*The 1977-78 school year brought an unusual slate of events. Unusual, because the events which took place this year brought two schools together to become one. There was our first Homecoming, and a feeling of pride at the dedication of our building . . .*

## A New Beginning

*ACTIVITIES* .....12

*Teachers and administrators who formed this year's staff also played an important part in the merger of Monroe and Humboldt. Their help and understanding made us realize that we could still be recognized in a much larger school . . .*

## A New Beginning

*FACULTY* ..... 24

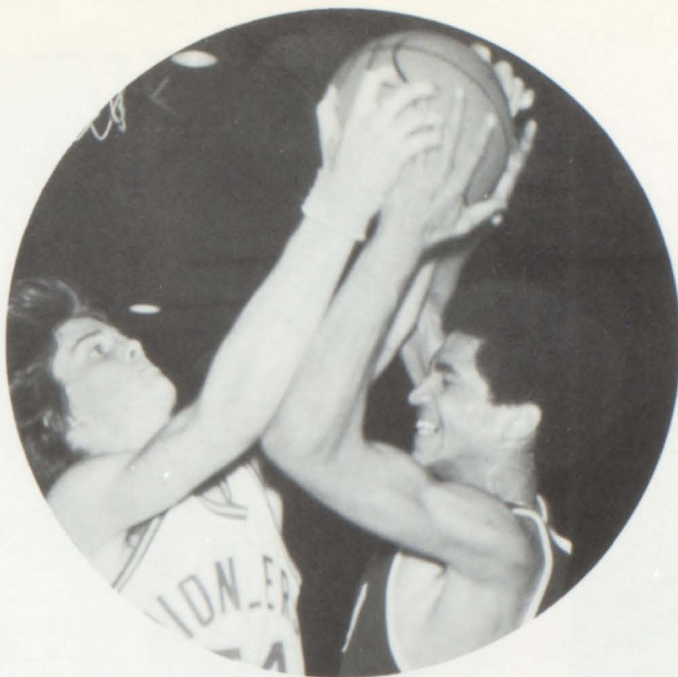

*The most powerful ingredient that brought our school together was spirit. It was shown by members of teams, as well as by fans in the stands. The gap between us began to close. There was loyalty for Humboldt High . . .*

## A New Beginning

ATHLETICS ..... 36

## GROUPS ..... 66

*Special kind of people  
become part of school  
organizations. Whether it was  
playing in the band, fighting a  
deadline, or giving a half-time  
performance at a game,  
participants dedicated themselves  
for the sake of others . . .*

# THE 78 LIFE

## STUDENTS .....84

*This was the first step,  
the building year  
for our successors.  
But we have learned more  
than they ever will.  
We have found the courage to  
accept what could not be changed,  
and have made the best of it . . .*

## 'Fiddler' presented as tie-breaker

**Fiddler on the Roof** came in handy this year as a means to break a tie vote by the choir between **Bye Bye Birdie** and **Lil' Abner** ... The decision to do **Fiddler** rested with Mr. Darwin Korum, musical director, who decided the best way to prevent more arguing was to go with a third choice ... 35 people were in the musical, with most parts double cast ... Long practices ... "Don't use your books" ... "I know them, but I can't remember them" ... "Go too" ... "I hate that line" ... "Put your name down on the list if you can't be here, and we'll work around it" ... People missing practice ... "Where is he or she?" ... "Far from the home I love" ... "Sounds good so far" ... "It has to be louder" ... "Remember to face the audience" ... "Matchmaker" ... "First chance I get" ... "That's the funniest line in the play" ... "Sunrise, Sunset" ... "Bring in your \$10 if you want to go to Chanhassen" ... "If I were a rich Man" ... Working together as a group ... Actually putting together a musical ... Remembering the help from our director, Mr. Korum.

