With the assistance and advice of class adviser, Mr. Thell, the senior class steering committee helped to make many decisions that affected the school year for every senior. From such commonplace matters as determining the dates for routine senior class happenings to the more complex business of choosing caps, gowns and graduation announcements, the senior steering committee afforded leadership and good judgment to each affair. Little knows the class at large how long and enthusiastically their elected representatives worked to make the year a pleasant and profitable one.

In Memory Of
A Smile

I'm writing down this poem,
for all of us — it's been hard.
Seems we get little consolation
from a dime store sympathy card.

We never realize how close death is —
When it hits — you cry hard and fast.
Somehow life goes on — Still,
There's times the tears can't pass.

This school year — seniors
seemed a bit empty — incomplete
I found I kept on looking
for a face I couldn't meet.

Mark Deeb, whose tragic death on June 11, 1970, cut short a
vital and promising life, is here remembered by his classmates.

We talked and laughed and argued;
through it all, we became very close,
Seems people always stop to bother
with those they love the most.

Some memories I have in scrapbooks
that I'll keep forevermore.
The pictures of the times we shared
filled with happiness galore.

It's these things we remember
And though it's been a long, long while
I still hold what's dear to me
the memory of a smile.

Fun in the cafeteria!
At one time the role of principal was a far less complex one than it is today.

It is a frustrating task to maintain a workable relationship with all segments of the community with the many diverse points of view that may arise regarding services the school should furnish.

Humboldt has had its share of divisive pressure this year and I can only hope, at the time of this writing, that the good judgment of the Humboldt student and the school community will prevail as it has in the past.

And so it shall always be with those who remain and with those who leave us as graduating seniors; one must learn to distinguish truth from fallacy, fact from opinion, emotion from reason, belief from fanaticism, honesty from deceit, rationale from rationalization, and disagreement from subversion. One must recognize that change and improvement are not necessarily one and the same, the rights carry responsibilities, that there is a difference between a right and a privilege, that rights are not absolute, and that the rights of society must not be forgotten by those who tout the rights of the individual.

Separating the wheat from the chaff is not an easy task but then, it never was!

Arley W. Ludwig
Everyone who knew him well; everyone at Humboldt, knew that it was just a matter of time before Mr. "B" would be promoted. Still everyone was surprised and saddened when the official announcement of his transfer became known. Always fair, Mr. Bergstrom dealt with offenders quickly and without pain. He seemed to have a remarkable facility for remembering the names of all he came in contact with. He always had a smile and a word for those who passed him in the halls. He will be missed at Humboldt, but he will be loved wherever he goes. Congratulations to Highland Junior High whose gain is our loss.

Mr. John Ettlinger is a man of many "hats." In his role as athletic director, he has helped the athletic programs at Humboldt more than a little. As adviser to the junior class and the junior high student council he has demonstrated his leadership ability. Mr. Ettlinger, well acquainted with both the students and the problems of administration at Humboldt, was the logical choice to succeed Mr. Bergstrom as assistant principal. Though at this time his appointment is temporary, we are sure that it will become permanent. Best of luck in the new job, Mr. Ettlinger.
MRS. LILLIAN LEE, counselor to the seniors spends much of her busy day hurrying after seniors to see that their records are complete and that they are eligible for graduation. Much time too she spends in helping prospective college students choose their future schools and earn scholarships.

MR. FRANK MAY counsels students in grades 10 and 11, helping them make wise decisions in choosing courses appropriate to their interests and ability. When necessary he advised program changes to help students make a better adjustment to academic problems. He gladly listens to students who seek his advice.

GUIDANCE COUNSELORS

MR. THEODORE OUSDIGIAN is the counselor to the junior high students at Humboldt. From his “pent-house” office issues the advice that helps the younger students prepare for the academic challenges that lie ahead of them in the senior high program. Mr. Ousdigan cooperates with Mrs. Lee and Mr. May in planning and administrating the Humboldt testing program.
MR. CHARLES RECTOR, a member of the Humboldt professional staff, is the school social worker. Part of Mr. Rector's work is to help students with out-of-school problems make a good adjustment to school life. Mr. Rector works closely with the assistant principal in cases of excessive absence and truancy.

