THE LOCAL daily newspaper mentioned several times that Humboldt was no longer competitive in the City Conference because of fewer students in the school. The Indians "hung in" and, for example, drew special attention for achievements in wrestling and for an upset win in the first round of the region volleyball tournament. While championships may have been difficult to find, there was still evidence of excellence — in team and individual performances, in coaching, in sportsmanship, in meeting and exceeding personal goals, and in fan faithfulness . . . all done in the name of Humboldt, and our fame will always last.

WE HAVE FREQUENTLY HEARD that education must go beyond the classroom for "real learning" to take place. School activities and organizations are part of this process. Bus schedules and part-time jobs continued to cut back on the number of participants, but there were programs to meet the needs of even the most hard-to-please student. Examples included a dinner sponsored by the Spanish Club and the Food Factory, the Humboldt Helps Santa (HHS) food drive, and a new semi-formal dance — the Silver Bell. Then there were the fund-raisers, with candy, cheese and sausage, candies, calendars, fruit, Happenings books, and magazines used as bait... all done in the name of Humboldt, and our frame will always last.

MOST OF ALL, the people make Humboldt a place of excellence. There is a loyalty, a sense of community, which brings the people of this school together to focus on a most important task – getting an education. Special friendships are also benefits of being a part of Humboldt. There may even be a special teacher or two who, on occasion, seemed too strict or too demanding, but became part of the friendship bond. While the three major sections of this book focus on the excellence that was part of this school year, note the special role of people as this story of a school year unfolds . . . all for the name of Humboldt, and our fame will always last.

A 16-6 VICTORY over Chetek, Wisconsin, gave the football team its only win of the season in a year which found the Indians going 0-8 in the conference and being shut out in five of eight outings.

Coach Paul Herzog scheduled the Chetek game to give players a feel for playing "on the road." The opportunity to score a victory was added incentive. Key players in the win were Ruben Gomez, with 97 yards rushing and an extra point conversion; Marvin Stoltz, with a sixty-yard touchdown pass to Frank Herman; and Brian Gomez, with a thirteen-yard pass interception for another Humboldt TD.

The squad gave Como a strong battle in the contest for last place in the conference but came out on the short end of a 29-22 decision. Humboldt fought back from a 29-6 half-time deficit to at least make the game interesting. Ruben Gomez had two touchdowns and two extra point conversions, and Stoltz also contributed a TD.

For the season, Humboldt was outscored, 266-50. Ruben Gomez led the team in scoring with eighteen points, followed by Stoltz with fourteen, and receiver Frank Herman with twelve. Herman led the way with seven receptions, good for a total of 198 yards. Ruben Gomez led all runners with a 4.2 yards-per-carry average, followed by Stoltz with a 3.8 average.

WHILE MOST MEMBERS of the junior varsity suited up for varsity games, Humboldt also played a full JV schedule, coming away winless in eight outings.

The best effort was a 16-6 loss to Johnson. Running back Ben Mike scored the game’s only TD for the Indians. Mike usually shared backfield duties with Scott Munos, the squad’s leading ground-gainer. Dan Garza was the quarterback. His favorite target was Greg Herrera.

Defensive efforts were led by Tim Gonzagowski and Dave Leach.

A tie against Central in the first game of the year and a win over Highland were the highlights of the ninth grade conference season.

Usual backfield starters were Frank Dominguez and Mike Villarreal as running backs and Mike Castillo as quarterback. Leading receivers were Craig Jerde, Todd Johanson, and Russell Lucio. Jerde also had one interception for a TD against Como.
Seventh grade runner breaks school record

RETURNING RUNNERS Paul Salak, a ninth grader, and first-year runner Nikki Cook, a seventh grader, led the way for the cross country team by earning the year’s best times.

Cook ran the two-mile course in 12:45, a new school record, and placed sixth in the conference meet and fifteenth in the region meet. No Humboldt runner had placed in the region since 1980.

Salak posted a respectable time of 18:30 for the three-mile boys’ course. His efforts were responsible for Humboldt’s 15-45 win over Como, the only victory of the season for Coach Bob Ryan’s squad. Dennis Muller also turned in fast times during the season.

