New Beginnings

FOR ALL ENDINGS . . . .

We have come to an end of one memorable chapter in Life. However, Life itself has no finality, because with all endings come the promise of New Beginnings. As we bid farewell to the 1980's and begin the 1990's, we can be certain that both the students and teachers of Humboldt High School will grace each page with pride and excellence.

The cover of the book is modern, yet the drawings are traditional, reflecting the diversity that exists in our school. We see it in the many cultures; regular and special education; academic and vocational classes; students and staff; old buildings and new computers; athletics and art. As the modern starburst overlays the traditional drawing on the opening page, the diversity of Humboldt Complex blends together at the New Beginning of each school day.

New Beginnings; the phrase itself is a celebration of Life. New Beginnings is waking up to see the sun rise gloriously above the horizon and watching the rose bushes bloom. But more importantly for teachers, New Beginnings is knowing that their students will begin the decade of the '90's with enthusiasm and creativity. For students, New Beginnings is cultivating new knowledge and new dreams. New Beginnings is . . . . . . .

"The Indian symbol used by the Humboldt Secondary Complex represents the school's diversity and respect for all cultures. Racist comments or actions will be penalized." — Standards For The Use Of The Indian Symbol at Humboldt Secondary Complex.

**Spirit Soars As Humboldt "Burns The Broncos"!**

This year's homecoming was a memorable one for all high school students. To start things off, Monday was dress-up day along with the crowning of king and queen, Tuesday was pajama day, Wednesday, boxer shorts day, Thursday, dress your favorite sports day, and Friday was the infamous spirit day.

Along with all the excitement of Homecoming were the actions of trying to save our proud Indian logo. On Tuesday, students participated in a walk-out. Thursday evening, approximately 1,000 people showed up for a rally to save our logo.

In powder-puff, senior girls dominated the sophomores and went on to barely beat the juniors.

Friday was the day of the big game against Brady. Humboldt "Burned The Broncos" 32-15. Later in the evening was the dance, which people from everywhere attended.
1. As the sign says, "Burn the Broncos!"
2. "Let's go Humboldt!" left to right: Marie Boulous, Andrea Tejeda, Tizoc Rosales, and Martina Zuniga.

Sno-Daze was held throughout the week of Jan. 28 to Feb. 3. Each day had a theme, and people dressed accordingly. Also activities were held during lunch.

Monday was Colors day; Sr. wore black, Jrs. wore red, Sophs. wore blue, and the Frosh wore white. Tuesday was Back-to-the-50's Day. Coronation was held on Wednesday due to the new semester. Thursday was Twins Day, the Puggy Bunny contest was held then. Friday was the traditional Spirit Day. The dance was held in the cafeteria Friday evening from 8-11:00 pm.

"You Are My Everything" - Sno-Daze 1990
President Georgia Hottinger lead the Senior High Student Council. It was advised by Mr. Clare Longsdorf. The group planned such activities as the Homecoming Dance, Sno-Daze Dance, and HHS. The group was particularly strong and came together when Humboldt was faced with the possible loss of the "Indian Logo.

Ms. Sandra Rubenstein advised the Junior High Student Council. The students decided, for the very first time, to have an executive board. Each month a new committee was given a topic to work with and devise a plan for the whole Junior High.

Student Councils are Very Active.

Committees Work Together.

The Prom Committee was made up of all Jammin' Juniors. Their goal was to raise money for the Jr./Sr. prom. They sold candy, and posters. Ms. Sandra Rubenstein was the advisor.

The Senior Class Board collected loose change from underclassmen. This was better known as Penny Friday. The money was used at the end of the year to purchase a gift for the school from the Class of '90.
Quality Hits A High Note

The Humboldt Chorus has continued to participate in many of the same events that they have in previous years. Many of the events included singing for the people at Ecolab Osborne Building, Wilder Nursing Home, and Cherokee Heights. The group also held their famous Fall Festival, Winter Concert, and Spring Concert programs. As in the past all of these programs were a hit. One of the things they enjoyed doing most was singing Christmas Carols in the hall for all the students and staff to enjoy.

This year's chorus had the fun of helping to teach Anne Sorensen some of the American ways of singing and performing. Anne, an exchange student from Norway, a member of chorus.

