As we take the steps through Life, we find A LOOK ALL OUR OWN. Where do we go as we take these steps? We go where our destiny takes us. How do we look all our own? We look all our own, by how we want to look. Each and every one of us has a look all our own, much like Humboldt. Humboldt has a look like no other, from special education to International Studies and Careers, from regular education to our business partnership with Ecolab Inc. Our school is special to us, along with all the extras that come with it, including; athletics, clubs, teams, and executive boards.

As you look through this beautiful book, please take into consideration, the people who have so much pride in this creation, so please respect this book, for it is just one look at the memories for the year 1990-91.

ACTIVITIES
Amy, Jodell, and Emmy Do It Again

1. Life Staff left to right: Chris Penninig, Chris Herrera, Jodell Schlussler, Emmy Vadnais, Lisa Alvarado, Tran Nguyen, Cuu Vang, Tiffiianee Patrin, and Advisor Becky Hilstad. Not pictured: Amy Snodgrass, May Lee Xiong, Mao Xiong, Tong Vang, Karen Allen, Amy Brown, Sue Cha, Brenda Matters, and Sarah Haney. 2. Amy Snodgrass expresses her dislike for Friday night deadlines. 3. Emmy Vadnais crops her picture with perfection. 4. Cuu Vang works hard on her deadline. 5. Jodell is this how you really look after a Friday night deadline? (Jodell Schlussler).

There were a few changes in the Life staff this year. For one the new advisor, Becky Hilstad, and for the first time in years the Junior High was involved. Of course there were those dedicated people that returned again this year: Jodell Schlussler, Amy Snodgrass and Emmy Vadnais.

The staff worked many nights on this beautiful book in hopes that the student body would accept it into their own personal collections of high school memories. Throughout the many educational experiences with the yearbook staff the seniors would especially like to thank Ms. Diane Schroepfer, the 1989-90 advisor, for getting us started and keeping us going.
The Arrow staff shrunk in size this year, but was successfully able to complete each and every issue of the Arrow and the Newsletter.

The staff had many new members this year, and will also be losing quite a few due to graduation. A total of seven seniors, one sophomore, and one freshman were important to advisor Mr. Klepperich.

Mr. Klepperich has been an advisor of the Arrow for 14 years. He has done an excellent job of getting the latest news items to each and every one of us in every issue of the Arrow.
"My, My, My," Humboldt's Homecoming 1990

The International Studies and Careers program has expanded throughout the last three years. The purpose of the program is to give students as much contact with people and information from other cultures. This year Ryuji Takahashi, the Japanese intern, guest-lectured in all I.S.C. classes about the government, history, and culture of Japan. Humboldt's partnership with South St. Paul High School gave us the opportunity to visit with eight students from the Soviet Union and their teacher and learn more about their culture. Plans for the future include getting all students interested in studying a language and to emphasize a better understanding of other peoples and countries of the world.
The goal of the French Club, as in past years, was for students to learn about France by participating in cultural events. One of these events was the International Dinner, where members served food and danced the cancan. Future plans for the French Club include bringing students from France to Humboldt, and sending our own students to France. This spring four French students, Jodell Schlussler, Mao Xiong, Tiffianee Patrin, and Gina Lanoux went to France and had a cultural experience with their French teacher, Ms. Dianne Hopen.

The 15 members of the Spanish Club had a fulfilling year. The student officers, Tran Nguyen, Alicia Smith, and Tania Stevens helped organize candy and pizza sales. Money from the sales were used to help fund students trips to Mexico. The Spanish Club also participated in the International Dinner. The students wore colorful costumes, served food, sang, and danced.

The newest cultural club at Humboldt was the Asian Club. The purpose of the club is to encourage Asian student’s participation in school activities and to promote leadership. For non-Asian members it brings a new awareness of the Asian culture. In their first year, the club had over 70 members. Student officers were Tou Xiong, Sue Cha, Tong Xiong, and Bao Yang. To raise money for Asian Club, members organized various fundraisers, such as candy sales and the fall dance. The Asian Club members also helped with serving, danced in traditional costumes, and sang at the International Dinner.
The debate team consists of approximately 20 members and is coming on strong. The purpose of this team is to participate in forensic activities and to develop critical thinking skills. Competing in debate tournaments and the Student Congress Competition is something the team looks forward to. Members of the team have competed in various events, such as the Congressional District Bicentennial Competition which was held at the Capitol. While some members participated in the Bicentennial Contest, others took part in an Economic Forum Competition which was held at South St. Paul. As a team they hoped to see an increase in participation in debate and to promote debate in the school curriculum. The team also sponsored a two-day Minnesota Novice and Lincoln/Douglas Debate Tournament that was successfully held at Humboldt.