Cook, a veteran of four years of running with the West Side Girls’ Club, stated, “I didn’t think I’d beat the school record while running my regular pace. It didn’t seem that hard.” She went on to say that she enjoyed running and did not feel any pressure from her teammates or from her coach.

to score shocking victory

THE VOLLEYBALL TEAM waited until the second to the last match of the season and the first round of region competition to show its true winning form. The result was a shocking 3-2 victory over fourth-seeded Highland. (Humboldt had been seeded thirteenth.)

While Coach Denise Quinlan said that team members could have used more teamwork and, on some occasions, a better attitude, Humboldt went five games with Highland, winning 15-11; losing 15-5; winning, 15-6; barely losing, 15-13; and then winning big, 15-5. This set the stage for the second round against Woodbury. The Indians came up short and lost, 3-1, to end a season which found Humboldt going winless in conference action and scoring a 3-2 non-conference victory over Sibley.

Special recognition awards went to Karen Schmidt, most valuable player; Colleen Hosley, most improved; and Denise Rios, most dedicated. A new annual award was presented to Rios for being the player with the most motivation. The plaque went on display in the trophy case.

THE SUCCESSFUL volleyball program in the junior high over the past few years is starting to pay dividends for the junior varsity and ninth grade teams which had respectable seasons in the City Conference. The JV was 5-5, while the ninth graders finished with a 5-7 record.

For the JV, the usual starting players were Michelle Castillo, Amy Erickson, Becky Erickson, Jackie Johnson, Taunee Thorn, and Cindy Todora.

One highlight of the season was a 2-1 victory over Highland. In the JV tournament, Humboldt finished fifth out of eight teams, posting victories over Derham and Como.

Angela Orantes was chosen most improved player.

Amy Hottinger, Sheree Nowak, and Mague Rojas were the most frequent starters for the ninth grade squad, along with Dawn Martinez and Adelaide Stewart.

The best match was a 2-0 win over Como on Parents' Night. Other conference victories were over Harding and Central. Non-conference triumphs were scored over Sibley and So. St. Paul.
School records set as personal goals are met

ALTHOUGH their conference record was 0-6, members of the girls’ swimming team accomplished many personal goals during the dual meet season.

Swimmers agreed that Coach Kim Denisson’s major goal was team unity, and she worked extra hard to bring out excellence in each squad member.

Leading point scorers were: Bremer, seventh grade; Weber, eighth grade; Julie Zigan, ninth grade; Robin Anderson, tenth grade; and Amy Lee, twelfth grade. The closest meet was a 90-81 loss to Central.

Deserving of special credit were seventh and eighth graders who made up most of the team and made significant progress.

FAR LEFT. Michele Anderson and Julie Cardenas log long practice laps. LEFT. Robin Anderson with an inward dive, pike position.
COACH Jay Wescott continued his program of positive thinking for members of the swimming team, and although, as a squad, Humboldt did not post any wins, individual achievements were again emphasized.

This was the "year of the frog," a ceramic character named Ottis who was presented to team members who scored the most points at their grade level or made the greatest effort. Winners included Rodney Owen, Ray Hughes, Greg Herrera, Mike Town, Chue Thao, Richard Robinson, and David Rosario. This crew scored most of the points for Humboldt, along with Eric Henly and Tim Salak.

Three sophomores who led the way for the gymnastics team were, left to right, Cindy Todora, Lisa Ramirez, and Lori Brandenburg.

Gymnasts win with only six squad members

WITH ONLY SIX squad members, the gymnastics team defeated Johnson, led by the efforts of two sophomores: Cindy Todora and Lisa Ramirez.

"It was real hard to compete with a small team," stated Ms. Barb Peterson, the squad's first-year coach.

The final score against Johnson was 76.4-75.65, a margin of less than one point. Todora placed second in all-around competition, with firsts on the bars and the beam and a second in floor exercise. Ramirez, the team's captain, was third in all-around action with a second on the beam, a third in floor exercise, and a fourth in the vault.

