It was in the fall of 1977 that Humboldt and Monroe merged into one school. Five years have gone by, and we have all had to do a lot of adjusting. We have grown together through all we've shared . . . and even through the mistakes we've made. This book is the story of one school. The memories it contains may help you realize that . . .

WE'VE COME TOGETHER

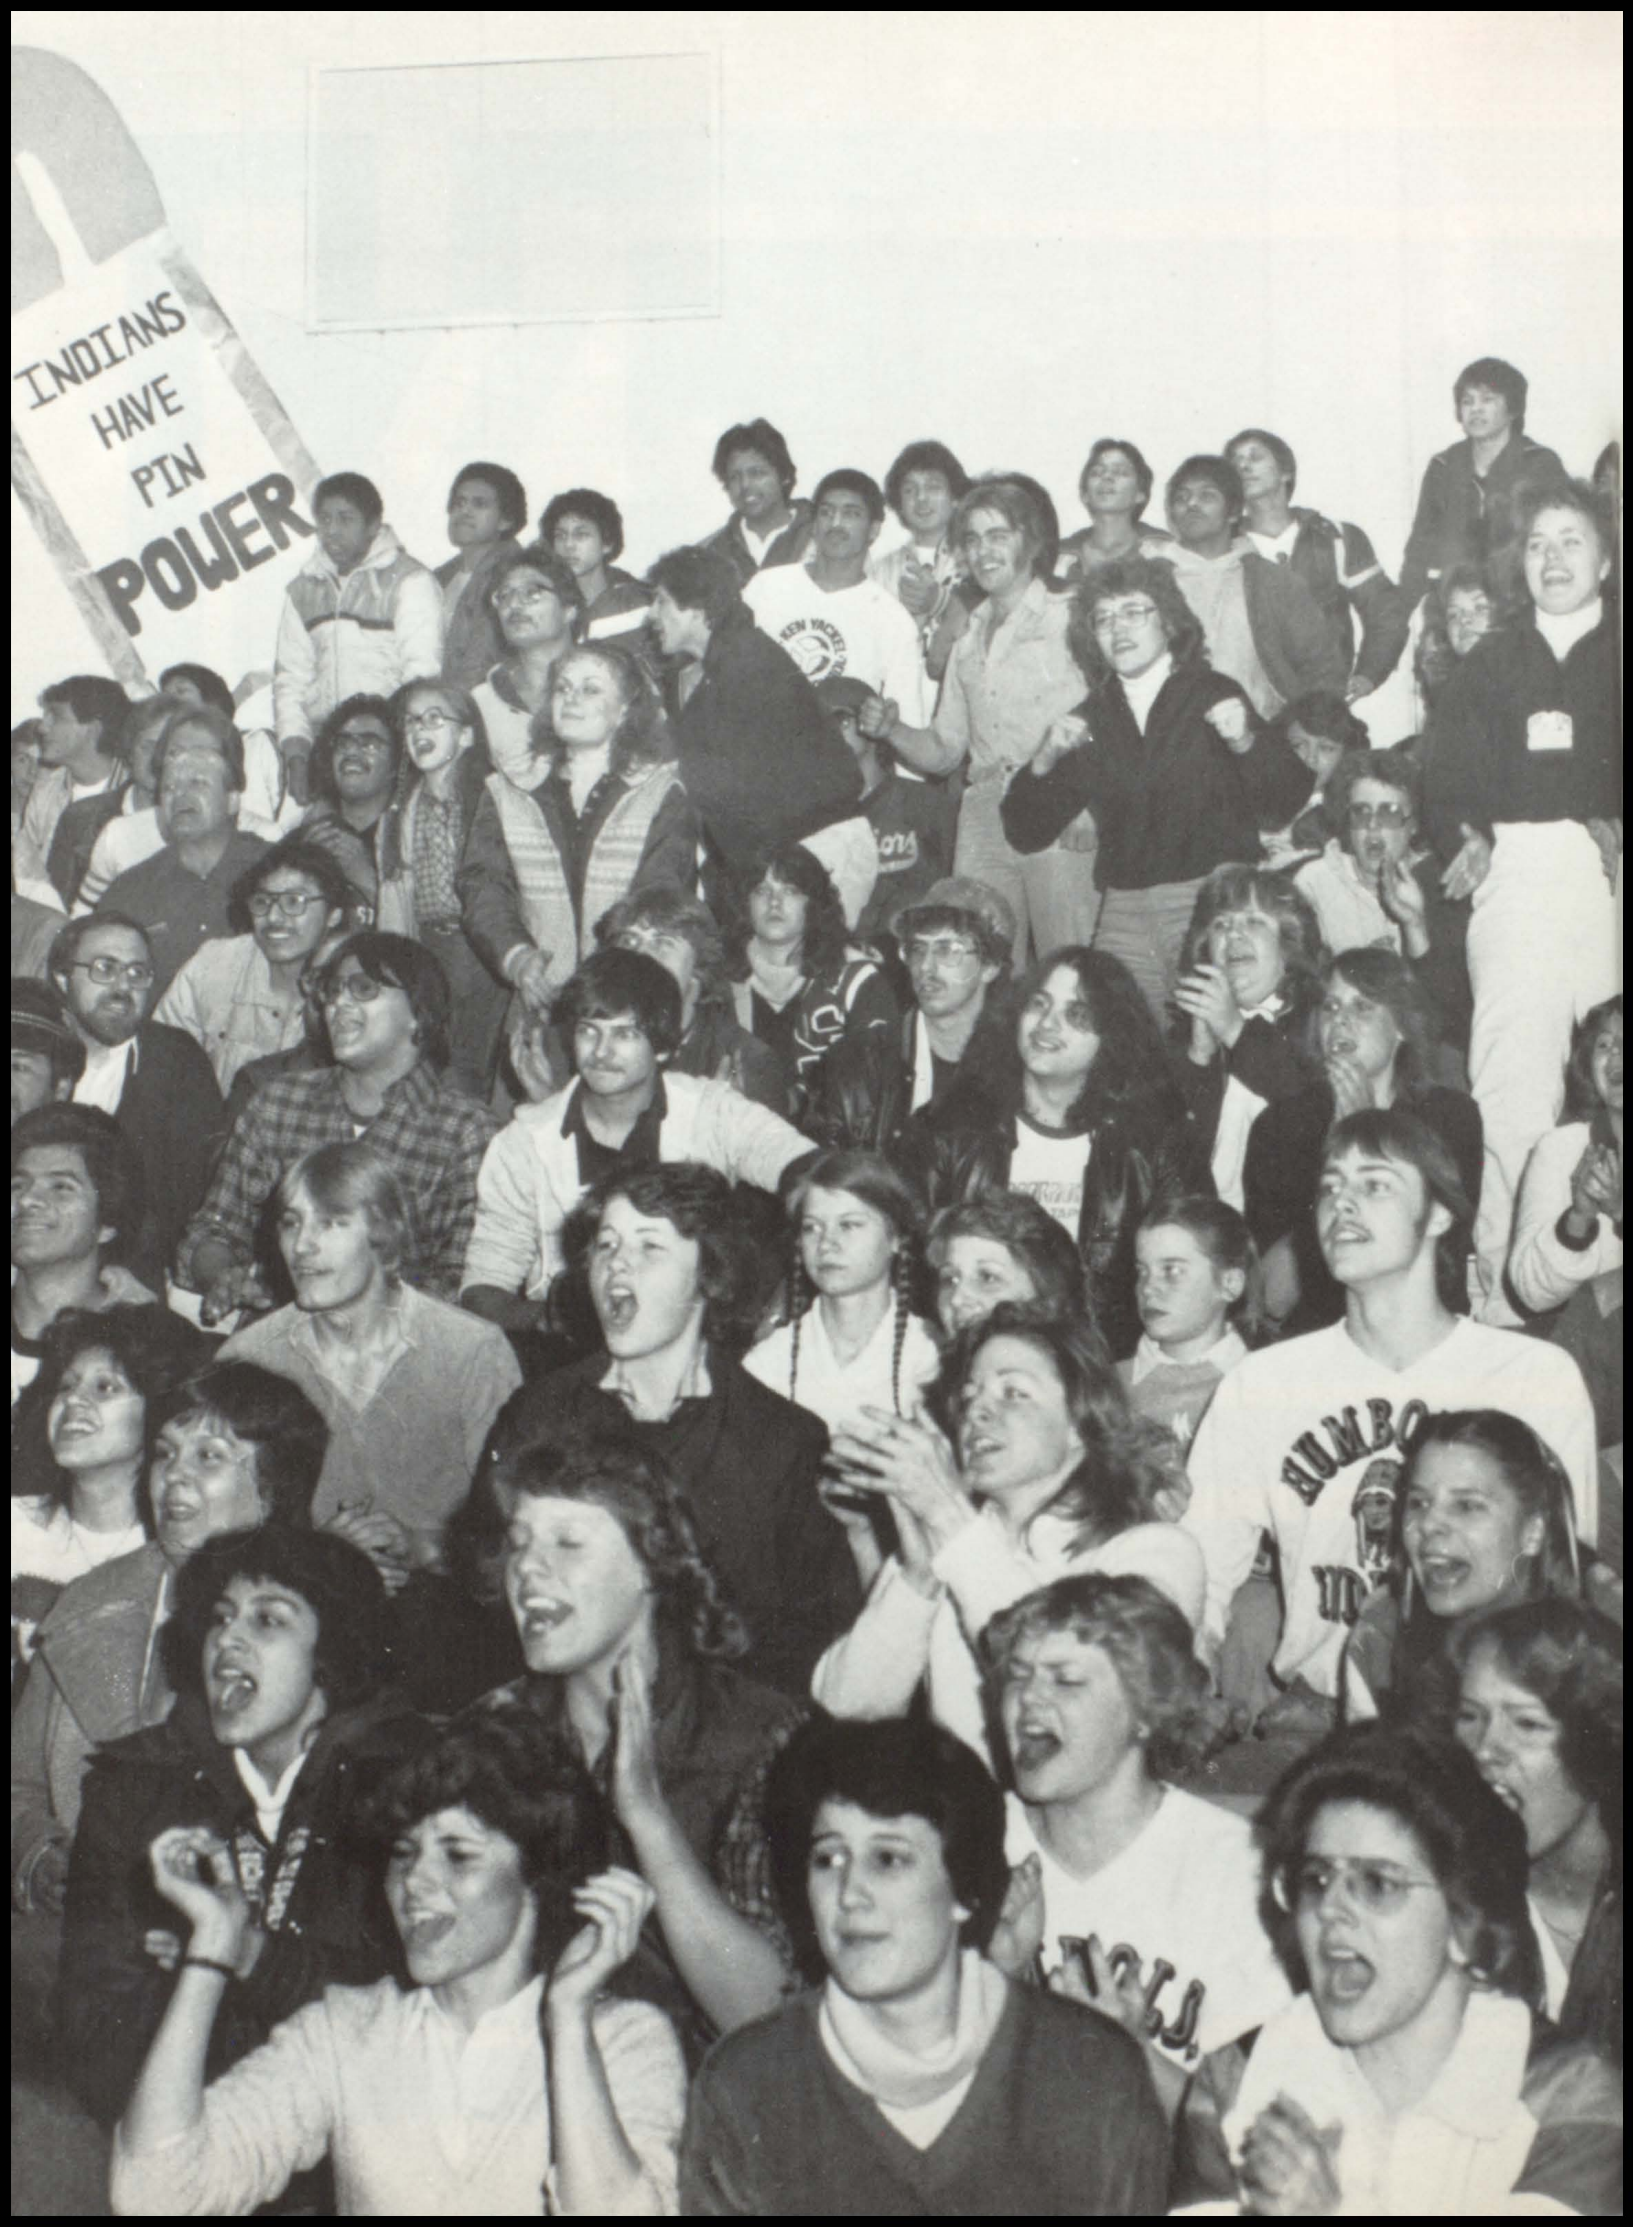

We came as individuals,
not knowing what to expect.
Most of us had our own personal identity —
a family name, a former school,
a neighborhood —
Humboldt was something new —
as a building,
as a place to become educated,
as a community to become a part of —
Some of us are now ready to meet
new challenges. But all of us
take with us the memories that ...

FOOTBALL

*Quarterback
Ron Clevenger
earns All-Time
Humboldt
Passing Award*

The varsity football team went through the season without a victory. After getting that bit of bad news out of the way, make room for the good news. First there was Ron Clevenger. The 6-1, 180-pound All-City quarterback became the school's all-time leading passer, with 121 completions