Homecoming Garcia, Regan reign over week of activities

HOMECOMING came to Humboldt early, as the annual Student Council-sponsored event took place the week of September 17.

Jon Garcia and Nancy Regan reigned as king and queen for all events after being crowned at an all-school assembly which had "Wishing on a Star" as its theme. Bob Zimmerman and Laura Johnson, last year's royalty, returned to do the official selection and crowning.

Dress up (or down) days included new wave, fifties, and preppy day, nerd day, and jersey day.

LUNCH TIME contests were held, although no one was ever too certain of who the real winners were. Students competed in bubble gum blowing, donut relays, and applesauce eating.

In powder puff action, the seniors outlasted the juniors to earn the championship. The juniors earlier had defeated the ninth graders, while the seniors had dropped the sophomores.

A sixth-hour pep rally ended the school day Friday, before Humboldt faced Harding at Harding in a 7:30 p.m. contest.

Even though every effort was made to "Knock Out the Lights of the Harding Knights," the Indians came out on the short end of a 38-0 decision.

Following the game, the Humboldt cafeteria became the scene of a dance with music provided by a video company. Neither Michael Jackson nor Prince were present to pass out prizes to the best dancers.

Sno-Daze

Royalty reign over winter festival

WITH BUTTONS reading "Alive in '84," and a coronation theme of "Ice Castles," Tim Newbauer and Nancy Schostek were chosen in an all-school election to reign as king and queen of Sno-Daze.

Highlights during the festive week included hat, tie, and shades day, Hawaiian day, and sweatshirt and slippers day.

Also chosen as royal court members were: Brian Gomez, and Rosa Gaona, prince and princess; Scott Munos and Milissa Castillo, duke and duchess; and Rick Cruz and Libby Engel, lord and lady.

Other seniors nominated for king and queen were: Mario Gaona, Robert Garcia, Bob Gorr, Jolene Jenniges, Trang Le, Teri McIntosh, Barb McKinley, and Mike Romo.

Other juniors nominated for prince and princess were: Tammy Burke, Shelly DeMarre, Ray Kittelson, Chris Loredo, Tina Morales, Mario Mudek, Melanie Nobello, and Andy Vance.

Other sophomores nominated for duke and duchess were: Dennis Muller, Jeff Morris, Linda Rosario, and Tim Salak.

Other ninth graders nominated for lord and lady were: Jenny Bremer, Jay Ceniceros, Don Johnson, Jackie Johnson, Shannon Martinez, and Mada Parnell.

Nancy Regan and Jon Garcia were mistress and master of ceremonies for the coronation, held in the auditorium. Sno-Daze week concluded with a three-hour video dance in the cafeteria.

Octet added to group's musical program

A SMALLER GROUP than in previous years greeted Mr. Richard Garcia, director, in September, but he described this choir as one of the best he has ever seen or heard.

Two highlights of the year were the Christmas Concert held December 20 and the Variety Show scheduled for April 16.

Preferred selections included "Lean on the Wind," and "All the Way to the River." Other favorites included "Lonely Memories," "I Need You Friend," and "We Can't Say Good-Bye," all written by Denise Rios, a junior choir member.

A girls' octet was formed which had Raymi Casillas, Molly Conlan, Eileen Deutsch, Carrie Garcia, Gloria Gregor, Beverly Nash, Michelle Peterson, and Rios as its members.

Paul Langlois joined Eric Kaup, Brian Kittelson, and Mike Romo as a boys' quartet.

There were many opportunities to show off the choir's talents away from school, including concert appearances at area elementary schools. In December, the choir sang holiday carols in the First National Bank Skyway.

While the graduation performance always takes on a special meaning for the choir, this year's had even more significance: exactly one-half of the choir members were scheduled to participate in the graduation ceremonies and receive their diplomas.

Band

School hosts Pyramid Concert in March

by Mr. Richard Curran, took on a new appearance this year, as they were outfitted in tuxedos purchased last spring.

Many activities were part of the group's schedule, including pep-fests and in-school fall, winter, and spring concerts.