Colleen Hosley placed second in the vault, Karen Wilson was third in the same event, and Lori Brandenburg was fourth on the beam.

When looking at the season, Ms. Kathleen Ryan, assistant coach, stated, "The girls we did have accomplished a lot."

IT TOOK thirteen games into the City Conference season for the boys’ basketball team to break a three-year losing streak in league play as 22 points by sophomore Scott Aeilts lifted the Indians to a 59-48 win over Como.

Humboldt also received scoring support in the victory from Mark Reinke with 15, and Terry Singleton, another sophomore, with 14. The Indians outscored the Cougars 22-14 in the final quarter to seal the win, its only victory of the sixteen-game conference season.

Humboldt had gone winless in league play in both the ’84 and ’85 seasons.

Aeilts, who averaged twenty points a game, was the leading rebounder and showed he was capable of playing with the best.

Lack of experience and leadership really hurt the team, which had only one senior starter. That was Roy Hernandez, who was among the squad’s leading scorers.

“I feel the future holds a lot because we are a young team,” Coach Larry Lucio stated.

The Indians lost a close game 56-48, in two overtimes to Harding in a contest which found Aeilts scoring eighteen points for Humboldt’s other best effort of the conference season.

Humboldt also had a triumph over Brady in a non-conference game, 59-41.

Coach Lucio’s usual starting line-up included Aeilts, Hernandez, and Singleton, along with Reinke and Bob Anderson.

Aeilts was named to the All-Conference team and was selected to the WCCO All-State team of the week.

SOME OBSERVERS may have felt that the rest of the City Conference had passed Humboldt's girls' basketball program by, figuring that the school was too small to field a team which could compete with powers such as Highland and Hill/Murray.

However, others preferred to say that this was simply an off-year and that the Indians will be back when the team's younger players gain some additional experience.

Humboldt went without a win in conference action for the second year in a row, and had only a non-conference victory over Brady to show for its efforts.

While being outscored by an average of forty points per game, Humboldt's scrappy defense kept opponents under forty points on four occasions.

Highland and Hill/Murray seemed able to run up big scores, but the Indians stayed competitive with most of their other league opponents.

On offense, Humboldt had its problems, averaging only 24 points per game.

The best league effort of the year was a 46-39 loss to Como in a game which found the Indians leading by four points at half-time. Becky Solt was top scorer with twelve points, followed by Jodi Carlson with eleven and Lisa Miller, a ninth grader, with eight.

The team proved its superiority over the faculty with a 36-20 victory.
Humboldt wins West Side Classic

THE JUNIOR VARSITY had a big route over Johnson, 40-28, with Jim Johnson getting twelve points to lead all scorers.

In other conference action, the Indians squeezed past Harding, 48-46, as Fred Reeves scored nineteen points in a sensational effort for Humboldt.

The Indians clinched the West Side Classic Tournament by prevailing over Brady, 39-37, St. Anthony, 52-37, and St. Croix Lutheran, 49-31. Dave Leach, a sophomore, had fifteen points in the game against Brady and eighteen against St. Croix.

The tournament sweep helped give Humboldt a total of five wins for the season. Johnson, Leach, and Reeves were leading scorers.

JV defeats Johnson for only league win

HUMBOLDT had both junior varsity and ninth grade teams and even though there was only one conference win, players gained valuable game experience which should help the basketball program in the years to come.

Assistant Coach Marilyn Miera also pointed out that with a ninth grade team more eighth graders will be encouraged to consider basketball in the years to come.

The JV posted a 37-25 win over Johnson, while the ninth graders could not count any victories among its fourteen-game league schedule. The ninth graders did come within one point twice, against Highland and Johnson.

Lisa Miller was leading scorer for the JV, while Lilly Altendorfer was the top rebounder.

Marnie Blum and Mague Rojas were leading scorers for the ninth graders, while Sheree Nowak was the top rebounder.

for third consecutive year

THE WRESTLING TEAM captured its third consecutive City Conference championship, going through eight dual meets without a loss.