and 1600 yards to his credit during a three-year varsity career. He had eight touch-down passes this season, with his favorite target being Tom Brennhofer who had five TDs. Brennhofer was also named as top receiver and defensive back. Others who helped make the season less dismal included Tim Albrecht, who was honored as top offensive lineman and MVP; Andy Austin, most dedicated; Steve Montantes and Jerry Zigan, top offensive backs; and Dave Theno, top defensive lineman.

JV FOOTBALL

80-yard TD run by Dino Alsidés highlights Homecoming with Highland

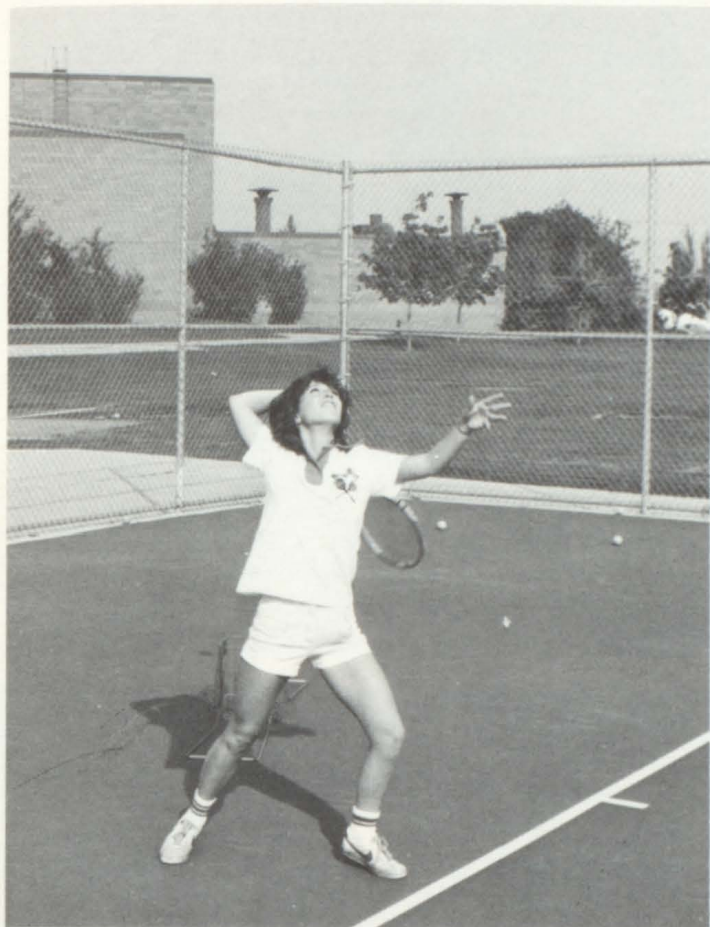

The difficulty of being able to generate a consistent offensive attack hindered the efforts of the JV football team, which was outscored 205-16 while losing seven City Conference outings. All sixteen points were scored in the Homecoming contest against Highland, with Dino Alsidés running eighty yards for a TD and scoring a pair of two-point conversions. Chad Clough had the other Indian TD. A ninth grade team played Saturday mornings and was winless in four games. Co-captains were Mike Cruz and Jerry Rosario.

