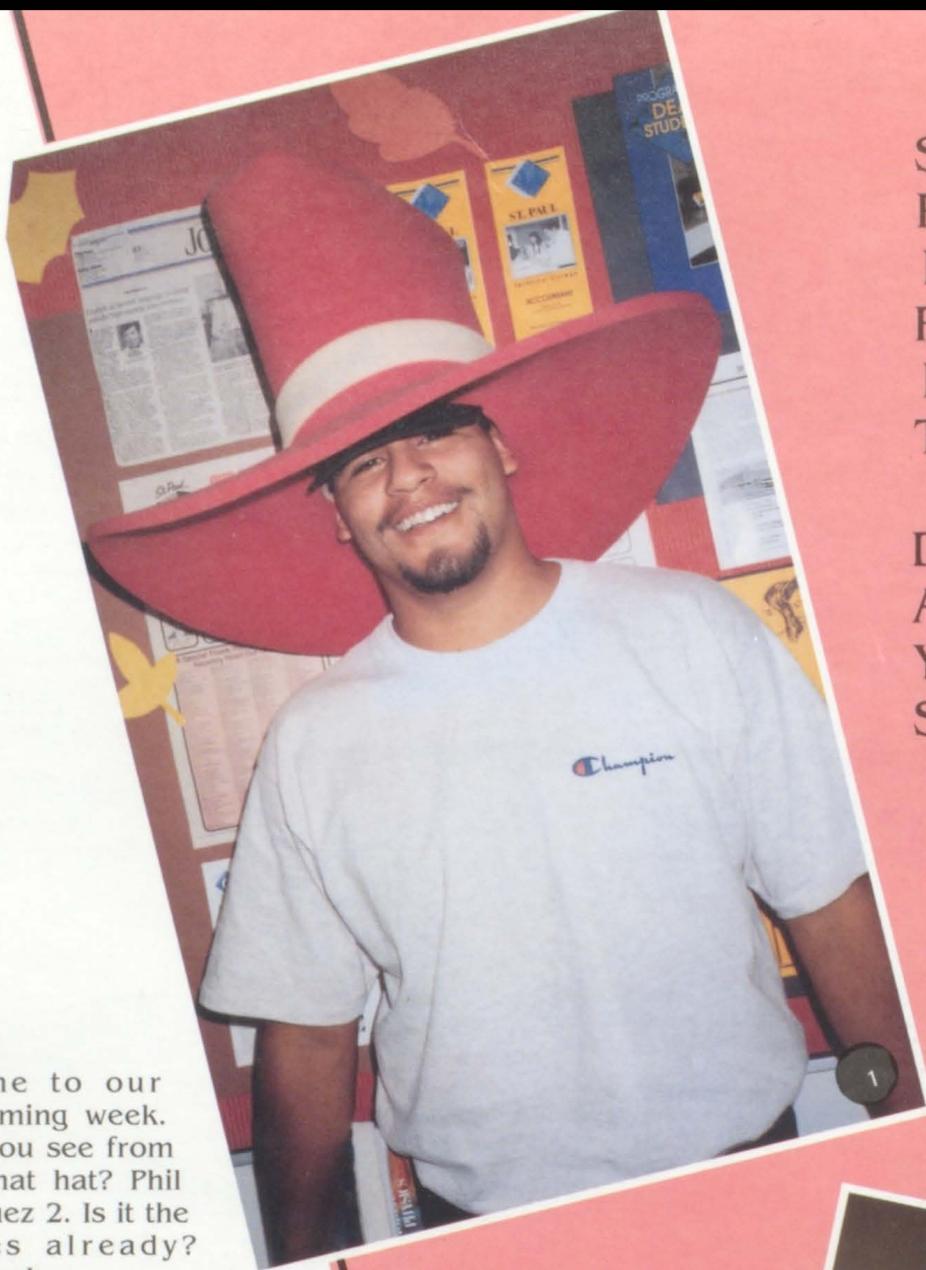

The Spanish Club is advised by Ms. Sparling, Mr. Milles, and Ms. Herbert. Annual fundraisers support yearly activities, including a trip to the Minnesota Zoo on Spanish Day and to a documentary in Spanish shown in the Omnitheater at the Science Museum. This year Mr. Milles took students to Mexico City, Guadalajara and Puerto Vallarta for 10 days during Spring Break.