Though this year's speech team was an informal organization and individuals met regularly, they worked well together with each one doing and participating in his or her own speech activity. There were approximately 30 students and many of them assisted at tournaments during the year and engaged in various social get-togethers. The team has also engaged in district, regional, state, and national competition. In the past 5 years, as individuals, 5 students have been sent to national competition.

Students participated in several service projects. Some of these projects were morning announcements, American Legion, Declamation, and co-sponsorship of the George Merit Speech Tournament.

This year Special Friends reached over 2,000 people. With advisor Gary Ales, the students performed at Dunedin High Rise, El Rio Vista, Wilder, and the school gym. They danced, sang, and shared treats with the aged, young children, and the handicapped. Mr. Ales will continue with Special Friends as long as there are special people who will participate.

The Junior and Senior Executive Boards worked toward many different types of goals. The Junior Board was again advised by Ms. Sandy Rubenstein, and the Senior Board had the privilege of welcoming back a former advisor, Ms. Dianne Hopen. The two boards worked hard individually, and they also worked well together. Fund-raising took place throughout the whole year on both committees.

Officers for the Senior Board were: President Kelly Decarlo, Vice President Jennifer Gleb, Secretary Jodell Schlussler, and Treasurer Marie Boulos. For the Junior Board President Becky Kinkead, Vice President Cua Vang, Secretary Teresa Reyes, and Treasurer Tou Xiong.

Mr. Clare Longsdorf was the advisor of the Senior High Student Council, and Ms. Sandy Rubenstein was the advisor of the Junior High Student Council. Fund-raising took place throughout the year on both committees, and many of their goals were met by raising their own funds.

The girls swim team started out the year with fifteen girls and by the end of the season they only had nine. The girls worked as hard as they could, with Tanya Luna as their captain. They had to work harder than usual because the team was mostly made up of seventh and eighth graders swimming on a varsity team against tenth through twelfth graders.

With encouragement from the captains, Juan Trejo and David Kline, the team improved greatly and should be even better next year. Both Individually And As A Team

“Losing experienced wrestlers to graduation will be tough but, we have a nucleus of young wrestlers to rebuild the team around.” - Noel Mehus

The wrestling team finished the season with a record of 7 wins and 9 losses. To get the wins, the team had to work very hard, not only as a team, but also individually. The team had a lot of strength in the lower weights, but had trouble getting points in the heavy weights.

The season started out very strong with the team winning several matches in a row. After the first of the year the team was plagued with injuries, causing the team not to have a full line up.

1. Joel Horner checks the time before getting the pin. 2. Tizoc Rosales tangles up his man. 3. Isaac Contreras has no mercy for his opponents. 4. Dennis Mishler is determined to finish off his rival. 5. John Dixon sizes up his opponent. 6. Jose Trevino sets up for one of his many pins. 7. Steve Trevino sets up for a takedown. 8. Jose Trevino wraps up his opponent. 9. Tizoc Rosales sends a message to his opponent in more ways than one.
Ninth Grade and J.V. Team and Coaches

"The boys used a lot of teamwork in all of their games."

The basketball team consisted of four seniors, one junior, and four sophomores. For once, an athletic team at Humboldt, can afford to lose the seniors, because there will be enough sophomores to keep the team from having a losing season.

The team had lost Matt Smith early in the season to an injury, but were happy to get him back in action. Simon Jungbauer, a key player, hurt his knee after a few games, but the team anxiously awaited his return.

1. Shanon Capers gets another two points. 2. Jon Wessel goes for the three pointer. 3. Count it! (Matt Smith) 4. Jason Custard keeps a tight grip on the ball. 5. (#2 Phil Neisen, Bill Meyer, and #14 Jose Cardenas).
Survives Varsity Competition

"The young players deserve a lot of credit for sticking with the team, and keeping Humboldt in hockey competition." - Jodell Schlussler

The hockey team consisted of quite a few 9th and 10th graders, one 11th grader, and one senior. With such a young team, not accustomed to the hard hitting and fast pace of the varsity team, they were not able to win a lot of games. The varsity team may not have won each game, but they were there, giving it their best shot, trying to score as many points as possible. Leading scorers for the team were senior Pete Estrada, junior John Florez, sophomore Tim Moe, and eighth grader Mike Sontoya.

1. Let the games begin! 2. Tim Moe gets a high five from Greg Tonn. 3. You can’t touch this! (Pete Estrada) 4. Brett Velander and Bill Meyer defend their net.