Veteran tennis team defeats Central in season's first conference match

TENNIS

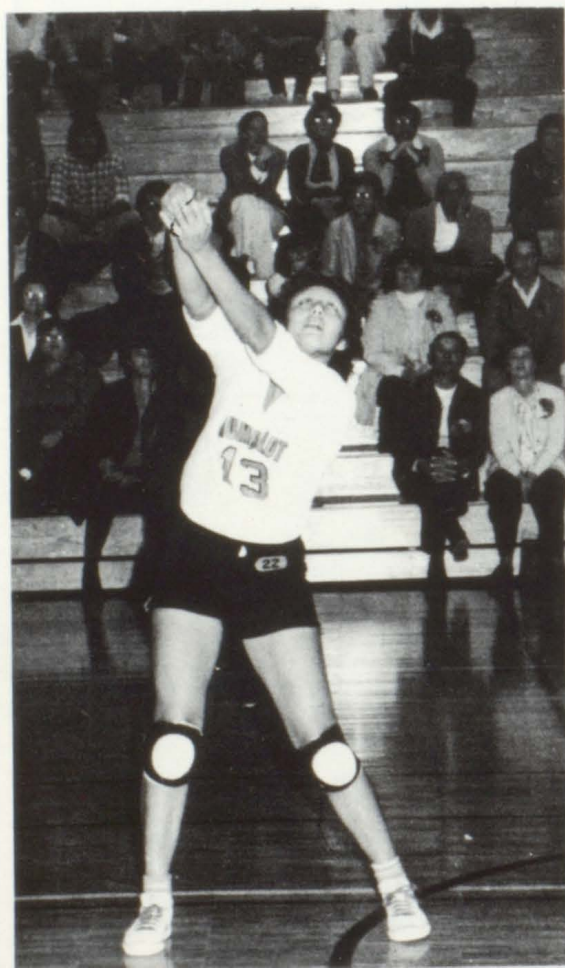

The ingredients were all there for a successful tennis season: There was a veteran squad which included six seniors, there was balance among squad members in terms of playing ability, and there was a 6-1 victory over Central in the first match of the year. But it was downhill after September 17 as Humboldt couldn't come close in any other conference match and finished 1-6. The slide continued in the first round of regions with a loss to Johnson and no one advancing beyond the first round in individual or doubles play.

Non-conference victories highlight varsity's season

VOLLEY BALL

Victories were scarce for the varsity squad in conference action where the Indians finished with a 0-7 record. But non-conference play was a different story as the girls took five out of the seven matches they played. Wins were over Kellogg, Marshall U, Minneapolis Henry, South St. Paul, and Woodbury. Individual awards went to Jenine FourCloud, MVP; Michelle Traynor, special recognition; and Janet VanZyl, most dedicated.

Placing seventh in a tournament during the final week of play was the JV's biggest highlight of the season. In the tournament the girls beat such teams as Como Park and Johnson, both of whom had defeated the JV during regular conference play. Penny Schuldt was named most valuable player.

The enthusiasm of first year Coach Kim Dennison and the ninth grade team members was somewhat dampened after a long tough season, which ended with a record of 2-6. Both wins came early in the year and were over Central and Derham Hall. Captain for the first-year squad was Julie Todora.

NINTH GRADE. Front row, left to right: Julie Todora, Kelly Oglesby, Nancy Regan, Eileen Deutsch. Back row: Jolene Jennings, Paula Burton, Jeannie Zigan, Coach Kim Dennison.

CROSS COUNTRY

Running aids winter athletes in quest for conditioning and challenges

Two athletes who made their marks in winter sports led the efforts of the cross country team. While someone suggested that cross country was used only by some to get into shape for winter sports, the determination and dedication needed to run a challenging three-mile course does not attract record numbers of athletes. Dave Johanson (basketball) and Keith Nielsen (hockey), were returning letter-winners and ran consistently in the 18-19 minute range for a team with an 0-6 conference mark. New Humboldt records were set by Andrea Lanoux, the only member of the girls' team.

SWIMMING

Sue Weir set a new school record in the 100-yard breaststroke and placed seventh at the Section VII swim meet held November 24 at TVI pool. The old record, held by Lori Johnson, was 122.3, and Weir had a time of 121.9. Against Central, Humboldt came away with eight out of ten first places but was still defeated by a score of 82-64 because of a lack of swimmers to fill each event. Although the team's City Conference record was 0-6, exceptional efforts were shown throughout the season by Kari Bortz, Robin Dilts, Carrie Garcia, Patti Patton, Dawn Salak, and Weir.

Furey's crew*

Victory was within the grasp of the boys' basketball team on numerous occasions, but plagued by turnovers and fouls, the squad finished conference action with a 3-14 record. Defeats of Como Park and Hill-Murray twice kept players optimistic and able to face the strenuous practices of Coach Dick Furey. Jerry Zigan led the Indians in scoring with an average of fourteen per game, and he received help on offense and on the boards from Dana James, Dave Johanson, and Curly Cenicerros. The junior varsity had a victory over Como, while the ninth graders were winless.

GYMNASTS

Wilson leads small team to super efforts in 2 near victories

A new coach, Ms. Jane Nichols, and three returning members, Mary Ambrose, Stephanie Wilson, and Nora Vanyo, were not enough to get the gymnastics team into the victory column this season. The winless record was not helped by a delay of 3½ weeks at the beginning of the season while a decision was being made about who would be appointed the new coach. Humboldt came close to victory twice — against Johnson, 86-73, and Central, 92.8-80.2. In the Johnson meet, Wilson had a second place on the beam, Penny Schuldt a second on the bars, and Carrie Garcia a second on the vault. Against Central, Wilson was third in floor exercise and third on the bars, while Schuldt placed second in the vault. Wilson, a three-year senior performer, earned the most points for Humboldt while competing in all four events of all meets. The best summary of the season could probably be found in the small number of squad members being called upon to face teams with larger numbers.

BOYS' SWIMMING

What is a successful season? If it is one that makes a player put forth that extra effort, then certainly the boys' swim team had a successful season. Despite losing all their meets, the team, according to Coach Jay Wescott, was marked by a number of outstanding individual performances. On the top of the list was Tim Hossalla, who took first place in the 100-yard backstroke against Cretin and later broke the school record in the event. Following Hossalla was Doug Robinson, who the coach called "one of the ten best in the backstroke event in the city." Others who had outstanding times during the season included David Jotblad and Rodney Owen, both in the 500-yard freestyle, and captain Dean Cota in the butterfly. Hossalla was ranked second in the conference in the backstroke and advanced to the sectionals.

a long season*

HOCKEY

It was a long season for the hockey team: twenty regular season games and sixteen losses. Despite the record, veteran Coach Ralph McDonough was quick to praise his team — particularly the seniors. At the end of the conference season, an 11-2 loss to St. Thomas, he said, "I would like to give special thanks to all seniors for their fine leadership this season. When you lose as many games as we have, the team's morale drops. But the seniors kept everyone up. I attribute good morale to good seniors." The four seniors on the squad were Ron Clevenger, Dave Lofgren, Jeff Sailor, and Maurice Vasquez. Lofgren led Humboldt in scoring with 35 points, including five goals in an 8-6 loss to St. Agnes, and was named athlete of the week by the St. Paul **Dispatch**. Other leading scorers were Eddie Zepeda, a junior, with 29, Clevenger with 24, Victor Lucio, a sophomore, with 16, and Keith Nielsen a junior, with 15. The best game of the season was probably the 5-0 shutout of Como with sophomore Mark Osborne in the nets. The other league victory was a 9-2 pasting of Highland. Clevenger led the way with three goals, followed by Nielsen and Lucio with two each. The third victory was over South, 5-2 and there was a 5-5 tie with Central.