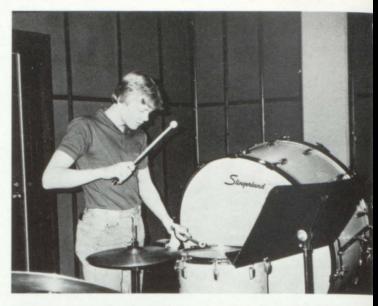

On March 20, the band took a trip to Inver Hills Community College. There they played in the Region 3AA large group contest, competing against other schools. Immediately following, on March 21, was the Pyramid concert during

which Humboldt hosted West Side and Monroe elementary schools. In April the band played at the Variety Show.

The group also went to Cherokee, Monroe, and Riverview schools to perform and to recruit possible band members.

In May, members marched in the Police Parade.

To end its year, the group played together one final time at graduation ceremonies on June 6.
Officers for the year were: Scott Englund, president; Dan Hannan, vice-president; Laura Bock, secretary; and Kim Pierce, treasurer.

Student Council

12-member board guides Council programs

WITH FIFTY DELEGATES, an executive board of twelve members, and a fifteen-year veteran adviser, the Student Council kept in control of a series of student-sponsored events throughout the year.

The Council's main project was the Humboldt Helps Santa (HHS) Drive which resulted in the collection of more than 1300 canned goods and \$400 in cash, all donated by the students and teachers of Humboldt.

An additional contribution of \$600 was added from the Council's treasury. Twenty-five percent of the cash total (\$250) was donated to the Kelly Oglesby Fund at the Signal Hills State Bank. The remainder of the money was divided between the Salvation Army and the Neighborhood House.

For a third straight year, Mr. Bruce Hoff's homeroom S231 led the way with 331 points. Best decorated homeroom and door belonged to S341, advised by Ms. Mary Haug.

The year's activities started off with Homecoming, which took place earlier than usual and forced Council members to really extend their oganizational skills.

Cheese and sausage sales took place in November along with a record number of sweatshirt sales complete with threats over the morning announcements by Nancy Regan, president, about delinquent payments.

Chess Club Spanish Club New group advised by Sr. Soruco

French Club

Annual Dinner Serves Record Number

A RECORD-BREAKING 270 guests took advantage of the French Club's invitation to experience a "taste of France" at the group's annual dinner held October 30 and created extra work for members in terms of special preparations.

More than forty table centerpieces were made up, and six pictures of the chateaux were prepared as wall-hangings. Adviser Dianne Hopen worked with Ms. Becky Christopherson, whose students provided the meal as part of their Food Factory experience.

Debate Team Math League Students compete in 2 academic areas

IT WAS A BUILDING YEAR for this year's young debaters who took on the topic "That the federal government should provide employment for all employable U.S. citizens living in poverty."

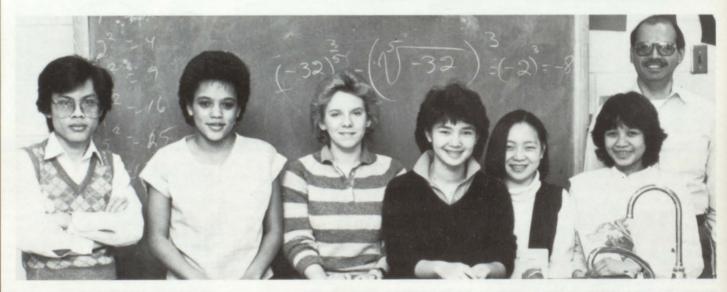

Team members participated in several local

tournaments and gained debating experience and improved communication skills but were not quite ready to take home any trophies. "We're just learning what we can and having a good time," concluded Coach Mike Tweeton.

THE MATH LEAGUE provided another form of academic competition for Humboldt students, with five meets scheduled during the year and a total of seven other Twin Cities area schools providing the opposition. Humboldt finished as high as third twice in early-season meets.

On-the-Job Training Program bridges gap with community

"BRIDGING THE GAP between school and the world of work" is the slogan of the Community Based Employment program, better known as On-the-Job Training.

OJT provides the opportunity for selected seniors to enter the world of work under the supervision of both a trained professional employer and a professional educator and still attend a half-day of classes at Humboldt.

Cherokee State Bank, St. Paul Companies, Corps of Engineers, Department of Natural Resources, and Sears were included among the 32 companies which served the 46 senior participants in the program this year. Some of these job stations have been available to students since the program started in the 1950s.