## Maverick, no money mark year of merger

In this year of the "great merger," the administrative team scrambled to bring some semblance of order to what could have been a more disorderly situation ... More staff for a new building ... Nineteen new teachers ... Sixteen from Monroe ... Dedication of the \$8 million building ... Annual dollar crunch, with little money to buy necessary materials ... Arena scheduling (again) ... Half days of classes during the first trimester to register for the second trimester ... The problems of getting delivery on equipment for such new course areas as auto repair and graphic arts ... Preparation of the master schedule by Mr. Ettlinger ... With help from Mr. Longsdorf ... Designed to satisfy both teachers and students ... Difficult to do both ... Last name beginning with A-L, see Mr. Ettlinger ... Last name beginning with M-Z, see Mr. Cotroneo ... Green hall passes during morning homeroom ... Afternoon detention ... ## Gridders beat Murray for homecoming win

A 23-14 victory over Murray was earned by the varsity football team to end Homecoming week ... The Pilots fell victim to the Indians behind touchdowns by Mike Gomez, Doug Sovinski, and Mark VanGuilder ... One other win was all the squad could manage, a 14-8 victory over Washington ... Anchored by an outstanding defense ... First team to score against a strong Harding defense with a pass from quarterback Stan Quinn to VanGuilder ... Defense proved tough in a 7-0 loss to Cretin ... Assistant Coach Ralph McDonough headed the defense ... Ken Schramm received an award as most valuable player for his outstanding play at the linebacker position ... Juniors Kerry Sizemore and Sovinski led backfield ... Held a banquet at Mancini's ... Captain trophies presented to Tim Brengman, Schramm, Tom Snyder, and VanGuilder for their leadership on the field ... Tim Gilbertson and Snyder recognized for outstanding performances at lineman positions ... Steve Elizondo most valuable offensive back ... Paul Ablan awarded for his dedication ... "The merger of the two teams went very well and our final record was no indication of the high caliber of the team. We have set our sights on having an even better season next year," Head Coach Bob Ryan stated.

## JV closes season with 54-0 victory

Closing the season with an amazing 54-0 victory, the junior varsity football team scored eight touchdowns against a hapless Central squad . . . A 2-6 record was good for an eighth place finish in the City Conference . . . Came back to win two games in the second half of the season after a rough first half against the conference powerhouses . . . Bernie Mike caught a pass for 65 yards as the longest play of the year . . . Received outstanding performances from Jeff Burrige, Tony Casillas, Ron Marshall, Tony Rea, John Schuer, and Irving Stapleton . . . Defeated Hill-Murray, 24-14, in the only other victory of the season . . . Had to share Michelson field with the varsity which was an extra burden on the coach and players . . . 54 points in Central game was the most by one team in a city junior varsity game this year . . . Coached by Vaughn Ekbom.

Top left: Quarterback Tom Quintero hands off to John Scheuer for a run up the middle. Middle left: Scheuer heads upfield after receiving a punt; Coach Vaughn Ekbom gets ready to send in a new play. Left: Mike Taflinger watches the action from the bench.