JV HOCKEY

Humboldt gains 4 wins, 3 ties in first year for JV coach

Three conference wins, one non-conference victory, and three ties was quite an impressive record for first-year JV Coach Jim Munkwitz. With wins over Como Park, Central, St. Thomas, and Minneapolis Edison, the season ended with an overall record of 4-10-3. The ties came against Highland Park twice and Como Park once. Sophomore Tony Lissick and junior Bob Eylandt led the team offensively as well as being top scorers for the team. Defensively, the team had Shawn Eccles, captain, and Kurt Goldberg. Troy Bisbee and Mark Osborne were the goalies.

SKI TEAM

While Minnesota's winter weather was breaking records, the seventeen members of the ski team were out doing their best to break some records during the 1981-1982 season. The fourteen-member boys' team finished the season with a 5-5 record. While this is the second season for the boys' ski team, it was the first for the girls' team which had only three members and finished with a 1-9 record. Nine qualified for the regions: Shawn Bisbee, John Heroff, Jeff Jones, John Karas, John Plante, Scott St. Martin, Carrie Knick, Collene Mechtel, and Patty Rodriguez.

GIRLS' BASKET- BALL

In 1971, girls' basketball was added to the Humboldt athletic roster. Since that time, the varsity squad has never finished conference action with a winning season. Though the Indians didn't succeed in breaking that record this season either, the girls' did accomplish a 6-8 record, the best in the sport's history at Humboldt. Junior Jenine FourCloud led the squad in individual accomplishments, averaging 17 points per game, hitting a career high of 27 points against Johnson, and then going on to perform that feat again against city champion Hill-Murray. Other players having exceptional games included Angie Perez, who had 22 in the conference opener and 24 against Harding and senior captain Anne Nehring, who was named MVP and scored 15 points over Como Park to lead the Indians that night. She was also praised by Coach Bob Jackson for her dedication throughout the season.

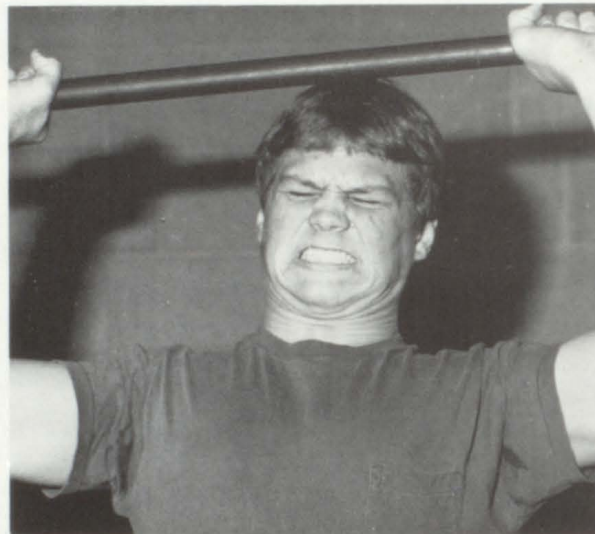

Midway through conference action, the JV team had its first victory, defeating Harding, 45-41. The Indians then went on to overcome Johnson, 37-27. The JV finished conference play 2-12. The ninth grade girls, coached by Mr. Steve Lenarz, played one round of conference action and defeated Derham Hall, 30-25 for the squad's only win of the season.

MATMEN

It was called the "impossible dream" by Coach Bob Ryan, yet it became reality on February 26 as Humboldt's matmen defeated Como Park, 25-21, became Region 3AA champs, and earned their first team berth in the State Wrestling Tournament since the wrestling program was started here 21 years ago. Over the years, Coach Ryan has had nineteen individuals compete in the State Tourney but never a whole team. Humboldt was the underdog as it lost to Anoka, 33-13, in the first round. The consolation meet was a hard-fought battle for the Indians, but they lost to Shakopee, 25-21. Greg and Tom Brennhofer competed individually in the tournament. Greg lost his first match. Tom won his first two, lost his third, and won his next two matches to earn a third place medal. Andy Austin, Don Burbach, Donnell Curry, Tim Newbauer, Leo Tejada, Gary Walker, and Greg Sabin also had winning season records, while Humboldt had thirteen team victories.

A shutout victory over Hill-Murray and wins over Harding, Cretin, St. Thomas, and Highland gave the JV matmen a 5-3 conference record. They also defeated Sibley, Simley, and Minneapolis Roosevelt in non-conference action, ending the season with an 8-4 overall record. At the city meet Humboldt took third place above Central who had defeated the Indians during conference action. Scott Munos took the city championship at 98. Dan Cruz and Tim Kreitz placed second, and Andy Aranda and Tom Cardenas each took third place. "Our team was young and did exceptionally well," said Coach Ryan.

Togas, pep assembly highlight Homecoming

A theme of "Whispers of Autumn" and buttons which read, "Like Litenin' Indians Will Strike Again," started off Homecoming week, September 25, with an emphasis on increasing Humboldt spirit and pride. Chosen during an assembly held second hour were Andy Austin and Jane McNamara to reign as king and queen. The festivities for the week included: Dress Up Day, Jersey Day, Orange and Black and Hat Day, Punk Rock Day, and the most popular, Toga! A pep assembly held before the game, featuring "Victory Battle Cries" between classes, created the perfect mood for an Indian victory. With a tough game against Highland, the Indians failed to bring back a Homecoming win, being defeated by the Scotsmen, 16-8. The week's final highlight was the dance. Entertainment was provided by the Third Avenue Band.