OJT was supervised at Humboldt by Mr. Joel Arnevik and Mr. Jim Wirth.

Ski Club

Humboldt hits slopes of Afton Alps

"THE SKI CLUB gives students a chance to become involved in something worthwhile outside of the regular school schedule," stated Trang Le, the group's secretary. With membership at about thirty, January and February trips were scheduled to Afton Alps. Beginners were welcomed at the first and third outings where it was possible to receive free one-hour lessons from Ms. Dianne Hopen, adviser and expert ski instructor. There was no truth to a rumor that Ms. Hopen taught skiing in both French and English. A total of four ski trips were scheduled.

Danceline Group works hard in rebuilding year

DECLINING MEMBERSHIP did not stop the efforts of Ms. Toni Torgerson, the group's new adviser, in trying to rebuild the danceline.

"I knew it would take at least a year for us to become an established group; it looks like things finally fell into place," Ms. Torgerson stated.

One danceline member, Gina Gist, was part of the hearing impaired program at Humboldt. "Working with Gina was a real learning experience for all of us," Ms. Torgerson commented.

PI Hockey

Bateman leads Humboldt to 10-9 victory

A 10-9 VICTORY over White Bear late in the season was a highlight for the PI hockey team which had a 1-4 conference record. Top scorer in the victory was Sean Bateman, who hit eight goals. Linda Aguilar and Pat Geehan had one each. In a duel against Robbinsdale, the Indians were defeated, 14-5, but Coach Helen Swanson was quick to praise her players for their work in this contest. Bateman had three goals and Geehan had two to help Humboldt's cause. Sean Kealy and Scott Ksiazek, goalies, were mentioned by Coach Swanson for their steady play throughout the season. Jeff Lock and Lynne Myers were the squad's only seniors.

Small staff brings 'Life' alive

THIS 128-PAGE YEARBOOK, six issues of the newspaper, the Arrow, a sixteen-page supplement to the edition of Life'84, and four newsletters for parents were difficult tasks to take on by an eight-member staff.

Long hours after school, hard work, a little popcorn, and a lot of headaches made it possible for the group to meet three 40-page yearbook deadlines.

The theme of this year's promotion for the nine-day subscription drive was "Life — Alive in '85." More than 500 books were delivered on May 24 from Taylor Publishing Company in Texas.

Mr. Robert Klepperich, yearbook advisor, could always be found in room 134 from 6 a.m. until 6 p.m. overseeing the \$10,000 operation.

Principal and Board focus on discipline

PRINCIPAL John Ettlinger went to work in his second year as Humboldt's chief administrator at the same point where he left off last year — with a concern for the school's number one problem, absenteeism and tardiness; with renewed vigor for an emphasis on reading (and writing) in course content areas; and with an eagerness to continue to communicate with the total community.

The administrative team was increased by one, as Dr. Oliver Spencer returned from a leave of absence to move into handling discipline problems in grades seven and eight.

Mr. Ralph McDonough, long-term Humboldt English teacher and coach, was appointed writing specialist. In this role, he created additional opportunities for students to strengthen their writing skills. Mr. McDonough also helped coordinate teacher workshops which focused on how to improve student writing.

AS THE SCHOOL YEAR approached the end of the first semester, the Board of Education had given approval to several measures designed to improve the learning climate. These included more staff members to deal with discipline, and Saturday morning detention time for the most disruptive students. There was even talk of using a computer at Humboldt which could be programmed to call the homes of those with attendance and tardiness problems.

TWO HUMBOLDT TEACHERS

earned Excellence in Education Awards for their outstanding performances in the classroom, their dedication to students, and their relationships with parents, other teachers, and administrators.

Ms. Becky Christopherson, home economics teacher, and Ms. Dianne Hopen, French teacher, each received cash awards and were recognized at special ceremonies held in

October.

Ms. Christopherson was chosen from a field of more than 100 nominees from the Twin Cities area to be recipient of her honor. Ms. Hopen received the Julius Braufman Award, presented to an outstanding secondary teacher from the St. Paul Public Schools.

Sponsor of the awards was the Minnesota Business Foundation for Excellence in Education, a non-profit group established to reward and recognize teachers for their untiring efforts.