## Parker paces squad with 12-0 city mark

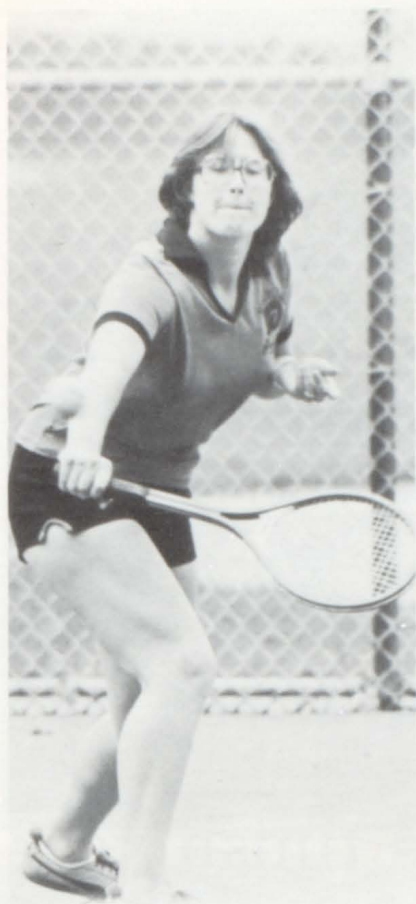

Third singles player Val Parker posted a perfect 12-0 season record to help pace the girls' tennis team to a 6-6 conference slate ... Played each team twice in a twelve-game conference schedule ... Experience was a factor in the success of the squad as it will lose four of its top seven players to graduation ... Donna Gross and Becki Morse advanced into regional competition as singles players with Marietta Haider and Laurie Rulli competing as a doubles team ... Humboldt defeated Rosemount, 3-2, in the first game of region play but then lost to South St. Paul, 5-0, in the next encounter to end the season ... Conference victories earned by defeating Central, Harding, and Washington each twice ... Many exhibition matches to give experience to those who did not get much of a chance to play during conference matches ... Linda Eckstrom and Darcy Miller were second doubles players ... "We had a very good season with four of our losses coming by only one point. With a little luck, we could have earned a city title," stated Coach Hennig.

## Runners finish year 7-2 in conference

While many thought this to be a year for rebuilding, cross country posted a very respectful 7-2 conference record . . . The two losses came at the hands of Cretin and St. Thomas . . . Good for a third place standing in the City Conference . . . Improved on 2-5 record of last year . . . Led by Co-Captains Tim Pieper and Elky Ruiz, who were consistent performers throughout the season . . . Intense practices every day after school . . . Always trying for better times . . . Finished fifth in the city meet and posted a tenth place finish in region competition . . . Ended a 87-game winning streak held by Highland Park as the longest such streak in the history of St. Paul athletics . . . Always determined to conquer tough three-mile course in the lowest possible time . . . Lost to a strong Cretin team by only a 24-point margin . . . Boasted a strong junior varsity with a fourth place in the region meet . . . Ruiz only runner of the top seven point scorers to be lost to graduation . . . Coached by Mr. Mike Sullivan.

## Deuth All-City in volleyball

Victories earned over Harding and Hill-Murray highlighted this year's season for the girls' volleyball team which finished with a disappointing 2-6 record ... Robin Deuth and Candy Gilbertson led Humboldt's efforts ... Deuth was named to the All-City team ... Very young squad with many players set to return next year ... Members wished more girls would have come out for the team so as to improve Humboldt's chances for a winning volleyball record ... May have been bothered by temper problems ... Also troubled by a lack of height ... Survival was difficult during long, strenuous practices ... Worked together well as a team ... Varsity looks forward to the help it will receive next year from a junior high team which had a winning record this season.

## First-year gymnasts gain 3 victories

In its first year of competition, the girls' gymnastics team won three matches and came within the narrowest of margins of winning a fourth . . . Coached by Mr. Ray Schwabe, teacher at Cherokee Heights, who took the job on very short notice at the beginning of the season . . . Led by Candy Gilbertson, who represented Humboldt in numerous events including the balance beam, uneven bars, and floor exercise, and Theresa Vanyo . . . Defeated Washington, Central, and Harding . . . Lost nine matches, including one to Murray, 54.85-54.80 . . . Probably did not have enough experience to do more as a team, but did well considering the lack of squad members . . . Coach looks toward next year when the entire team will return, plus additional competitors who will advance from the junior high.

Front row, left to right: Jane Weber, Brenda Johnson, Candy Gilbertson. Back row: Assistant Coach Mag Elias, Patty Zapata, Lori Johnson, Irma Perez, Sheila Lockman, Coach Ray Schwabe.

## Hoop team grabs city championship

For the first time since 1919 — a span of 59 years — Humboldt's varsity basketball team was outright winner of the City Conference title and was the best team since 1949 when the Indians tied for the title and won the state tournament . . . Led by the scoring punch of John Martin, who was second in the city with a 19.4 average . . . His best night was a 37-point performance against Hill-Murray . . . Martin's overall point total set a school record . . . Humboldt's best games included a one-point win over Central and a 61-55 defeat of defending champ Highland at Highland . . . To clinch the title, Steve Elizondo hit two free throws in a second overtime for a one-point victory over St. Thomas . . . Caused nets to be cut from the rims . . . Tenacious defense and steady free throw shooting won many tough games . . . Worked together and played as a unit not only in games, but also during long, hard practices . . . Lost to Washburn in the Twin City game, 58-37 . . . Seeded number one in the region, but lost to Sibley in the first round . . . GREAT support from fans all year . . . Team treated by the coach to dinner at Mr. Steak . . . Time to eat cake. . . As a repeat of their accomplishment of last year, Martin and Pieper were named to the All City team, while Elizondo and Ray Green received Honorable Mention.