It was a year of improvement for the Junior High Wrestling team, especially for the eighth graders who were involved in their second year. The only criticism of the year was that there weren't enough boys to try out for the team. Coach Southward has helped the boys as much as possible with encouraging words during the matches. The co-captains were Jim Ellis, Dung Nguyen and Joe Smith and the most valuable player was Dung Nguyen.

While Going Through Life, We Come Upon

This is the final memoir for the school year 1990-1991. As we are going through life, we will look upon this book and laugh and cry for our own special reasons. Each of us holds our own special memories and thoughts about this past year and about Humboldt, the home of the *Indians. Many of these memories are preserved in this book, but many we hold in our own mind. By looking through this book, we hope that your memories will come alive again.

1. Javier Trejo cheers the football team on to a victory. 2. M.C. Hammer, oh, I mean Marcus Colvin. 3. Di Vang works diligently on her homework. 4. CLASS OF 1991

THE JOURNEY of 1000 miles begins with one step.
We've walked so far together,
We've grown so very close.
The Memories we've shared will stay with us always.
As we take the steps through life, we will cherish the times spent with each other.
And our goodbyes will not be forever.

The Class of 1991 took their final step together on June 3, 1991. One hundred and thirty-one students received their diplomas. The ceremony took place at Roy Wilkins Auditorium in the St. Paul Civic Center at 5:30 p.m.

President of the Senior Class, Kelly DeCarlo, was the ceremonies leader. Melissa Alvarado and Jennifer Gleb led both the graduates and the crowd in the Pledge of Allegiance. Emmy Vadnais and Tizoc Rosales gave the invocation. Dr. David Bennett, Superintendent of the St. Paul Schools, gave the greetings from the Administration, and Mr. Bill Carlson, School Board Director, gave the greetings from the School Board. Garret Povar and Amy Snodgrass presented Mr. Leonard Levine with the 1991 Hall of Fame Award. Mr. Levine is a 1956 graduate of Humboldt and is the President of Leonard Levine and Associates. Valedictorians, Marie Boulos and Mao Xiong, read the Student Address. Mr. John Ettlinger, Principal, presented the Class of 1991 to School Board Director, Ms. Becky Montgomery, who gave the acceptance of the class. Jeremy Lefebvre and Jodell Schlussler introduced the graduates. Ms. Becky Montgomery and Mr. Bill Carlson conferred the diplomas and the Humboldt Concert Band ended the ceremony by playing “Fanfare and Recessional.” Ms. Dianne Hopen, was the Senior Class Advisor.
Their Final Step Together

"The Foreigner" Is A Hit!

The spring play, "The Foreigner," was a success. The cast and crew of fifteen presented the story of a shy, nervous man who comes to a Southern inn for vacation and pretends he is a foreigner to avoid conversation. Many amusing and interesting situations arise as a result. The play was directed by Miss Linda Sparling.

1. Jodell Schlussler and Randy Byrne take a stroll for the grand march. 2. Andrea Tejeda and Jose Cardenas get close just for a picture. 3. Becky Peterson happily poses for the camera. 4. Brian Rowen and Teresa Reyes look so happy together. 5. Tizoc Rosales finds something to laugh at — that his date Tonja Miller doesn’t. 6. Georgia Hottinger and Matt Smith make their third prom together. 7. Can you believe Michelle Tejeda and Isaac Contreras held the same smile all night? 8. Garret Povar and Brian Hogan have a good time even without their dates.

Over fifty couples attended the 1991 prom. The event was held on Saturday, May 18th, from 8:00 p.m. until 12:00 p.m. The Grand March started promptly at 10:00 p.m. The Northstar Ballroom, located on the University of Minnesota campus, is where everything took place at a cost of $40 per couple. “Here and Now” was the theme song, and seniors Lenia Salas and Jason Custard were this year’s Prom King and Queen, having received the most votes of those couples in attendance.

Seniors and juniors worked together under the direction of Ms. Sandy Rubenstein to make the event happen.
Talent Works In Two Ways

1. "Nasty girl," Rosa Fisher, does a nasty dance. 2. Chorus participants sing their way to the top. (Back row, left to right: Mai Vang, See Vang, and Chao Vang. Middle row: Tania Luna, Kanesha Murphy, and Angela Sistad. Front row: Amy Glee, Malee Yang, and Meliza Thuratin.) 3. Yadira Garcia does her own version of "The New Kids On The Block." 4. Shirley Ebensteiner sings with all of her heart and soul.

The purpose of the National Honor Society is to honor students who display scholarship, service, leadership, and character as positive goals. To be honored, students need to have a 3.0 grade average or better and must be recommended by at least three teachers, advisors, or coaches.