"HANDICAPPED KIDS should expand their education and become as independent as possible. I want to be a part of that process."

These were the words of Mr. Frank Kurkowski, physical therapist, when he was asked about the many creative devices he has designed to make education (and life) easier for the school's physically impaired students.

He has won several awards for his inventions, which include adaptive eating utensils and wheelchair equipment such as seats and foot pedals. His most important electronic device was a micro-computer adapter which allows students to operate a computer without making physical contact with a keyboard. A printer attached to the system allows them to complete written work.

Amy McManus and Jay Metcalf are two of the students who have benefited from this device.

MORE THAN 100 Humboldt students with limited English proficiency (LEP) were served in a special program coordinated by Ms. Mary Haug and Ms. Nelsine Stuhlman.

Known as the English as a Second Language (ESL) program, the focus is on language skill areas such as vocabulary, grammar, and usage. Some students are enrolled in a total program of ESL classes, while others take few or none but can count on the ESL staff for guidance.

Even though most ESL students are Southeast Asian, there were also those from Cuban, German, Mexican, and Puerto Rican cultures who benefited from the program.

While most of the work is academic, there was also time for volleyball (the ESL homeroom was all-school champion last year) and a winter party designed to acquaint students with American holiday traditions.

AS PART of being a vocational training site for special education students, Project Explore offered duplication room services to Humboldt staff members.

These included collating and stapling, and making ditto, stencil, and Royfax copies.

Ms. Jean Hilger, technical tutor and supervisor of the operation, stated, "the service was started two years ago as a result of a school district budget cut." Before that time, these jobs were handled by teacher aides employed by the school district. Project Explore students used to perform similar tasks but on a "pretend" basis.

Now the duplicating services keep teachers from having to perform these chores and make it possible for students to "learn by doing" in a "real world" situation. Mr. Dennis Jensen is the project's coordinator.

THE ASSIGNMENT of a new chief custodian, expansion of the cafeteria menu, and additional help for the junior high office were among highlights for support services.

Mr. Mel Carter took the reins as person in charge of the ten-member custodial staff assigned to the Humboldt complex. Mr. Carter came to this school after work at Benjamin Mays and Hancock Elementary Schools.

An improved salad bar and soup line and "grab a bag and run" lunches were welcome additions to the cafeteria menu. Bag lunches, which included sandwich, fruit, chips, cookie, and milk, were available for on-the-job-training students who left after third period. Ms. Mary Tousley was cafeteria director.

Ms. Val Langaslay, junior high clerk, received long-awaited additional help as her staff was increased from one to three clerks.

A DECLINE in the number of people trying out for cheerleading led Adviser Charlene Hunter to make two administrative decisions: to eliminate one of the squads normally selected and not to have a junior varsity team.

The first decision meant there was no group designated to cheer for girls' basketball, and the second decision made it possible for ninth graders to be part of the varsity cheering squad.

There were five returning varsity members from last year — Julie Anderson, Colleen Dickey, Julie Ekholm, Chris Fisher, and Leandra Zepeda — and they were joined by ten new members after original tryouts were held last spring and repeated in October to fill out the winter sports teams.

Teri Helsper and Lynn Reinke were the two ninth graders who made it all the way to the varsity this year.

Weekly practices were held to keep voices in shape, to rehearse old routines, and to add new cheers and movements to their collection.

Cheerleaders faced the difficult task of conducting several all-school pep fests. Their work was made easiest by the winning ways of the wrestling team.

The year was made complete by participation in the old stand-by activity: fund-raising. Candy and popcorn were sold to raise money for an end-of-the-year banquet. There were no reports of any cheerleader-sponsored car washes being held.

In long season

Humboldt hammers Highland

THE FIRST-YEAR COACH

was quick to praise his players for their effort and positive attitude and was able to point to a 6-2 win over Highland as an example of what can happen when a team works together as a unit.

Mr. Paul Herzog knew last spring when he was assigned as varsity football coach that his job would not be easy, but he was able to find success in small measures as his squad battled through a tough City Conference schedule with only the win over Highland to show against seven losses.

Senior Mike Pizzuti, the team's most valuable player, scored a tenyard touchdown run against the Scots, while the defense sealed the win by shutting down Highland's offense.