Some of the many songs the group enjoyed raising their voices for were: "The Living Years," "One Voice," "Little Saint Nick," "Where Is Christmas," and "Short Hallelujah."

Despite decreasing numbers, the quality remained the same.

Drama Has New Directors

3. Paul Toft, and Rockwell Muck sing their hearts out.

The One Act play was directed by Ms. Linda Sparling. "Brujera", which means witchcraft in Spanish, was the title of the show. They competed on January 31. Unfortunately, they came in third place, and were unable to compete in the semi-finals.

"Humboldt Revisited" was performed on February 14 & 16. The show was written and directed by Rainer Dorneman. It celebrates Humboldt's 100th Anniversary.
Special Friends Touch Over 20,000 Lives

Over 75 students went with Advisor Gary Ales to six different places to share and care during the holiday season. The students visited, entertained, and shared with the aged, the retarded, and the mentally ill. At the performances, the students danced and sang, then eventually gave a special treat and asked their special friends to join in on the fun.
Francais and Espanol Clubs

1. Spanish Club. 3. French Club. Due to space limitation French and Spanish Club members were unable to be mentioned.

The French Club was a huge success this year, the number of members seem to increase each year. The French Club went on a Field Trip to The Childrens Theatre Presentation of BABAR and attended a French luncheon. The money to go to BABAR was raised by selling Happenings Books. Chocolate Santas were sold in order to purchase subscriptions for French magazines, and also for French cooking materials. The French Club participated in the International Dinner and held a Pastry Booth at Parent/Teacher Conferences. This years officers were: President, Bee Cha; Vice-President, Mao Xiong; Secretary, Kelly Otte; and Treasurer, Joua Lee.

The Spanish Club seemed to be a better success this year than in the past few years. The Spanish Club began in December and continued throughout the remainder of the year. It consists of students from Spanish 2 classes to Spanish for Spanish Speakers. The new advisor for the club is Spanish teacher Ms. Shields.
“1, 2, 3 . . . toe, heal”, Ms. Linda Sparling teaches Spanish students a dance. 2. Ms. Mona Shields and the student teacher add just the right touch to the dinner. 3. The classroom scene. (Theresa Smith, Mr. Noel Mehus, Teresa Reyes, and Jomar Villamor). 4. Tou Xiong concentrates as he serves parents and friends. 5. Madame Diane Hopen goes over the last minute preparations. 6. Cool and collected is the way to be. (Calvin Mickel). 7. Melissa Mendez picks her head up to flash a brief smile.

This has been the second successful year for the International Studies program at the Humboldt Secondary Complex. During the year the group headed by: Pete Adam, Diane Hopen, Tom Kranz, Noel Mehus, and Sandra Rubenstein, sponsored the first annual International Dinner. The dinner proved to be huge success. Not only was there support given by teachers, but also by friends, family, and the community. One of the main goals of the program was to increase students knowledge of their culture, of other cultures, and the government of the countries that surround them.
The math teams finished in fourth place in most of the meets they participated in. Bee Cha was the captain of the senior high team and Mai Lee Xiong the captain of the junior high team.

All of the players on each team enjoyed participating in the meets and having the chance to work with other students.

Ecolab And Science Club Work Wonders

Both the Monthly and the Wednesday Night Science Clubs were a cooperative venture between Ecolab and Humboldt. The Monthly Science Club met one Wednesday each month during school. Panel discussions were presented on careers, science in conjunction with other fields, science in the world, and a question-answer session where students had the opportunity to ask their questions of the panel. Job Shadowing was available for any member at Ecolab.

The Wednesday Night Science Club met at Ecolab for six nights. This Club was open to students from other schools. At Ecolab, they were able to do experiments as well as participate in discussions.
The yearbook was created by a group of people who didn’t know what in the world they were doing. Except for Jodell Schlussler who thought she was always right.

Many Fridays were deleted from the lives of the dedicated staff to finish this beautiful book. Supervisor and near mother was Ms. Diane Schroepfer. The people who succeeded in giving her headaches were the very talented, and creative Bee Cha, Mai Na Lee, Vaddey Mom, Chrissy Ortiz, Jodell Schlussler, Andrea Schmieg, Amy Snodgrass, and Emmy Vadnais. Who all happen to be Section Editors.