MRS. MARY LOU KEENAN, Library aide has proved to be a great help to the librarian and students in the past year.

MRS. SALLY LEE, Our school nurse, does an excellent job in caring for student and faculty members during the course of the school year.

MRS. JUDY STEVEKEIN, Clerk to the counselors, her many duties include, typing, filing and counselor assistance.

Every Humboldt teacher is a counselor and friend to each of his students. It is a policy of the entire staff to assist all those who seek to learn. Mr. Mauer's interest in the academic activities of his students is characteristic of the fervor of all who serve at Humboldt.

HOMECOMING CANDIDATES

Lynn Campbell and Gary Winge

Deborah Hottinger and Robert Rush
The homecoming game took place on the afternoon of October 16 at Central Stadium. The Indians massacred Mechanic Arts 26-0. The Humboldt marching band, color guard, and majorettes directed by Mr. Sweitzer, presented a half-time show for the enjoyment of the enthusiastic fans.
The kids all came to the Homecoming Dance anxious to hear the fabulous "Mystics". During the intermission the candidates and their escorts made an official walk to the bandstand where Queen Janet made a speech about the homecoming festivities. The dance this year was a great success.

MYSTIC

Judy Abbott "mystified" the audience with three solos using her guitar. She sang such songs as LEAVING ON A JET PLANE and the EVE OF DESTRUCTION. Everyone enjoyed Judy's singing very much.
CALCULATED FASHIONS

Rose Castro is wearing the new midi flirts with the suede purse and high boots.

Modeling the pant outfits are Sally, Mary, Connie, and Vicki.

Again this year, Simplicity Pattern Co. visited Humboldt and the girls in the Home Ec. classes modeled the latest fashions. The new fashions that were modeled were the midi, maxi, and pant outfits. The girls really had fun modeling the clothes.

Kathy is modeling an outfit she made and Sue is wearing a maxi.

Adding a little spice to the fashion show are Maureen and Steve wearing capes.
This year's conservation and chemistry classes decided to clean up Cherokee Park and that they did!. Under the guidance of Mr. Greene and Mr. Tweeton, about 75 kids walked from Humboldt to Cherokee Park to pick up the beer cans and trash left from the Saturday night pow-wows. It goes to show that the Humboldt Indians are concerned about their environment.
Shivering Indians filled the bleachers to watch Queen Francis and King Mike receive the coronets of their office as Snow-day's royalty on the afternoon of January 22, 1971. Nor was the coronation the only activity of importance and fun that chilly day. It was Rita Francis who composed the slogan "Frolic and fun in '71," that set the tempo for the mid-winter festival.

Bob Bejblik and Kathy Dickey found the treasure and were five dollars richer for their efforts. The dance was a "battle of the bands" between the Saxon Soul and the Extra Added Soul.

Of the days of the year Sno-day was certainly one of the most exciting and fun-filled. It was a day that will not be forgotten.

Just a little year ago the Humboldt Chorus presented the musical comedy, "Pickles." Members of the cast were: Mark French, Maureen Martin, Frank Verdeja, Lori Martin, Sandy Lehman, Steve Martin, Gary Lund, Chris Bisciglia, Mike Lofgren, Bill Roman, Diane Prokop, Steve Borgan, Shari Burt and Sue Kvilhaug were Gypsy women. Several seventh graders played the children's parts.
Spirit Day included an assembly given by the winter sport athletes. Participating were the hockey players, basketball players, gymnastics, and swimming. The boys put together skits to give the audience a lot of laughs but also to stress their sport to the kids.

LIBRARY AIDES

The library aides perform many of the tasks that make for a smooth-running library. They process new books check in new materials, and do most of the charging in and out of all materials. The librarian is completing the re-classification of all books, having changed from the Library Congress system to the Dewey Decimal system. The aides have been exceptionally busy because of the necessary re-arrangement of all books.