THE STORY was different in the other seven games, however, as Humboldt was outscored, 264-20, giving up an average of nearly 38 points per game. The Indians were shut out four times, with only Andy Gomez on a quarterback sneak against Como and Pizzuti on a run against St. Thomas scoring Humboldt touchdowns. Pizzuti was rewarded for his special efforts by being named to the All City team, while lineman Brian Gomez received honorable mention. Lineman John Markham was named the squad's most improved player.

1-6-1 record

Close losses suffered

with four losses coming by a total of only six points, the ninth grade football team ended its season with a record of 1-6-1 and had Coach Pat Cherrier exclaiming, "Our record doesn't prove anything. We could have easily been 6-2."

Leading ground-gainer was Donny Johnson, while Leo Flores and Greg Herrera were the favorite targets of quarterback Tony McNamara. "They acted like a winning team despite the record," Coach Cherrier concluded.

Led by Brewer

Runners score 2 victories

SENIOR Chris Brewer led the cross country team to conference wins over Central and Johnson.

In the victory over Central, Brewer had his best time ever on the three-mile course, 17:20.

Tim Newbauer and Gary Walker were other top runners with times of 18:20 and 18:30.

The ten-member team looks to be promising next year, losing only three seniors.

"Though we finished with a 2-6 conference record, the boys gave it their all in every meet," commented Coach Bob Ryan.

The girls' team failed to finish its season.

In region action

Humboldt roasts Ramsey

A FIRST-ROUND VICTORY

over Ramsey in region play-downs was the highlight of a volleyball season which found Humboldt posting a 4-6 conference record and landing fourth out of twelve teams in the St. Anthony Tournament, the best a Humboldt team has done in volleyball tourney action in five years.

This was a scrappy squad which could hold its own against the bigger schools, such as Ramsey, Hill Murray, and South St. Paul.

The season ended with a loss to Johnson, city champion and eventual State Tournament entry.

AGAINST RAMSEY,

Humboldt battled back from a 15-13 first-game loss to sweep two straight by scores of 15-6 and 15-11.

Kelly Oglesby and Debbie
Fredrickson, only a sophomore,
brought further honors to Humboldt
by being named to the All-City team.
Other awards were earned by
Fredrickson, most dedicated; Karen
Schmidt, most improved; and
Oglesby, most valuable. Jolene
Jenniges and Oglesby were team
captains.

When asked about the team's greatest strength, Coach Denise Quinlan stated, "Each player improved in her own special way."

Ninth grade wins 10

Revenge gained by JV

WITH A FINAL RECORD of

4-9, the junior varsity volleyball team avenged an early-season loss to Harding with a 2-0 shutout in the final match of the season.

Usual starters included Missy Castillo, Rosa Gaona, Loan Le, Becky Reinhardt, Candy Rosario, and Patti Verdeja.

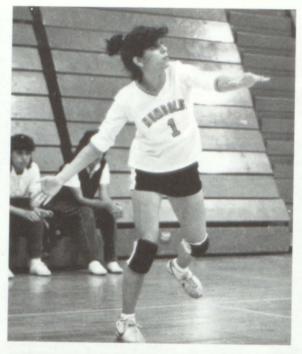

At the JV tournament held at Humboldt, the Indians suffered 2-1 losses to Johnson and Como.

THE BEST PERFORMANCE

of any Humboldt fall sports team, based on its win-loss record, was earned by the ninth grade volleyball squad, which raced to a 7-3 mark in conference action and was 3-0 in non-conference play.

non-conference play.
Two losses, to Harding and
Highland, were made up for with
wins in the second round of play. The
victory over Highland was made even
more important because the Scots
had previously been undefeated and
eventually won the city title.
In the ninth grade city-wide
tournament, Humboldt finished
third to Highland and Johnson.

Region 3AA champ

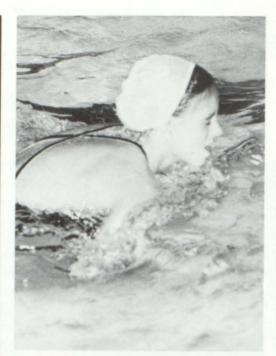

Nelson goes to State

what no other female tennis player has accomplished in the history of the game at Humboldt — a place in the State Tournament as a result of earning the Region 3AA singles championship. What made this even more amazing was that Heather did this as a ninth grader.