Three deadlines had to be met. So, throughout the year the staff collected many-o-pictures, and lots of info. The staff commented that it is very enjoyable to create a page, and see the end result. A special thanks to all those who contributed in sharing their knowledge that needed to be put into print.

THE ARROW. Each of us have read an article in the school paper at one time or another in our lives. Through the information in the paper, we learn of both social, and school events.

Putting the paper together is not an easy process. Each student is assigned a topic to look into. Much research goes into each story. After the student has completed their article, it is then given to Mr. Bob Klepperich to proof. This wonderful man than types it into his little computer. Finally he creates the lay-out, which is then submitted to the printing company. The paper comes back to school, and is distributed to the students and staff. The paper has a total of six issues a year.

Journalism students enjoy the art of concluding their ideas, and thoughts into a finished story. Folding and stapling the Newsletter became a favorite past time. Along with the tri-annual seminars.

Our Squad Is Great

“The squads showed a lot of confidence in their teams.”

This year’s football cheerleaders had a great team to cheer for! They cheered their boys on to four victories and were there to cheer them up after their four losses.

The squad had thirteen girls that worked very well together. If anyone needed help there was always someone there.

All of the girls decided they were tired of the old sweaters. They decided to raise money for individual jackets. To do this, the girls came up with the idea to run around the track. While they were running, it just so happened that it started to rain. The girls were forced to finish their laps in the pouring rain while becoming drenched.

The main criticism of the season was the squad always had their backs to the crowd. Advisors, teachers, and students all complained of the rear end view. In order to stop the complaints the girls had to turn around and face the crowd.

This year’s hockey cheerleading squad increased in numbers from four to eight girls. The squad got along very well and all knew the cheers to the best of their ability.

This year, the girls had a small team to cheer for but, for some reason, it seemed to make it all the more fun. The girls didn’t get numbers mixed up with faces and were able to have more of a one to one ratio with the team they cheered for. Due to the large number of cheerleaders this year the girls didn’t have enough of the jackets that they had worn in previous years. The girls decided to get their own jackets. To raise money they ice skated fifty laps around West Side Arena. The squad came up with the money needed and had the jackets by their first St. Paul Conference game.
"The squads showed a lot of spirit and enthusiasm."

This year's advisors, Jenny Madden and Cecilia Gleb, decided to give it their best shot and assign cheerleaders to the junior varsity athletic teams. Returning cheerleaders took their turns teaching the J.V. cheerleaders cheers and they were able to pick up the cheers fairly well.

The wrestling squad's size of eight cheerleaders doubled this year compared to four from last year. Instead of the same sweaters the squad has worn in the past, the girls went to the community for donations to help them get jackets to wear.

The basketball squad had to put a little extra effort into teaching new girls cheers along with the J.V. cheerleaders. The girls also didn't like the old sweaters, so they decided to get new jackets. To raise money, they had a shoot-a-thon, in which they had to make fifty baskets.

"We have come a long way, but it is only a spark of our potential."

Bigger, faster, stronger was the theme for the 1989 Humboldt football team. With a new weight training program incorporated into this year's practices every member of the team had an opportunity to better themselves both as players and individuals. Weightlifting also inspired a teamwork ethic, unmatched by teams of the past. The team pulled together to post the best record of a Humboldt football team since 1975. Although they only won half of their games and finished their regular season with a record of 4-4, the Indians played as well as the best Class A teams in the state when they were on top of their game.

With all new offensive and defensive schemes and the encouragement of the coaching staff, the Indians played out their season with the attitude, "If it's believable, it's achievable". Their achievements, among others, included an average of 139 yards rushing and 133 yards passing per game. Statistics such as these helped the 1989 Indians outscore their opponents by a margin of 218 points to 168 points in their nine-game season.

Success Is On Its Way

"We stuck together and put forth effort to do our very best," Amy VanPoperin

The girls soccer team had a rough beginning with few and unexperienced members. They did however, manage to win two games, improving their record over last year. The final game against Como was won in overtime in the last minute. All members contributed to this victory.

Throughout the season, the girls worked hard on improving their soccer skills. The coach, Simon Whitehead, was pleased with the team's performance.