In addition, three Humboldt wrestlers qualified for the State Tournament, and Humboldt qualified for the region team tourney as a result of its performance in individual region competition.

The three state qualifiers also competed in the State Tournament last year. They were: John Crist, first in the region at 167 pounds; Donnie Johnson, first at 132 pounds; and Dennis Muller, second at 105 pounds.

Others who placed in region action were: Brian Gomez, third at heavyweight; Steve Martineau, fifth at 155 pounds; Scott Munos, third at 138 pounds; and Victor Santana, fifth at 112 pounds.

The conference championship was the source of great pride for Mr. Bob Ryan, who has guided the school's wrestling fortunes through all of its 25 years of existence and to twelve league titles. Coach Ryan pointed to the fact that there were only two seniors — Crist and Gomez — among his list of regulars in what he had referred to as a rebuilding year.

The veteran coach found tough non-conference competition for Humboldt, and the Indians were winless against Osseo, Rosemount, and Simley. They did manage a 24-24 tie against suburban giant Jefferson. Humboldt also lost the Twin City championship to Roosevelt, 36-27.

Significant wins for the season were over Johnson 43-11; and Como Park, 33-18.

Against Como, Mason LaFavor at 98 pounds; and Muller started Humboldt off early with two wins. Johnson faced the defending region champ and defeated him, 3-0. Brian Gomez and Frank Gomez, 185 pounds; clinched the victory with pins.

Wrestling
Jeff Wende, a freshman, works to overpower his opponent and make an escape, while Paul Salak, also a freshman and one of last year's junior high championship wrestlers, is congratulated by teammates after a tough victory over Como.

FINISHING with a 6-1-1 conference record and two first-place finishers in the city junior varsity tournament, Humboldt's JV continued the school's winning tradition in this sport.

The squad was aided by seven wrestlers who moved up from last year's junior high championship team.

The only loss in conference dual meet action was to Harding, 28-25, and there was a 33-33 tie against Johnson in the season opener.

Leading performer, based on team points, was Paul Salak with a 12-3-1 record and 83 points. He was followed by Chris Howe at 13-5-1 and 77 points and Jason Kath at 14-3 and 69 points.

Ruben Gomez (10-3) and Salak had first place finishes in the city JV tournament, Danny Abreo (12-5) and Russ Lucio (9-7) had seconds, while Howe, Kath, Robert LaFavor (8-5), and Jeff Wende (6-1) had thirds.

A MAJOR CHANGE in City Conference scheduling had Humboldt playing "powerhouse" teams only once this season.

Although Humboldt lost to Harding, Hill/Murray, Johnson, St. Thomas, and Cretin by large margins, the new schedule allowed the Indians to play teams like Highland and Central three times. This resulted in a three-game sweep over Central, as Humboldt finished with a 5-16 overall record, which also included a 6-4 victory over Brooklyn Center.

Marvin Stoltz, a junior goalie, helped Humboldt's cause with some outstanding work, including 44 saves in the 4-3 overtime win over Como. Jeff Morris scored the tying and winning goals, while Paul Kachel and Brian McDonough each chipped in one goal. Earlier in the season, the Indians had lost to Como, 15-1. For his efforts, Stoltz received honorable mention in the local daily newspaper's Athlete of the Week recognition.

Against Central, McDonough had five goals and Joe Lucio two in a 7-4 triumph. The score was 5-2 in the second Central game, with John Robinson and McDonough each getting two goals and Dave Lopez having the other one. The final Central contest was a 6-5 overtime thriller. Robinson was credited with the tying score, while Brian Kachel hit the winner.

The victory over Brooklyn Center late in the season was helped by McDonough's two goals and three assists. Paul Kachel and Morris each had a pair of goals for the Indians.

The season ended quickly as Humboldt lost to St. Agnes, 3-0, in the first round of region action.
4 wins recorded by junior varsity

EXTRA ice time was gained by ninth grade and sophomore hockey players who suited up for varsity games but also shared their talents with the junior varsity. Juniors Dave Lopez and Jeff Morris also played for both squads.