## JV program builds for coming year

Improvement and building for next year were two successful goals of this year's boys' junior varsity basketball team ... Ben Aeilts led the team in scoring ... Leading rebounders were Aeilts and Efrain Gonzalez ... Difficult workouts every day after school were a common part of the season ... Received steady play from Bob Dufour and Henry Grencrow ... Ended the season with a 4-14 record ... Won three out of their last four games ... Humboldt's victories came against Highland Park twice, Murray, and St. Thomas ... Were defeated by a tough Harding team in overtime ... Lost to Johnson, 48-40, in the first game of the region play-offs ... A lack of players was a factor in the season's outcome ... Looking forward to making progress on the varsity next year ... Coached by Mr. Richard Robinson.

## Tobritzhofer leads basketball scorers

Although dominated by experienced players, the girls' basketball team fell short of pre-season predictions, ending the year with a 5-11 record ... Senior Cindy Tobritzhofer and junior Kathy Gallagher led the team in scoring and rebounding ... Tobritzhofer had a twelve-point-per-game average and was one of the city's best rebounders ... Other usual starters were Robin Deuth, Helen Johnson or Kelly O'Connor, and Barb Winge ... Top reserves were Paulette Muellner and Peggy Smith ... Both varsity and JV defeated Murray and Washington twice ... Varsity gained its fifth victory by beating Derham ... Team found it difficult to play four consistent quarters of basketball ... First year for a JV girls' team ... Leading scorers were Tammy Barott and Kathy Vanderbeek ... Other usual starters were Jackie Boucher, Sandy Jotblad and Eilene Mechtel ... Ended the season with a 4-12 record ... Lost to Harding in the first round of regional play-downs ... Gallagher was named Honorable Mention on the All City team ... Honors for being Humboldt's most valuable player went to Tobritzhofer.

Despite early-season speculation on an exceptional year, the varsity hockey team struggled through a dismal season with a 2-7 conference mark ... Marty Simones scored two goals in a 6-2 win over Central ... Humboldt beat Murray, 3-2 ... Defeated Brady, Centennial, and St. Agnes in non-conference play ... Bombed Central, 5-1, in the preview ... For the season, Jim Rea led all scorers with ten goals ... Other top point-getters were Mark Ritter and Cary Bannie ... Ritter and Jerry Schuldts spent the most time in the penalty box ... Rea named captain, with Greg Wandschneider and Mark VanGuilder as alternates ... Some strong games turned in by Manfred Krug in the nets ... Simones scored two goals in two different games ... A number of players moved back and forth between the varsity and the JV ... A season in which there were strong performances at times, but also a lack of steady play which prevented the squad from winning more often ... Lost in the first round of section four playoffs to Henry Sibley, 4-2 ... Goals in the contest were scored by Schuldts and Beanie Kolnberger ...

## Winning record earned by JV team

It was a winning season for the junior varsity hockey team, which had a 5-4 league record before bowing to Johnson, 4-2, in the second round of city playoffs . . . Led defensively by Dennis McNaughton, Tony Rea, and goalie Irving Stapleton . . . Coach Mike Sullivan had difficulty coming up with a standard lineup, due to shifting between the varsity and JV . . . Scoring help from the varsity's third line, which included such players as Cary Bannie, Beanie Kolnberger, Mardy Meza, Mark Ritter, and Marty Simones . . . League wins over Central, Cretin, Harding, Highland, and St. Thomas . . . Overall record of 9-10-1, with a win and a tie against Brady and two victories over St. Bernard's . . . Most practices involved tough skating drills, but these did not help Bernie Mike catch the bus to get to Humboldt's game against Murray.