Coach Whitehead was awarded All-Conference Coach of the year. While All-Conference Players included Amy VanPoperin and Jenny Koester.

1. "Go, go, go!" (Tanya Stevens goes for the goal as Tonya Kulyas and Nikki Potten wait for the ball).
2. "Ouch! That hurts!" (Tanya Stevens jumps for the ball in mid-air).
3. "Let me kick the ball!" (Charlene Jerdee chases the ball and heads towards the goal).

Teamwork Reigns

"I'm proud of our effort and hard work throughout the season."

Humboldt's boy's soccer team completed its season with two big wins over Harding and St. Agnes. The boys played with great and outlasting effort against other competitive teams. However, with a shortage of players, regaining their 1987 Champion title was a difficult task to accomplish. Despite their losing reputation, several players were able to gain honorable recognition to the Humboldt soccer team. Chong Vang, Leng Yang, and Jae Xiong were nominated to All Conference. Chong Vang was named "Prep Athlete of the Week" by the St. Paul Pioneer Press & Dispatch.

Despite the hardship, the boys enjoyed playing together both at the games as well as at practices, especially with coach G. M. Ales and the exchange students: Jesus Caro, Fernando Medina, and Raul Villanueva.

"The girls worked well together as a team."

With co-captains Tina Byrne, Georgia Hottinger, and Liz Reyes leading the team, the girls' varsity volleyball team had an overall record of six wins and fourteen losses.

Coach Amy Holmgren stated, "The team's three seniors showed great leadership and dedication. The seniors will be missed, but the team will have six returning varsity players."

In the Sibley Volleyball Tournament the girls placed 5th.
They lost to Johnson in the first round of regions.

"Our teams used a great amount of effort."

The overall record for the ninth grade team was three wins and ten losses. Many of the matches went to the third, deciding game.

Coach Jill Gebeke commented, "The girls practiced hard, but unfortunately only six girls lasted the entire season. With the effort they put into it, the girls did their best."

The J.V. team welcomed new coach Kathy Wollack this season. The team put extra effort into the experimental ideas of their coach.

The overall record for the junior varsity team was five wins and ten losses. The wins were over Visitation, Patrick Henry, Brady, and twice over Highland.

Coach Kathy Wollack stated, "The team had long, hard practices and had to earn their spot to play in the game. Despite their record, the J.V. girls had fun."

Successful

"This was the hardest working team in years"

This year cross country team proved to be quite successful. Each member contributed completely throughout the season. As a team they did well at each meet, yet each one set his goal on improving his time the following meet.

One of the most exciting meets was the one that was run at Princeton. This is one of the largest meets of its kind held in the country. Not surprisingly, most of the teams runners had good results that day. Despite the chilling weather the team finished out the season quite well.

Coach Joe LaCroix definitely agrees that it was a successful season yet, he would like to see a few more boys as well as girls come out for the team next season.

1. Jose Hernandez and Tizoc Rosales compete against each other to improve their personal time. 2. Tizoc Rosales runs with good form against all his opponents. 3. Tony Hernandez and Michael Torres practice together just to lend a helping hand. 4. LEGS ARE THE KEY FACTOR!

“Many of our athletes are preparing year around for their sports.”

This year there was a new addition to the athletics program here at Humboldt. This new addition was brought about to help achieve team goals as well as personal ones. Bigger, faster, stronger (BFS), was the theme for this new weightlifting program, headed up by Paul Herzog and Jim Olson.

“The boys showed interest and enthusiasm, during football season and some chose to continue throughout the year even though they were to be at school by no later than 6:30 a.m.” Some of the top lifters in the program were: Kenny Berg, Armando Camacho, Santino Franco and Victor Hernandez.

In talking with some of the lifters, they unanimously said they felt the program was beneficial to their athletic performance. In addition to the morning session there was a weightlifting clinic given March 17, 1990. The clinic did involve: inspirational stories, new max lifts, goal setting sessions, video on drugs and alcohol, BFS dead lift finale and the BFS rules for success.