Sno-Week celebration aided by weather

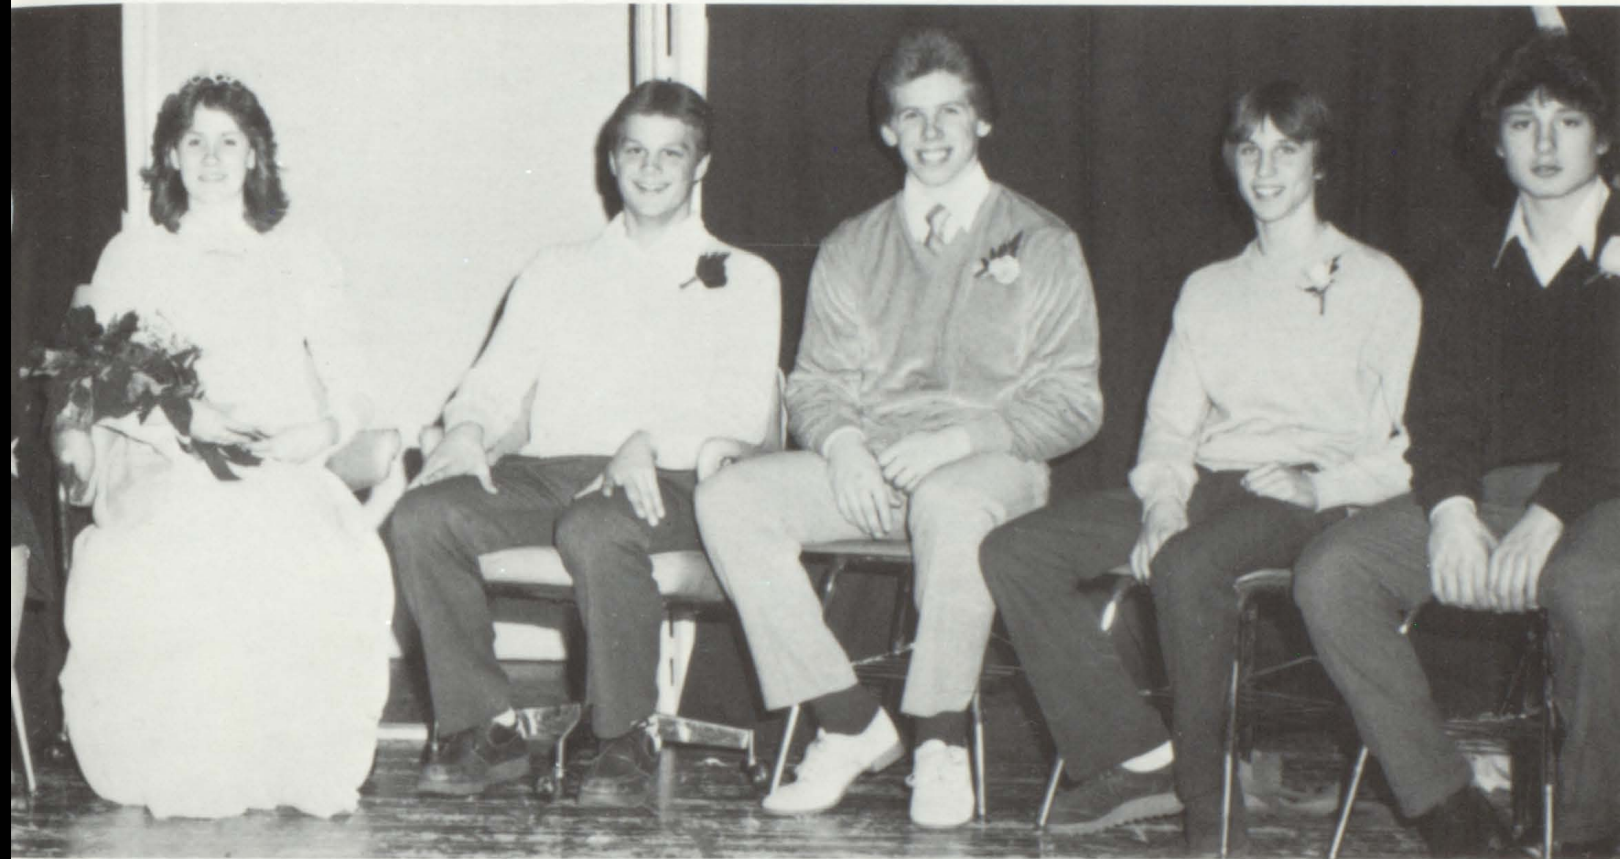

With over four feet of snow on the ground and temperatures dropping to twenty below, Humboldt's Sno-Week seemed to be appropriately named. But the chilly temps didn't seem to bother the anxiously awaiting students and faculty members who crowded into an assembly held during sixth hour to crown the 1982 Sno-Daze royalty. Crowned were: Chris Robinson, queen; Dave Theno, king; Robin Dilts, princess; Jerry Zigan, prince; Angie Rosario, duchess; Greg Brennhof, duke; Jeannie Zigan, lady; and Mike Pizzuti, lord. Entertainment for the coronation was provided by the Band, which performed "New York, New York" under the direction of Mr. Richard Curran. Janet VanZyl sang, "We're All Alone," with accompaniment by Mr. Darwin Korum, and Shannon Martagon played the coronation's theme, "Somewhere Down the Road" on the piano. Other activities that filled the week with spirit included Dress Up Day, Sweat Shirt and Sweat Pants Day, Boot and Hat Day, and Hawaiian Day. The week's final highlight was the dance.

HHS musicians join world's largest band

The activities of a high school band are many. And the 68-member Humboldt Concert Band was no exception. Under the direction of Mr. Richard Curran, the group started performing before most students had adjusted to the new school year. On October 12, the Band helped get into the **Guinness Book of World Records** by being part of the World's Largest Marching Band in Minneapolis. Since then the group has performed at concerts, pep fests, sports, and other special events. According to Kai Hansen, a clarinet and violin player, the "special events" gave the Band a sense of accomplishment. Commented Director Curran, who was the instrumental music teacher at Monroe Junior High last year, "The Band had several good points such as they wanted to perform, keep busy, and be well organized. Another change for the Band this year was the installation of new acoustic tiles to make the band room less "live." Added Mr. Curran, "Now a director who spends a lot of time in the room should not go deaf." Sherri Anderson and Mary Bukowski, both flute players, summed up their band experience as a unique way of school involvement. Band officers were Russell Hirsch, president; Vance Rolfzen, vice-president; Traci Meyer, secretary; and Laurie Munkwitz, treasurer.

French Club members serve dinner for 100

With its many fund-raising drives, the French Club used the \$700 its members earned for a field trip to a play, *The Little Prince*, cooking, and a dinner at L'Hotel Sofitel. The 75 members, with the help of Adviser Dianne Hopen, sponsored the annual French dinner November 17. The menu of soupe a l'oignon, cog au vin, salad, French bread, and chocolate mousse was served to over 100 guests. Twenty-eight French students took the National Written French Test in March while thirteen participated in the State Oral Contest.

New club promotes Spanish culture

A variety of activities were sponsored by the new Spanish Club during the year including a bake sale, a candy sale, and a Spanish dinner held in early April. The money that was raised was used to take a trip to Mexico. The club's objective this year was to teach others Spanish culture and cooking as well as to practice their Spanish-speaking skills.

Lack of performers forces cancellation

For the first time in the history of the Choir, Humboldt's annual full-length musical was cancelled. **Oliver** had been chosen as this year's production and was scheduled to be performed January 21-22. Director Darwin Korum was forced to call off the presentation after preliminary casting efforts resulted in a shortage of eight male performers. Mr. Korum announced his decision to cancel prior to the holiday break in December. Members of the 41-member Choir said they would be willing to help with sets, costumes, and publicity, but not enough said they would be willing to go on stage. "I was very disappointed that the musical was cancelled," said junior Judy Stodola, who was going to work on the project. In the fall, Chorus members sold **Happenings** Coupon Books and popcorn to raise money for new music. The performing Choir was busy during the month of December preparing for and presenting its annual Christmas program, which was held December 15. A Fall Festival of Music was offered in November with the Band, and a musical review was scheduled to be presented April. The Choir's final performance was June 10 at graduation.

Although the temperatures hovered below zero for most of the winter, brave Ski Club members found themselves on the slopes eight times during the season. Over seventy inches of snow fell this winter giving the club's 72 members plenty to play with at Afton Alps and Birch Park. Adviser Dianne Hopen and 38 ski club members spent a weekend skiing in Thunder Bay, Ontario.

Council raises \$1000 in Santa campaign

Student Council members had a busy year working on a number of school activities including Homecoming, HHS, and Sno-Daze. Board members, who met first hour with president Shari Todora and Adviser Clare Longsdorf, held an early election to add 42 new members to the delegate assembly. This year's Humboldt Helps Santa campaign brought in \$1000 and 1700 items of food, all which were given to the Neighborhood House and the Salvation Army. The senior class won overall competition with 1487 points, and the juniors won the hall-decorating contest with the prizes awarded at the annual Christmas assembly. Early in the second semester the council sponsored a clean-up campaign. The group also sold jerseys, cheese, and sausage.

Some members vanish, but squad keeps pride

Starting with twenty members chosen last spring, the varsity cheerleading squad narrowed down to a total of eleven by the season's end. Despite the small numbers, they managed to plan several pep assemblies, sponsor bake sales, sell cookies and candy, cheer at over sixty sporting events, and never lose the spirit and pride that Humboldt is known for. Led by captain Patty Tocko, and co-captains Sandy Muccio and Lori Schleichert, the squad met once a week to practice and promote a campus clean-up program. Nine B-squad cheerleaders were picked last fall to cover JV sports. They helped at pep assemblies and raised money for uniforms.

'Life '82' keeps small staff busy

The 1982 *Humboldt Life's* completion meant long hours after school, lots of dedication, and a bowl of Orville Redenbacher always close at hand for the small staff and its adviser, Mr. Robert Klepperich. Added to the work of putting out a yearbook were five issues of the *Arrow*, five parent newsletters, and the supplement for the *Life's* 1981 edition. The words "I don't have anything to do," were not uttered often in room 134, with the workload for staff members getting very heavy at times as they worked on drawing layouts, fitting copy, and deciding whose turn it was to start the next batch of corn. But as the end grew near, rumor had it that if given the chance to do it again, the results would be the same *Life* 1982.