FRENCH CLUB

The French Club has many fundraisers so students may participate in activities at a reduced cost. Trips to Hotel Sofitel, art museums and theater events are planned each year. The French classes also cook French dishes during class time. Trips to France are planned each spring for any interested French student. The French Club is advised by Ms. Hopen.

Jr. High

Looking back from where we came, we remember Cherokee Heights Elementary School, the last step from elementary school.

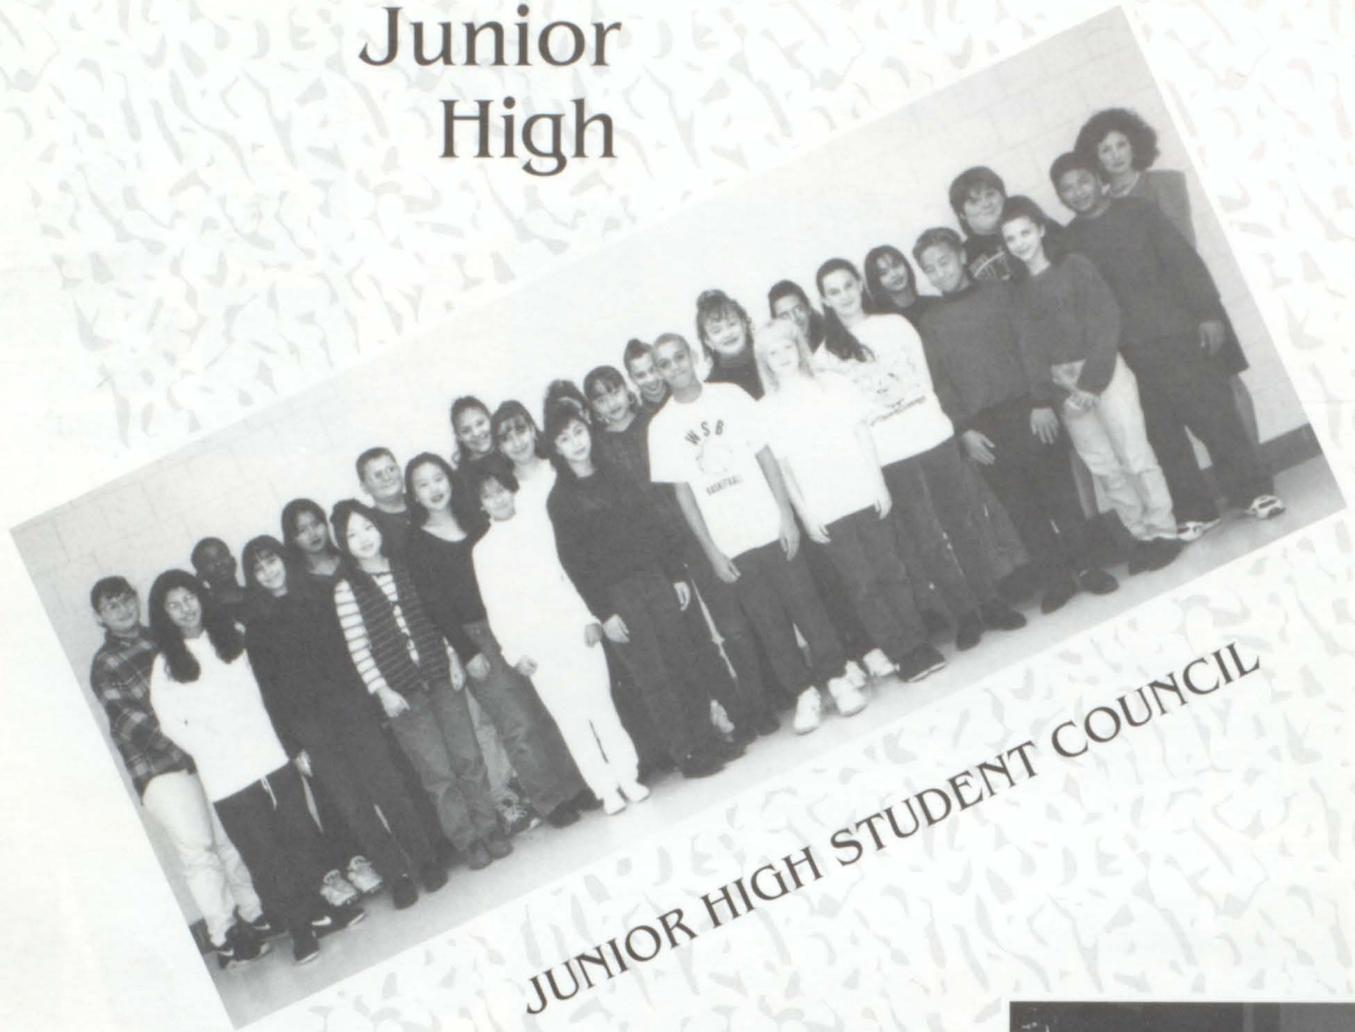

We came from many schools throughout our years as students. Remember the playground at Roosevelt Elementary School, and our fun days as Kindergarten students at Riverview Kindergarten School?

As Junior High students we are moving up and on.

JUNIOR HIGH STUDENT COUNCIL

Shown above is the Junior High student Council, Advisor Sandra Rubenstein. New to Humboldt, the Montessori Magnet involved 7th and 8th graders under the direction of Grace Cialek and Carolyn Hodges. Montessori students pictured right, worked on solving mathematical problems. This year, the Pangea Magnet program organized the Wall of Appreciation, made up of paper bricks with the names of people students wanted to recognize and remember. Cheri Wentland is Pangea's coordinator.

- Q. What is Mr. Mauer's class reading?
 A. Students liked *Lazy Peter* and *the Three Cornered Hat*. Some short stories are good, and some are not, the ones with surprise endings are the favorites.

The Varsity team had a very exciting season. The team continued to work hard even through early season adversity. After losing their first 9 games, they came back to win 5 in a row. This is a team that should be rewarded for their mental toughness. The Junior Varsity continued to improve even though illness and injury hit them early in the season. They battled back and have been successful. With only 6 players available, the Ninth grade team has achieved a great deal of success through hard work. These players are sure to be a team to watch in the future.

