Mr. Ettlinger, Principal, and Jessica Aviles, Student Council President, are shown with “Raisa” a Red Tailed Hawk, the new school mascot. The new Hawk logo was designed by Leng Vang who graduated from Humboldt in 1992.

COME TO LIFE at Humboldt High.
Where last year we bid the Indian logo goodbye.
Now this is the home of the Hawks.
This is where you’ll see our spirit and hear our talk.
This is where we soar high and show our pride, our pride in sports, and our pride inside.
The Hawk will guide us through life and games.
Our name has changed but our spirit’s the same.
Together we stand and together we fight.
Farewell to the Seniors and COME TO LIFE.

DECISIONS

POLITICAL FEVER REACHED A HIGH POINT

"I feel Bush should stay in office because even though he hasn’t done the greatest job, he doesn’t deserve to lose to a governor from a small state like Arkansas," said Armando Camacho, 18, who will cast his first presidential vote next Tuesday. 10/29/92 Pioneer Press

Even though seniors Misty and Shannon were undecided about who to vote for, Bill Clinton won by a landslide for President of the United States.

HAVE YOU TRIED A KIWI?

Kiwi is a small fruit that is brown and fuzzy on the outside. Inside, it is sweet and tart and bright green. Just peel it, slice it and eat it. The riper it is, the sweeter it is. It is a good source of vitamin C and low in calories.

"My hair's all messed up! How am I supposed to get it like it was before? Maybe I should find someone to help me?" Kristina Tonn

Special Education

PAPER RECYCLING

Special Education students, with the help of Ms. Manns, help save the world’s trees by recycling paper. During the school year the students from the recycling class went around the school and collected paper that the teachers save for recycling. They handled up to five-hundred pounds of paper every week. After collecting all the paper, they sort the recyclable paper from the nonrecyclable paper. Then the students send the recyclable paper to the loading dock where the paper gets picked up and sent to a recycling factory.
LIFE at Humboldt is more than homework and tests. Even Study Hall can be challenging. Mr. Valdez, who is in charge of Study Hall, is shown above with students playing chess. There are many other kinds of enrichment activities at Humboldt. Students participate in activities such as; Odyssey of the Mind, Speech and Debate, Share and Care, Drama, Band and Chorus. These are just some of the many activities that Humboldt students do to enrich their LIFE.
ALICE IN WONDERLAND

"I know that soon I shall wake-up by the fire, with a little black kitten in my lap . . . but I shall never, not ever, as long as I live, forget my magical journey to Wonderland." (Alice) Humboldt High School Drama presented "Alice In Wonderland" as the Fall 1992 play, from Lewis Carroll’s Story.

HONOR SOCIETY & DEBATE

HONORS

National Honor Society is a group of students who obtain an average of 3.0 or above. This year the group has done much to be involved in the community and the school. They have done things such as the food drive, Share and Care and fundraisers. Above is Karen Allen sharing her time.

DEBATE

The team is small but determined to do their best. Doing things like hosting the Novice Classic Debate Tournament and competed in many tournaments. A few others: M.S.H.S.L. Competition, and National Forensic League Activities. Above Paula Warren is working hard to know her stuff!

SHARE & CARE

Share and Care is a volunteer program that encourages students to give their time to neighbors and community. Each year, the coordinator, Mr. Gary Ales plans activities for the students to participate in. Among the events planned were: The house painting project, yard raking project and the Special Friends holiday parties at Wilder Residence and Nursing Home, Little Sisters of the Poor, The Hoika House, The Phoenix House and Torres Housing Project. This year the Share and Care program set a school record for the most number of student volunteers. 75 students participated at the party held at Wilder Residence and Nursing Home. As Mr. Ales says, "You're Super and Special for building a better community. Let's Go Hawks! Humboldt's #1."

"Where's the rake?" It would make things much easier!" as Humboldt students rake.

"We're right there." Ms. JoAnne Escobar shows a Phoenix Home resident where they were in the song. There were many GREAT volunteers!

Doing a wonderful job painting is (L-R) Stacy Martineau, Uyen Nguyen, Amy Joy, and Julia Cradle. This is just a few of the 34 students who helped.
Mr. Ales displays a package from Ms. Frieda Reede, who had her yard raked by 13 of Humboldt's finest students.

Above: "Smile pretty." Theresa McGuire poses for the camera at another of Humboldt's volunteer stations, Little Sisters of The Poor.
Humboldt has several partnerships with various organizations. One partnership is with ECOLAB. Student possibilities with Ecolab staff include career exploration, job shadowing, mentorships, Science Club activities, writing contest, communications projects, and classroom speakers. Shown above is an Ecolab speaker with students Amanda, Jerry and Claudia in Mr. Adam's class. Right photo: Ms. Wentland, Chris Foss, Ka Ying Yang, Dan Buckentin, Carter Xiong, Shauna Skarda, Sarah Flores, Brenda Matters, and Mrs. Bellows all from Mrs. Bellows English class. Students in her class have contributed writings and drawings which are featured in Ecolab sponsored publication, "West Wind". Below are poems from Mrs. Bellows' 9th grade 1st period college prep class.