Hard-working squad praised by coach

"We had a lot of new players who worked hard and had spirit," stated Ms. Barbara Brill, the adaptive floor hockey coach. That spirit didn't dampen even though the team lost all six of its games. Steve St. George was the only one to score a goal during the season. Goalie Kim Strader did an excellent job as did the captains Jeff Vanderveer and Todd Ronngren.

50 seniors enrolled in OJT Program

Fifty Humboldt Senior High students, two program coordinators, 35 training stations and ten companies all make up the On-the-Job Training Program (OJT). Mr. Jim Wirth (Business and Distribution) and Mr. Joel Arnevik (Trades and Industry) are the coordinators for OJT. The students took three or four classes at school, including the required English and Social studies, and then went to their training stations. They each worked a minimum of fifteen hours per week and received two credits. Students are usually able to use skills acquired in their future careers.

18-week semesters come to Humboldt

The eighteen-week semester came to Humboldt this year, replacing the twelve-week trimester. Courses were shuffled, combined, or extended to make up for the extra 1½-month period. These pages highlight three examples of what went on in classrooms this year. One is the biology course, taught by Mr. Dan Brott. Approximately 140 students were involved each semester in lectures, note-taking, and lab experiments. The Food Service classes of Ms. Becky Christopherson not only offered meals twice weekly to faculty and staff members but also went into the holiday cookie business. The 75 students served 160 meals each week and prepared 600 dozen cookies. Ms. Barb Wencil competed with the pleasant cooking aromas to offer world history.

LIFE

'Fashion played a big role in our lives.' — Mary Soto

From cowboy (girl) to preppy to mod

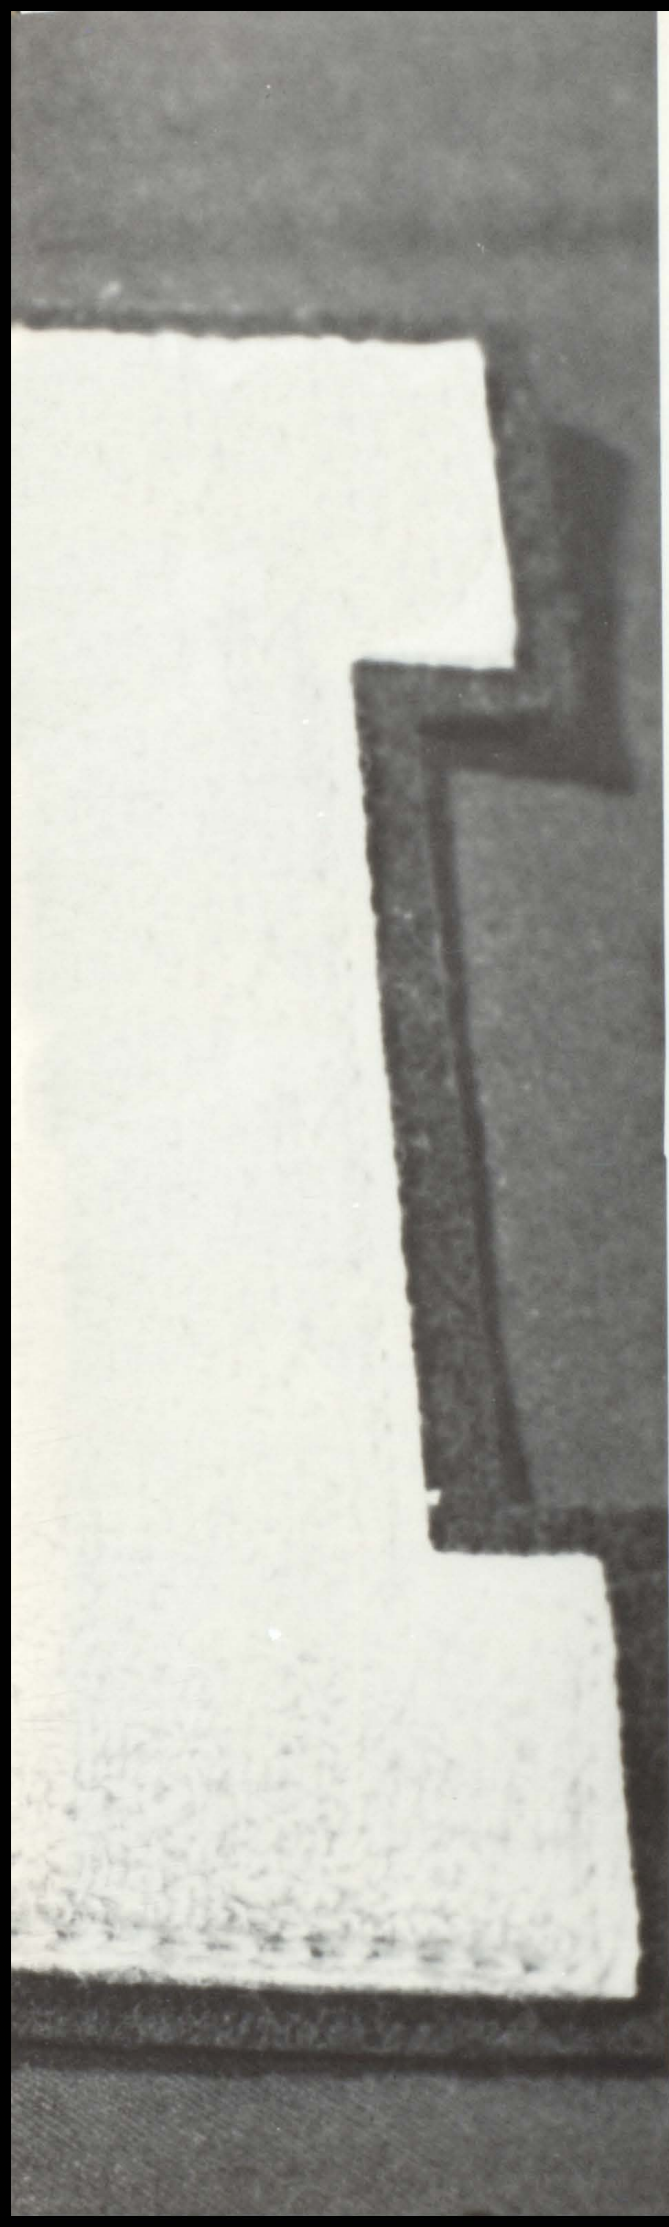

The name brands on our jeans said a lot for our tastes and pocketbooks. There were Levi's, Chic, Calvin Klein, Zena, Gloria Vanderbilt, Jordache, R. D. Simpson, and the ever-popular Lee jeans. Turtlenecks, with hearts, stars, or moons, became the tops to wear under all our shirts, or just by themselves. Some males leaned toward the Izod brand, complete with a free alligator. Or how about the concert T-shirts? From Beach Boys to Rick James, Nazareth to Foreigner, Stones to AC-DC. Shoes seemed to have the most variety over the year. Addidas, Nike, and Tiger appeared to be the most popular tennis shoes. Cowboy boots were still in style. And yes, even penny loafers from a few years ago came back for a time. The overall look has changed from cowboy (girl) to preppy to mod.

PEOPLE

'T he cooperation of this thoughtful, concerned staff helps make Humboldt a great school.'—Mr. William Sagert

The addition of 250 ninth graders, a switch from trimesters to semesters, and the addition of 34 faculty and staff members were the most dramatic changes Mr. William Sagert, principal, and the other two members of his administrative team had to face when the new school year started. Mr. Don Rosenquist was transferred in from Harding to become the school's second assistant principal. He took charge of discipline for the ninth and eleventh graders and became "the voice of Humboldt" by serving as official reader of all PA announcements. Mr. John Ettlinger, in his twenty-sixth year at HHS, was in charge of discipline for tenth and twelfth graders. The transition from a three to a four-year high school came about smoothly, with no one being lost for more than a day or two. The eighteen-week courses took some adjusting on the part of both staff and students, and some admitted a liking for more time with the same teacher. The real crisis involving additional staff members was a lack of chairs in the lounge — especially during first lunch.