HISTORICAL SOCIETY

The Historical Society job is to keep Humboldt's records of past happenings in order. Such as Homecoming and all important happenings that occur during the years. The club members as well as its advisor, Mr. Garlough are, responsible for keeping bulletin boards up to date on current news on former Humboldtites.

LIFE STAFF

Of all the projects that involve student participation and energy, the high school annual is one of the most trying and demanding, for it makes claims upon "staffers" from mid-October to mid-March. There is always a deadline just a little out of reach. There is always the frustration of an important picture that didn't turn out. There is always the conflict of time with some other important activity. Through it all, the work somehow must go on because the whole school anticipates its completion. "What color will the cover be?" "Let me see my picture." "But we still have one more game to play!" "I can't possibly get my group together for their picture at that time. They have to have more notice." These and a thousand other equally frustrating expressions plague the editor, and make him wish he'd taken up sky-diving instead. And yet the book must get done because the whole school expects it will.

Then there is the anxiety of how the book will be received. Who has been left out? What important activity inadvertently missed? What famous moment or achievement slighted? One thing is certain there will be as much criticism of the book as there is praise. Those who worked at getting the job done will find the criticism very annoying. Perhaps they will cry about it, and surely they will wish they had done some more rewarding thing with their time this year. But they are proud of the book too. It has been something worth doing. And they would do it again.

Of those who contributed most to the making of this year's LIFE, the following must be acknowledged: KATHLEEN KIRK (though she declines to be called editor, Kathy, more than anyone else must receive that credit); TOM LULL spent many hours editing and working upon the sports section; he was ably assisted by TIM SCHREIBER; MARY LABARRE did the artwork for the division pages; ROXANNE FOSTER and SANDY LORCH snipped and sorted underclassman photos until they thought they were going mad; HEIDI HOWE, LINDA LEHMAN and others helped with the typing; Others who worked and worked were MARGARET MUDEK, BILL OLSON, and JANET MELBY. MARION POLLOCK worked long and hard as business manager. Photographers were JIM LEAHY, JIM ROUSSIN, and KEVIN MEATH. The complaining adviser was Mr. Calvin Klawitter.
Huddled together in what passes for their editorial office are the following editors of the ARROW: ROW 1: Sheila Johnson, Vicki Eliasin, Ruth Munkwitz. ROW 2: Val Turner, Kathy Okerson, Carmen Hunter. ROW 3: Mary LaBarre and Tim Schriebler.

Editing and producing the ARROW is another near full time project at Humboldt. The students involved spend many hours planning, writing, copy reading, and editing the news. Members of Mrs. Janice Carter's journalism classes get a great deal of practical experience publishing the school paper. Their's, too, is an ordeal in frustration and a test of patience. Often called upon to make sacrifices in time and effort, the ARROW staff is thanked less than faulted. No one who hasn't worked on a school paper can understand the errors in copy and headlines that plague the school newspaper editor. Deadlines! Always Deadlines! Late copy! An offended student or teacher! No picture to go with the story! Sometimes it's a printer's mistake; sometimes it's a staff goof! It doesn't matter where the error lies. The newspaper staff will have to do the blushing. Like the yearbook, the school paper yearns to be better; it wants to be perfect. The student body needs the school paper, and the school paper needs the support of the student body.

ARROW staff members are: FROM LEFT TO RIGHT: Pam Lasovitch, Carmen Hunter, Mary LaBarre, Val Turner. ROW 2: Vicki Eliasen, Connie Bossart, Frances Lucio, Kathy Gustafson, Sheila Johnson. ROW 3: Kathy Okerson, Ruth Munkwitz, Tim Schriebler. ROW 4: Margaret Mudek and Mike Prow.

Valerie Turner and Sheila Johnson seek the advise of Mrs. Janice Carter.