Life begins with a gift from your parents
Slowly you become aware of the world around you
Growing and learning more each day
Making every sunrise a fresh start
Travelling a long and endless road
Lined with hopes, dreams, and memories
Each step taking us further from the past
And closer to the future
Every day is an exciting gamble
An unpredictable adventure
Always wishing for the time you never have
To savor the memories
That will last forever.

Life is a gift from mom and dad
It's full of happiness and makes us glad
Life is full of ups and downs, fun times
Laughing, tears and frowns
Life is saying goodbye to friends full of memories, the fun never ends.
Life is full of hopeful dreams, an endless adventure it seems.
Tongues

The students who participated in the One Act Play under the direction of Linda Sparling were: Beth Ethier, Kati Shapland, Sarah Haney, Joe Montantes, and David Horst, who supplied the percussion. These students took part in the Section 4A, Subsection 1 One Act Play Festival, where they took 3rd place.

 Odyssey of the Mind's main goal is to allow students to solve problems that are designed to develop their creativity. With the help of coaches Rebecca Christopherson, Kathleen Fuller and Linda Johnson, students are challenged mentally as well as creatively.

There are many fun activities during the winter here at Humboldt High School. Before winter vacation begins in December each class makes signs and decorates their assigned hallways to see which one is the best. Each day of the week is celebrated with an event. One event is ‘Gift Day’, with students and staff wrapped up like presents. In February, a Sweetheart Dance, sponsored by Share and Care was held for Special Education students. The highlight of the winter season is the Sno-Daze coronation. Shown above are the winners: Seated (L-R): Lady Daleny Savandy and Lord Jesse Tejeda. Back: Duchess Gabriella Romo, Princess Angie Schwab, Queen Krissy Maloney, King Shanon Capers, Prince Marcus Colvin, and Duke Dridge Johnson.
This year the band participated in its annual concerts. They have also supported our athletic teams by playing at the games and pep rallies. In the spring they will hold their awards ceremony, where the top senior student will win the John Phillip Sousa Award, the band's top honor. Also, this summer they are hoping to go to Six Flags Over Illinois.

The students were able to purchase, prepare, and serve the food. The Food Factory has also won numerous awards for the many contests they have entered.

Humboldt Day Care

Students enrolled in Ms. Fuller's Child Development Lab are able to work with preschool children for 10 weeks, 3 days each week. Students are asked to plan activities for the preschoolers which are later evaluated by the class. This process helps the students understand the development of children.

Boys Soccer

Having a good season, the boy's soccer team was young and matured nicely during the season. They received the honor of best sportsmanship in the city and they finished fourth in the conference.

Girls Soccer

This was a building season for the team, with the main goal of having at least eighteen girls at each game. The girls put in their best effort against teams that have had winning records over the past years. Looking forward to a great season next year!

SR. CLASS FAVORITE

Above is Mr. Klepprich the 12th grade Social Studies teacher. He is also the Yearbook Business Manager, Thank You Mr. Klepperich. It is known by a lot of students that many staff obtain more than one job at school, from being an advisor of a club, to a coach of a team. They may even be a parent to one of the students at school. To all faculty and staff, you’re doing a great job, KEEP IT UP!

We met our goal of 85 pints. After all of the hard work, Student Council members and friends were thanked at a picnic in Cherokee Park.

Ball Game Highlights
Six sophomores anchored the B Squad for Humboldt in '93. The team played hard and improved weekly to finish the season strong. This is the first year that Humboldt was able to field a complete 9th grade team. At mid-season they were 2-5 but have been in every game. The future looks good for baseball at Humboldt if this group of athletes stay together.

Volleyball

Having many new players this year the girls did a great job. We worked on the many skills needed to play volleyball and had fun while doing so. Thanks to the eighth graders and good luck in the senior high.

Softball

With a record of two wins and one loss as of 5/6/93 the girls are off to a great start! With many seventh graders the year ahead is looking great. Good luck team.

Sports is life speeded up. In an hour or two the cycle of life is reenacted on the playing field—the beginning of the contest, the struggle, the triumph (all too brief), and the defeat.

All of life's emotions appear in sports—sports is a microcosm, a world in miniature. In sports, life is crystallized and made intense.

Ball Game

How is wanting to steal second base—but then racing back to first—like the journey through life.

TAKING FLIGHT
Taking flight for its first year, the Hawk has been an influential symbol for the students and staff at Humboldt High School. The students have been wonderful in accepting the change from the Indians to the Hawks. This has been a special year for all of us. Sports, academics and social activities have all been very productive. From all the yearbook staff: Good luck in the years to come Humboldt.
