HUMBOLDT

YEAR OF THE HAWK

Mr. Ettlinger, Principal, and Jessica Aviles, Student Council President, are shown with "Raisa" a Red Tailed Hawk, the new school mascot. The new Hawk logo was designed by Leng Vang who graduated from Humboldt in 1992.

COME TO LIFE at Humboldt High.
Where last year we bid the Indian logo goodbye.
Now this is the home of the Hawks.
This is where you'll see our spirit and hear our talk.
This is where we soar high and show our pride,
our pride in sports, and our pride inside.
The Hawk will guide us through life and games.
Our name has changed but our spirit's the same.
Together we stand and together we fight.
Farewell to the Seniors and COME TO LIFE.

DECISIONS

POLITICAL FEVER REACHED A HIGH POINT

"I feel Bush should stay in office because even though he hasn't done the greatest job, he doesn't deserve to lose to a governor from a small state like Arkansas," said Armando Camacho, 18, who will cast his first presidential vote next Tuesday. 10/29/92 Pioneer Press

Even though seniors Misty and Shannon were undecided about who to vote for, Bill Clinton won by a landslide for President of the United States.

HAVE YOU TRIED A KIWI?

Kiwi is a small fruit that is brown and fuzzy on the outside. Inside, it is sweet and tart and bright green. Just peel it, slice it and eat it. The riper it is, the sweeter it is. It is a good source of vitamin C and low in calories.

Special Education

PAPER RECYCLING

Special Education students, with the help of Ms. Manns, help save the world's trees by recycling paper. During the school year the students from the recycling class went around the school and collected paper that the teachers save for recycling. They handled up to five-hundred pounds of paper every week. After collecting all the paper, they sort the recyclable paper from the nonrecyclable paper. Then the students send the recyclable paper to the loading dock where the paper gets picked up and sent to a recycling factory.

DEEP IN THOUGHT

LIFE at Humboldt is more than homework and tests. Even Study Hall can be challenging. Mr. Valdez, who is in charge of Study Hall, is shown above with students playing chess. There are many other kinds of enrichment activities at Humboldt. Students participate in activities such as; Odyssey of the Mind, Speech and Debate, Share and Care, Drama, Band and Chorus. These are just some of the many activities that Humboldt students do to enrich their LIFE.

Among the events planned were: The house painting project, yard raking project and the Special Friends holiday parties at Wilder Residence and Nursing Home, Little Sisters of the Poor, The Hoika House, The Phoenix House and Torres Housing Project. This year the Share and Care program set a school record for the most number of student volunteers. 75 students participated at the party held at Wilder Residence and Nursing Home. As Mr. Ales says, "You're Super and Special for building a better community. Let's Go Hawks! Humboldt's # 1."

HUMBOLDT PARTNERSHIP

Humboldt has several partnerships with various organizations. One partnership is with ECOLAB. Student possibilities with Ecolab staff include career exploration, job shadowing, mentorships, Science Club activities, writing contest, communications projects, and classroom speakers. Shown above is an Ecolab speaker with students Amanda, Jerry and Claudia in Mr. Adam's class. Below are poems from Mrs. Bellows' 9th grade 1st period college prep class.

Life is a gift from mom and dad
it's full of happiness and makes us glad
Life is full of ups and downs, fun times
laughter, tears and frowns
Life is saying good-bye to friends full of
memories, the fun never ends.
Life is full of hopeful dreams, an endless
adventure it seems.

Life begins with a gift from your parents
Slowly you become aware of the world around you
Growing and learning more each day
Making every sunrise a fresh start
Travelling a long and endless road
Lined with hopes, dreams, and memories
Each step taking us further from the past
and closer to the future
Every day is an exciting gamble
An unpredictable adventure
Always wishing for the time you never have
To savor the memories
That will last forever.

COME TO SNO-DAZE WINTER FUN "I Will Always Love You"

There are many fun activities during the winter here at Humboldt High School. Before winter vacation begins in December each class makes signs and decorates their assigned hallways to see which one is the best. Each day of the week is celebrated with an event. One event is 'Gift Day', with students and staff wrapped up like presents. In February, a Sweetheart Dance, sponsored by Share and Care was held for Special Education students. The highlight of the winter season is the Sno-Daze coronation. Shown above are the winners: Seated (L-R): Lady Daleny Savandy and Lord Jesse Tejeda. Back: Duchess Gabriella Romo, Princess Angie Schwab, Queen Krissy Maloney, King Shanon Capers, Prince Marcus Colvin, and Duke Dridge Johnson.

STUDENTS HELP THE COMMUNITY

Food Factory

The Food Factory is involved with many school activities which are advised by Mrs. Christopherson. One of the main activities was the International Dinner. The students were able to purchase, prepare, and serve the food. The Food Factory has also won numerous awards for the many contests they have entered.

Humboldt Day Care

Students enrolled in Ms. Fuller's Child Development Lab are able to work with preschool children for 10 weeks, 3 days each week. Students are asked to plan activities for the preschoolers which are later evaluated by the class. This process helps the students understand the development of children.

The Game of Life

Sports is life speeded up. In an hour or two the cycle of life is reenacted on the playing field-the beginning of the contest, the struggle, the triumph (all too brief), and the defeat.

All of life's emotions' appear in sports-sports is a microcosm, a world in miniature. In sports, life is crystallized and made intense.

Ball Game

How is wanting to steal second base-but then racing back to first-like the journey through life.

TAKING FLIGHT

Taking flight for its first year, the Hawk has been an influential symbol for the students and staff at Humboldt High School. The students have been wonderful in accepting the change from the Indians to the Hawks. This has been a special year for all of us. Sports, academics and social activities have all been very productive. From all the yearbook staff: Good luck in the years to come Humboldt.