The transfer student from Richfield mowed down all region competition, including 6-2, 6-3 decisions over the number-one seeded player from Ramsey. At the State Tourney, held in October at the Nicollet Tennis Center, Nelson was dealt first-round losses by a player from Detroit Lakes.

As a team, Humboldt ended its season with a 1-6 record. The victory was recorded over Highland in the first meet of the season, 4-3, for the first win for a Humboldt tennis team in three years. Laura Bock and Melanie Nobello played first doubles, while Lupe Garcia and Kim Pierce made up the second doubles combination. Nelson and Jody Sailor were the squad's singles players.

Improvement program continues

HUMBOLDT continued its improvement program in swimming with the girls' team, competing in the fall, having a much larger turnout than usual to greet new coach Ms. Kim Denisson, and the boys' team, competing in the winter, having not only a larger squad to work with veteran coach Mr. Jay Wescott, but consecutive wins over Harding and Como and a non-league win over Brady to brag about.

The girls' squad opened its season with a win over Como, the first for Humboldt in three years.

Six school records were broken, with five marks being set by Carrie Garcia and one by Patti Patton.

Leading point-getters were Georgia Hottinger, seventh grade; Michelle Anderson, eighth grade; Robin Anderson, ninth grade; Stephanie Burdick and Kim Otte, eleventh grade; and Patton, twelfth grade.

FOR THE BOYS, leading scorers were Ray Hughes, Bob Parnell, Rodney Owen, Eric Henly, Greg Herrera, Robert Lombard, and Tim Salak.

In non-league play

Humboldt earns 2 victories

NON-CONFERENCE victories over St. Paul Academy and Brady highlighted the boys' basketball season, but the Indians went winless in sixteen conference games and were forced to settle for a last place standing.

Coach Larry Lucio continued his up-beat approach to the program for basketball players at Humboldt and could point to two outstanding ninth graders — Scott Aeilts and Leo Flores — that there was hope for the future.

Aeilts ended up being one of the team's leading scorers, while Flores scored well and was a leader in rebounding.

Four seniors — Dino Alsides, Jon Garcia, Dan Hannan, and Andre Zampa — provided the bulk of the leadership for the team and took turns being scoring threats for the Indians.

Typical, perhaps, of games played during the season was a 75-43 loss to St. Thomas Academy on January 29. The Indians managed only six points in the first period and were behind, 43-19, by the end of the first half. The final score was 75-43. Humboldt featured a balanced scoring attack, with Alsides and Aeilts hitting ten each and Roy Hernandez chipping in with nine.

No wins this year

Coach says, 'Young team will be back'

"WE'RE A YOUNG TEAM with young coaches, so we'll be back," stated first-year Coach Kathy Korum.

The Indians' record was 0-16 for the season, with their closest games coming against Johnson, 67-38, and Central, 49-33.

Humboldt was the victim of several "blow-outs," with some losses by more than fifty-point margins.

With an injury to Kelly Oglesby in the preview, the girls had to learn to play without their top scorer.

"It has affected the team, but we learned to deal with Kelly's absence," commented Ms. Terese Wheeler, junior varsity coach.

Leading scorer for the season was Milissa Castillo, and leading rebounder was Jodi Carlson.

All team members except Denise Rios and Patty Mendez played for the junior varsity.

The girls did beat the faculty, 39-20. The cost of the game, which was held during sixth hour, was \$.50, with proceeds going to the Oglesby family.

JV teams experience long season

IT WAS A LONG season for both the girls' and boys' junior varsity basketball teams as each went winless in conference play, but did have victories over Brady to show for their efforts.

The girls probably played their best games against Central and Derham, with ninth grader Taunee Thorn having eleven points in the Derham contest.

Top scorer for the season was Yvette Schultz, while leading rebounders were Milissa Castillo and Becky Solt.

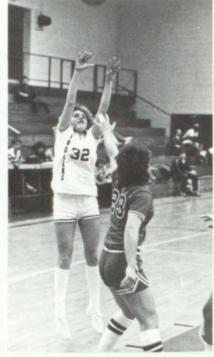

All JV players also saw some game time with the varsity. Humboldt did not have a ninth grade girls' team. The boys suffered two close defeats — to St. Thomas, 41-40, and to Harding, 43-39.