1. Armando Camacho dead lifts 340 lbs!
2. Mario Sierra dead lifts with a trap bar.
3. Mr. Olson spots Santino Franco as he does his power clean.
4. Diego Delao gets the weight up.
5. Matt Boulos does his clean.
6. Mr. Herzog coaches Rafael Fuentes as Philip Beier looks on.
7. Victor Hernandez puts up his clean!
“Unfortunately, the best team doesn't always win. GREAT KIDS!” -Phil Thorson

This year's Junior High girls soccer team worked very hard under the supervision of coach Phil Thorson. The team's captains were Julie Splittstoesser, Xiao Yang, and Malee Vang. Julie Splittstoesser was also named most improved player, also Xiao Yang and Malee Vang were named most valuable players of the season. “The girls were an exciting, competitive team who suffered a number of tough losses. Five games lost were decided by one goal,” commented coach Thorson. They were a group of “Great Kids.”

“The girls have a lot of potential in their upcoming years.”

The Junior High girls basketball team, coached by Jill Gebeke, ended their season with three wins and six losses. The leading scorers for the team were Jenny Cuddihy with 44 points and Erin Hottinger with 34 points. All of the girls who finished the season scored at least one basket during a game. The girls played Highland, one of the top teams in the conference, losing by only three points with a score of 38-35. The girls worked very hard and learned a lot during the season.
Prepare For The Future

“Good group of girls, that enjoyed cheering.”

There was an outstanding turnout for the Junior High cheerleading squad this year. Many of the girls were very good, and the decisions were hard for the judges to make. Twelve girls were selected, and did a superb job of cheering our Junior High teams on. Alice Rhines, advisor for the squad, enjoyed working with the girls.

“Good group of girls, that enjoyed cheering.”

The Junior High wrestling team did very well in the 1989-90 season, placing fourth in the City Tournament. This was an excellent finish, considering there was 29 teams competing. The team was coached by Mr. Bruce Southward, and led by captains Steve Trevino, John Dixon, and Tony Contreras. The teams most improved players were David Thao and Youa Vang. The only criticism Coach Southward had on the season, was the shortage of wrestlers who tried out for the team. All in all it was a rewarding season for the Junior High wrestling team.
Swim Teams Make A Huge Splash!!!!

"3T's = Try, Training and Terrific."

Both Boy's and Girl's Swim Teams looked forward to a challenging and exciting year.

Captains Jim Helsper, and Joe Herrera had an easy task finding boys to join the team. David Klein, Justin Severson, Javier Trejo, and Juan Trejo are among the returning swimmers this year. The team showed promise and worked well together.

On the other hand Captain Christina Dominguez had a few problems getting the junior high girls to come to practice. Coach Paul Hodge said that the upper classmen did show more responsibility, but towards the end of the season the younger girls realized the importance of coming to practice daily.

This year's swimmers showed interest as well as dedication and both Jay Wescott, and Paul Hodge hope that next season the teams will increase in people as well responsibility.

"The team had fun this year no matter if they won or lost."

In the first game of the season, the P.I. Hockey team played a tough game against Anoka, but lost 6-0. The team played well throughout the season. Leading scorers for the team included: Mac Shapland, Charles Rosseter, Mike Nuessle, Va Lo, and Joe Charles. The goaltender for the team was Senior Scott Ksiazek who averaged 35 saves per game. Defense included: Dan Erdos, Rick Taylor, Roger Taylor, and Brian DuBois.

Mr. Lance Carlson was once again the coach of the team, he was assisted by Ms. Irene Carr.

Unfortunately, two of the players, Brett Saunders and Joe Charles were not pictured. Even though they're not in the picture, we must give them special credit for putting their best effort into the team.

1. Va Lo shows us his mean hockey look. 2. Another save by the outstanding goalie Scott Ksiazek. 3. Chuck Rosseter smiles as he takes his slapshot and can see the goalie missing the save. 4. Alex Rodriguez can imagine how proud his team would be if he made the winning goal. 5. Mac Shapland keeps a tight rein on the puck to make sure the opposite team won't get at it.

First row, left to right: Dan Erdos, Scott Ksiazek, Rick Taylor, Roger Taylor, Dan Thompson, Va Lo, Mike Miller, Brian DuBois, Katie Jirik, and Dan Wright. Second row: Mike Nuessle, Christian Schoellmer, Coach Lance Carlson, Mike Juergens, Alex Rodriguez, Mac Shapland, Chuck Rosseter, and Assistant Coach Irene Carr.
Boulos And Mitchell Most Improved

"We were an underachieving team." - Coach Steve Elizondo

Despite the not so good scoreboard of the 1989-90 Girls Basketball Season, the team did have a few good times.