Boys and Girls Soccer had a great season. The coaches agreed the students were an outstanding group of players. "YOU'RE A GOOD MAN, CHARLIE BROWN"

This year's fall musical production, "You're a Good Man, Charlie Brown," was performed by students in the drama department. The famous comic strip characters were brought to life by an excellent cast of 25 7th-12th graders. The musical was produced under the direction of Hillevi Annie Peterson, who returned to Humboldt after a four year absence. "This was a wonderful homecoming-it was the best cast with extremely talented students," said Ms. Peterson, "It's great to be back." Note: Paul Brown (Linus) got to keep the blanket — we're still working on the thumb bit though. — H.A.P.

Each year, for the past 25 years, Mr. Gary Ales along with his Share and Care group have gone out into the community to share their time with children, elderly, and mentally challenged people. Students are encouraged to sing, dance and share treats with everyone they meet. Places they visited included Wilder Residence, Dunedin High Rise, Little Sisters of the Poor, United Hospital, Phoenix House, Bethany Convent, Como by the Lake and St. Mary's Home. This year with the help of Ecolab's "Giving Tree Program" students were able to give out over 350 Christmas gifts to kindergarten and first graders at Riverview and Roosevelt. May Lee Xiong and Karen Allen acted as the Santa's. When Mr. Ales was asked why he continued to do Share and Care his response was, "Because we make new friends, build bridges of understanding, have fun and we know it's the right thing to do."