The JV had a 4-18 record, with wins over Minneapolis Edison, 8-2, Brady, 3-0, Brooklyn Center, 3-2, and Central, 7-6.

Ben Mike had four goals in the Edison contest. For the season, leading point-getters were Mike, Brian Kachel, and Paul Kachel.

Skiers travel to Trollhaugen for practice

STARTING the season with six seniors, the ten-member ski team battled cold weather which was responsible for many cancelled practices and meets.

Competition was very tough, as many first and second-year skiers made up the team, and the squad was very small in size.

The girls' team had only two members — Amy Erickson and Jody Sailor. They posted a 14-5 win over Como and an 18-18 tie with Johnson.

"We weren't really competitive, but we had a lot of fun," stated Jim Stelter, team captain.

Practices and meets were held at Trollhaugen in Dresser, Wisconsin, about an hour's drive from St. Paul.

wrestlers repeat as champs

THE JUNIOR HIGH fielded six teams, with the wrestlers repeating as city champs for a third straight year, the cross country runners finishing second, and the girls' basketball and volleyball teams both having winning records.

Gymnastics and boys' basketball seasons were just getting started as this book was being put together.

STARTING her first year as adviser, Ms. Joan Paulson was without any cheerleaders. The problem was primarily one of people not coming to enough practices to qualify for tryouts.

On the day of the Homecoming football game, a partial squad of six was formed: Paula Bortz, Theresa Helsper, Julie Leveinn, Mada Parnell, Lynn Reinke, and Roberta VanHorn. They made their debut at a sixth hour pep fest and at the football game that evening.

Ms. Paulson scheduled tryouts two weeks later, and six more people were chosen to complete the football squad.

Interest peaked for the winter sports season when ten people tried out and were chosen, bringing the squad total to 22.

There were only three squad members who returned from last year: Helsper, Reinke, and VanHorn.

Several squad members attended a clinic for hockey cheerleaders at the University of Minnesota in early October. The new cheers they learned were adapted for use during the remainder of the football season.

Cheerleaders continued to invent their own new cheers throughout the season, as well as creating new movements for old cheers.

"It was an enjoyable and stimulating learning experience. It was a pleasure to work with such enthusiastic, cooperative, and energetic young women," Ms. Paulson commented. "They did much to promote Humboldt's school spirit."

The group sold M and M's to raise money for pompons, more clinics, and an end-of-the-year banquet.
We'll fight for the name of Humboldt, and our fame will always last.

"OUR PRIDE will shine" was the theme chosen by the Student Council for the 1985 Homecoming coronation. Orange and black decorations highlighted the stage as Rosalinda Gaona and Brian Gomez were crowned Homecoming royalty by last year's king and queen, Jon Garcia and Nancy Regan.

"It was wonderful being Homecoming queen. It was really fun sharing this honor with my friends," stated Queen Rosalinda.

"I was proud to be Homecoming king. I was glad to represent the school," King Brian said.

Activities included dress-up day, back to the fifties day, beach day, "dress your favorite sport day," and orange and black/pep 'n pride day. On Wednesday, many students watched as the juniors defeated the sophomores for the powder puff championship.

"Many people had good school spirit during the week's activities. That really pumped us up for the game," said Rich Gilson, football captain.

Debbie Fredrickson also commented on spirit, "Hey, I had a good time! There was a lot more school spirit!"

Although the Indians lost to Harding, 31-0, many fans attended the game and Humboldt's pride really did come shining through.
"THE STUDENT COUNCIL tried many new and different projects. I think we succeeded both in getting more students involved and increasing school pride and spirit. We also had a lot of fun!" stated Jody Sailor, Student Council president.

The sixteen-member executive board and fifty homeroom delegates, along with Mr. Clare Langsdorf, advisor, scheduled and carried out a full year of events designed to help students be involved in their school and to become aware that Humboldt was a place to be proud of.

Following an earlier-than-usual Homecoming, the Council worked on PRIDE Week and a lock-in. The latter activity, designed to bring Council members closer together, was held from 4 p.m. until midnight early in the fall and included swimming, movies, volleyball, and a "Puttin' on the Hits" lip sync contest.