Mark Reinke was the leading scorer for the season, averaging in double figures. Tim Olson was the best rebounder.

The ninth grade team was 4-12, with a pair of victories coming over both Harding and Johnson.

Beto Perez was the leading scorer, while David Leach was top rebounder. The squad was able to get some help from ninth graders Scott Aeilts and Leo Flores, although most of their playing time was with the varsity.

8 go to State

Conference, Twin City Champions

A CITY CONFERENCE title, a
Twin City Championship, eight
wrestlers qualifying for individual
State Tournament action (a record
for Humboldt), and a strong bid for
the team portion of the State
Tourney were all accomplishments of
the varsity wrestling team.
Humboldt was 8-0 in the
conference, with a 29-23 dual match
victory over Como ranking as a
highlight. Brian Gomez's pin in the
night's final match nailed the win
and put the Indians in first place to
stay.

The squad rolled to its third Twin
City trophy, 34-16, over Edison.
Humboldt won its first five matches
to put the contest out of reach.
Gomez beat a 330-pound opponent to
aid the cause.

By finishing first in the individual portion of the Region 3AA Tournament, Humboldt qualified for the team portion of the action and a possible berth in the State. That plan was derailed by Park, 38-19, in what was considered to be an upset.

Scott Clark, 185; and Tim Newbauer, 105; led the state qualifiers as champions of the region.
Other qualifiers as runners-up were John Crist, 155; Robert Garcia, 167; Gomez, heavyweight; Don Johnson, 119; Dennis Muller, 98; and Scott Munos, 126.

For new coach

Wins over Central are highlights

WINS OVER Central, 4-3 and 7-3, were the only times Humboldt was in the victory column in City Conference hockey action with first-year Coach Jim Olson in charge.

Mr. Olson took over when Mr. Ralph McDonough decided to step down after last season, and the rookie coach took his skaters through a tough season and even a bit of controversy when he pulled his players from the ice against Cretin when he felt the officials had lost control of the game. The result was a 1-0 forfeit victory for the Raiders, and no points for the officials.

Karl Lasch, a senior, and Brian McDonough, a junior, were the squad's leading scorers. In the second win over Central, McDonough had two goals and two assists while Lasch had a goal and an assist. Also chipping in with goals were Dan Hosley, Dave Lopez, Frank Matthews, and Bob Zuniga.

In a close loss to Highland, 4-3, Hosley and Lasch hammered home two goals each, with two assists coming from McDonough.

The Indians also came close against usual power-house Johnson, dropping a 10-8 decision. Lasch had four goals and an assist.

ended its season with a 3-16-1 record.
Victories were posted over Central,
8-4, and 6-2; and Highland, 7-3. The
tie was against Highland, 3-3.
Goalies Marvin Stoltz and Jeff
Whitacre alternated throughout the
season from JV to varsity.
Nine other team members also had
a chance to play varsity, including
Todd Lane, Mike Lissick, Dave

Brian McDonough, John Robinson,
Joel Varela, and Bob Zuniga. Leading
scorers were McDonough and Zuniga.

In rebuilding year

Gymnasts defeat Johnson

IT WAS DESCRIBED as a rebuilding year for the gymnastics team, with plenty of practice time being spent developing and working on routines.

Humboldt defeated Johnson 81.4-66.55, to show that some of the rebuilding efforts were already paying dividends. Colleen Hosley, Shari Markham, Teri Vasquez, and Mary Jo Walker received special end-of-the-year recognition.

By junior high

2 conference championships earned

JUNIOR HIGH athletic teams brought home two conference titles in volleyball and wrestling. Coach Pete Medernach has established something of a dynasty in volleyball, as he led his squad to a third straight championship and a conference record of 8-0. Mr. Medernach mentioned top players as including Mague Rojas, captain; and Pang Yang, assistant captain; along with Lisa Belmares, Mai Na Lee, Liz Reyes, and Yi Thao. First-year wrestling coach Mr. Paul Herzog saw his team capture its second straight city title with a 7-1 record.

In cross country, the usuallypowerful Humboldt runners kept up their winning ways with a 5-3 record.