There were a total of 31 members in this year's Honor Society. Many of the members met after school on Mondays to plan for the annual banquet, held on April 28th at the Cherokee Sirloin Room. Candy was sold to pay for the banquet, at which both students and parents were honored. Members received a pin and certificate. Officers were: Mao Xiong, president; Juan Trejo, vice president; Cua Vang, secretary; and Sue Leng, treasurer.

"Overall, we had a great season, the girls did a super job!"

For the 1991 softball season, Humboldt finished with a Conference record of four wins and eight losses and an overall record of six wins and eleven losses. The wins were over Minneapolis Edison, Pine City, and two wins each over St. Paul Central and Como Park.

The team's most valuable players were, defensively, short stop Kelly DeCarlo, and, offensively, Topako Love with three homeruns. This season, Marie Boulos was the *Indians* only pitcher with varsity experience.

1. Marie Boulos winds up for another strike. 2. Hurry up, throw the ball I'll get her out! (Kelly DeCarlo) 3. With every good pitcher, comes a good catcher! (Andree Tejeda)
1. Jon Wessel gets ready to make the winning run. 2. Jose Cardenas makes another double. 3. Matt Smith and Jose Cardenas use team work to get the guy out at second. 4. Shane Nowak uses all of his strength to strike the batter out.

Front row, left to right: Shane Nowak, Scott Ecker, Jose Mendoza, Chad Barry, Diego DeLao, Mark Bougie, and Manager Mac Shapland. Back row: Coach Tom Kranz, Matt Smith, Phil Reyes, Bill Meyer, Jon Wessel, Jose Cardenas, Mike Sticha, and Coach Ralph McDonough.
"This season was a building season for both golf teams."

All of the players were new to the sport. If it hadn’t been for the extreme cold season, the teams would have enjoyed the season a little bit more. Both teams had a lot of fun after the weather got warm, and they learned a lot about golf. The big event of the season for the girls, was a win over St. Paul Central for the first win of the season.

1. Erik Solheid puts his best put forward. 2. Michelle Day aims for a hole-in-one!

Badminton Girls Win 8 Outta 10!

"... with our high spirits and hard work, we won 8 games!"

The girl’s badminton team had a terrific season with 15 returning players and 7 new ones. Everyone was happy with the results this year after going to the practices everyday. Coached by Mr. Dean Shawbold and Mr. Noel Mehus, the girls beat Como, Harding, Highland, and Central. With only one senior on the team this year, Coach Shawbold feels they will be at an advantage next year when all the players return.

1. Watch the birdie! Debbie Mishler. 2. Another powerful smash by Moslais Xiong. 3. Hey Phaline, what are you hitting at? The birdie’s in your hand. 4. Hurry May Lee! Don’t miss that birdie!

Left to right, top row: Assistant Coach Noel Mehus, May Lee Xiong, Phaline Som, Der Yang, Malee Yang, Phalla Phan, Mai Yang, Coach Dean Shawbold. Middle row: May Tong Cha, Tong Xiong, Zong Thor, Tong Vang, Ger Lor, Chao Yang, Nancy Schladwellier. Boys Tennis Beats All Odds

“We got better each week and improved our skills and shots.”

It was a fantastic season for the boys’ tennis team. In fact, it was the best in ten years. The team started with three consecutive wins and finished with three consecutive wins. They finished with two wins over Como, and in the play-offs they beat Johnson. The boys finished the season 5th in the conference. Tou Xiong was selected All Conference, and making Honorable Mention were Pao Xiong, Leng Vang and Youmeng Yang. Coach Ales said, “We look forward to even better tennis next year. We thank all the students, parents, and staff who supported us this year.”

1. Are you mad about missing the ball, Pao? 2. Hit that ball before it hits you, Kou Lee. 3. “Get ready for a smash!” shouts Ge Her. 4. Nang Yang attempts to return a great serve. 5. Good going Damian! Right in the nick of time! Damian Jorgenson.

The Track Team Races On

“We have so much talent in our team that all we have to do is work to improve it.” - David Mergens

With the help of the co-captains, Duane Leith, Sam Chhem, and Dawn Wendel, the team had excellent performance in all their meets. The team needed more athletes to score better as a team, however. Most of the members were first-time track athletes, and many improved greatly over the season.

1. Uyen Nguyen tries to break a school record. 2. Becky Labbit uses all of her power to make it over the pole. 3. Burt Hernandez shows his nasty face. 4. Melissa Sierra uses all her force to throw the discus.
