The Second Annual Fall Variety Show was sponsored this year by the Drama Club. This year's show featured eleven acts which ranged from singing, to dancing, to rapping. It also featured students from South St. Paul. Linda Sparling was the advisor once again this year. The purpose of the fall variety show is to get more students involved in school activities by having them showing-off their skills and talents.

It was performed at both schools. It was an array of many different skits concerning different attitudes and feelings of high school students today. The cast of students from different cultures, made the play realistic.

"We all learned that a win comes from proper preparation, practice, and execution, all of which are fueled by heart, determination, and pride. With this lesson learned, the season was a success."

The scores don't show the hard work and dedication of the football team. The team worked hard all year and fought to the last whistle of the season. Even though the season was a rough one on and off the field, the team stayed together and never gave up. The two wins came against Minneapolis Patrick Henry. In these two wins the players played as a team and played hard for four quarters. In the other games the team made some uncharacteristic mistakes which cost them the win. This year seniors showed leadership and pride. They kept the team's heads held high and never let anyone quit. The seniors were Doug Bryant, Diego Delao, Vince DiCosimo, Dale Haugen, Mike Leith, Shane Nowak, Mike Pennington, and Mike Sticha.

"I'm proud of the progress that we made as we moved through the season." Gary Ales

This year the boy's soccer team was noted for hard work, steady improvement, and good sportsmanship. The highlight of the season was a thrilling 3-0 win over Minneapolis Patrick Henry High School. The defense was led by Kevin Vang, Pok Nhean, and Youmeng Yang. We had a very good midfield from Tou Yang, Jomar Villamore, Chai Thao, Peng Lee, and Her Thao. The Goalies were Bora Leng, Pao Chuoa Vang, and Mike Burke. The leading scorers were Pheng Moua, Cha Moua, Kevin Vang, and Chai Thao. We improved with each game and played better offense and defense.

1. "OUCH!" Tou Yang bounces the ball off of his head as he runs after the ball. 2. "That ball is mine!" Peng Lee tries to get the ball away from his opponent. 3. "I'm so tired of running. Come on Her, we've got to get to that ball before someone else does!" Tou Yang and Her Thao run after the ball. 4. "Oh, here's the ball. I've got to kick it away before he gets it." Chai Thao tries to get the ball away as Peng Lee runs in to help.

"With the coming of new freshmen next year, the girl’s soccer team hopes to have a better year. We’re going to have a great year!"

The girl’s soccer team struggled through another season, but they continued to improve. There were six juniors, two sophomores, and six freshmen. Although the small number of players again contributed to a losing season, the bright spot is that all of the players will be returning next year. With the upcoming freshmen from Humboldt Junior High and Monroe, the girl’s soccer team will definitely have a better year!

1. This ball is mine and I’m going to keep it! Tanya Stevens keeps the ball away from her opponent. 2. "I've got to get to that ball before she does." Nichole Potten runs after the ball as her teammate runs along with her. 3. "I got it! I got it!" Gina Soto tries to block the ball from her opponent. 4. "Wait right there for me, ball. I’m coming!" Mari Villamor keeps her pace as she runs after the ball.

"LET’S GO GIRL’S SOCCER!"

"The team lacked height, but intensity was high."
(Ananda Henly)

The team's efforts would appear futile by the looks of their overall record, but each member contributed more than her share for every point scored. At times the floor intensity level could have been cut by a knife, causing unheard of errors by their opponents.

1. "What do I do now?"(Briana Baumgardner) 2."In your face!"(Topako Love) 3."I can do it." (Teresa Reyes) 4."Please go over."(Ananda Henly)

This year the hockey cheerleaders had a puck-a-thon as a fundraiser. With the money, they bought their own sweatshirts.

This year the football cheerleaders decided to pay for their own pom poms. They decided that it would be easier, because they got to keep their pom poms as memories. The squad consisted of three freshmen; three sophomores; eight juniors; and one senior who was Kim Wendel.

"Thanks to the girls who stuck it out through the long and tough season."

Nancy Peters

The PI teams were very active this year. There was Soccer in the fall and Floor Hockey during the winter. The teams are divided by city rather than schools, because of the lack of handicap students in public high schools. Humboldt is very proud to have one of the largest P.I. programs in the state. The students seem very happy here, participating in many activities and even inventing some of their own, like the recycling team. The recycling team picks up discarded papers from the entire school every Tuesday and Thursday. This team does both a service to the school as well as to the environment.

1. Nancy Peters helps Mike Nuesse with his work. 2. Today Mac Schaplund and Vern Cubus make up the recycling team. 3. Lloyd Smith is a member of the wrestling team. He currently wrestles on JV. Good going Lloyd! 4. Physical Therapist JoAnn Overton works with MaLee Khang. They make a good team.

"Facing Graduation"

Faces of old and faces of new.
People we know and people we knew.
Growing together then drifting apart.
Always an ending and now a new start.
At graduation we all grow nearer.
And all of our friends seem so much dearer.
And as we say our final goodbye, one last embrace and one more cry, a “Keep in touch” and a “Promise I will”, a “Remember when” but, better still, a place in my heart, you’ll always stay.
This is what’s said as we go our own way.

Together we . . .

Study,

Cheer,

Share,

Care,
The school year is coming to an end.  
As we walk our separate way,  
We looked back on the long journey,  
That we had gone through together.  
All the new people we met,  
The new things that we learned,  
All the laughters we shared and  
All the tears we dry off.  
But no matter where we go,  
We will always have the memories:  
Of the time we aspired together and  
The time we achieved together.
LIFE . . .