"I think the lock-in had a good turnout, and I hope it continues. It was fun," Scott Munos, executive board member, commented.

During the Humboldt Helps Santa (HHS) campaign, students and teachers contributed $315 and 1175 grocery items. The Council's treasury also kicked in $685. Money and groceries were divided between the Salvation Army and the Neighborhood House for use in holiday food baskets.

Seniors led overall HHS competition, and sophomores came in first in hallway decorating. Homeroom decorating points were split between room S332 and S301. The homeroom with the most overall points was S343, a group of seniors led by Ms. Margaret LaVigne.

Other Council-sponsored activities included a jersey sale, a cheese and sausage fundraiser, Sno Daze, and a Sadie Hawkins Dance.

MUSIC from the band was part of the third annual Pyramid Concert held in March, which also featured the talents of West Side elementary school music students.

The band also presented fall, winter, and spring concerts and participated in pep fests, sporting events, and the April talent show.

There was competition with other bands during the Region 3AA event in March.

The group sold cheese, sausage, and candy, and the money earned was used to help buy uniform covers and also jerseys for new members. Other earnings went to help pay for the annual spring banquet.

"We made more money this year than last year!" exclaimed Robin VanHorn, the group's treasurer.

The band was larger this year as a result of most varsity players advancing to play in the concert band.

As a special attraction, the University of Northern Iowa forty-piece wind ensemble was invited to play for the junior and senior high.

A WIDE RANGE of public appearances highlighted the year's activities for the choir, which found its membership growing from 42 to 60 between the first and second semester.

Three major events were scheduled for later in the school year: the pyramid concert, the variety show, and the spring concert.

Providing the school with the most publicity was the pyramid event, scheduled for March 18 and including performers from the area feeder schools plus work by Humboldt's singers and musicians. The event traditionally attracts a large crowd of people which has the opportunity not only to hear what younger music students are doing, but also to find out that Humboldt has a music program worth bragging about. More than 400 students participated in this year's event.

School talent went on display for the April 17 variety show, which included not only singers and musicians but also dancers and jokesters.

The spring concert was the final of three events scheduled to coincide with the seasons of the year.

Humboldt entered Region 3AA competition in March, following a three-star rating in last year's event, the best a choir could earn. This year the group was entered in a more difficult classification.

A Cinco de Mayo performance plus presentations at area elementary schools rounded off the public portion of the choir's work.

Director Richard Garcia had Humboldt out at more than twenty performances prior to the traditional role the choir plays in commencement ceremonies.

To further develop talent for future years, Mr. Garcia started a junior choir with 26 singers.

Travel is theme for French Club, Debate Team

JUDGING from the number of people who showed up for the French Club group picture, there is a definite interest in this type of school activity. Planned functions were held less often, coinciding with the absence for part of the school year of Ms. Dianne Hopen, long-time adviser, who spent most of the first semester in, of all places, France.

The debate team was short on numbers and probably could have used a few volunteers from the French Club. This year’s topic was whether the federal government should have a comprehensive national policy to protect the quality of water in the U.S. Trips were taken to Duluth and to Watertown, South Dakota, but not to France.

ABOVE RIGHT. French Club Officers. Left to right: Paula Bortz, treasurer; John Siedschlag, treasurer; Stephanie Wilson, secretary; Andy Vorlicky, vice-president; Dawn Bryant, president. RIGHT. Debate. Ken Kelly, Coach Mike Tweeton, Jeff Dahn.
A SMALL GROUP of loyal student journalists gathered regularly in room 134 to publish six issues of the school newspaper, four issues of a newsletter for parents, and this 120-page yearbook.

There were fewer dollars to work with this year as the subscriber total was around 350. Also, a lack of interest caused elimination of Journalism I as a course offering.

While staying busy throughout the school year, most of the winter-time focus was on completion of the yearbook and on when the Dairy Queen would re-open.