'It's been an advantage to have the SE Asian students here as part of our school.'—Mr. Nice

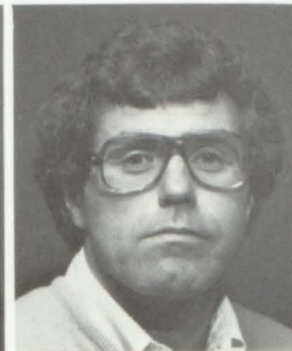

Included among the special programs available at Humboldt are IGLD, TESL, Project Explore, and a health clinic. Those with intensive learning difficulties are served by the IGLD Program, with students coming from throughout the city to gain special individual attention and vocational guidance. With ten staff members, this program moved to Humboldt this year after formerly being housed at Harding. About seventy Southeast Asian students were served by the Teaching English as a Second Language (TESL) Program. After learning English, students are placed in regular class programs which are monitored by a TESL teacher. A similar procedure is followed for Spanish-speaking students. Project Explore is designed to provide practical work experience for physically impaired students and for those with learning difficulties. An addition to third floor was the health clinic, which offered professional medical services beyond those normally taken care of by the school nurse. This facility was served by two full-time practitioners and a number of part-time specialists.

Class of '82 Motto

Memories of all the good times,
 Friendships, challenges, victories,
 And defeats will flood our minds
 Through the years as we stride
 Toward the future to discover
 Life's secrets of success and happiness.

Just another milestone?!

We each sit in class,
Thinking our own thoughts
Waiting for that final bell which shall toll
The end of our high school years.

In just a short while, we will each walk down that aisle,
And when we turn and walk away
We will be carrying with us
Something that has taken us thirteen years to achieve.

It all started when we were young and excited five-year-olds,
Looking forward to the snack we'd receive after nap time.
Or being thrilled to death,
When we could lead the class out to recess.

Next thing we knew we were the ones
the five-year-olds looked up to
With our police patrol belt
And the authority we radiated
When we crossed kids at the corner.

Just another milestone (continued)

We graduated from grade school,
And then we were once again
Frightened young kids
Going to a big new school.

We made a lot of new friends
And we met a lot of new teachers.
Now we have but a few hours left together
With these friends and teachers.

The teachers have been a big help in our lives.
Sure, we had restrictions
But where would we be without them?
They have taught us to go out in the world
And make something with our lives.
When we look back on these days,
We'll remember all they have done for us.

The friends we made through the years
Are, perhaps, the most important parts
Of our past, present, and future lives.
As we face this moment in life
We will always remember:
 Laughing together, crying together
 Smiling together, frowning together
 Fun-filled nights of shouts and screams
 Sharing with someone our secret dreams
 Enjoying all that life has to offer
 And finally learning to forgive.

We realize that the impact of each face,
Whose place is in our heart,
Will remain with us forever . . .
But we seem to hesitate to let each other go.
Inside the fear of never meeting again grows.
It's almost time for each of us to go our own way.
But quick before you do,
Take a second, it's all you have.
Page through these memories just once more.
As you do, recall to mind all the people
Who have helped you come this far.
While you wait for that final bell,
Don't forget all you have learned
From each and every one of these people.
They each taught you something different
And very valuable.
May this last bell be
"Just another milestone" in your life.

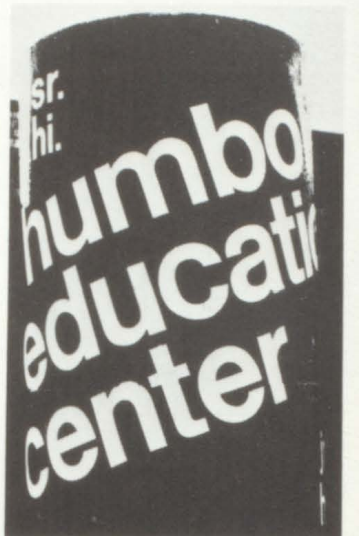

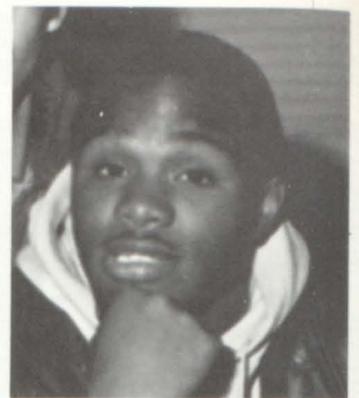

*The school year comes to an end
just as this book does.
Memories of times we've shared
will remain with us
and may even help us
as we leave Humboldt
and get on with our lives.
When paging through this book
one more time . . .
today, tomorrow, or even in five
or ten years . . .
recall all we've been through.
We are still individuals.
We still have our personal identities.
But for some portion of our years
we were a part of Humboldt.
And always remember . . .*

TRACK

Individual performers led the way for the track teams, as a lack of members caused both the boys' and girls' squads to be "under-powered" when it came to competing in City Conference dual meets. The result was 0-4 records for both teams. Robin Dilts and Susie Hughes led the way for the girls' team, particularly in dash events. Dilts usually did best at 200 meters, while Hughes had her best showings in the 100 and 200-meter events. Dilts and Hughes also teamed up with Chris Hofstede and Shannon Royce to form a 400-meter relay team which finished fifth in the conference meet. Vance Rolfzen was regarded as the outstanding member of the boys' team. For a second year in a row he was Humboldt's top runner at 100, 200, and 400 meters. He had a third place finish at 400 meters and a fourth place finish at 200 meters in the Conference Meet. Others singled out for their performances were shot-putters Scott Clark, Mike Cruz, Bill Lee, and Greg Sabin. They earned a sixth place showing at the City Relays. The best Humboldt could do as a team was 35 points against St. Thomas. Opponents with twice the squad members averaged 100 team points against the Indians. According to veteran Coach Jerry Lundeen, these overwhelming totals were of little importance when compared with the dedication and effort put forth on an individual basis by members of both squads.

Scott Jorgensen battles fatigue in the 800-meter event.

SOFTBALL

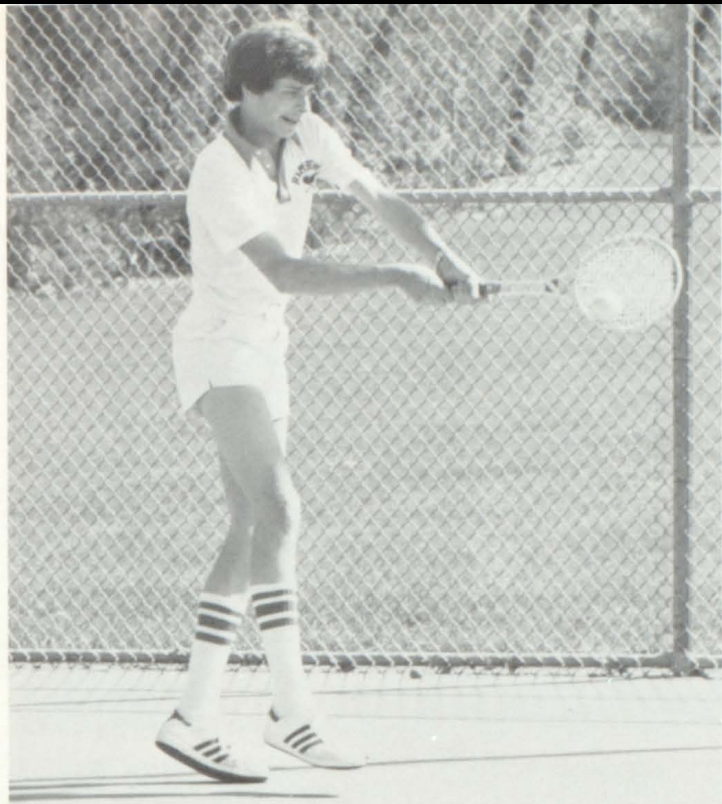

*FourCloud's
fast-ball helps
team gain
first region
victory*

Leading the team into conference action was junior Jenine FourCloud, who was recognized throughout the conference for her strategic fast-ball. With the help of that fast-ball Humboldt went on to earn a 5-9 conference record, the best record ever posted by a varsity team since softball was started here in 1978. The Indians' strong play didn't stop after regular conference action as the squad defeated Woodbury, 4-1, in region play. That region victory was also a first for the girls' softball team. Others who contributed to Humboldt's success included seniors Anne Nehring, Bonnie Sveen, who had the team's best batting average, and Shari Todora, a two-year varsity player. For the first time an All Conference squad was selected by city coaches. All Conference honors went to Angie Perez, catcher, and Sveen, a shortstop with a season total of five homeruns.