HUMBOLDT MUSICANS

Under the direction of its new director, Mr. Raymond Schweizer, the Humboldt band again performed up to the high standards that West Siders have come to expect. Never a group to be confined within walls of the Music room, the band made musical appearances at School Band Contest, Winter Carnival Parades, Mexican Independence Day Parade, Sheriff’s Day Parade. The band played a Thanksgiving Day concert at St. Mathew’s Church, a Christmas concert at Crawley School, and played at the Decation ceremonies at the opening of the Neighborhood House. In addition to three concerts played at Humboldt, the band performed at football, basketball, hockey, and wrestling contests during the school year. In the planning stages as this book goes to press are several summer trips including a possible venture to Winnipeg, Canada.

COLOR GUARD

Humboldt's color guard has been in existence for four years. In this short length of time the girls have gained confidence, poise, prestige, and self-respect.

The guard consists of eight "F" Troop members; these girls carry the school colors. The American guard consists of three flag carriers and four rifles. There are two commanders and three alternates.

The activities they are involved in include: Marching at football games, in parades, in dedication ceremonies, at hockey games, and concerts. Their hard work has made these projects almost perfect in every respect.

The guard is considered a great asset to the marching band.

Choir Activities

Include a number of performances each year. As this book goes to print the choir is preparing for its annual operetta. The title this year is "Babes in Toyland." At other times the choir entertains at assemblies, sings in the city-wide choral pagent, and brings the joy of Christmas to the entire school by caroling in the halls the day before the Christmas vacation. It would be a desolate high school that did not have its senior choir. We are fortunate to have one so excellent at Humboldt. Thanks to the choir for all the pleasure it brings us each year.

The 1970 Humboldt football team, under the guidance of captains, Mike Prow, Gary Winge, and Steve Spicer, compiled a 4 win and 4 loss season.

The team showed power during the Monroe game, beating then 16-8, but lacked power losing to Harding 27-0.

Elected to the All-City team were senior Mike Prow, and junior Dave Hanson who were also the teams high scorers. Gaining honorable mention recognition on the All-City team were Brad Gilbertson and Gary Winge.

During the Awards Assembly Dave Hanson was elected 1971 captain, Brad Gilbertson was voted most valuable player.

The team should be very powerful next year, with many strong juniors and sophomores from the B-squad city champions of 2 years ago, will play for the varsity team.

Some of the action against Highland Park.
The Humboldt track team under the watchful guidance of coaches Ryan and Lee completed a successful 1970 season of cinder competition with a better than average record. Co-captains for the team were Ken Cordes and Gene Flores. Both lettermen did an outstanding job for the team. Ken set a new record in the high hurdles and participated in the state track meet. The team lacked in depth, but younger members of the squad give promise of a new feeling of confidence for the seasons to come. It is hoped that a new track at Humboldt will restore the interest of the entire student body in one of the schools oldest competitive sports.

Steve Monita shows good form in clearing the high hurdles.

Gary Topp leaves the starting blocks in an early meet.
CROSS COUNTRY

The 1970 Cross-Country team, coached by Mr. Robert Derr, finished in sixth place in the St. Paul city meet held at Highland Park. This year's captain was Gene Winge, who placed ninth out of 61 participants in the city meet. Gene just missed going to the state competition. Other top placers for Humboldt were: Ron Cozad, Don Leesman, Larry Mike, Steve Monita, Craig Sather, and Don Zafke.
Mr. Rynard's Humboldt quintet finished the season in sixth place in city conference action. The team played well on defence but needed, in vain, the basket or two which would have turned the score in their favor several times during the season. The team is to be admired for continuing to play every minute of every game, even when down by a considerable margin. They never let up. Mike Prow and Gary Winge were the team captains and proved to be worthy of positions.
The bench applauds as the team scores another bucket!

Hard after a rebound. The ball's the object!

The team storms to congratulate Joe Lucio after a last-minute basket wins the game for the Indians.

