MR. A. W. LUDWIG, Principal

ADMINISTRATION

My most cordial and sincere congratulations to the graduating seniors of the Class of 1970.

If I have been able to give you any worthwhile advice, help, or encouragement during your years at Humboldt, that will add to my satisfaction with your accomplishments.

In the future I shall be delighted with your successes and happiness and I shall deeply regret any difficulties, losses and sorrows you may experience along life's pathway.

I hope you will avail yourselves of and enjoy any opportunity you may have to visit Humboldt after graduation. Your suggestions and support in building a better Humboldt High will be profoundly appreciated.

A. W. Ludwig

My personal and sincere wishes for success and happiness in the future goes to each of this year's graduating seniors.

It is my hope that every senior has received a measure of training at Humboldt which will help him or her find that place in life's pattern to which each one aspires, and for which each is best fitted.

Each of you should now have developed a sense of honor and devotion to do what is right. Graduation exercises are called "commencement" — this means the beginning, not the end. So, go forth with honor and the determination to do what is right. May you always remember Humboldt and your days here with all of us. Happy years ahead!

Don't Pamper the

HOMECOMING 1969 . . began October 8 with the nomination of queen candidates and climaxed with the crowning of Queen Sharon Gonsoir.

Frank Jack emceed at the program while last year's Queen Linda Jackson placed the glistening crown on Sharon's head.

October 9 the festivities continued with the Homecoming dance, Danny's Reasons and the Everetts provided the music.

"Don't pamper the Trainers" was the homecoming slogan and on the night of October 10 the Humboldt Indians humiliated Mechanic Arts Trainers 34-0.

Those nominated were Debbie Ellert and Dan Solun, Jan Boileau and Dave Schleichert, Marie Hauck and Tim Regan, Janet Melbye and Larry Mike, and Sue Melbye and Bob Otto.

Those with Sno-Day buttons were excused at 1:00 for festivities at Baker of broomball, sliding, tug-of-war, and treasure hunting.

The activities were followed up by a dance featuring the Marauders.

Christmas Dance

"Yes, Virginia, there is a Santa Claus . . ." or at least so it appeared at the Christmas dance, sponsored by the Juniors. Not only was Santa there, but Mrs. Santa too. As usual Santa, Les Jones, and Mrs. Santa, Lynn Tanberg, were more than willing to hear the wishes of all the "little ones." And more than one Humboldtite, emboldened by the spirit of Christmas, climbed upon the willing knees of the "oldsters."

THE LOOK OF LOVE . . .

A most important moment in school life, THE PROM always remains a dear memory after names and faces are forgotten. It's not just corsage, the formal, the dancing, the dining out — it's more. There are no words to tell the wonders of THE PROM . . .

Even the sophomores (PICTURED AT THE RIGHT) share the memories of THE PROM. These girls were there to help serve the punch, but mainly to share in the wonderful evening.

And books and classrooms and other academic demands give way to soft lights, romantic dances and even the Grand March of THE PROM.

STUDENT COUNCIL

This year's main project of the Student Council was an Enrichment Day. They also sponsored fund raising activities such as the Thanksgiving Day Basket Drive. Other activities included Homecoming, Sno Week, Dress-Up Day and Clash Day. This year the Council has, with the approval of the administration, revised the Dress Code allowing girls to wear slacks.

HISTORICAL SOCIETY LIBRARY AIDES

Someone has to be concerned with the future. Someone has to know about the past. At Humboldt the Historical Society keeps the record of things past and present. Newspaper clippings noting student achievements and honors and other important data are carefully classified and filed against the time when they will be needed. At special times during the year — homecomings for example — the Historical Society prepares bulletin boards of important moments in Humboldt's history. Keeping the record straight is no small job!

Hundreds of books pass through the hands of the library aides each month. Handing out, stamping dates, and preparing over due notices are but a few of the services accomplished by this volunteer group. Generally upper-classmen, library aides tend to grow in their work and often serve the library for several years. Most of the library aides admit an interest in books and are avid readers. The library service at Humboldt would sorely lacking were it not for work of the library aide.