TENNIS

Seven seniors helped make up the thirteen-member tennis team, with captain Kevin Walker leading Humboldt by setting a record of posting the most individual singles victories of any player in the school's history. Walker, Wade Dupey, and Dave Johanson, all seniors, led the team to its only victory of the season, over Como Park, 5-2. Walker posted the best season record, 7-4, followed by Johanson with a match victory record of 5-6, and sophomore Steve Aeilts who had a 4-7 win-loss record. Coached by Mr. Steve Sandell, the team ended its season with a 6-1 loss to Johnson, a season record of 1-9, and a region match loss against St. Paul Park, 5-0.

BAD-MINTON

Humboldt uses home court advantage to gain 5 victories

If the badminton team had played all its matches at Humboldt, it may have gone all the way to the city championship. This was because Humboldt had an undefeated record on its own court. However, away matches were another story: five defeats in five attempts. This was a veteran squad with seven returning players. Victories were posted over Central, Como, Harding, Highland, and Johnson. Ms. Chris Andrews and Ms. Joanne Roby, coaches, made the following awards at the conclusion of the season: Penny Schuldt, most valuable, best attendance; Tammy Lopez, second highest individual wins; Sydney Hanson, attendance, third highest individual wins; Lisa DeTomaso, best attitude; and Mor Xiong, attendance.

Front row, left to right: Hnou Thou, May Vang, Trang Le, Janet Dorn, Mor Xiong, Tammy Lopez. Back row: Assistant Coach Joanne Roby, Jody Sailor, Becky

Bob Murphy places sixth in conference meet; team has 3-5 record

GOLF

With one of the best seasons of play in recent years the boys' golf team ended the year with a 3-5 record. Wins came late in the season over Central, Highland Park, and Johnson. The largest margin of victory was over Central, 16-2. Coaches Mr. John Ernst and Mr. Mike Sullivan were pleased with the squad's performance, especially in light of its small size. Junior Bob Murphy placed sixth in the conference meet. Shawn Bisbee and Steve Schostek were cited as outstanding golfers. No girls turned out for a team this year. A fitting end to the season was a match between a team of Bisbee and Schostek against members of the Humboldt faculty. The student team won.

Front row, left to right: Troy Bisbee, Bob Murphy, Kurt Goldberg. Second row: Coach Mike Sullivan, Dean

BASEBALL

*Comeback win
over Central
is highlight
in season with
4 victories*

While there were four wins for the varsity baseball team, most fans and players preferred to talk about the 13-7 victory over Central. This was a game in which the Indians trailed 7-2 in the fifth inning and looked as though they were on their way to a third conference loss of the season. Coach Ralph McDonough's crew roared back in both the sixth and seventh innings to gain a final 13-7 margin. Tom Brennhofer had four runs-batted-in and was the winning pitcher. In the very next game Harding's big bats shelled Humboldt for a 22-1 win. It was that type of season for the Indians, who finished the season with a 4-12 record and often played well enough to win more games. A 9-7 non-conference victory over highly-regarded Sibley could also be counted as a major accomplishment. Humboldt went into the region tournament rated fourteenth and came within one run of pulling an upset over Hastings, the third-ranked team. Craig Tester, a junior, led the Indians in hitting, and Brennhofer was the winning pitcher in all four of the squad's victories. The JV had a 4-8-1 record, with Sean Lane being the top hitter and Greg Brennhofer and Mark Osborne being Humboldt's best JV pitchers.

LIFE

Coach Ryan's 'impossible dream' becomes a reality

Wrestlers march to State Tournament

A capacity crowd in Humboldt's gym on February 27, 1982, witnessed sports history. The Indians slammed Como, 24-19, to become the first mat team in the history of the school to advance to the State Tournament. Humboldt had lost to the Cougars, 24-19 for the City Conference championship but regained the confidence needed to take the Region 3AA title. After Humboldt gained the title of region champs, there was pride evident all over the school, and that carried on to the St. Paul Civic Center as school shut down to allow everyone to support the team. The Indians lost in the first round to Anoka, 33-13. This placed the team in the consolation bracket, and Humboldt lost to Shakopee, 31-21. In individual competition, Tom Brennhofer, wrestling at 132 pounds, pushed his season mark to 28-2-1 by winning four of five matches. Brennhofer took home a third place medal. Greg Brennhofer, at 105 pounds, also qualified for the individual tourney and finished the year with a 20-8-1 record after losing in the first round. The season was an obvious highlight in the thirty-year teaching and coaching career of Mr. Bob Ryan, who started the school's wrestling program in 1961.

'Showtime' features 'real' school talent

Showtime '82, a variety show designed to improve school spirit, was held April 15, with acts ranging from a comic to a soap opera to music. One originator of the show was Mr. Richard Curran, band director. The production was directed by Ms. P.B. Johnson, art teacher, and Mr. Luis Ortega, bilingual teacher. The final production was truly a combined effort of student and faculty "Talent." There were dancing robots, Harry Atkins as a stand-up comic, music by the orchestra, and "School Days," sung by the Faculty Swingers. "One Death to Die," a soap opera, was featured. It may not be continued.

26 seniors inducted into Honor Society

May was an important month for 26 seniors as they were inducted into the Humboldt Chapter of the National Honor Society, bringing the total to 35. At an initiation banquet held at Paul's Place, speakers included two-year NHS members Dean Cota, Betsy Dwyer, Minda Garcia, and Michelle Traynor. Members were chosen from the top 25 percent of the class.

*59 couples attend annual
Junior-Senior Prom in April*

214 graduates receive diplomas at June graduation

A total of 59 couples attended the Prom sponsored by the junior class and held at the Northstar Ballroom on the University of Minnesota St. Paul Campus April 30. Dancing for the semi-formal event was 8 p.m. to midnight, with the band, "Back Away Closer" providing the entertainment. "We've Only Just Begun" was chosen as the theme by the twenty-member junior class committee. Supervised by Adviser Daniel Brott, the class sponsored a movie, the Alfred Hitchcock thriller, **Psycho**, and a carnation sale on Valentine's Day to help with Prom costs.

After Dean Cota and Minda Garcia read the names, Humboldt's class of '82 proceeded down the aisle on their final march as a class. A total of 214 graduates received their diplomas from members of the School Board at the June 10 ceremony held at the Civic Center Auditorium. The event started with a procession and the traditional "Pomp and Circumstance," played by the Concert Band. Paul Zamarripa, class treasurer, recited the "Pledge of Allegiance," Brenda Bortz read the invocation, Mary Foster, class president, talked on "Our Days at Humboldt," and Joanie Putz, valedictorian, concluded with her topic "Our Future."

I'm sorry
I can't see the
date of the

+ take your Food
Semester but I
take time to
college. I know you
are like
a mother to me.
I'll be back to
you, (happily) rat
(I'm a rat). I
your classes I had
you made them
enjoyable.