# Wrestlers 'perfect' with 9-0 record

The season was one of perfection for the varsity wrestling team which early in the winter set its goal at capturing the city wrestling crown and then roared through the season with a 9-0 record ... A ninth conference championship for Mr. Bob Ryan in thirteen years of coaching ... Clinched the first-place finish with a 31-20 victory over two-time defending champ Johnson ... Scored a four-point win over second-place finisher Hill-Murray ... As a team, Humboldt beat Harding, Hastings, and Sibley in regional action, but lost to Kellogg in the finals ... Represented St. Paul in the Twin City meet ... Lost to Edison, a state tournament team, 38-11 ... Although winning was truly a matter of team work, Jerry McLay, Greg Munos, and John Newbauer can be singled out for scoring the most points ... Pat Quintero should have been included with this group, except a painful leg injury sidelined him late in the season ... Coach Ryan attributed the success of the team to hard work and dedication, plus a willingness of team members to live up to the school's winning wrestling tradition ... McLay and Munos advanced to state tournament action ... Both lost in the first round ... Dale Dickey, McLay, Mike Miller, Munos, and Newbauer were mentioned for All City honors.

## JV grapplers win city title

Following in the tradition of exceptional wrestling teams at Humboldt, the junior varsity squad brought home a conference championship with a 9-0 record ... Also won the city tournament with the most team points ... Chris Arcand, Paul Budziszewski, Al Mercado, Scott Scheuer, and Scott Wilson took first place in their weight classes ... Closed out the conference season with a crushing 54-12 victory over Cretin ... The team blended well together and made up for each other's mistakes ... Received help from varsity wrestlers in practice ... JV wrestlers filled in vacant spots on the varsity ... Worked out in the tropical climate of the wrestling room ... Had to face the Carlson test, half-ways, and rope climbs ... Coped with sprained fingers and sore muscles ... Appreciated the Big Macs paid for by number one fan Charlie Signs.

Above left and right: Mike Boldt waits for his turn on the mat; Coach Brekke works with Tacho Rodriguez. Above: Tom Quintero takes the advantage over his opponent.

## Swimming divided into 2 seasons

Varsity swimming was divided into two squads, with the girls competing in the fall and boys in the winter ... The girls' team closed out the season with a 0-12 record ... Had strong performances from Lori Johnson, Colleen McCann, and Julie Holt ... Johnson finished second in the city in diving and competed in the state tournament ... Very young team, with only three senior high participants and balance coming from the junior high ... Boys finished 1-7 in the conference, with the victory coming over Central ... John Egginger, Bob Komorowski, and Mike Rush all swam in the regional tournament ... Other outstanding swimmers were Bob Parsons and Jeff Wenker ... Members of the squad backed each other up and gave total support ... Toughest meets against Harding, St. Thomas, and Highland ... Harding meet remembered for the Humboldt victories scored in the last two events ... Would liked to have had more pool time ... Both coaches proud of team efforts made in a sport which never gets proper recognition.

Practiced in the halls every Monday, Wednesday, and Thursday ... Pulled muscles and aching bones ... "Kick higher and point your toes" ... Different routines and songs ... Arguments ... First half time performance ... Butterflies and jitters ... Tape recorder didn't work ... Started over ... Stayed poised ... Cheered for a winning team ... Lots of fun and laughs ... Unity and togetherness ... Advised by a willing Mrs. Margaret LaVigne ... "The Indianettes made a great effort and were super workers."

## Journalists can year's activities

This year's journalism staff found that producing a 152-page yearbook and six issues of the newspaper was a lot more difficult than expected ... Had two groups ... Arrow staff met six deadlines ... Life staff met three ... Stayed after school ... Sometimes until 7:30 ... Spent Christmas vacation in room 134 ... Cleaned out McDonald's hamburger supply ... Clark Submarine ... "But Lisa" ... The late Christmas tree ... Praying for the popcorn maker to work ... Goofy photographers ... Had no Homecoming pictures ... Had four ulcers ... Met the first Life deadline at an early 9 p.m. ... Visited by past super editors ... "In the old days" ... Cripe! ... Sharpening pencils in garbage cans ... Realized there were many good reasons for spending so much time in one room ... Never did figure out what those reasons were ... Straight jacket presented to adviser following third yearbook deadline ... Never could have done it without him ... Finally had confidence ... Sometimes! ... Wish that we could do it all again ... RSO.

Typists Gina DiMartino and Joy Fricke; Arrow editors Peggy Grolla, Dennis Munkwitz and Jim Darling make a group decision.