LIFE STAFF

Lack of interest among the Humboldt students caused much frustration for the Life and Arrow staffs this year. Hard work and long hours were needed to produce the publications and meet the deadlines. H-CLUB

Keeping the new second floor bulletin board up to date with sports pictures is one of the important projects for the Lettermens club. The selling of pop at sports games is also one of their new projects. Altogether the Lettermen help to raise the school spirit and keep the Humboldt community aware of its proud sports heritage.

AUDIO-VISUAL AIDES

Thomas Manlet, Mr. Reif, Greg Treptow, Michael Regan, Paul Ward, and Peter Bravo work to maintain visual aides for educational assistance. Such equipment as movie projectors, overhead and film strip projectors are distributed and operated by the audio-visual group. Variety in classroom instructional techniques owes a great deal to this useful organization.

STAGE CREW

Mr. Korum, Gary Helgeson, Steve Martin, Debbie Weller, Tom Leuschner, and Mr. Beaver work to prepare the auditorium for various assemblies and special programs. They handle lights and sound systems and make and repair stage properties. It is difficult to imagine an operetta or little theater production on the Humboldt stage that is not indebted to the efficient work of the Stage Crew.

SKI CLUB

The Ski Club is a new addition to Humboldt this year. With advisor, Mr. Hart, they have taken several exciting ski trips. A weekend trip to Lutzen was planned. It would be worth it to join the ski club just to watch the thrills and spills on the slopes.

COLOR GUARD

The colorguard has been in existence for three years. The members of the guard practiced long hours after school, preparing for the many parades they have marched in. This year the guard had a chance to march in the Winter Carnival and Torchlight parades.

MAJORETTES INDIANETTES

As part of the band, the majorettes have marched and taken part in many athletic events by performing at half-time. They also took part in the St. Paul Winter Carnival Parade. Again this year the majorettes are under the direction of head majorette Diane Lynch and advisor Miss Judith Wright.

The Indianettes a newly formed group is a new addition to our school. They participated in many performances such as marching in parades with the band, performing for our P.T.A. and St. Paul Winter Carnival Parade. The squad competed in the Aquatennial after only three weeks of practice along with seven other groups and took fourth place. Hopefully the now 22 member group will continue growing and boost the Humboldt Spirit.

The eight regular B-Squad Cheerleaders and two alternates participated in a Clinic last spring and were chosen as this years B-Cheerleaders because of their co-ordination and their smiles. They cheer at all B-Squad functions and their cheering leads our teams to victory. Taking part in Pep Assemblies is a recent addition to their long list of activities. They are a real credit to our school.

Music is for recreation. Music is for fun; but music is the business of Humboldt's A-Choir. Meeting each day during the first period, Mr. Korum's proteges learn the intricate parts of their American musical heritage. Not only do they become familiar with the works of the masters, but they are frequently found practicing popular works by contemporary composers. The A-Choir is the primary group responsible for the production the annual musical. At Christmas time the choir favors the student body with its Christmas choral assembly. Another favorite production of the choir is their spring concert. The choir is surely one of the important Humboldt groups. The whole school is proud of them.

GIRLS' ENSEMBLE

The Girls' Ensemble is a group of girl singers that meet in the morning to practice. They participate in various activities such as the Christmas Program at school. They are under the direction of Mr. Korum.

A-BAND

The Humboldt High School Band is an organization which participates in many activities of various natures. Among these are athletic events, indoor and outdoor concerts, music contests, parades and many community functions.

The band's motto this year is: "Quality in music through performance". Each member lives up to this motto by striving for musical perfection in every activity of which he is a part.

Several other groups of students are closely related to the band and work in harmony with it. Majorettes, color guard and pep squad combine their talents to present outstanding performances at games and in parades.

Two outstanding players were Ken Cordes and Marcos Varela who made the All-City team. Cordes was Back of the Week and Varela made Lineman of the Week. Dave Robinette, Dick Marxer, Mike Prow, Steve Spicer and Harold Hunter were given Honorable Mention.