FAR LEFT: Dawn Bryant works long hours to complete the indexing; Joellyn Medved takes the list, that can’t be revealed in public, to the store in an attempt to “break the record.” LEFT: Paula Bortz “pretends” she is working on the yearbook.
**Speech activities promoted through social studies classes**

SPEECH ACTIVITIES were promoted through the efforts of Mr. Steve Egyhazi, social studies teacher, in his eleventh and twelfth grade classes and in coaching and research sessions which frequently went well into the night at the downtown library.

Mr. Egyhazi has worked hard to establish speech activities as part of the school's extra-curricular program, particularly after Keith LeMire, a 1984 graduate, captured a State Tournament title in humorous reading.

Math students are challenged by competition

MATH TEAM members had the opportunity to sharpen problem-solving skills while comparing their abilities against students from other schools.

Competition has been going on for about three years, so the program, guided by Mr. Eustolio Perez, facilitator for the Consent Decree program, is really just getting started at Humboldt.

Team members are given four problems from each of four categories and an allotted time to solve them. When time is up, points are awarded on the basis of the difficulty of the problems and the correctness of the answers.

"It's a great personal achievement to get at least eight points for the entire season, due to the difficulty of the problems. All team members earned at least eight points each," Mr. Perez stated.
PI hockey teams stays in contention against tough opponents

THE PI HOCKEY team ended its season with a 0-4 record. Humboldt faced tough teams, such as Anoka and Osseo, and did better than in the past.

The team lost by one point to Anoka, 6-5, but "We usually lost by more. The team has improved over the years," Coach Helen Swanson stated.

Sean Kealy did an excellent job as goalie, while Diane DeZelar and Jay Metcalf displayed their exceptional skills on defense.

Other players recognized included forwards Sean Bateman, Jim Law, and John Pavlish.

Ms. Swanson was assisted by Ms. Irene Carr, Mr. Phil Rothenburg, and Mr. Bill Swanson.

TWENTY-SIX outstanding junior and senior scholars were named as National Honor Society members as part of a selection process which took place in November.

Juniors, who usually are not selected, were eligible for membership, with eight being named.

NHS membership is based on class rank, teacher recommendations, participation in school activities, and leadership qualities.

Elected officers were Rosa Gaona, president; Chris Zamarripa, vice-president; Becky Rolfzen, secretary; and Fong Lee, treasurer.

Activities included a breakfast, a banquet, and a cultural activity.

Humboldt celebrates winter weather with coronation, dance

AMONG white streamers and balloons, Sno-Daze royalty was chosen to reign over activities the week of January 27-31.

Mike Grossmann and Jodi Carlson were crowned Sno-Daze king and queen by this year's Homecoming king and queen Brian Gomez and Rosalinda Gaona.

"I had a good time. I was proud to be Humboldt's king," stated Mike. "It will be a good memory," added Jodi.

Princess Dawn LaForte, Prince Dennis Muller, Duchess Jenny Bremer, Duke Donnie Johnson, Lady Virginia Everett, and Lord Russ Lucio also joined the royal court.

King and queen candidates were Frank Herman, Peggy Jones, Dave Momberger, Cristela Rangel, Becky Rolfzen, Jim Stelter and Stephanie Wilson.

Nominated for prince and princess were Beverly Cayetano, Jodie Eastman, Tony Herrera, Ray Hughes, Scott Munos, Tim Salak, Leslie Tatum, and Misty Thompson.

Candidates for duke and duchess were Howard Ambrus, Libby Engel, Jackie Johnson, Tony McNamara, Heather Nelson, Mike Park, Mada Parnell, and Andy Schmitt.

Selected as lord and lady candidates were Tamer Azzazi, Mike Castillo, Lisa Cobb, David Garcia, Lisa Miller, Carmen Rosario, Paul Salak, and Ann Webb.

The final event of the week was the dance held on Friday night.

Econ Lab partnership formed

EFFECTS of having a new superintendent appointed last year began to filter down to Humboldt, as new programs and procedures were announced. Most newsworthy was forming a partnership with Economics Laboratory, Incorporated, for the purpose of enriching educational experiences at Humboldt.