It's Mine!! You can't have it!
This year's swimming team, comprised mostly of underclassmen, finished last in the City Conference. The Indian's captain this year was Dave Miller. The team only carried two seniors; Dan Stoven, and Dave Miller. Give Humboldt a few more years, and they will be contenders for the City title.
One of the more demanding athletic events in high school is gymnastics. It is not unusual to find members of the Humboldt team working out early in the morning and again late in the afternoon. It is a sport demanding strength, balance, and timing, qualities that cannot be entirely developed in the course of the normal practice sessions. For this reason, members of a successful gymnastics team must be prepared to practice on their own time during the off-season.

Competing in conference meets this year the Indian gymnasts turned in their best won-lost record in several seasons. Their record was five wins and three losses — a good mark for future Humboldt gym teams to shoot at.

The Humboldt "Hatchetmen," though disappointed in their several losses this year, did not lack in team spirit and effort. Perhaps the losing record will only strengthen the determination of Indian hockey teams in the future.

The 1971 team earned the respect of every opponent it faced. Even in defeat the Humboldt icemen were gallant. Mr. Mc Donough, who coached his first Humboldt "A" hockey team this year felt, as the team did, that the season had been something of a moral victory, and the future is bright. The won-lost record of the team was four, thirteen, and three. Good luck next year, Pucksters!!

The Follow Through

The 1970 Humboldt baseball team finished the season second in the city conference race, losing out to Johnson and tying Harding. In the District 15 tournament the Indians were second to Harding. Only one run more in the Johnson game would have given Humboldt the city title. The score was 13 to 12 in the free-scoring game.

The Humboldt nine of 1970 was one of the highest scoring teams in several years. They out-scored their opponents by 58 to 28 over the season’s play, compiling such one-sided scores as 5 to 1, 10 to 4, 9 to 1 and 11 to 1. In District 15 tournament play, Humboldt beat Central 15 to 2 and Murray 2 to 1. The championship game was lost to Harding 2 to 1 on a homerun.

Outstanding players on the team were Dick Adams, John Frame, Dave Robinette, Mike Prow, Brad Gilbertson and Jeff Shanley. Elected to the all-city team were John Frame, Mike Prow and Dick Adams.

Taking Careful Aim
WRESTLERS WIN CITY TITLE

ROW 2: Mr. Ettlinger, Rich Munoz, Dave Schleichert, Dan Appleby, Felix Casillas, John Stuhlman, Stacy Weir, Gary Lynch, and Mr. Bergstrom.

Balance was the name of the game for the Humboldt wrestlers this year. Though the team had few standouts, there was always sufficient overall power to crush the spirits of conference foes. Proving out Mr. Ryan’s theory that “there is no I in team!” the Indians defeated all city conference competition. Only Humboldt’s perennial foe, Johnson, came near to defeating the Indian groaners, but were, at last, subdued 21 to 22. District tournament action saw the Indians, mighty in conference play, slip to sixth place. It is a credit to the team and to the coaches, Mr. Ryan and Mr. Ekbom, that Humboldt continued its winning tradition on the mats this year.

The B-squad wrestling draws boys from grades 8 through 11 and turned in an outstanding performance this year. They were second in city conference action with a seven and one record. Certainly the excellence of the B-squad teams means continued success in the Humboldt wrestling program. Bob Theno, an outstanding member of the squad, has not lost a match in his three years as a wrestler.

FIRST ROW: Joe Vega, Dave Hanson, Dan Schleichert, Bell Stanek, Stacy Smith, SECOND ROW: Francisco Ramirez, Mike Josephson, Bob Hayes, Tim Quirk, Tim Reagan, Mike Lofgren, Rich Munoz, Crespin Herrera, THIRD ROW: Mr. John Ettlinger, Steve Arcand, Greg Banazewski, Bob Theno, Steve Romanucz, Dave Schleichert, Bruce Heinrich, Bob Marascuilo, Bob Marchio, Mike Casalenda.

The National Honor Society consists of 18 members this year who have excelled at Humboldt High School in the following areas: scholarship, leadership, service, and character. This group can be praised for their exceptional roundness of person in working with school and community. Selection was based upon teacher approval and the students' records, and intricate inspection was taken in final analysis. The National Honor Society members are honored at a banquet, and should be commended for this traditional award.