Co-Captains for the team were Nadene Mitchell and Georgia Hottinger. The most improved players were Nadene Mitchell and Marie Boulos.

One final thing that the team might remember was Georgia Hottinger. At one of the conference games, Hottinger went up for the rebound and accidentally put the ball in their basket, giving the opposite team 2 extra points.

Head Coach, Steve Elizondo, said, "We were a much better team than our record showed. We were an underachieving team."

1. Coaches Steve Elizondo and Greg Ortega plan their strategy as Traci Byrne looks on. 2. Marie Boulos goes for the rebound. 3. The Byrne Combination! Tina Byrne and Traci Byrne. 4. Tina Byrne fights to take the ball down the court.

The ninth grade team had a good game against Como Park. The team worked well together, and have good potential for the years to come. The main criticism of the season was the large amounts of injuries and illnesses.

Co-Captains for the J.V. team were Andrea Tejeda and Mary Schmidt. With these two leading the team, the girls got along well and had good sportsmanship both on and off the court.

The most valuable players for the team were Co-Captains Schmidt, Tejeda and Sonja Martinez. Most improved for the team were Tonja Miller, Teresa Reyes, and Theresa Smith.

All in all, the team had a great year, and will have a good chance when they move up to the varsity team. Coach Greg Ortega claimed, “They were a great team to work with.”

3. Sophomore Andrea Tejeda played an important part on both Varsity and J.V. teams.
We Want Two From You-

"Our guys gave 110% every game. We started with the tip off and didn't give up until the final buzzer."

Since Humboldt was the smallest team in the conference this season they had a bit of a disadvantage against the other schools, but two advantages they did have were quickness and skill that topped most of their opponents. Senior Captains Brian Whitson and Shannon King had no trouble getting the team to practice. However, the boys did have a little problem working together as a team. As some worked towards individual goals, such as All-Conference, others wanted to improve more as a team and not worry so much about themselves.

Even though the team had some tough times they did come together to pull off well deserved victories. Their major accomplishments were wins over South St. Paul, Johnson, Harding, and St. Croix Lutheran. Throughout the season the team did work hard in hopes that next year they will be able to work more together and accomplish more team goals instead of personal ones.

Key players this year for the Varsity team included: Senior Brian Whitson, otherwise known as Big Daddy "B", and Senior Shannon King, known to his partners as Fresh. Other steady ball players for the team were Rick Topp (Flip Flop), Matt Smith (Mattie), Roberto Galaviz (Bert), and Tony Travis (Jordan). Even though only a few were recognized by their starting position everybody did their part to contribute to the team effort. If the players were asked to sum up the season most of them would say "We gave but we could have given more for each other instead of giving for ourselves."

Boys Varsity basketball, Kneeling bottom row left to right: Scott Ecker, Matt Smith, Shannon King, and Shane Nowak. Standing top row left to right: Head Coach Larry Lucio, Roberto Galaviz, Chad Barry, Brian Whitson, Kedall Knox, Rick Topp, Jason Custard, Deon Powell, Tony Travis, and Assistant Coach Steve Aeilts.
"If we stay together as a team, the future is ours."

This year there were more boys out for the 9th Grade and Junior Varsity teams than ever before. There are many 9th graders with so much talent that, "If we stay together the future is ours." Because of the lack of 10th graders and the talent in the underclass players the 9th graders have more opportunity to play than most 10th graders. Jon Wessel and Dan Maxson were this year's MVP's while John Belmares and Jon Schlussler were the MIP's for the season.

The Junior Varsity's future also looks bright. They have a record of 3-1 at home and 2-1 away. The boys work well together and if the talent increases then they should have no problem taking the conference title when they are on the varsity team. The captains were Shane Nowak and Vince DiCosimo, while the MVP's were Delvon Gordon and Shane Nowak.

1. Rick Topp tries to avoid those cute cheerleaders. 2. Now is not the time to show your dance skills Shannon! (Shannon King) 3. No Delvon you are not looking in the mirror! (Delvon Gordon and Dan Maxson)
"The potential on the team was tremendous, everybody gave toward the team effort."