A task force of Econ Lab employees, Humboldt staff members, and school district administrators was formed to identify the school's special needs and to help develop programs to meet those needs. Early suggestions included speakers, tours, job training opportunities, and help with funding proposals.

Humboldt had earlier entered a partnership with St. Thomas College for similar purpose — to take advantage of the resources a large private college has to offer.

Work continued on a specialty magnet program in international studies which is expected to be in place by the fall of 1987.

Mr. Soruco earns recognition

RECIPIENT of an Excellence in Education Award as part of nine-county competition sponsored by the Minnesota Business Foundation for Excellence in Education was Mr. Ruben Soruco, math, physics, and Spanish teacher.

For his efforts, Mr. Soruco received a cash award and was honored at a reception held at the Ordway Theatre. In announcing Mr. Soruco as winner of this award, the foundation stated that he had been cited by students, parents, teachers, and school administrators for excellence in teaching, dedication to his students, and for his rapport with parents, colleagues, and superiors.

Last year, Ms. Becky Christopherson, home economics teacher, and Ms. Dianne Hoppen, French teacher, were recognized by the foundation as teachers of excellence.
Mr. Klawitter is 'favorite'

WHEN SELECTING a favorite teacher in the annual Senior Poll, the name which comes up most frequently is Mr. Cal Klawitter, English teacher. At least that has been the pattern since the poll was revived for use in this yearbook six years ago.

It was no surprise, then, that when the St. Paul Dispatch and Pioneer Press received 226 nominees from readers about favorite teachers, the person who was granted top billing was Mr. Klawitter. He was nominated for this recognition by Mr. Larry Cannon, a 1958 graduate of Central, where Mr. Klawitter was formerly assigned.

Describing the veteran of 35 years in the classroom, Mr. Cannon stated, “Unlike some teachers, he took a genuine interest in me, just like he did with many other students.”

And, judging from the results of the Senior Poll, Mr. Klawitter is still making students feel good about themselves.

Ms. Hopen takes leave

Ms. Dianne Hopen, French teacher, did what many students hope teachers would do more often: she not only left town, but she also left the country. The popular foreign language instructor spent most of the first semester living in Nantes and La Vendee, doing an in-depth study of the French language and living as many French people live.
New computer helps office

THE OFFICE gained the help of a new computer system in November which was programmed to call homes of Humboldt students and check on absentees and on those who were frequently tardy.

Valued at $6-7 thousand, the system was donated to the school by the Minnesota Hispanic Education Program, a non-profit agency set up to identify, recruit, educate, and place Hispanics in technical, scientific, and professional careers. This organization saw the value of regular school attendance for all students and was willing to make a financial contribution to help cut truancy, absentee, and tardiness rates.

The computer was programmed to call parents at certain times of the day and continued calling until a response was received.

ACTIVITIES

PEOPLE

The components of this yearbook, and the components of LIFE at Humboldt.
The focus here was EXCELLENCE. As we reach the end of this story, may our quest for excellence continue.
We will all eventually leave Humboldt to take on challenges of the real world. Hopefully, our school experiences have prepared us for what’s to come.
The staff which put this book together has attempted to capture some of those school experiences . . . all for the name of Humboldt, and our fame will always last.
EDITOR: Paula Bortz

ADVISER: Mr. R. Klepperich

STAFF: Dawn Bryant, Joellyn Medved, Jody Sailor, Jean Vorlicky

PHOTOGRAPHY: Del Larson Studio, National School Studios

CONTRIBUTORS: John Lombard, Lisa Ramirez, Bobbiejo Shaffer

Mr. Tom Johnson, local representative for Jostens.
The gang at Del Larson Studio, including Ernie, Delores, Terri, Mike, Tony, and Don.
The student volunteers who sold subscriptions, collected money, and never wrote on the homeroom lists.
The Bortz family, for allowing their home to become the yearbook office away from Humboldt.
Students in Social Studies 9 — room 135, who fully understood the meaning of "quiet study days" during the yearbook season.
YOU, the person who thought enough of what we were doing to buy the finished product.
We'll fight for the name of Humboldt, and our fame will always last.