The outstanding athlete for track in 1969 was Bill Stiff. Ken Cordes is returning in the high and low hurdles. He is one of the top returning hurdlers in the Metropolitan area. The team is thin in numbers. The hurdles and relays appear to be our strongest events. There are eight returning lettermen: Gay Caflisch, Tom Charley, Ken Cordes, Gene Flores, Les Jones, Dave Mueller, Marcos Varela and Jerome Zafke.

CROSS COUNTRY

Conference cross country meets are held over a three-mile course near the Highland golf course. Seven runners represent each school, scoring points according to their order of crossing the finish line. A demanding sport, cross country calls for speed and endurance and the sacrifice of many hours to practice. A successful runner is usually an athlete who trains on his own all year around. Since the actual cross-country course is not a track, but a winding, up and down-hill path cut out of nature, runners need strong legs and great stamina. Humboldt's harriers have every right to the congratulations they receive from their efforts.

ROW 1: Gary Topp, Gary Winge, George Kanavati. ROW 2: Sigward Tonn, manager, John Frame, capt., Steven Monita, Ronald George, Mike Prow, Harold Hunter, Tom Schwab, manager, Coach Rynard.

BASKETBALL

In conference play, this year the small basketball team had four wins and eight loses. High scorers were Mike Prow and John Frame.

The team showed potentials of greatness and also at times had extreme difficulty. It was a frustrating season because the team was up and down so often. There is a good nucleus for next year which will have experience. Humboldt should be a contender for next year.

Jeff Lynch placed 11th in the 100 yard backstroke and Captain, Dave Mueller placed 8th in the 50 yard free style, and 5th in the 100 yard breast stroke. The team will lose three seniors, through graduation, Dave Mueller, Clyde Sylevester, and Dan Patton. The outstanding swimmer of the year was Dave Mueller who consistently scored points for the Indians.

GYMNASTICS

Perhaps more than any other sport, gymnastics must become a way of life for its participants. More than learning new stunts or perfecting old ones, a gymnast must practice constantly keeping dexterity and muscle tone in perfect harmony. Timing, important in all athletic events, is a critical thing in gymnastics. The boys of Humboldt's gym team are constantly aware of the demands made by the sport.

Indian gymnasts, seniors Mike Atkins, Jim Meade, Frank Urbanski, and Mike Vander Heyden, led the team through a successful 1970 season, setting the pace for younger members of the squad. Encouraging to those who look forward to future gymnastic triumphs at Humboldt was the work of junior Mike Wille and sophomores Arnulfo Flores, Cary Grinnel, and Jim VanderHeyden.

HOCKEY

The Hockey Team had an irratic year, sometimes showing spurts of good hockey and sometimes falling short of expectations. The Indians defeated a sound Monroe team who was five and zero at the time of their game; only to be beaten by Mechanic Arts the following week.

The team placed three men on the All-City honorable mention they were: Bob Rush, Jerry Bonine and Mark Johnson. Bob Rush and Bruce VanGuilder were elected captains for next year.

The 1969 Baseball team finished in 5th place. Larry Adams and Dave Robinette made the All-City Team. Duane Spicer, Jeff Shanley, and Brad Gilbertson received Honorable Mention. The team put up a good showing with only three senior members. This year we will have a strong team with the returning seniors and juniors.

L. TO R.: Don Adams, Mickey Bryant, Steve Martin, Steve Schreiber, Dick Bandholz, Coach Ernst.

The golf team completed last year's season with a record of four wins, three losses, and one tie in city conference play.

Dick Bandholz, Gary Staples and Don Adams qualified for district finals. Staples and Adams qualified for regions, and Staples went on to the state tournament. This is the first time in many years that Humboldt has been represented in the state tournament. All the tournament qualifiers were Juniors. The team this spring will be composed of five returning Seniors.

B-Squad Football Team Wins City Championship

Forty-seven boys turned out for the B-squad football team this year. Through hard work and determination these boys won the city championship. The schedule was such that Humboldt and Harding did not meet one another during the season and thus these two teams shared the championship with identical 6 won and 0 loss records. The boys showed continued improvement all season and should be a great asset to the varsity team next year.