This year was a rebuilding year for the wrestling team at Humboldt. The team added many new faces, and with new faces came inexperience. Due to the youngness of the team, everybody had to work together in order to pull off a victory. The team had a record of 3-11-1 (at print time), with victories against: Rochester John Marshall 36-24, Park-Cottage Grove 40-36, and Central 38-29, with a tie against Harding 36-36.

As a whole the team matured and improved throughout the season. As Co-Captains Rob Muller and Joel Horner worked with the more experienced wrestlers, the Junior Varsity thrived on the help given to them by their new assistant coach Dennis Muller. The JV team was undefeated in conference action, and showed interest in achieving the goal of conference champions again next year. As a result of this equal balance of wrestlers, next season they expect to once again be on top.

1. Joel Horner takes control with no problem at all. 2. Robbie Muller is that really you? 3. Dave Verdeja goes after those 2 points for a take-down. 4. Isaac Contreras shows the camera is fancy feet work. 5. Tizoc Rosales shows his man who is boss. 6. Dennis Mishler gets share of points for the team. 7. "Achieving success does not always entail winning." - Brannon Drees

Having lost over half of the starters from the 1988-89 hockey season to graduation, the 1989-90 season looked grim for this years hockey team. Lack of players, key injuries, and the absence of a full-time coach were just a few more factors that kept the *Indians from having a winning season. Teamwork compensated for the shortage of players and once injuries healed and Jim Olson took over as head coach things began to fall into place for the *Indians. They pulled together to put forth a valiant effort in several games but consistently ran out of gas late in the games.

The 1989-90 Humboldt hockey team overcame several pitfalls in order to keep the hockey program from folding. Throughout the course of the season the *Indians rarely found the scoreboard reading in their favor but they managed to maintain a positive outlook and went into every game intending to win. This attitude proved to be an excellent character builder and promoted teamwork during the entirety of this years season.

The team was centered around forwards Damian Diaz, Brian Emerson, and Chad Sexton, defensemen Pete Estrada and Jason Vasquez, and goaltender Scott Boettcher. These six anchored the team throughout the season while freshmen Jose Cardenas and Tim Moe stood out among the remainder of the young squad.

1. Coach Jim Olson yells some words of encouragement. 2. And we're off to the races! Damian Diaz. 3. This puck is mine. Peter Estrada. 4. Tim Moe will take control. Tim Moe and Scott Boettcher. 5. Jason Vasquez and Brian Emerson help save the day. 10. Shoot that puck and S-C-O-R-E, score. Pete Estrada takes a slap shot hoping Jason Vasquez or Brian Emerson could rebound it and put it in. Don't worry they didn't score. Scott Boettcher and Jason Vasquez.

The dedication of the Humboldt staff shows through every day (Patricia Wilhelm and Jim Halbert).
New Beginnings for Education

1. Vaddey Mom demonstrates a law of physics, but it looks as if it is the other way around. 2. Belinda Joyner tackles with the computer. 3. Janel Murray overcomes a writer's block. 4. Four great minds are working together: Left to right: Mao Xiong, Bee Cha, Kelly Otte, and Joua Lee. 5. Andrea Schmieg masters a law of physics. 6. Jason Zigan demonstrates how cold it is with his earmuffs. 7. "Sing along everyone," said Mr. Richard Garcia. 8. "No more junk food from now on." said Mrs. Barbara Kurtz. 9. "I'm typing my way out of here!" thought Veronica Romo. 10. "Who me??" Dr. Wilhelm wants to see innocent me?" James Bump said with a shock. 11. Mr. Walter Lundeen is showing off his teaching style with a sexy smile. 12. Hey! Wake up!
... a time to remember and
to cherish our new creations.
A time to open our minds to
the beauties of the world as
the rose opens its petals to
the warmth of the sun's rays.
These are the essence of New
Beginnings. It is this essence
that the class of 1990 will
carry with them as they
leave Humboldt to embark on
a mysterious and wonderful
journey called Life. We would
like to wish each and every­
one of these students many
successes and much happi­
ness in his and her New Be­
ginnings.
Life . . .
